

## School Observes American Education Week

\*\*\*

\*\*\*

\*\*\*

\*\*\*

### Credit Given to Supporters

In observance of American Education Week this issue of the Bumble 'B' is dedicated to parents and teachers. Many of them deserve extra credit for the role they have played in the education of the students, but unfortunately it is impossible to name them all. Pictured are two of the school's most loyal supporters.

One person to whom admiration should be given is Mr. Donald F. Seaton. Mr. Seaton, who holds the position of Superintendent of Schools, has definitely showed his loyalty to education by reaching the goal of that office. His statement concerning education is also in this issue.

Another adherent of the school is Mr. Herbert Miller of the Sunstrom-Miller Press. Mr. Miller supervises the 'setting up' of the Bumble 'B' and has worked on it for 41 years, with the exception of three years spent in service. His co-operation, and that of Mr. Sunstrom, who are partners, is shown through the school paper. Mr. Miller has a son, David, in the ninth grade, so he fits into the category of a high school parent.

#### Open House

To enable parents and teachers to get acquainted, Open House was held at the high school on November 9, at 7:30. Parents met in the auditorium for direction and explanation of the program. They then proceeded to the various rooms indicated on their student's schedule. Each parent attended class for ten minutes in each subject, thereby having a chance to become acquainted.

Open House also gave mothers and fathers an opportunity to set a date at which they could discuss any individual problem with the teachers. A social hour followed the outlined program.

### Character Education November 2

The Rev. Robert Stabenow was the speaker in a character education assembly on November 2, third period. 'Haunting Memories' was played by a string trio composed of Carita Stroble, Sandra Richmond, and Mary Hauge. A boys' quartet composed of 'Chuck' Peterson, Merrill Peterson, Mike Bell, and John Harrington sang 'Vive L'Amour!' Student chairman was Dan Corrick.

#### Grads in College

GRINNELL, IOWA, October 20 —Rosemary Humm, of 211 South Boone Street, Boone, was recently appointed associate organizations editor on the editorial staff of the 1955 Cyclone, Grinnell College yearbook.

As associate organizations editor, she will be a member of the editorial board and will assist in planning the organizations department of the book.

Miss Humm, a sophomore at Grinnell, is a graduate of Boone High School. She was a member of the Scroll staff.

Good character is the foundation on which good citizenship is built. Next to the home, the school is undoubtedly the greatest builder of character. History shows us that education in the arts and sciences alone is not enough, that true progress has been brought about by those leaders and followers who had in a marked degree the qualities of moral vigor and firmness acquired by self-discipline, which we call 'character.' It is the force which gives proper moral direction to the application of knowledge acquired in the classroom.

In looking back over 30 years of dealing with high school boys of junior and senior status, the writer can venture to say that those boys who had character and performed their tasks (however seemingly menial) faithfully and well, have gone on to be the most successful in their chosen field.

It is the duty of every citizen of our community to support its schools and we should show our appreciation of the work of the administration and teachers, not only during Education Week, but in every other week.

Herbert Miller

### Hobby Club Organizes

If you are interested in model airplanes, trains, or boats, you now have the opportunity to discuss your plans and to carry them out further with the aid of the newly organized Hobby Club.

Harold Thies, owner of the Hobby Shop in Boone, has organized a club for anyone interested in model-craft. Stan Olander is the president of the club and John Claussen is secretary-treasurer. Every Tuesday night the club meets at Thies' home to construct and discuss their projects.

At the present time the club has about 35 members. If you have a hobby or are interested in one, here's your 'chance of a lifetime' to join the Hobby Club.

### Council Changes Homecoming

During a meeting of the Student Council last week, changes for future homecomings were brought up. After a thorough investigation, two major changes were decided upon. The queen will be crowned at the snake dance on Thursday night instead of in the short assembly Friday. In this way she will reign on Homecoming day. Microphones, speeches, and more cheers will play the bonfire up more.

The second change involves the substitution of a two or three hour assembly for Homecoming in place of the parade. The assembly, a variety program, will be presented by students next year, but in the following years the alumni will take part.

