

Big Event of the Year, the Prom, Advances Students Compete for Government Offices

Interest Swells For Big Events

Student Government Day, an opportunity which was stopped last year, will be continued this year, on May 4. The students will take over the local government and the four remaining councilmen will be chosen from the junior and sophomore classes. Other offices will be appointed at the request of those who wish to participate.

Seniors

I wish to announce that I am a candidate for the office of Boone City Councilman, subject to the will of the voters of Boone Senior High School on the fourth of May. Although I have no actual experience in the function of the city council, I have some knowledge of its operation.

Bill Kennedy

This is to announce my candidacy for councilman on Student Government Day, May 11. If I am chosen to fill this position, I will give my full co-operation to the mayor and other officials to make this day a success. I also will strive to represent Boone High School in a manner of which you can be proud.

Jerry Grady

Due to the short length of this announcement, it is almost entirely impossible to make any campaign promises for the office of city council member. But one thing I can assure you of is a representation for good government. Your support will be greatly appreciated in the coming election.

Bob Engnell

If elected as councilman, I will see that honest, progressive-minded persons are selected to fill the appointive positions in city government. I will also do my best to assist the mayor in performing his various duties and will, above all, remember that better councilmen build a better Boone.

Marlys Petty

Dear Friends and Fellow Classmates, new ideas and fresh blood are the things that made our country what it is today. If I'm elected councilman, I will do everything in my power to give the mayor new ideas and suggestions to aid in the governing of our city. I thank you for your support on May 4.

Virginia Dearing

First of all, I would like to thank those who voted for me in the preliminary because I think it was an honor to be elected as a candidate for mayor.

I've always thought that being the mayor would be a lot of fun, but never thought that I would be running for it.

These are a few of the things that I'll try to accomplish if I'm elected:

1. I'll do everything in my power for the benefit of all the senior high.
2. I'll do my best to make it the best government day we have ever had.
3. I will abide by all the existing regulations although I feel there is room for improvement.
4. I will try to get a bill passed for a recreation center.
5. Pave the Five-Mile Drive.
6. Have fewer lights in the park.

I would appreciate your support in the election and if I am elected, I'll co-operate fully with the officials and the student body. I would be very happy to represent Boone High on Student Government Day.

Ted Schulz

I wish to announce my candidacy for City Councilman. For five years I have been a loyal member of Boone High and a loyal citizen of Boone. If elected, I promise to do everything possible to create a more democratic and efficient city government. I ask for your support in the coming election.

Carolyn Longhenry

I, Kenneth Kammin, wish to announce my candidacy for the position of mayor during Student Government Day, on May 11, 1955. I will abide by all rules and standards that a mayor would govern himself by. If elected, I will promote this Student Government Day into one of the most elaborate and outstanding that a student mayor has ever accomplished. Student Government Day is an opportunity for students of Boone High School to exhibit, to the public, their knowledge of democracy, which has been taught to them not only from a book, but also from valuable experience obtained in class. As a candidate, I will not make any promises that I will not be able to carry out. However, I will pass all laws that will benefit the students of Boone High School. To obtain a Student Government Day of the highest degree, I will need your support throughout my campaign.

Kenneth Kammin

Juniors

I would like to announce myself as a candidate for councilman for Student Government Day. I have always been a resident of Boone and am an active church member. If elected, it will be my uppermost desire to promote the interests of the Boone student body. Thank you.

Lennice Jones

Student Government Day is set up to educate students in civic affairs as performed daily by our city officials. At this time I wish to announce my candidacy for council member. If elected, I will try to fulfill this office to the best of my ability.

Rosemarie Chance

I would like to announce myself as a candidate for the position of city council member. Besides being an excellent opportunity to observe the functioning of the city council, it would also be a pleasure and honor to represent the student body in this position.

Darrell Kruse

net groups; Open Bible Church, flugel horn solo, trombone and trumpet quartets.

Tuesday, April 26, the vocal music concert was held in the auditorium at 8:00 p.m. The concert was very well received.

