

# 'Try for a College Scholarship,' Advises Miss Thornburgh

Anyone planning to go to college, and especially those who are seniors this year, should be interested in knowing more about college scholarships.

According to Miss Thornburgh, who is in charge of scholarships here, more Boone students could receive scholarships if they realize soon enough the opportunities that are offered them. She has compiled the following information:

## Many Types

In order to assist deserving students who need financial help or to assist those who have exceptional talent, there are many opportunities in the form of scholarships. The three main types are: honor scholarships, competitive scholarships, and special scholarships.

Honor scholarships are offered to seniors in the upper 15 per cent of their class, who are recommended by someone in school administration, usually the principal. Usually amounts from \$100 to \$110 are ap-

plied on tuition cost and can usually be renewed if the student's college record is good. This type is most common in liberal arts colleges.

Freshman merit scholarships, offered by the University of Iowa, are open to any senior in the upper 10 per cent of the class who makes a high enough ranking in the examination given in April. This type amounts to approximately \$153, to pay the basic tuition and fees of the freshman year.

The partial exemption scholarships offered by Iowa State Teachers College pays all but \$33 of the freshman tuition. They are based on scholarship, recommendation, and passing of an achievement test which is given in May.

## Competitive

Competitive scholarships are for four years, their continuation depending upon maintaining high scholarship and qualities of citizenship. They vary in amount from

\$100 to \$1,000 but may be more, depending upon need, locality, distance from home, and other factors.

Churches in local communities may have small scholarships amounting from \$100 to \$300 for students of their churches who wish to go to the school supported by that denomination.

Union Carbide scholarships are four-year scholarships offered by Grinnell. The college gives ten in technical engineering and five in business administration. These renewable scholarships require no special examinations and cover basic tuition, books, and fees.

## Veishea Award

For the first time, the Veishea Scholarship is being offered to schools in Iowa only. Two applications may come from any one school. The three scholarships given, based on scholarship, leadership, and character are: first, \$750, second, \$300, and third, \$200. The

highest 20 are to be recognized as honored guests at Veishea.

Nursing scholarships are another type of competitive scholarship which are important to girls wanting to attend nurses' training. The American Cancer scholarship gives \$500 over a three-year period on condition that the receiver agrees to give two years of service in Iowa after graduation.

Other colleges have scholarships of these types which are named for the person for whom the trust fund has been established. For further information on competitive scholarships the student should see the catalogs of school in which he is interested.

The Farm Bureau scholarship is a special scholarship given to a rural girl who will teach in a rural school for a period of two years. A rural school is one in a community of 2,500 or less. Applications must be made before March 1, to the local Farm Bureau Federation. A total of 18 are selected. Amounts

to \$140 are given each year for a period of two years.

The Board of Managers of the Chicago North Western Railroad Women's Club offer a scholarship to one boy and one girl in the district. Each amounts to \$400. It is based on good references and need of assistance, and requires that the applicant be an employee's son or daughter and in the upper 10 per cent of the class.

The Iowa Federation of Women's Clubs offers two or three scholarships amounting to \$500 each to girls only. They are based on an endorsement by a local Federated Club, and passing the Ohio State Aptitude tests with high grades.

Local clubs such as Chapters of P.E.O., the Business and Professional Women's Clubs, and other organizations, have loan funds at a low rate of interest and long time payment. Any student wishing to discuss a loan can arrange a meeting with the scholarship committees of these organizations.

### JUST BUZZIN'

Here's just the article you've been waiting for! To make money for the band's new uniforms, they are going to sell some very attractive white long-sleeved sweat shirts with a short zipper at the neck. Besides this stylish combination, they come with or without Toreador emblems. Every Boone high boy or girl will want one of these, so start saving your money now.

Boone High seniors have a welcome addition to their class as of February 1. Michael Farmer, an 18-year-old blonde with a crew cut, transferred from Carroll. His schedule includes: English literature, trigonometry, problems of democracy, and physics. He will be in Mr. Norris' homeroom. Welcome to Boone High, Mike!