### Junior Girls Awake The Hard Way

On Saturday, October 23, at 7:00 a.m., several junior girls, initiates for Hi-Tri, were aroused from their beds by the senior girls. All of this was a result of the merging of the B-Yettes and Hi-Tri, the junior and senior groups of Y.W.C.A. The girls were taken in their pajamas to the high school where they were given a dunking in the school pool.

Next they were taken to the Y.W.C.A. basement and were left in the dark coal room. One by one, the senior girls took them from there and dunked their heads in a tub filled with a mixture of corn starch, Bisquick, green food coloring, salt, and water. Ropes were tied around their ankles and signs were hung on their backs as they were led through the business district. The signs advertised the car-washing project that followed at 10:00 at the Y.W.C.A.

#### Calendar of Events

##### November

12. Ogden girls, there.
15. P.T.A., 7:30.
16. Grand Junction girls, there.
- Junior High Assembly, 10:30.
19. Des Moines North, here.
22. Senior High Assembly, 8:30
23. Nevada, there.
- 25, 26. Thanksgiving vacation.
30. Webster City, here.
- Ankeny girls, there.

### Future Nurses Elect Officers

At the second regular meeting of the Future Nurses Club on Tuesday, November 4, Dr. Ralph Wicks was the speaker. He spoke on the duties of a nurse. Pictures were also taken and election of officers was held. The results of the election are: president, Carolyn Herman; vice-president, Gretchen Buss; secretary, Caryl Achenbach; and treasurer, Karen Erickson.

Meetings are held on the first Thursday of every month. The sponsors are Mrs. Carlson, the school nurse, and Mrs. A. W. Puntenney, representative from the medical auxiliary. Junior and senior girls are welcome to become members.

### JUST BUZZIN'

Members of Mixed Chorus and Boys' and Girls' Glee Clubs are selling Christmas cards as part of the fund raising campaign for new robes. Each member is working toward the selling of more than five boxes. Each box sells at a dollar and contains 20 cards. Prizes will be given to those who sell the most boxes.

Pictures for the Scroll were taken and last year's constitution was read at the second meeting of the Future Teachers Club on Tuesday, November 2. Announcement was made about the convention for the Future Teachers Clubs of Boone County, which was held on November 8, at 1:30. This meeting included a movie, lectures, and a social hour.

It was erroneously stated in the last issue of the Bumble 'B' that the Junior College radio program was broadcast October 2. November 3 was the correct date.

The program was a panel discussion with the topic 'Should we extend diplomatic recognition to the Communistic government of China?' Participating in it were Mary Harvey, Bob Sentz, Dick Koppenhaver, Perry Spies, Kenny Murken, Kenny Aldag, and Anita Leininger. Mr. Fitzgerald was the moderator.

Junior College has 79 students this year.

The schools of America will celebrate the thirty-fourth observance of American Education Week during the week of November 7-13, 1954. All across this broad land parents and friends of schools and school children will be visiting America's schools. Many people will attend open houses; others will visit classrooms during the school day. All will gain a better understanding of what the schools are trying to do in the education of boys and girls.

American Education Week originated in the minds of, and was originally sponsored by, the American Legion, the National Congress of Parents and Teachers, and the National Education Association following World War I. Celebrated by only a few communities in its first year, this movement has grown to be an important week in American school life. Each year A.E.W. observance brings the parents and friends of school children and their teachers closer together in the one tremendous task of preparing boys and girls for adult responsibilities.

D. F. Seaton

### Dave Nelson Named 'Y' President

Tenth grade Y.M.C.A. group, '57' Y, held installation of officers at their second meeting of the year held October 27. Those installed were: Dave Nelson, president; Keith Parkinson, vice-president; Fred Vitt, secretary-treasurer; Jay Fisher, sergeant-at-arms; and Denny Schmickley, chaplain.

In order to obtain a charter, each member paid 50 cents toward the national foundation. The weekly dues per person is five cents. This is used for the purpose of having talks at the meetings and also for sponsoring events of some kind.

Warren Wilson, Boone and Story County game warden, is scheduled to talk to the group on hunting safety and various guns used in hunting. Also there will be a program by members of the Boone Sportsmen's Club on trap shooting and the techniques used for this sport.