Three vocal choruses participated in the concert. The accompanists were: boys' chorus, Wally Pratt; girls' glee club, Betty Cole, Barbara Long, and Karen Dennis; and mixed chorus, Carita Strohle.

Formals were worn by the girls and the boys appeared in their chorus robes.

Fourteen members of Future Teachers Club visited Bryant School to observe the teaching technique of grade school teachers, April 20, 1955. Every grade was observed by one or two of the members.

Act II: Their lips met.
Act III: Their souls met.
Act IV: Their attorneys met.

Rita: "The police shot my dog."
Jerry: "Was he mad?"
Rita: "He wasn't pleased about it."

Sophomores

Dear Friend and Fellow Classmates, I know little of the rules, but like Crockett, backwoods yokel that I am, I will do the very best I can. If I'm elected councilman, 'Ole Dave D.' will back his mayor and see that things are 'on the square.'

Dave Dearing

I wish to announce my candidacy for councilman of the Boone City Council, subject to the will of the voters of Boone High School on May 4, 1955. I feel that I have the qualifications necessary to efficiently perform the duties of this office.

Dick Wilhite

Vote for Dot Reedholm for city councilman! I am greatly in favor of supporting the Make Boone Bigger and Better campaign. I'm in favor of a better street program as an early part of that campaign. I will appreciate your votes.

Dorothy Reedholm

As one of the city councilmen.

This poem may sound odd, but it expresses my true desire to represent the sophomore class as councilman. I will consider it a great privilege and pleasure to serve you.

Denny Hora

I wish to announce to the Boone High School student body my decision to be a candidate for councilman on the City Council of Boone, Iowa. I am relying upon the student body as a whole to recognize my capabilities to perform the duties of such an office.

J. Herbert Peterson

I would like to thank my friends for naming me a candidate for the City Council. This office requires leadership, initiative, and respect for others. I hope you have enough faith in my ability to fulfill these qualifications to elect me a councilman. I would be greatly honored to serve you in this position.

Daryl Murken

Nelson, Murken Honored

An outstanding senior award was presented to Wally Nelson on Wednesday, March 30, for his work and participation in F.F.A. Daryl Murken was awarded a star farmer award for his active work in the local and district F.F.A. Grades in agriculture class, animals, and crops were used to judge the winners.

Also discussed at the Wednesday meeting were the plans for the trip to Spring Lake. Right after school is out in June, 18 boys and Mr. Hove will take part in the three-day encampment.

Don Peterson and Alan Norton won \$5.00 checks and the three days at Spring Lake, expenses paid by the chapter, for selling the most rat poison and candy.

Is it true, Karen Toots' nickname is 'Bear Hug'?

Is everyone having fun choosing his vocation in civics?

her activities include chorus, speech, orchestra, Dolphin Club, Pep Club, and Goeppinger Award winner. The queen will be chosen the night of the Prom by the students.

Everyone connected with the Junior-Senior Prom is busily at work getting ready for the big night. The name of the orchestra and the theme of the decorations are being kept a secret until the Prom. Something new will be added this year. There will be a reception in the gymnasium in the afternoon for the parents of the juniors and seniors with refreshments being served. Acting as the reception committee will be the Prom committees. The purpose of this reception is for the parents to have a chance to see the decorations.

The committees are: decorating, Wallace Arringdale, Gary Grabau, Elaine Blaess, Bette Hicks, Frances Duncan, Sonja Reedholm, Sue Grant, Joyce Anderson, Sherrill Barstad, Mary Lee Herron, Kerin Brower, Rhoda Newland, and Helen Clarke; refreshments, Roney Chance, Rhoda Newland, Mary Lee Herron, Elna Reedholm, and Kay Nary; floor show committee, Carol Briggs, Jim Anderson, J. Peterson, and Joyce Larson; orchestra committee, Sue Grant, Bob Barry, Richard Alber, Joan Cornelius, Carol Bridges, and Dick Conard.

