

AUTUMN

Skies of gray and skies of blue
Can't tell what it's going to do,
Now and then a sunbeam bright
Here and there a snowflake white.

Brown where once the world was
green,
Barren tree-tops in between;
Fields all stripped of growing
things,
This, of course, fair autumn brings

WORK PROGRESSES
ON SCHOOL PROJECT

The progress of the new school
has been very highly satisfactory.
Meanwhile, the students of Sacred
Heart have become a race of win-
dow peekers, since hammers, saws,
and cement mixers create such a
tempting temptation to see what
is going on. Hope has arisen how-
ever of remedied eyestrain by Jan-
uary or February when the new
students will be on the inside
looking out.

SACRED HEART HIGH SCHOOL, Boone, Iowa

October-November, 1951

NEW ASSISTANT BEGINS DUTIES AT SACRED HEART, BOONE

The students of Sacred Heart
would like to take this opportu-
nity to extend a warm welcome to
Father John A. Terpstra, who be-
gan his duties in Boone August 17.
Father Terpstra has most ably re-
vived the flagging interest in
athletics in the parish. We hope
a long and happy stay in Boone is
God's choice for him.

FORTY HOURS GIVEN BY FATHER MALACHY

What a blessed privilege to
be able to assist at the Holy Sac-
rifice of the Mass, to know God
exists in the Host for me and to
receive Him in Holy Communion are
thoughts left in our memories by
Father Malachy in the Forty Hours
Devotions sermon.

Forty Hours opened Friday,
October 12, by Father Ryan—with
a high Mass sung by the high
school choir. Adoration and repa-
ration were the central thoughts
of the three days.

Many took advantage of gold-
en opportunities drawing closer
to God and to Heaven.

OFFICERS CHOSEN FOR DYO

A DYO meeting was held Thurs-
day morning for the election of
officers.

President—Delores Coffey
Vice President—Clarence
Dittmer

Treasurer—Richard Brown
Secretary—Patricia Conway

The first DYO feature of the
year was Madrid's Treasure Hunt,
which was followed by a dance.

The first leaves
have fallen
School has begun;
Putting an end

To our summer of fun.

USMC MEETINGS REORGANIZED

We're back at it again! Back
at what? USMC meetings of the new
school year. At the September
meeting the new officers were pre-
sented.

Yvonne Fitzgerald, President
Barbara Millhollin, Vice-
President
Lorraine Conway, Secretary
Thomas Rinker, Treasurer

The discussion "Societies of
the Church" was followed by Fath-
er Ryan's call for participation
in the Catholic Action program at
Carroll. Father Terpstra asked
for the cooperation of all in or-
ganizing and supporting the re-
vived athletic program.

The October meeting urged the
Freshmen to prepare for admission
into the Sodality of the Blessed
Virgin and further inspired them
to mission activities of the can-
dy sale nature. The "Lead the
Followers" contest is on; the stu-
dent body is personalizing Mary's
beads in their daily lives.

TEAM PARADES IN NEW SUITS

Sacred Heart witnessed an im-
promptu fashion show September 14,
the day the new baseball suits ar-
rived. The boys on the team took
a few minutes off from school rou-
tine to go through the school and
display the new uniforms. The ad-
miration given should be inspira-
tion for good teamwork.

GRADES SEVEN and EIGHT ENTERTAIN

The fifth and sixth grades
were on the receiving end of the
Columbus Day party given by the
seventh and eighth grades October
4. In the earlier hours bunco was
played, and later the refresh-
ments were served and the prizes
won earlier distributed. A vote
of thanks from six thirsty jour-
nalistic seniors who enjoyed a
coke through their generosity.

Do YOU Respect The Rights of Others?

Do we students at Sacred Heart realize the need for a student policy; a policy similar to that of our good neighbor policy?

Both boys and girls should respect the personal rights of other students and of the teachers. Do we respect the freedom of others? One should be considerate in promptly returning paper or pencils borrowed from the friend across the aisle, and nothing should ever be taken from another's desk without the knowledge and consent of that person. Right there is a violation of his right to private property.

Each student should stop and think about a common thing in schools—cheating. A good grade may be gained at that time, but no knowledge will result from it. The teacher may be fooled, but God will know, and a guilty conscience can become very troublesome. No good grades ill-gained can compare with a lower grade honestly earned. The West Point scandal is a very good example of cheating. Ninety cadets were caught and punished. Many more students may not be caught and punished but their conscience will take care of this. The world cries for honesty in all dealings. These habits can be formed while we are still in school.

Mary Pleads for Her Rosary

October is the month for special effort—all out effort according to the plea of Our Holy Father for intensive rosary devotion.

The Cost—

rising a bit earlier to attend daily Mass,
saying the rosary daily,
introducing it as a family consideration.

The Why—

turmoil in the world,
Are we really seeking peace or just a tangled web of material?

The Result—

peace in the world,
peace with our neighbors,
peace with ourselves.

Isn't it worth while to take time out for Mary's rosary?

Queen of the Holy Rosary, pray for us.

Debits and credits are now my chief woes,
Bookkeeping even has me counting my toes.

We may miss a lot of flies,
And departing leave behind us

sports

The Sacred Heart baseball team under the leadership of Father Terpstra has been developing rapidly and should improve in future games. The boys opened thier season with a 13 to 1 win over Jordan. Their second game was dropped to a strong Boxholm crew 10 to 5. In a return game Pilot Mound won again by a 7 to 3 score.

The S.H.S. boys next entered the sectional tournament at Boxholm where they were defeated 7 to 0 by the strong Corpus Christi team of Fort Dodge. Huxley was the next opponent on the Sacred Heart Schedule and they were turned back by a 4 to 2 score.

Junior sports

The Sacred Heart grade school has entered in the Y. M. C. A. football league this fall and have a record of 1 win and 2 losses.

Sister Mary Bertha is now principal of Our Lady of Loretto school in Hampstead, New York.

Sister Mary Helene has new duties at St. Patrick's school at Dubuque, Iowa.

Benefit Breakfast Given.

An early morning memory now is the fund raising Benefit Breakfast given by Mrs. Henry Judge at her country home for fund raising purposes to help meet expenses of the athletic program. The oldsters day was Thursday — more important in the mind of the student body was the Friday morning lineup when extra cups of chocolate and extra rolls were in the atmosphere.