Boone beats Ames—in the Brindley Debates at Cedar Falls last week-end!

Tuesday, February 2, at 8:40 a.m. the Rev. Einar J. Oberg spoke to the senior high students in the auditorium.

The assembly was opened with a number by the string quartet, which consisted of Jeannette Stotts, Pauline Smalley, Pat Braklow, and Helen Foltz. 'Somewhere a Child' was sung by the girls' glee club.

Ed Barquist then introduced the speaker, the Rev. Mr. Oberg.

**Faculty:** A group of people paid to help the seniors run the school.

**Librarian:** Educated bookie.

It seems that the fourth hour chemistry class is trying to make a lake out of the chemistry lab. Not only have the sinks been dripping badly, but a certain student, while trying to put two hoses together, almost drowned herself. Better bring a shower curtain next time, Harriet.

If the orchestra members seem rather downhearted this week, they have a right to be. A string orchestra festival, sponsored by Simpson College for Saturday, February 6, was cancelled last Monday. It would have been fun!

GOOD LUCK, GIRLS!

### Orchestra Concert Feb. 9

Under the direction of Mr. Konrad Scholl, the Boone High School Orchestra will display their talents in a concert for the public on February 17 at 8:00 p.m.

The program will be as follows: 'Military Symphony' by Haydn; Ballet Suite from 'Faust' by Gounod; 'Symphony in E Minor, Fourth Movement' by Dvorak; 'The Swan' by Saint-Saëns, in which the cello section has a solo; 'Autumn Colors' by Mr. Scholl, played by the string orchestra; 'Moods Americana' by Hummel; 'Slavonic Dance' by Dvorak; 'Tales from the Vienna Woods' by Strauss; and 'To Homage' by Liszt.

The concert will also be presented to senior high students on February 9.

In several of the movements in the 'Ballet Suite from Faust,' Charles Jensen plays accompanying parts on the piano for the orchestra.

### Debaters to Cedar Falls

Boone's debate team went to the Brindley Tournament at Cedar Falls, Friday and Saturday, January 29 and 30. Those on the team are Jeannette Stotts, Bonnie Carter, Tom Sandell, Everett Hickman, Kenny Aldag, and Rock Severtson. Mr. McCarten accompanied the group.

There were three rounds of discussion, four of debate and one extemporaneous. The rating for the team was four wins, four losses. Everett received a rating in the upper ten of debaters.

The group returned Saturday.

### GO TOREADORS!

There are seven students this semester who have maintained a 'B' average and had a required amount of work published to make them eligible for Quill and Scroll. They are: Bumble 'B' advertising, La Vonne Groth, Phyllis Canady, Denny Martin, and Leta Winans; Scroll, Jeslyn Pearson; Bumble 'B' writing, Bonnie Carter and Andrea Dorman.

### J. C. Gives Aid To Students

Boone Junior College does its best to give students financial aid. Ten scholarships were offered to Boone Junior College students this year; if you want a job while you're attending school, one can usually be found for you; and a new feature is the teacher placement bureau.

Various scholarships offered this year were by The American Legion, Veterans of Foreign Wars, Forty and Eight, Rotary, Lions, Kiwanis, J. R. Thorngren, Teachers' Club, P.T.A., and various others. The Rotary, Lions, and Kiwanis Clubs' scholarships were limited to students in the teachers' training course. The Teachers' Club and the P.T.A. scholarships were offered for this year only and paid half tuition. The J. R. Thorngren scholarship was set by contributions from various people. By taking work scholarships, students may either work one hour a day in the junior college office or handle the towels in the athletic department.

A teachers' placement bureau was set up this year. All the material about a future teacher is collected and sent out whenever a school is interested.

Jobs can be found for students by Dean Peer. Some of these jobs are as clerks, in secretarial work, in oil stations, and helping out part time in homes.

