Class Day Program

I. The Queen of the Day, escorted by her train bearers, maid and crown bearer, passes through an aisle formed by Rainbow Girls and ascends her throne where she is crowned. A dance by the Rainbow Girls is followed by a Fairy Fantasy.

II. *The Fairy Fantasy*—Helena, a mortal, wandering through the woods, falls fast asleep in a Fairy Bower. The fairies and their queen enter their bower and dance for her. Failing to arouse her Sunshine and her Band of Flowers come and make merry. Puck, the Spirit of Revelry tries his capers. Failing, he tries the charm of the Fairy Potion upon Helena's eyes. Helena awakes and is joined by Happiness, Beauty and Grace. Demetrius, Helena's lover, rescues her from the fairies. They then pay homage to their queen.