## A Look in the LIBRARY

In our high school library we have a number of new books. For your reading pleasure, you may choose from this list of exciting adventures:

'Attack from Atlantis' by Lester Del Rey: This is a science fiction novel involving attacks from Atlantis. The story takes place on an atomic-powered submarine.

'Hoosier Heritage' by Elizabeth Hamilton Frierhood: This is a stirring story of frontier life involving a girl who starts on a trip from Indiana to Kansas. It concerns the trials she overcomes while in Missouri.

'The Lady of Arlington' by War-neth F. Kane: Here is a Civil War adventure. It is the story of a great man and the woman who rose to greatness with him—General and Mrs. Robert E. Lee.

'Flying Footballs' by Bertrand Shurtleff: Football thrills are brought to you in this story. A football star and a coach, while watching a scrimmage game discover a boy with a lot of speed and so, try to develop him.

'Cress Delhanty' by Jessamyn West: Girls will find interest in this book, which is about a typical teenager, Cress Delhanty, and her troubles.

'Desirée' by Annemarie Selinka: This is the story of the Cinderella of Marseilles, who followed her heart to the throne. It all takes place during the glittering years of Napoleon's rise and fall.

'A Long Time Coming' by Phyllis A. Whitney: Read the story of a migrant girl and her life in a mid-western town.

'The Desperate Hours' by Joseph Hayes: Mystery is brought to you in an outstanding story about three desperate criminals. They frighten and seize a home in Indiana.

## News from the Neighbors

Many interesting articles are brought to our attention through exchange papers with other schools throughout the state. The following is the first of a series of articles to be published in the Bumble 'B.' We hope you enjoy these articles and through them get acquainted with other school papers.

Thomas Jefferson High School sent two quartets to the Music Clinic which held tryouts October 23, at Atlantic.

The All-State Clinic will be held at Des Moines over Thanksgiving vacation. It will be under the direction of Dr. David Foltz of the University of Nebraska.

—From 'The Signal' Council Bluffs

After weeks of preparations, the youth center was opened October 26, for the convenience of the Oskaloosa High School students.

This year the youth center not only has new furniture, but also has a television set.

—'The O.H.S.O.' Oskaloosa High

An article, that caught our eyes while reading through the Mason City's paper, had this title above it, 'Snakes to be on Display at Assembly.' Mr. Jack Raymond, a widely known lecturer in the field of Herpetology, (the study of snakes) will show mounted skins in addition to displaying his reptiles of North America.

—'Cub Gazette' Mason City

**Firestone**

Safety Is Our Business

## EDITORIALS

Most everyone is aware of the fact that a few of the students of Boone High conducted themselves in an unbecoming manner a few nights before the Boone-Ames game. The general opinion about this matter is that it was 'entirely unnecessary.'

A few have said that the punishment was too severe, but most have said that the students deserved such treatment or worse. The persons involved have been getting blamed for things that they really didn't do, but if they had stayed completely away from 'paint cans' and Ames, they wouldn't have to suffer ANY blame.

The members of the football team probably have felt very sorry about the whole situation and hope that it never happens again. Rather than helping their team, the offenders hindered it and forced Ames on to added revenge.

Competition is just fine. We want to beat Ames and we want to get enthusiastic about school affairs, but there seems to be a wrong kind of enthusiasm. It's been proven that destructive school spirit hasn't achieved victories, so let's try constructive spirit.

Your argument might be that Ames has done the same thing in the past, so why jump all over Boone people when they try it. There's just this one answer—no matter who is so destructive, it isn't the considerate attitude to take. It just happened—let's not let it be said that they have learned to be wiser—that Ames was very orderly his year. Let's help Boone to be orderly from now on. We have a good team, a good school, and we can have good results with CONSTRUCTIVE enthusiasm instead of the destructive type.

### From Iowa P.-T.A. President—

Why are we interested in our Public Schools? The theme for American Education Week, 'Good Schools Are YOUR Responsibility,' turns the spotlight upon you and me, challenging us as responsible citizens to work for the best in the education of our young people. Good schools in our community did not 'just happen'—they are the result of many good school boards, good administrators, and interested school patrons working together through the years. It is OUR responsibility to keep them good.

Mrs. Harold Honohan  
President of Iowa P.-T.A.