The teachers who are working with these committees are: Miss Osborn, decorations; Mrs. Stevens, invitations; Mr. Lein, carpentry; Mr. Heyen, lighting; Mrs. Williams, general; Mrs. Absher, refreshments; and Mrs. Ick, tickets.

Ki-Hi-Kapper Party Follows

Mr. George Peterson gave the schedule for the Ki-Hi-Kapper sponsored by the Boone Kiwanis Club, following the Junior-Senior Prom, May 6, and an oral invitation to everyone. He spoke to the student body April 4, at 8:30, in the auditorium.

The schedule for the party is this: an hour and a half movie, 'Hit the Deck,' beginning at 12:00 p.m., at the Rialto Theater, a party at the Elks' club with Keith Killing-er's Band, a floor show booked out of Chicago and New York, and a breakfast at the Elks' club.

An unidentified committee of Kiwanis members and high school officials selected six nominees for queen to reign over the Kiwanis party. One of the nominees is Faye Anderson. She is an honor student who is out for co-op this year. Besides that her high school activities include band, pep band, and Pep Club.

Another nominee is Karen Ingalls. An honor student, Karen is taking the stenographic course. Her activities include Pep Club, orchestra, co-op, and Quill and Scroll.

Mary Longworth, who is an honor student, is taking the general course. Her activities include Dolphin Club, Pep Club, orchestra, Quill and Scroll staff, and Goeppinger Award winner.

Mary Courter, another nominee, is also an honor student. She is taking the vocational course. Her activities are basketball, Pep Club, and vocal music.

Taking the stenographic course this year is Martha Clark, an honor student. Pep Club, Y-teens, and cheerleading make up her activities.

The sixth nominee, Carolyn Herman is also an honor student. Enrolled in the college prep course,

Social Etiquette Preview

'No'—a word that is easily misinterpreted and tends to be misleading. Saying 'no' and meaning it are two different things. Girls, here are a few suggestions on how to make your 'no' stick.

"What do you mean, 'no'?" suggests how to handle 'no' situations with firmness plus finesse. A 'no' to a kiss you don't want, for instance, is best given lightly and quickly. Let the boy know, by your words and smile and tone of voice, that it is the kiss you're refusing and not the boy. If it's a matter of more than a kiss, ring in a joke to get you both laughing and get out of an uncomfortable situation. Try to follow up your refusal with a suggestion of something else to do.

Remember, boys, if a girl refuses your kiss with a firm "no," she probably isn't refusing you as a person, but just the kiss which may be out of place. Appreciate her discretion and grounds for refusal.

"No" sometimes means "I'd like to but . . ." Here are some situations that are best answered in the negative.

1. An additional school activity, even when it's an honor, if you have as many as you can handle now.

2. Things the crowd does that just don't interest you.

3. A date, movie, or idle chatter on a night when you should be studying for a geometry test.

4. A friendship with someone that just isn't good for your best self, like a boy or girl who wants you to pass him your answers in an exam.

Little spur-of-the-moment temptations are sometimes hard on the refuser but good on the will power. A piece of cake if you're overweight, a new type of skirt or blouse, etc., just because it's a fad—these things are best refused quickly and firmly, without looking back.

Only one correct solution was turned in for last issue so come on you crossworders, let's get rollin'. Larry Borgloff had every correct letter, and he will receive this issue 'free.' Sure sorry about that one word. Just for the records, these were the ones that seemed to have given you a hard time. 'Sen' would best fit for Japanese small change. Latin for 'that is' is i.e. Elaine Blaess is going with 'Chuck' Petersen, and Mr. Crozier's first name is Otis. Poetic for 'ever' is 'e'er.'

Miss Handy Retires

Who would have thought that a decision made by a young girl in Canada could someday affect the lives of many Boone High students? Because Miss Mary Louise Handy, of Maitland, Canada, chose teaching as her career, a lot of young and sometimes not so eager minds were given the chance to obtain a good knowledge of the English language.

After many years of teaching both history and English, Miss Handy, a seventh grade instructor, has announced her intention to retire at the end of this school year.

