The Boone High School and Sacred Heart graduating classes of 1947 and 1948 held a joint reunion at noon on Friday, Sept. 28, at the Central Christian Church. Guest speaker was 94-year-old Ames resident Grace Amemiya, an American citizen of Japanese descent, who was forced to an interment camp in 1942. Mrs. Amemiya feels that it is important to tell her story because we don't want this to happen to any other American citizen.

A welcome was given by '48 Class Reunion Chair Gary Anderson, followed by a short business meeting.

At 4 p.m., the classes took an interesting and informative tour of the Fareway Warehouse, conducted by Fareway President Fred Greiner. The group was awed to see the automation they have installed.

At 7 p.m., the '48 class met at the Tic Toc Supper Club for an informal social hour.

On Saturday evening, the class of '48 enjoyed the Boone & Scenic Valley Railroad dinner train excursion. A wonderful meal and gorgeous scenery was enjoyed by all.

Sunday morning found the classmates, friends and spouses at a brunch at the Masonic Center to conclude the memorable weekend.
