

Listening In Merits Superior Evaluation

Sacred Heart School is justly proud of its school paper, "Listening In" which recently was analyzed, criticized, and evaluated Superior in all categories by the Critical Judging Service. The judging was done by a member of the SUI journalism faculty.

Students Initiate Mission Enterprise

In an all out effort to give financial support to the Mission Cause, CSMC Students of Sacred Heart High have chosen St. Patrick's Day, as the appropriate time to launch the biggest mission enterprise of the year.

Heading the over-all committee undertaking this project are chairman Richard Hare and Janet Steuerwald, Sue Casserly, Mary Kay Keller, and Mary Sue Rolfes will preside over the lunch committee; Aaron Vest will direct the activities of the Candy Walk feature; Susan and Kathy Wilson will be in charge of the boutonniere committee; Tom Matt and Linda Hopkins will supervise the stage performances of skits given by freshman and sophomore casts.

Keynoting the day's activities will be the auctioneering by the senior boys of box lunches prepared by the high school girls. Under the auspices of St. Patrick, the Crusaders will dedicate their labors March 17, to the conversion of the heathen and the propagation of the Faith.

Namesakes Celebrate Feast of St. Patrick

Celebrating their "Names Day" on March 17 are Patricia: Lacey, Dittmer, Donovan, Miover, Brice, Douroumis, Keller, Pratt, and Gibbs; Patrick: Duffy, Farley, Feeley, McCoy and Sawyer.

The Individual Dignity of Every Human Person

LISTENING IN

Volume 18.

Sacred Heart School, Boone, Iowa—February-March, 1958

Number 3.

Juniors Tell Date, All Else Is Mum

Preparations are now underway for the Junior-Senior Banquet and Prom to be held on May 14. Although "mum" is the word with the juniors—to keep everything top secret until the big night is their strife—they can be seen in huddles and buzzing around like busy bees.

Larry Conway, Junior President and general chairman for this gala event, will reign over the entire evening as toastmaster and chief speaker at the banquet for juniors and seniors and guests. Later Larry and his date, Marcia Day, will lead the Grand March, followed by Senior president, Delores Headley, and her escort, Aaron Vest.

Early securing of dates reveals anticipation and planning for the big night.

Pilgrims Assemble To Honor Our Lady

In commemoration of the one hundredth anniversary of Our Lady's apparition at Lourdes, thousands of pilgrims have traveled to the grotto this year to ask Our Lady's blessing on their families and themselves.

FATHER RYAN OBSERVES ANNIVERSARY AS PARISH APPROACHES CENTENNIAL

May 6, 1958, has been set for the observance of the golden anniversary of Rev. J. J. Ryan's ordination to the priesthood. In announcing this date, Rev. Richard Macke called for suggestions and assistance to make the day a memorable one in the life of Father Ryan and in the history of the parish and city.

ALMOST 100 YEARS BETWEEN !

Then 1860 1958 Now

Life of the Catholic Church in Boone began nearly one hundred years ago, June 13, 1860, at which time two Catholic families lived in "Boonesboro." Within the next few years, the population grew to such an extent that the first church, St. Joseph's, was erected by Father Delaney, the first permanent pastor. Also St. Patrick's Cemetery was purchased.

Later, Father T. J. Mackey held religious services in Ives Hall on East Eighth Street in Boone to accommodate the increasing congregation.

In 1880, Father Smith purchased the ground occupied by the church and school and the church was moved from Boonesboro to Boone.

Where the school now stands, Sodality Hall was built which is now the Catholic Church at Madrid.

God has blessed the work of Sacred Heart Parish during the first hundred years of its existence, both materially and spiritually; and with His grace, it is hoped that the parishioners of 2060 will have as many wonderful improvements to report.

Destruction of the parochial residence by fire in 1882 gave cause for the construction of a unit which was later used in establishing the teaching system in 1887. At this time the Sisters of Charity and of the Blessed Virgin Mary came to facilitate the system.