Of course, she did not come directly to Boone with a burning desire to teach nouns and pronouns. There was some time out for Grinnell and graduate work at Iowa City.

After sufficient college education, Miss Handy taught at Creston and Keokuk, Iowa, before coming to Boone.

Miss Handy, whose parents came from England, served as secretary for her father, a Methodist minister. Because of her English parenthood, she has cousins in London. She was one of a family of five girls and three boys. Her brother is the Reverend W. S. Handy of the First Methodist Church in Boone, and she has two sisters here, one working at the Ericson Library and the other a former missionary to Africa.

Her favorite pastime is helping with any part of the household chores. She enjoys traveling, as most teachers seem to, and has made a trip to the Pacific Northwest.

Perhaps the most outstanding part of the year for her seventh grade English class is the yearly

visit from some important town official. This visit is part of the Safety Club organized by Miss Handy six or seven years ago. Since its beginning, talks have been given to the class by highway patrolmen and both the police and fire chiefs. Each class can choose its own motto and the club helps keep the safety rules learned in grade school fresh in the students' minds.

Some of her former pupils who have gone on to 'make their mark' include Jack Shelly, head of the WHO news department, and Richard Hull, head of WOI radio and WOI-TV at Ames.

Now that Miss Handy has decided to leave teaching, which has been her soul occupation, her future is undecided. But we all hope she enjoys her rest, which is certainly well-deserved.

We hear Mary Ann Lee had 'dropies' at Rainbow Saturday night.

Have you ever seen so many gay skirts as the girls are wearing this spring?

Toreadors Tops in Triangle Meet

Showing improvement over their first meet of the season, the Toreadors surprisingly emerged the victors of a triangular meet held at Goeppinger Field on April 18. Fort Dodge and Webster City were the other competitors of the meet with Fort Dodge being the potential victors.

Two firsts were tallied for Boone by junior, Jay Peterson. He took top honors in both the high and low hurdles.

Perhaps one of the more interesting events of the meet was the broad jump, featuring Merrill Peterson. Merrill's jump of 20 feet 2 1/4 inches earned him a first place and he came within 2 1/4 inches of tying the school record of 20 feet 5 1/4 inches set in 1931.

The summaries of the events are: 100-yard dash: 1, Mickey McGiligan (Webster City); 2, Bob Engnell (Boone); 3, Tom Messerly (Fort Dodge); 4, Max Koeper (F. D.).

Two-mile relay: 1, Boone (Ferry, Rinker, Barry, Byerly); 2, Webster City; 3 Fort Dodge.

220-yard dash: 1, Curtis Lemon (W. C.); 2, Jim Manriques (B); 3, Harlan Eely (F. D.).

880-yard relay: 1, Boone (M. Peterson, Fitzsimmons, Robertson, Manriquez); 2 Webster City; 3, Fort Dodge.

440-yard dash: 1 John Manriquez (B.); Max Kreper (F. D.); 3, Gary Kolbeck (W. C.); 4, Gale Morris (B.).

High jump: 1, Dave Marrs (F. D.) 5' 5"; 2, Gary Grabau (B.) and Booke Sell (F. D.) 5' 4"; 4, Ed McAlpine (B.) and Joe Kirchoff (W. C.) 5' 2".

Boone v.s. Marshalltown

Tennis Team Drops Opener

The Boone High racket squad dropped their opening match to Marshalltown by losing all four singles and both doubles at McHose Park.

According to Toreador coach Wilmer Hokanson, work and experience were lacking although several players turned in impressive matches.

Boone's Dave Gustafson was defeated by Marshall County's junior singles champ, Roger Lowe, 2-6 and 1-6. Dave Buchmueller, Marshall County runner-up, beat Jim Lawless 1-6, 2-6.

Sophomore Darryl Trulin lost to Marshalltown's Lee Abrahamson, 1-6, 1-6, while Toreador Bruce Williams lost to Melvin Williams 0-6, 0-6.