## B's STING

by S.K.S.

Congratulations to the play cast, crews, and directors for the job well done. The play, 'Fog Island,' was a fine result of lots of hard work on the part of these people, and it was enjoyed by all who attended.

We hope all the boys enjoyed the luxury the night of the Sadie Hawkins Dance. It was different from the old routine, that's for sure. However, we imagine all the girls were glad that a night like that doesn't come any more often. This dance also give everyone who attended a chance to show off their best(?) winter clothes.

In case some of you are wondering who the teacher described in last week's column is, here are some clues:

- ...ealous
- ...n the ball
- ...nergetic
- ...ociable
- ...alkative
- ...arnest
- ...ery nice
- ...ager to please
- ...eat
- ...ense of humor

A piece of news loses its flavor when it hath been an hour in the air.—Steele.

As 'A wad of gum loses its flavor when it hath been a night on the bedpost.'—Impromptu.

There is a total of 518 students in senior high.

## To Be a Twin Or Not to Be

Have you ever thought what it would be like to have a twin sister or brother? We decided to ask a couple of Boone High's look alikes. First Marcella, of the Gilliam twins. Twins? Well they were both born on February 7, 1937, anyway. Jimmy and Marcella aren't identical, in fact, Marcella says most people don't think they're even in the same family. Do they like being twins? Marcella does. Both twins are 17, by some coincidence.

Both twins like to skate and they achieve about the same grades in school. She said that dressing alike went out with grade school, so I guess twins are pretty much like the rest of us.

Perhaps the best known set of twins and the most confusing are the Manriquez boys. John and Jim are so much alike in looks that it is almost impossible to tell them apart when you first meet them. John thinks being a member of a two-party confusion league, or set of twins, is "all right." They are 16 years old, juniors, and were born January 7, 1938.

Do these two get mixed? And how! They have given up wearing clothes alike, which helps a little. Both are interested in sports and are also known for their dancing team. John thinks Jim gets the better grades, I wonder what Jim thinks.

Thanks for the interviews, Marcella and John—or was that Jim?

## Boone Whips Ames

For the first time in many years the Boone High Toreadors beat the Ames Little Cyclones.

An ideal day, with the weather cool and brisk, was the scene for the upset of the year. With Shaler playing quarterback and Deering left guard, the Boone eleven can well be proud of their victory. 'Hap' Moran, Faye McIntyre, and Bernie Myers did an outstanding job of blocking and tackling for the Boone line.

The Ames defeat will be a long remembered event in our history.

Just in case you think we're insane—here is the real story.

In the year 1920, Boone actually did beat Ames 54-0. Wesley Shaler and 'Dud' Deering, who are still Boone residents, played on the Toreador team.

Maybe this generation needs to take a few lessons from the 'older folks' about that 'get-up-and-go.'

## Girls Successful In First Game

The Boone High Toreadorettes began their season Tuesday, November 2, by winning a hard fought victory over Stanhope, 47-34.

Starting as forwards were Ann Clausen, 'Sandy' Hick, and Judy Malcom, with Romey Chance, Jacquie Conn, and Joan Cornelius playing the guard positions. Action was also seen by Marie Roby and Etta Mae Grady. Forward, Mary Courter, due to a previous injury, was unable to play.

From the first few minutes of play, the score remained very close. Although the Stanhope six threatened, the Boone girls held their pace all the way. At the half the score was 20-20.

Good guarding on the part of Chance, Conn, and Cornelius, as well as excellent teamwork and spirit in both courts, contributed to the victory.

Leading the scoring for Boone was Ann Clausen with 22 points. Judy Malcom was close behind with 16, and 'Sandy' Hick had seven.

During the fourth quarter the Toreadorettes pulled ahead and ended with the Boone sextet on top 47-34.

In the second team game Etta Mae Grady, Rita Howard, and Karen Mustapha started in the front court, with Hazel Deal, Karen Dutton, and La Vonne Warak in the back court.

## Girls' Third Game November 16

For their third regularly scheduled game, the Toreadorettes will meet the Grand Junction cagers at Grand Junction on Tuesday, November 16. Last year the Boone girls downed their opponents twice, 65-58 and 66-51. Grand Junction is again expected to have a good well-rounded team and should provide good competition for the alert Boone six.