The present Sacred Heart Church was built in 1892 and 1893 and in 1915 the present rectory was erected at approximately \$16,000, with additional ground being purchased. St. Mary's Mission was established in 1913.

Soon after Bishop Heelan appointed Father J. J. Ryan as pastor, plans were started for a new \$195,000 school which was occupied in 1952. More ground was purchased and the Sisters were furnished with a new convent in 1957.

Packing luggage for the trip are senior girls—Sue Casserly, Pat Donovan, and Pat Dittmer.

SENIOR GIRLS ANTICIPATE VISIT TO U.S. CAPITAL

Anxiously awaiting the arrival of April are senior girls—Sue Casserly, Pat Donovan, and Pat Dittmer. On April 17 these girls together with other students in the United States will take advantage of an opportunity to see Washington, D. C.

Arriving by train in the Nation's Capital, they will take part in a tour including motor trips to historic sites, a voyage up the Potomac River to Mt. Vernon, touring of government buildings, and social get-togethers.

The girls plan to see Chicago before they board the Baltimore and Ohio for Washington.

FORMER EDITOR RECEIVES STRAIGHT A AVERAGE

"Listening In" salutes its former editor, Miss Eileen Ryan, a 1957 graduate of Sacred Heart, on being the only student to receive a straight "A" average in the Boone Junior College for the first semester.

Besides being excellent in academic work, Miss Ryan has taken part in most all school activities, according to Mr. Robert Heyen, Dean of Boone Junior College.

PETER FLEMING MERITS ANNUAL SPEECH TROPHY

Peter Fleming '57, was the only freshman to compete with forty juniors and seniors in a speech contest held at Creighton University. When final judging was completed, Peter received the speech trophy.

Will the new sack dress be a "hit" or a "miss" in the line of new fashions? Students voice their opinions on this and other fads and fashions.

Will "Ivy League" stay? Sue Wilson: "No, because it has been here too long and is beginning to lose its popularity."

Do you like the spring color, red? Mike Stanmeyer: "Yes, because red's my favorite color."

What do you think of the "Ivy League Caps"? Ray Brown: "I don't like them."

Do you like the long socks that the girls have been wearing? Jerry Murphy: "No, they make the girls look saggy."

Would you like to have a "sack dress" for your Easter outfit? Marcia Day: "Yes, because it's different."

What do you think of the new "sack dresses"? Esther Portor: "I really like them because they look neat and attractive."

Do you like the new spring shoes with the "pointed toe"? Mary Sue Rolfus: "Yes, because they look nice and dainty."

New Student Enjoys Sports and Painting

The newest member of Sacred Heart High School is Bernard Judge, a transfer student from United Community. "Butch" had previously lived on a farm south-east of Boone and had attended United Community for the past three years. He was an active member of the 4-H for five years and specialized in raising and exhibiting calves.

Butch likes Sacred Heart but finds it quite different from United Community. He terms Sacred Heart as "more formal."

Active in sports, Butch enjoys hunting and swimming in his spare time. Biology rates as his favorite subject, painting as one of his favorite hobbies.

Butch also has a brother and sister attending Sacred Heart, John, in the 8th grade and Kathleen, in the 6th grade.

TIMELY TOPICS

IN TV LIMELIGHT RECENTLY was Father Apt, former assistant pastor, who attained nation-wide recognition on the program, Tic Tac Dough. Many of the high school students took the opportunity to see Father on TV in the Junior-Senior room on Feb. 20 and gave him hearty support.

THINKING AHEAD to senior year, the Junior class has selected the "Winner" as the '59 class ring.

DISCOVERED . . . A slack in attendance at Mission Rosary at 12:15 on Tuesdays. Also a few have formed the habit of coming late. Why not come early, gain the full merit and fulfill a two-fold purpose—CSMC duties and Lenten sacrifice.

LOST . . . Patience . . . Wanted by—five senior secretaries . . . Reward—fewer mistakes, fewer headaches.

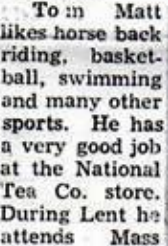

RECENT MOVIES sponsored by the General Science class were "The Solar Battery" and "Voice Beneath the Sea."

