Dear classmates and friends of the BHS and SHHS Classes of 1954,

Most of you have received one or more booklets that you had seen and taken or requested at the Class of 1954 60th Anniversary Reunion. To those who have responded with corrections to some of the information in the *Directory*, thank you very much. As we all age our circumstances change often, so the *Directory* is in constant flux. Please let us know by e-mail, phone, or postal letter whenever you see an error or update required in any of the entries.

Here is a short list of four corrections received thus far from classmates.

(1) Bill and Carolyn McCall had moved just prior to the Reunion, but we did not have their new address in time for the printing of the *Directory*. So here is their new postal address (telephone and e-mail unchanged):

1100 Adams Street, Unit 124
Ames, IA 50010-4122

(2) We were informed that Nyla (Stumbo) Cox's husband (Charles Cox) had passed away. Does anyone know for certain when he died or whether or not he attended school at BHS or SHHS, or what class he might have been in?

(3) We were also informed that BHS classmate Wendell Hannum had passed away on November 12, 2012. We are searching for a notice or obituary to verify that.

(4) George Steininger has a new telephone number and e-mail address:
Steininger phone: 515-212-8133 (mobile)
Steininger e-mail: GeoStein04@gmail.com

If you have corrections or comments regarding any of the Class of 1954 booklets, please direct e-mail, telephone, or postal letters to either Judy Patterson or Ron Schmickley at these contacts:

Postal address: 1253 218th Place, Boone, IA 50036-7116
Home phone: 515-432-8886
E-mails: airelvr@VistaStorm.com and/or Schmickley@VistaStorm.com

And now for something completely different ... or not so different from previous months ...

If you are in Boone next weekend, plan to come to our monthly Class of '54 breakfast at the Saints Avenue Cafe (formerly the Golden Corral) on Saturday, August 2nd, beginning at 8:30 on that beautiful morning and lasting until we are all talked out. The weather forecast this week in central Iowa looks very good. Enjoy it.

Judy Patterson and Ron Schmickley