Some beautiful selections from 'Show Boat' are being rehearsed by the band for their annual spring concert. Written by Jerome Kern, all of these pieces, 'Old Man River,' 'Make Believe,' 'Why Do I Love You?' and 'Can't Help Loving that Man of Mine,' will prove interesting to popular music fans.

Three sophomores, Judy Otis, Joyce Larson, and Wayland Swain, are the new additions to Scroll Staff this semester.

Isn't it funny that during an ordinary period we sit like this, but during a test we sit like this?

Freshman: "I don't know."  
Sophomore: "I am not prepared."  
Junior: "I do not remember."

Senior: "I don't believe I can add anything to what has been said."

### Speech Department Makes Contest Plans

To obtain contestants representing the Boone High School at the North Central District Forensic League, a runoff was held Tuesday, February 2. The District Contest will be held February 20, at Mason City. Included in the Forensic League will be original oratory selections, extemporaneous speaking, radio speaking, and interpretive reading.

The Boone debate team will be in the district meet. Debaters are: Everett Hickman and Bonnie Carter on the affirmative side, and Tom Sandell and Kenneth Aldag on the negative. Alternates are Jeannette Stotts, Karen Finley, and Rock Severtson. Sponsor of debate is Mr. Fitzgerald. Under the supervision of Mr. McCarten, the debate team also went to the Brindley Speech Festival at Cedar Falls.

Contestants in the all-school speech events February 2 were: radio speaking, Mike Bell, Janice Mondt, Arthur Robey, Rock Severtson, Jim Tait and Susan Jones; interpretive reading, Karen Finley, Janice Mondt, Jim Tait, Dean Canakes and Jeannette Stotts; extemporaneous speaking, Everett Hickman, Jim Tait, and Tom Sandell; original oratory, Rock Severtson and Bonnie Carter. Time keepers and chairmen are: Bonnie Carter, Judy Houston, Carolyn Kirk, Aveline Eamer, Joyce Larson, Judy Otis and Janice Parish.

Twenty-one would-be Bumble 'B' writers and advertising salesmen started out at the beginning of the semester in journalism class, the first step to membership on the staff. One junior, Shirley Crouse, is in the class. The others, all sophomores, include: Joan Barger, Elaine Blaess, Carol Briggs, Mary Casserly, Romey Chance, Helen Clarke, Ann Clausen, Joan Cornelius, Mary Evans, Ruth Frederick, Sue Grant, Carl Handy, Ann Hannum, Ken Howard, Beverly Long, Barbara McCall, Arthur Robey, Janice Sinclair, Sharon Sowle, and Wayland Swain.

The class meets twice a week, and members receive activity points but no credit.

One gift well given recovereth many losses.—Thomas Fuller.

### Boys Down Newton in a C.I.C. Tilt

A hard pressing, fast, smooth-running Toreador team defeated the Newton Cardinal 63-56 to better their C.I.C. standing record.

Using a full court press to the greatest of its advantage, Boone led throughout the first quarter. The period ended 13-7.

With a last minute spurt Newton was able to take over a one-point lead 25-24 as the first half ended.

The Toreadors trailed 31-28 midway in the third quarter but then five field goals, scored by Joe Smith, Ronnie Lind, and Denny Collis, put Boone ahead 38-32. Boone kept its lead for the remainder of the quarter as it ended 44-39.

Dave Gustafson and Ken Sparks kept Boone in the game during the fourth quarter. Gustafson showed his ball handling ability as he dribbled between, through, and around the Cardinals' defense. He also hit some vital field goals. Ken Sparks got the ball several times in the final minutes as a result of defensive maneuvers. Ken hit three free throws to assure the Toreadors of a victory.

This was purely a team victory, as was shown by the evenly distributed scoring, well executed defense, and excellent rebounding by all the team members.

The scoring was as follows: Sparks 15, Lind 14, Collis 11, Gustafson 10, and Peterson three. Becker and Fisher also played, but failed to score. Main, of Newton, was high scorer of the evening as he collected 21 points.