STUDIOUS SOPHS ARE POPULAR, FRIENDLY

Classmates term Judy Shuster, Tom Matt, Ed Dittmer, and Janet Steuerwald studios and popular.

President of the sophomore class, Ed Dittmer is well-liked by everyone. He takes part in basketball and maintains a straight "A" average in studies. He has a wide range of interests including sports.

To in Matt likes horse back riding, basketball, swimming and many other sports. He has a very good job at the National Tea Co. store. During Lent he attends Mass and receives Holy Communion almost every morning.

Janet Steuerwald's friends say she is most reliable and also very generous when any help is needed—especially in geometry, her favorite subject. She has maintained a straight "A" average throughout high school, is friendly and very well liked by everybody.

Judy Shuster does her best work in geometry and general science. . .

Her main interest probably evolves about her home and her little nephew; she likes to dance, and have fun generally, but she has a serious side also.

YOUR TRAINING SHOWS—

Everywhere a student goes, he is automatically a representative of his school. Whether he is chosen to represent his school formally or is just taking part in a normal conversation his actions reflect his training. When a student is privileged to be elected to uphold his school he must remember that every talent comes from God and that the quality that crowned his efforts is God's gift. The student must always remember to let his faith shine out and so point up the inestimable values of living what he believes.

CHRISTIANS HAVE HEBREW ORIGINS

The Blessed Virgin Mary, whom we love and respect as the ideal of all womanhood, was a humble Jewish girl of Nazareth. It was St. Peter, a Jew, who was the first Pope. The Jews are to

be thanked for preserving those ancient precepts and prayers which form a great part of our religion. The Catholic Church maintains that one cannot love God unless he loves his neighbor and should one's neighbor be oppressed, as the Jews have often been, then in the measure in which the Christian tries to alleviate this distress, will he prove his love of God.

READERS REQUEST MORE PICTURES

There have been complaints that the school paper lacks pictures. That may be true, but it must be remembered that pictures are expensive; moreover newspapers are not essentially pictorial.

For the past four years Sacred Heart's "Listening In" has been printed. That itself is a big step forward and one that strains the purse strings to the breaking point.

When the cold weather came, it certainly had its effect on the citizens of Boone. One individual who resided near the river where the mercury dropped to 34 degrees below, pulled up stakes and headed for the North Pole, where it was probably a little bit warmer. At least, it couldn't be any colder . . .

Boasting about your car can sometimes prove embarrassing. Many people who boasted that their "trustworthy old car" would always start right off during cold weather, had a good chance to prove it during the freezing cold spell. It seems that there were several cars which did not live up to their owner's expectations. By the way, did your car prove to be "trustworthy" or "rusty"? . . .

High school students enjoyed an interesting movie, "Hemo the Magnificent," which told about the human heart. Several true-life pictures of the human heart were shown during the movie, and a few members of the audience were quite amazed to see what makes them tick. Or does it? . . .

"Life of the Party," the Junior-Senior class play presented on Valentine's day, seemed to please the audience very much. The boys were pleased afterwards too, when they consumed all that "dee lish us" punch. Of course the girls managed to get a little bit of it. Don't they always? . . .

Has anyone noticed that there are not two boys in Sacred Heart High School who have identical haircuts? Of course a few are similar. Some of the girls have short haircuts, which are very becoming. It's odd, though that in the modern age, girls wear boy's clothes and get boys' haircuts and nothing is thought of it. Can you imagine what would happen if boys wore girls' dresses and let their hair grow out? . . .

HIGHLIGHTS OF THE FIRST FLOOR

The ransom of pagan babies is the principal Lenten project of grades one, two, five and six. The fifth and sixth grades each have ransomed one baby, while the first and second grades are well on their way to buying one.

Also, the fifth and sixth grades have been doing a great deal of art work, and the first and second grades have been striving to take Steps to Calvary by Lenten sacrifice.