The team of Lowe and Buchmueller defeated Boone's doubles team of Gustafson and Lawless by 3-6, 0-6.

Boone's Trulin and Williams bowed to Abrahamson and Williams team, 6-8, 1-6.

Coach Wilmer Hokansen's netmen were defeated for the second time by Marshalltown in a match held at McHose Park. Marked improvement was shown among the Toreadors, but the Marshalltown crew too, were an improved bunch.

An announcement by the Iowa High School Athletic Association recently revealed that Boone will be the host for the district golf tournament. Those schools taking part besides the Toreadors are: Ames, Carroll, Des Moines Dowling, Des Moines Roosevelt, Des Moines Tech, Fort Dodge, Jefferson, Perry, and West Des Moines.

Even though the Toreadors recorded their best performances of the season in the 100-yard dash, two-mile relay, high hurdles, 440-yard dash, mile relay, low hurdles, discus, and pole vault, the times were not quite fast enough nor the distances far enough to outclass the Newton field and track team. The final score of the meet was 102-66.

It was erroneously stated in the last issue of the Bumble 'B' that Charles Peterson was Junior Rotarian for February. Charles Grue-nig received that honor.

Youth is the time to go flashing from one end of the world to the other both in mind and body; to try the manners of different nations; to hear the chimes at midnight.

—Robert Louis Stevenson.

Golf Meet

Although the Boone High Golf team turned in an improved performance at Marshalltown Friday, they lost a dual meet decision to the Bobcats, 168-158.

In the nine-hole match there were only five birdies and one eagle registered, and two of the sub-par scores were shot by Boone's Denny Collis.

The Toreadors number one shooter, Denny Collis, fired a birdie on the par 4, No. 1 hole and came in with another on the par 5, No. 5 hole as he shot a 39.

Marshalltown's No. 2 swinger, Al Brennecke, missed a 2-foot putt on the last hole and still finished even with par. His 36 score included birdies on the par 5 fourth and fifth holes.

Boone's Fred Vitt used 44 strokes over the 3, 10-yard layout. A triple bogie eight on the fourth hole was his main downfall.

The Bobcats' Tom Buck fixed a 41 to beat his Boone opponent, Mike Knezevich, who had a 44. Ron Knight, who needed 41 strokes, was Collis' victor.

Ninth Grade Party

On Monday, May 9, at 7:30 p.m., the ninth graders will have their annual dance. Since this date is the first Monday following the prom, the prom decorations will remain up until after the dance. DAN'S GRILL

Who's Who

An active boy in seventh grade is in the spotlight this week. We say active because he participates in football, basketball, track, and baseball. Our mystery boy was born October 22, 1940, in the Boone County Hospital. Foods that seem to top the list with him are malts, malts, and more malts. His main interest seems to be a seventh grade girl named Pat. He's five feet tall and weighs 93 pounds. And girls, get this, his telephone number is 987-J!

Of course every seventh grader has a hero and his happens to be Jack Becker. His best friend is Birger Nelson, so if you haven't guessed his name look elsewhere on this page.

This week's Girl of the Week is a charming seventh grade miss who resides at 1622 Crawford Street. She has reddish hair, brown eyes, and was born October 26, 1941. Bananas top her favorite food list, while 'Tweedle Dee' is her favorite tune. When asked her favorite pastime she answered, "Making things." Most likely you know by now the owner of this pleasing personality, but in case you don't, look elsewhere on this page.

What's this we hear about the president of Student Congress dozing in Latin?

Fashion on Parade

Spring! Spring! Spring! Boone High lassies are sure it's here as they blossom out in fashionable brightly colored frocks. Wools and other heavy materials are discarded for flowers and spring and summer shades and styles.

Figured cotton skirts have taken the lead in the spring fashion parade. With these, plain-colored sleeveless blouses are worn. Many one- and two-piece dresses may also be seen, some of these also sleeveless and with full skirts.

White bucks and anklets are in style along with a feeling of coolness and freshness brought about by white and colored ballerina-type flats.