The Boone sophs were defeated by the Newton sophs 59-48. Boone led 26-23 at the end of the first half but trailed 43-41 as the third quarter came to an end.

J. Peterson led the scoring with 22 points. Byerly hit for 13; Bergloff, five; Manriquez, four; and Harder and Arringdale got two apiece.

Have you noticed? The Pep Club has again increased in size. Pat Rinehart, Georgia Backous, Virginia Dearing, Joan Lyons, and Barbara Markman have joined ranks.

BEAT GRINNELL!

What is your attitude toward malicious gossip in Boone High?  
Tom Sandell: "I'm against it. I think the fellow who spreads this type of gossip is a 'crackpot' himself or he wouldn't be doing it."  
Pat Braklow: "I'm very much against it, and I think he who spreads this malicious gossip degrades his own character."  
Margaret White: "I think it's terrible and should be stopped."  
Denny Martin: "I don't like it because most of it isn't true in the first place, and even if it is, there's no place for it in Boone High."  
Faye Anderson: "I don't like it at all because it can be very damaging to someone's character."

**In the Beginning...**  
Ever since the beginning of time (as far as Boone High is concerned) we've always had Benjie or his ancestors. Long ago the first pessimistic bumble bee to want some learnin' was Oliver. He visited our classes with the same mischievous vigor as his grandson, Benjie. He investigated typing, shop, biology, and library.

Then his son, Willy, came into the picture. Willy was more sports-minded than his daddy and took in all the football and basketball games as extra activities. But this all ended when Willy fell in love at the skating pond with a girl and her heavenly perfume.  
So now our dear Benjie is flying around the halls, pestering Mr. Hartley and yelling his wings off at Pep assemblies. He has passed nearly all his courses and will be leaving us soon, we suppose.  
Well! Benjie just gave us some startling information. He flunked one course during the last nine-weeks. It seems that Miss Linderblood brandished a fly-swatter once too often while he was trying to concentrate, so our bee didn't visit class as often as he should have.  
Don't be surprised if a little bee buzzes near your nose, for Benjie will be here till he graduates or simply quits trying.

The swimming meet with North High of Des Moines was the lowest in scoring for the Boone swimmers this year, 65-10. Two Boone squad members, Larry Sovereign and Bruce Williams, were missing from action.  
Dave Frazier, a senior, came in second in the 200-yard freestyle. Followers say Dave Nelson and Dave Bender are improving with each swimming meet.  
Boone's next encounter will be with Lincoln of Des Moines.

It speeded by, the frightful thing, the Road, its subject, Luck its king.  
I stood there shaking. Could it be that this mad creature was after me?  
Then once again its roar came near, and I stepped back in sudden fear!  
The wind it whistled, the gravel flew; I thought for sure that I was through!  
Then when the air was free from dust, I chanced a look, in hoping trust,  
But there it was again—oh Lord! A teen-age kid in a hopped-up FORD!

## BOYS TAKE SECOND

### Boone Falls to Ogen Five

Although the Boone Junior Varsity again had their height advantage, they were unable to hold the Ogen Bulldogs on the Boone court Saturday, January 23, as they lost the final game of the Boone County Tournament, 55-30.

Boone was never in the lead after the Bulldogs took over in the first period with a 10-4 score. By halftime they had a 29-14 spread. At the end of the third period, the Ogen five were in full command, with a 40-19 margin, and went on to win 55-30.

Tom Jones, of Ogen, was the leading scorer for the evening with 13 points. Don Williams was high for Boone with seven.

### Win Over Luther In First Game

Boone Junior Varsity won their first game in the Boone County Boys' Tournament on the Boone floor, January 18, 49-42.

The Boone cagers had the advantage of height against the Luther five, but Luther didn't give up trying and never trailed too far behind. The junior varsity led by a small margin at the end of the first three periods.

