

*Shh . . . here comes the teacher . . . What's  
the history assignment? . . . Golly, I wish  
that fly would quit buzzin' around! . . .  
Hand me your eraser . . . Did you pass that  
test last hour? . . . Open the window; it's  
hot in here . . . Oh, oh, there's the bell!*

THE GOEPPINGER AWARDS are given annually to two sophomore girls and two boys. Originally the awards were given to just one girl and one boy, but at that time there was a mid-year class. The award consists of ten-dollar bills or gold medals. Qualifications for the winners are excellence in conduct and general attitude toward school and praiseworthy and outstanding service for the school and community. The eligible students are rated by all their teachers; then a committee consisting of the Superintendent, the High School Principal, and one junior high teacher determine the students to whom the awards are given. This year the winners were Carolyn Herman, Mary Longworth, David Fitzsimmons, and Denny Collis.