The study of time and the seasons of the year have been dominating the activities of Mrs. Rinker's second and third graders as they busily construct paper clocks and learn about the different seasons. Every child has made his own clock complete with hands and numerals.

MAN DESERVES RESPECT FROM HIS FELLOWMEN

Giving to others the rights and respect one wants for himself is very important. Man's concern for his fellow man has become the key to human survival. By being thoughtful and helpful at home, school, church and in social life the student is doing his part to make the world a better place in which to live. Mark Twain once said, "He is a human being. That is the best and the worst thing that one can say about anyone."

Respect for our fellowman is implied in the doctrine of the Mystical Body of Christ. "We are members of His body, made from His flesh and His bones." This in itself is proof of the intimate relationship between all men regardless of race, creed, or color. All are made to the image and likeness of God.

7H, 8TH GRADERS ELECT CIVICS CLUB OFFICERS

The seventh and eighth grades have recently elected the new Civics Club officers for this semester. The officers are as follows: President, Alice Kay Carver; Vice-President, Richard Wiebe; Corresponding Secretary, Martha Carroll; Recording Secretary, Sharon Shuster; Treasurer, Sue Cooper; Eighth grade Sergeant at Arms, Steve Duffy; Seventh grade Sergeant at Arms, James Doneison.

3rd, 4th Grades Present Play For PTA Members

Linda Ward heads the cast in the title role of the play, "The Princess and the Rose-colored Glasses" which will be given March 14 for the members of the P.T.A. The parents of the unhappy princess, King, Denny Flannery, and Queen, Mary Margaret Mahoney, try everything to make her stop crying. A glasses peddler, David Hale, finally solves the problem by having her see the bright side of life through the rose-colored glasses.

Others in the cast are members of the third and fourth grade.

GLEE CLUB ACQUIRES NEW CHURCH MUSIC

The Sacred Heart Girls Glee Club and Choir has acquired 22 editions of St. Gregory Hymnals and 22 St. Mary Hymnals by Sister Mary Gesila, SSND. Some hymns from these books are being sung during Lenten devotions and others will be sung also for Holy Week.

In preparation for Father Ryan's golden anniversary in May, 42 copies of the Mass in Honor of the Infant Christ by Sister Mary Elaine CDP were purchased.

SPORTS

VARSITY RECEIVES ACKNOWLEDGEMENT FOR SPLENDID PLAY DURING SEASON

Larry Conway, junior forward, played his best game of the season at Fort Dodge in the Diocesan tournament in which the Spartans met Fonda O.L.G.C. Larry's 22 points for the game ranked third in individual scoring average for the tournament.

Conway helped hold up the rebounding end of things, the Spartans scoring a 45-19 victory over the Eagles of Pilot Mound. He also scored in double figures with four of his team mates to lead the Spartans to avenge a 19 point margin loss, which Bode had claimed earlier in the season. The final score was 62-42.

Ray Brown, junior guard, turned in his finest performance of the season, scoring a grand total of 20 points, in the Spartan 49-32 victory over the Dawson cagers. Ray also dumped in a pair of free throws with 17 seconds left, allowing the Spartans to escape Sacred Heart of Templeton by a 39-36 margin. Brown scored a total of 8 points in that game. In the game in which the Spartans beat Bode, he was one of the four players to score in double figures.

Jerry Cooper, junior center, was named to the eight-man Class B All-Sioux City Diocesan Team. Jerry turned in a fine performance when the Spartans played their last regular game of

the season against St. Edmund of Fort Dodge. Cooper tallied a total of 22 points but lack of scoring from the guards cost the Spartans a 58-72 decision with St. Edmund's on the top. Jerry also did an excellent job of rebounding and scored a total of 10 points in the games in which the Spartans dropped a 39-32 victory to the Carroll Kuemper reserves.

Dan Garvey, a senior guard, gave his best performance of the season in the two rounds of tournament play in which the Spartans participated. Dan shared top scoring honors with a total of 12 points in the first round of tournament play in which the Spartans defeated Boxholm by a final score of 49-31. Garvey also gave the Spartans a boost by scoring 9 points against Dayton in the semifinal, the final score of the game being 53-50 in favor of Dayton. The outcome of this game eliminated the Spartans from tournament play and was, therefore, the final game of their 1957-58 season.