Don Williams sat in the driver's seat for the Boone junior varsity, as he collected a total of 22 points. Tom Sawyer collected 12 markers, with three field goals and six charity tosses.

Richard Hurst hit for five field goals and six free throws, to give him a total of 16 points.

### Girls Stop Junction

Boone's Toreadorettes finally won out over the Grand Junction Blue Jayettes on the Grand Junction floor Tuesday, January 19, 65-58.

It was an even battle the first half, as the Toreadorettes and Blue Jayettes swapped points. At the end of the first period Grand Junction led by a one-point margin and still held the lead at the half, 29-28.

Boone came back in the second half and played much better ball. Mary Courter stood out in front with her drive-in shots and set shots. At the end of the third quarter the Toreadorettes led 43-40.

In the final period Grand Junction and the Toreadorettes were tied 51-51, but the Boone sextet pulled ahead to win 65-58.

Mary Courter collected scoring honors for the evening with 28 points. Bonnie Reid and Sondra Hall followed with 19 and 18 points respectively.

Clara Busch led the Blue Jayettes with 36 points.

### Boone Downs Madrid In Second Tilt

In one of the toughest battles of the Boone County Boys' Tournament, Thursday, January 21, on the Boone hard court, the Boone junior varsity outlasted an aggressive Madrid team, 53-47.

The first half the Toreadors seemed well on their way to victory; at the end of the first period Boone led 13-8, and they still held the lead at halftime, 24-19. Madrid warmed up after the halftime and took over the lead after two minutes of play in the third quarter, but soon lost it to the aggressors; and the Toreadors again were ahead, 37-34, at the end of the third quarter. In the last minutes of play, the final deciding points were put in by Boone. With only a two-point lead, Williams drove in under the basket for a layup, giving Boone a 50-46 advantage. Then again Williams, on a rebound, dropped in the final two points of the game, giving his team a six-point victory, 52-46.

Tom Sawyer topped the Boone scoring with 15 points, followed very closely by Williams with 14. Madrid's Joe Gossett led the game scoring with 18 points, followed by Lombardi with 13.

### Toreadorettes Lose To Valley Girls

Valley of West Des Moines more than held their own as they downed the Boone Toreadorettes, 60-52, on Tuesday, January 26, at Des Moines.

The Des Moines six were never more than 10 points ahead, but at the end of the first period, Boone's cagerettes were behind, only 14-15. At half time the margin increased to 24-27. When the third quarter was up, the West Des Moines girls carried the lead to 47-42, slowly leaving the Boone team behind.

High scorer for the game was Hill, of Valley, with 30 points, and leading Boone's scoring was Bonnie Reid, hitting for 20, with Sondra Hall following with 16.

In the first game the Boone reserves lost a close 35-33 battle with the Valley reserve squad. Leading the scoring for Boone was Ann Clausen, with Judy Malcom following with 10 points.

### Farnhamville Topples

The Toreadorettes rolled to their greatest victory of the season by downing the Farnhamville sextet 63 to 53, on the Boone hard-court. It was the visitors' first loss in 19 games.

The Toreadorettes took an early lead, and at the half the score favored the Toreadorettes 37-25. With only two minutes left in the game, Boone held a three-point advantage, 53-50, but they quickly dumped in 10 more points to Farnhamville's three.

The Boone guards played one of their best games of the season, with only one, Janet Muser, leaving the game on fouls. Mary Courter was high scorer for the evening, with 28 points. She was followed by Bonnie Reid with 19, and Sondra Hall with 16 points. Tasler was high pointer for Farnhamville, with a total of 23 points.

### Toreadors Fall To Cyclones

Playing their sixth conference game January 22, the Boone Toreadors lost to the Ames Little Cyclones 69 to 52. The height of the Cyclone team was a great advantage to them.

The game got off to a fast start, with the first basket for Boone. In the first quarter Boone had its only lead when the score stood 5 to 2. That period ended, however, with a 14 to 10 lead for Ames.

