The DYD meeting sets Ogden, Cedar, Boone, Jefferson, Churdan, Grand Junction and Madrid in motion for the year. Under the directorship of Rev. O. Koester the officers of the year were chosen and the first "get together" was planned for the dance October 26th at Sacred Heart, Boone. All Catholic youths of the surrounding towns are welcome.

The General Theme for this year is—"Modesty—Christian Design for Modern Living." The rules of the different contests have been distributed throughout the various schools. Catholic students of the Sioux City Diocese can show enthusiasm, cooperation and genuine Catholicism in upholding its youth program.

Mission spirit flares with C.S.M.C. meeting. On Friday morning, Oct. 2, the Catholic Student Mission Crusade held a meeting before an enthusiastic group of Sacred Heart High students. Pat Rea was chosen as the new representative of the Freshman group, and will follow in the footsteps of Tom Rinker as treasurer of the organization. ### THE ROSARY

I love to fondle carefully,  
That loving bead so dear,  
That Mary gave at Fatima  
To banish war and fear.

I say it one day just for peace,  
And then again for love,  
Then offer it for a sinful world  
To the Lord, Our God, above.

### K of C PAINT CONVENT

Not only the Sisters but the whole parish are proud of its volunteer K of C squad who so generously donated free time for painting the convent. Its two coats shine gloriously and raises its status along the new school row.

### CLASS RINGS ARRIVE

The seniors are proudly wearing their new class rings. The rings came earlier than expected and each one is happy to receive his class emblem.

### Eighth Graders

#### Urge Registration

(Boone News Republican)  
The Sacred Heart School Civics Club, made up of eighth grade students, have taken upon themselves to help out in the drive to get voters registered in Boone. "Register and Vote" is the slogan adopted by the group of boys and girls whose average age is 12 years. Peter Fleming is president of the club with Duke Conway as vice president; Richard Rinker as secretary and Michael Ferry, treasurer.

The club president said that the members will be working hard to do their share to get the voters registered.

### BOONE REVISITED

We have often praised our new school, have heard others give it a high rating, but Sister Mary St. Augustine expresses in the following account what we would like to have said about it.

Celebration of Mary's birthday, September 8, brought me to Sacred Heart Convent which had been my home for six happy years.

The visit was a momentous one for in my absence, five short years, a "dream school" had risen on the corner of Twelfth and Marshall. I say a "dream" school for many believed it would never be more than a beautiful dream.

But there it was, taking the place of the old red building which had, in appearance, so inadequately represented the glories of Catholic education. There it was—a modern, artistic, adequate, representative building, worthy of its destiny—a Catholic school.

As we went from room to room, we admired the tile, the terrazo, the class brick, the soft-colored walls, the new desks, lights—all the materials and arrangements that make new buildings beautiful and pleasant to live in. As we lingered in each bright classroom with its challenging and attractive bulletin boards and decorations, we were happy that the teachers and children of Sacred Heart School are enjoying what priests, Sisters, and members of the parish worked hard and willingly for many years to give them.

I especially liked the alumni corner where from the very newest type of class picture equipment familiar faces of alumni smiled at us. There was also a list of those graduates who have devoted their lives to God. It is an impressive record. I recalled the class of '43; fifteen in number, three of whose members are now carrying the Catholic education they received at Sacred Heart to other children in Arizona, Iowa, and Illinois. # Why Vote ?

Your vote is important!!! Register and vote is the theme of the eighth grade civics club and also of the Boone Chamber of Commerce, who are sponsoring campaigns to get your vote. This proves that we have a body of civic minded sons. Don't be the cog in the wheel—give them your cooperation.

We all complain about the selection of officials in our government; but in the last national election only forty-eight per cent of eligible voters cast their ballot. Each citizen who did not vote aided in maneuvering our government into its present precarious position.

Let's face it, these are ominous times! We must select a capable man! How can we expect to expurgate corruption in the government if we don't show enough interest in our nation to vote in the fall election? Americans shamefully neglect this privilege and duty. If you don't take part in the election you have absolutely no right to complain about the running of the government.

We can show our spirit as real Americans by our presence at the polls on November 4th; we can plead the cause of honesty in politics by wisely choosing our leader; we can demonstrate our appreciation for liberty loving ideals—but will we? It is for you—you and you—Oh American! to answer.

## Frosh Join High School Ranks

We, the seniors, would like to say,  
You'll find no better Freshmen any day.  
We started the ball game way in the lead,  
But still they played with great avidity  
and speed.

They all appeared in the clothes assigned,  
The commands of the seniors, they quickly  
did mind.

The machinations of our class, whatever  
they be,

Did not seem to banish their bravery.

Throughout the day, they cooperated much,  
And gave the mixer that friendly touch.  
We'd like to suggest to the Seniors to come,  
Initiate like we did, you'll have lots  
more fun.

## In Exultation!

(Cont'd from Pg. 1)

It was in all a very happy visit. A parish can be proud of a new school. A parish remembers with love and affection its old school.

A Catholic school isn't just a mass of brick and mortar; it has a spirit. May the "spirit of Sacred Heart" which through the years had been one of the proudest possessions of the old red building animate its modern successor. May the spirit of the New Sacred Heart be like the old Sacred Heart. May it inspire its students to live lives that are a credit to God and country.