Mike Fitzgerald, junior forward, was the young man who assured the Spartans of a 52-50 victory over Mt. Carmel, who had beaten the Spartans by a margin of 18 points earlier in the season. Mike, making a spectacular long shot in the third

chapter of a triple overtime, also scored a total of 12 points.

Although Fitzgerald was showing excellent rebounding and bagged 11 counters, which led all scorers, the Spartans managed only 3 points in the third chapter and lost to the Carroll Kuemper reserves by a final score of 39-32.

Pat Duffy, sophomore reserve guard, did a fine job in relieving

the pressure put upon Jerry Cooper and Larry Conway who had four fouls in the first round of the sectional tournament play. Pat grabbed 17 rebounds for the Spartans in the second half and scored a total of 7 points which helped boost the Spartans to a victory over Boxholm and allowed them to enter the semi-final of the sectional tournament with a 10-6 record.

Fifth-Sixth grade champs — Mark Collison, Jude Rolfes, Tim Ferry, Charles Bowman, Tim Mahoney, Mike Duffy, Mike Culver, and Mike Loehrer.

Reserves Close Season With 10-4 Record

The Spartan reserves chalked up 10 victories with four losses to bring their 1957-58 basketball season to a close.

With 13 points from Joe Tornabane and 11 from Earl Brice the reserves scored a smashing victory over the St. Edmund reserves.

Although SHS reserves shot poorly, Ed Dittmer scored 5 and Gary Mullins 4, allowing them to defeat Sacred Heart of Templeton 16-12.

Earl Brice led the shooting with 10 points and Michael Lacey was second with 8 in the game in which the reserves tromped Bode 35-7.

The Spartan reserves defeated Granger Assumption 27-9. Tom Matt held high scoring honors with 8 digits.

An earlier loss was avenged by the reserves in a 40-17 decision over the Eagle reserves of Pilot Mound. Pat Duffy led Spartan scoring with 14 points.

Because the reserves were not able to keep a steady pace they were defeated by Eagle reserves of Pilot Mound 18-17 in an overtime. Joe Tornabane led Spartans scoring with 6 points.

Sacred Heart Leads Basketball League

Sacred Heart has a fine grade school basketball team this year. With the season two-thirds over they have won eight games and lost none.

Leading scorer is Mike Loehrer with a total of 253 points and an average of 31.6 points per game. Mike is also the league's leading scorer. In scoring honors, Mike is followed by Mike Culver with 59 points; Tim Mahoney with 45; Mark Collison with 36; Mike Duffy and Tim Ferry with 4 each and Jude Rolfes with 2.

The SHS team has a remarkable record — having defeated; Lowell: 38-8; Lincoln: 39-20; Franklin: 58-15; Trinity Lutheran: 94-4; Bryant: 32-28; Page: 56-13; Lowell: 46-15; Lincoln: 43-18.

SPARTANS WIN 1ST ROUND

The Spartans under the able leadership of their coach, Noel Jones, advanced to the semi-finals of the Class B tournament play by defeating Boxholm 49-31.

MULLINS PLAYS WELL IN LOSS TO FONDA

Garry Mullins, reserve center for the Spartans, filled the shoes of center Jerry Cooper, who fouled out in the first quarter of the Diocesan Tournament play against Fonda. Gary's fine rebounding and passing resulted in excellent teamwork. Mullins added 2 markers to the final score of 60.

They Led Spartans In Semi-Finals

Although all was tied up at the end of the 3rd quarter, the Tigers of Dayton outscored the Spartans in the 2nd half to earn a 53-50 decision and as a result advanced to the Class B tournament finals.

One of the most outstanding moments of the game was a rebounding duel between Dayton's Thompson and Jerry Cooper. Jerry's 14 points led Spartan's scoring while Dan Garvey added 9 points to the final score.