## Toreadorettes Tackle State Leaders

The Toreadorettes will meet a powerful Slater team for the first time at Slater on November 19. In 1950, the Slater girls took the Iowa girls' championship and will be trying to get off to a good start by putting Boone on the bottom of their list.

Coach Lovin has a completely new team this year because of last year's graduating lettermen.

Potentially, the Toreadors have a good team and an improving group of freshmen.

## Ogden to Be Opponents

With four returning lettermen on the squad, Mary Courter, Joan Cornelius, Romey Chance, and Ann Clausen, the Toreadorettes will see their next action on November 12, when they face the Ogden cagers at Ogden. Last year Boone rolled over Ogden 68 to 49.

Recovering from a leg injury, Mary Courter is expected to be ready for the Ogden contest. Possible lineups for the game are: at forward, Mary Courter, Ann Clausen, Sandy Hick, or Judy Malcom; and at guard, Romey Chance, Joan Cornelius, Marie Roby, or Jackie Conn.

Stanhope eased the Boone girls out with a decisive victory. The Vikingettes remained ahead all the way.

## First Game with North Des Moines

On their home court, Friday, November 19, the Toreadors will face the Polar Bears of North High, Des Moines, for the opening game of the basketball season.

The Toreadors started practice on November 2, with six returning lettermen. They are as follows: Jack Becker, Merrill Peterson, Denny Collis, Kenny Sparks, Dave Gustafson, and Dave Fisher. It is probable that Gustafson will see no action this year, as the result of an injury received in football.

Next year the Boone cagers will play a return game with North High; this game will be highlighted by the dedication of the Polar Bears' new field house.

## Toreadors Bow In Last Game

For the twenty-second year in a row the Boone Toreadors were defeated by the Ames Little Cyclones. The game was played at Ames on Friday, October 29.

In the first quarter many fumbles were made and the Toreadors seemed to get the short end of the plays. Ames charged straight through the Boone line and picked up enough downs to get near the goal line. Wolf then took a fake handoff and carried the ball 35 yards for a touchdown.

## What's in a Title?

Charm—Judy Houston.  
Country Gentleman—Jim Anderson.

Life—Mary Casserly.  
Woman's Home Companion—A dog.

Boys' Life—Dave Fisher.  
Seventeen—Joyce Anderson.

Mademoiselle—Marcha Harrington.

American Girl—Mary Courter.  
Esquire—Fred Vitt.  
Quick—Jim Manriquez.

Western Horseman—Frank Lortzen.  
Look—Martha Clark.

After the kickoff the ball was fumbled and recovered by Ames. Yards were lost by the Little Cyclones because of penalties, but Boone still couldn't take hold of the pigskin. Finally, the Red and Green ran a few downs, but ended up punting again. Twenty-one to zero was the score at the end of the first half.

Both teams had many substitutes in the last quarter, some because of missing players. The final score came out 35 for Ames and nothing for Boone.

GRINNELL, NOVEMBER 4.—Rosemary Humm, of 211 South Boone Street, Boone, a member of White Caps, Grinnell College swimming club for women, will attend the 1954 convention of the Iowa Association for Health, Physical Education, and Recreation at Des Moines, November 4-6. Several members of the club will participate in a workshop on 'Technique of Synchronized Swimming,' Saturday morning.

Miss Humm, a sophomore at Grinnell, is a graduate of Boone High School.

What's this we hear about a couple going steady? Could it possibly be Larry O. and Sandra P.? Ask them!

We hear that La Vonne W. and Priscilla are are going to have company from Audubon. They are not all girls, either.

COCA-COLA BOTTLING COMPANY OF BOONE, IOWA

## Who's Who?

Mr. X for this week has brown eyes, black hair, is five feet tall, and weighs 94 pounds. He was born at Jefferson, Iowa, on the eighteenth of August, 1942. He lives at 1234 Fourteenth Street, and girls, his telephone number is 2336-J. This boy, who is in Miss Thompson's homeroom, is active in football, likes to swim, and rides horses. In his spare time he plays the drums. His favorite school subject is arithmetic.