At the half the Toreadors were trailing by nine points and couldn't make up the difference in the third period.

With the fourth quarter left, the Little Cyclones held a 17-point advantage. The lead continued until the final gun was fired, leaving Boone six points behind.

Boone's sophomores won a very exciting game at the first of the evening; they outscored Ames 59 to 54.

Two worms were digging away. They were digging in dead earnest. Poor Earnest!

### Boys Fall to Perry Bluejays

Nothing seemed to go right for the Toreadors Tuesday night when they lost to the Perry cagers 54 to 46.

During the first half of the game, the Toreadors were cold on their shots and slow on rebounding, and their passes were intercepted time and time again. Free throws weren't clicking either, with the boys making 12 while missing 17.

Perry was in excellent shape, making 50 per cent of their shots. They also made a good percentage of their free throws, scoring with 16 and missing only eight.

In the last half the Toreadors started playing their usual scrappy ball game, but it was too late to overthrow the halftime score of 31-15.

Joe Smith was high for Boone with 13 points, and Ronny Lind was next with nine. Draislley and McKim, of Perry, tied for 16 points each.

### Marshalltown Next Foe

In an overtime game, played last December 18, against Marshalltown, the Boone Toreadors were defeated 65-63. The score at the end of the game was 59-59, but the Toreadors lost out in the last three minutes of overtime.

So once again Boone will challenge the Bobcats on Friday, February 5. In the last game Lindquist, the post forward, scored 25 points. He will probably be the main threat to the Toreadors. Marshalltown is now placed third in the conference.

### Boone Upsets Carroll Five

Boone Toreadors triumphed over the strong Carroll five on the Boone hardcourt Tuesday, January 19, 62-58.

Boone took over the lead in the second quarter and kept it, although Carroll was never far behind. At the end of the second quarter the Toreadors led 33-24.

Carroll reduced the margin at the end of the third quarter, 46-41, but Boone held off for a four-point lead.

The Toreadors played a good game all around. Ronnie Lind's fine shooting ability, excellent guarding by Denny Collis, neat rebounding on the part of Joe Smith, and terrific dribbling by Dave Gustafson just couldn't be beat.

Lind led all scoring with a total of 22 points. Gustafson followed with 15, and Smith with 12.

## Perry Beats Reds; Loses to Blues

Both Boone's ninth grade terms traveled to Perry Monday night, January 25, to play Perry's first and second ninth grade teams.

The Blues, playing Perry's second team, beat them 37 to 26. The inexperienced boys got to play over half the game, but in the last quarter the Matadors' first team went on the floor to insure winning the game. 'Chuck' Musser and Dick Hicks led the scoring for Boone with 21 points between them. The Blues' record now stands at two wins and two losses.

The Red team, not so fortunate, got off to a bad start in the first half. The Boone lads could not stop Perry's powerful first team on offense. Boone showed its best teamwork and shooting skill on offense, but Perry proved too much for them and went on ahead to win the game 59 to 47. Thirty-four of Boone's points were scored by Mike Newbold and Larry Meyers. The Reds' record is the same as that of the Blue team, two wins and two losses.

## Pep Assemblies

January 22, the junior high had a pep assembly. We had a little pep, but not much. Come on, junior high, at our next pep assembly let's really yell!

We all need to congratulate the cheerleaders for the wonderful job they are doing. Remember, kids, at the next assembly let's have lots more pep and let's see all you kids at the games, too, because that is why we are having these assemblies.

## Who Is It?

The girl in the picture above has brown eyes, weighs 105 pounds, is five feet two inches tall, and has brown hair. She was born in Sioux City, Iowa, 14 years ago. She was about two years old when this picture was taken. Some of her hobbies are dancing, ice skating, swimming, and playing with her dog, Charcoal. Her favorite subjects are study hall and swimming. She belongs to Mrs. Brunner's homeroom. Her favorite song is 'Stranger in Paradise.'