His likes are the color yellow, beefsteak, and Lynn. He dislikes spinach.

In case you haven't already guessed his name, look elsewhere on this page.

This blue-eyed, black-haired girl of the week is a seventh grade pupil. Miss Rasmussen is fortunate to have her in her homeroom. She was born January 21, 1942, at the Boone County Hospital.

Her favorite food is malts. 'This Old House' is her favorite record. Eddie Fisher and Perry Como come first on her list of tv. programs. She also likes 'Crusader Rabbit.' Arithmetic and reading are her best subjects. Ice skating is her favorite participation sport. She is a favorite among the seventh grade pupils because of her willingness to smile and anxiousness to be friendly. Her exceptional personality has won her many friends. You should have guessed this girl's name by now, but if you haven't, look elsewhere on this page.

## Question of the Week

What would you do if there wasn't any 'ludus'?

Mike Herman: "Come again?"  
Harley McCoy: "Go jump in a lake."

Patty Hagam: "I'd go crazy!"  
Kathy Disney: "Get sick!"  
Doug McLeod: "Seeing as how I do not know, I cannot state with any degree of certainty whatever."

Dave Williams: "Take it on a hayride."

Mary Wiemer: "Go to bed."  
Sharon Bartlett: "Go hungry."  
Betsy Lorentzen: "I'd freeze to death."

In case you're wondering what ludus is, it's school.

Karen Dutton: "Oooo! Just think, I have the football team's signals!"  
Etta Mae Grady: "So?"  
Karen: "Now all I have to do is shout 45-30-63 and the whole football team rushes me."

## Baritone Presents Program

Something new in an assembly will be forthcoming on November 16, when baritone Charles E. King presents his program. He was conductor of the Wings Over Jordan Choir, an N.B.C. production, which toured Europe and the United States. Besides giving recitals in Hollywood, Chicago, Boston, and New York, he has appeared in many dramatic singing roles in plays such as 'Green Pastures,' 'Porgy and Bess,' and 'Showboat.' This magnificent song leader will present a program which should be looked forward to by every junior high student.

## Dental Survey

On November 9, 12, and 18 the dental survey will be held. It is part of a survey being conducted from kindergarten through ninth grade. Dental cards will be given to those who need to have work done.

This survey is held about every two years as a reminder that our teeth are important and need regular care. The number of dental cards given out will be published at a later date.

## Projects of the 'Y'

The Y.W.C.A. has been doing many interesting things. The projects for each group are: seventh grade (74 members)—They have been mostly organizing. They ushered at World Community Day, collected clothing, and packed a box for Thanksgiving for a needy family. Eighth grade—there are about 20 members. They had a pot-luck supper and have gone horse-back riding. Ninth grade—they had a Hallowe'en party. There were 54 attending the party. They went horse-back riding on two Wednesdays. There are about 25 members.

How did everyone come out on his report card?

How does everybody like the curfew by now?

Better watch out, Pat, somebody is occupying his spare time.

Attention, Junior High students! Get your pictures in for the Scroll. We can have one or even two full pages of pictures. Turn them in to room 210 before Thanksgiving.

Glad to see all the boys learning the new dance at Grid.

Providing none drops out, the senior class will be 74% larger in six years.

Girl of the Week is Karen Shafer.  
Boy of the Week is Dennis McCann.

## Matadors Defeated

On Saturday, October 16, the Boone eighth grade played the Perry eighth grade. The score was 26-0, Perry winning. The game was played at Goeppinger Field.

The lineup was: centers, 'Chuck' McCubbins, Ray Morley; guards, Jim Moore, Bob Hunter, and Larry McAnnally; tackles, Harley McCoy, and Leonard Lorentzen; ends, Marion Jones, Alan Walker, David Lynn, and Elmer Eckhart; quarterbacks, Alan Munson, Bill Monen, and Darwin Backous; halfbacks, Steve Shaler, 'Chuck' McGriff, and Melvin Holmberg; fullback, Gary McCool.

We are sorry the following people are moving: Sandra Prine, Bob Waters, Janey Clark, Raymond Sundine. Good luck, kids!

We hear Judy M. is giving free dancing lessons. May we enroll in your course, Judy?