The boy in the above picture was born February 26, 1939. His address is R.F.D. 3, Boone. He weighs 134 pounds, has brown eyes and brown hair, and is five feet seven inches tall. His favorite school subject is science. Mr. Fischer has this ninth grade boy in his homeroom. He was about two years old when this picture was taken.

If you haven't guessed these students' names by now, look elsewhere on this page.

## Tests Completed

January 25 and 26 the seventh and eighth grade students took the Basic Skills Tests. They consisted of Reading Comprehension, Work Study Skills, Language, and Arithmetic. The tests were sent to Iowa City after they were checked and the grades averaged. When sent back, they will be kept in the personal files of the counselors and recorded in cumulative Record Cards in the office. When pupils come up for conferences, they can see their grade averages.

Mr. Lamb: "Are you the teacher of this?"

Dick: "No, I'm not."

Mr. Lamb: "Well, then stop acting like a fool."

Fred: "The traps on this course are very annoying."

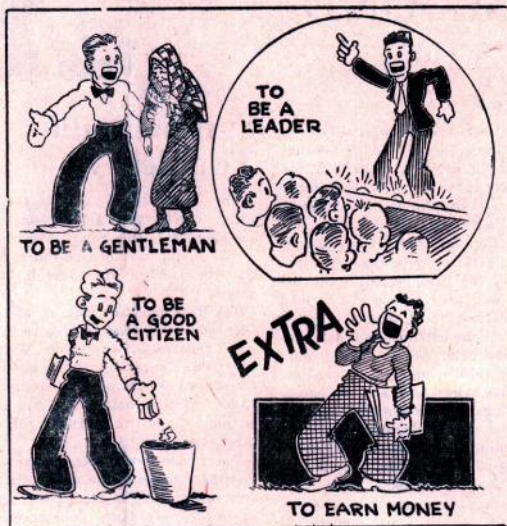

Mike (trying to putt): "Yes, will you please close yours?"

The students in 'Who Is It?' are: left, Caroline Stephenson, and right, Marvin Eastberg.

## You Don't Have to Be Grown Up

For the past few weeks a group of pictures and lessons on courtesy have been circulated among the high school and junior high social studies classes. Keeping them in mind would help students make our junior high a better place. Let's do it!

## Cheerleaders

This year the junior high basketball teams have had the backing of four peppy cheerleaders. The cheerleaders are Betty McElyea, Karen Bohlen, Karen Trulin, and Patricia Curran. You will always find these girls generating pep at the ball games and the pep assemblies. The cheerleaders are doing a fine job helping our teams to victory, but more support from the student body is needed.

## Mr. Oberg Speaks

During the first hour February 2, the junior high students attended a character education assembly in the auditorium.

Donald Josephson played a violin solo, which opened the assembly. The ninth grade girls' chorus then sang 'Ave Maria.'

The student chairman, Larry Meyers, introduced the speaker, the Rev. Einar J. Oberg.

## NOSEY to NEWSY

Has everybody seen the new piece of jewelry Judy Houston is sporting?

Hey! Kids! The next junior high assembly we have let's try to yell so loud the ghosts in the cemetery will hear us!

What did La Vonne Green lose in swimming the other day? Everybody look out!

We hear Neal Runyan is coming back. A certain girl in ninth grade is sure looking forward to it!

Jerry Du Bois, Mrs. Henry's former homeroom president, has moved, and Lois Kristiansen is taking his place.

## Congress Votes Help To Junior Red Cross

Mrs. R. B. Duncan, head of Junior Red Cross in Boone County, spoke to the Student Congress at their meeting January 27. As a result of her explanation of the Junior Red Cross, the group decided to hold homerooms February 2 to collect donations for the project.

The Congress also voted to sponsor a clothes drive for the boys and girls at Woodward. Donations of clean clothing were brought this week to be sent to the state home.

President Jo Ellen Sparks also asked for volunteers to work at the last four home games.
