

Christmas is beauty! It is the most beautiful and thrilling part of everyone. Think of the traditional Christmas tree. Each bauble and light holds an individual warmth and thought of a faith so strong it cannot die. The mistletoe holds beauty in its branches for what can be more wonderful than a kiss and in such a wonderful time. And the Christmas songs that make you catch your breath for all the joy that places your heart in your throat!

Christmas cards remind us of friendship long enduring and well-cherished.

Can you picture the moment when just before sleep caught up with you, you could sense the soft and velvety whiteness just outside; then the sound of bells provided by some thoughtful grandmother or parent filled you to the brim with excitement and contented happiness? Santa Claus was finally there! Can't you all but hear the reindeer on the rooftop as you surely did then?

Christmas spirit is the most beautiful part of the season. Like the traditional fruitcake, Christmas spirit has a recipe—the ingredients: love, friendship, happiness, faith, hope, resolution, courage, commercial contributions (songs and presents) and the 'you' attitude. They may be seasoned to individual tastes. All in all, when in the presence of the Christmas season and spirit, few doubt that it is the best time of the year.

## Barry Qualifies For Merit Award

Bob Barry, Boone High senior, after taking a test for the National Merit Scholarship earlier in the year, has been notified that he has received a score high enough to permit him to compete in the final examination. Bob was competing with high school seniors throughout the United States. The final examination is to be given in January. The amount of the scholarship will be based on the score of this test. A group of judges will further decide the amount, taking into consideration financial status and other personal qualifications.

## Interests Include Interesting Itinerary

Mrs. Stevens, the eleventh grade English teacher, has traveled from California to New York and from the Gulf Coast to the northern limits of the United States.

She enjoyed the trip through the East most of all. Being an English teacher, she was thoroughly impressed by the homes of the early American authors.

She saw Louisa M. Alcott's home and its interior. The rooms are preserved to the finest detail—even to the drawings of Louisa's sister, Amy. Another very unique place

## JUST BUZZIN'

### Music

A few students, eight to be exact, decided that Thanksgiving vacation was not for them and went to Des Moines to the Iowa All State Music Festival. For two lucky boys the trip really paid off. Dick McCoy was chosen to represent Iowa in the bass section of the orchestra to appear at the Music Educators' National Conference which will be held in St. Louis next April. Dick Alber was chosen to be an alternate cornetist in the band.

The music department will give its annual Christmas Vespers on December 18 for the student body and December 20 for the general public.

The pictures of the band were taken for Scroll in the auditorium on Wednesday, November 13.

### Record

There is still time for students to purchase 'The Talking Page,' an all-school record. It will definitely include cheers by the Pep Club, and a number from the High School Chorus. Numbers from the band, orchestra, and speech departments may also be included.

### Pennants

The Student Council is going to sell red and green pennants with the word 'Boone' on them. The price will be 25 cents, and it is hoped that every student will buy one.

Pep Club and Booster Club pictures were taken Thursday, December 1 in the gym.

### Editorial

Monday, the twenty-eighth, was one of those days when you needed four stoves on the outside of each wall to warm the air before it came in through the windows.

was a log cabin where Thoreau, the author, lived for two years and saw no one, or bought anything. He proved one could live alone for years.

"Probably the most inspiring and joyful part of my trip," said Mrs. Stevens, "was when I visited the famous Metropolitan Opera House in New York city."

## Vespers at High School Sunday

### Attention! Camera Fans

Pupils of Boone High have been invited to participate in the Eleventh Annual (1956) National High School Photographic Awards, which is held exclusively for high school students. The contest opens January 1 and closes March 31, 1956.

Boys and girls in grades 9 to 12 may submit any number of photos taken since April 1, 1955. The pix will be judged in four classes: (1) School Activities; (2) People (no school pix); (3) Pictorials; (4) Animals and Pets.

Awards of \$300 in cash top each class, with second and third awards of \$200 and \$100 respectively; four \$50 special awards, 240 honorable mentions at \$10 each. There will be national recognition and salon honors for those whose photos are chosen for the exhibit which tours the nation's schools.

You don't have to be an expert to win! Every year thousands of students enter the competition. They use all kinds of cameras, including the simplest 'box' type to make prize-winning pix.

Additional details on how to enter the Awards—sponsored by the Eastman Kodak Company—and helpful contest hints, too, are available from National High School Photographic Awards, 343 State Street, Rochester 4, New York, or Mr. Shadle in Room 302.

### S. D. Day Observed

S. D. (Safe Driving) Day, as suggested by President Eisenhower, was observed on Wednesday, November 30. In a homeroom on Wednesday the students were given a pledge for their parents to sign and return to school.

Printed under the pledge were seven rules for walking and eight rules for driving.

The rules for safe walking are as follows:

1. Carry or wear something white at night to help drivers see you.
2. Cross only at crosswalks. Keep to the right in the crosswalk.
3. Before crossing, look both ways. Be sure the way is clear before you cross.
4. Cross only on proper signal.
5. Watch for turning cars.
6. Never go into the roadway from between parked cars.
7. Where there is no sidewalk, walk on left side, facing traffic.

The rules for safe driving are as follows:

1. Be a sportsmanlike driver; be courteous to every other driver and pedestrian.
2. Keep speed reasonable. Reduce speed at sundown—drive within the range of your headlights.
3. Stay behind the car ahead of you at least one car length for each 10 miles of speed.
4. Stay in your lane at hillcrests and curves.
5. Drive so as to protect pedestrians.
6. Do not drive so slowly that you impede traffic.
7. Get into proper lane well in advance of turning; always signal your intentions to turn or stop.
8. Keep in right lane except to pass; don't weave.

### Mechanical Man Featured

C. E. Jones appeared again this year on December 2, before the student body and faculty with one of his scientific programs. This year's demonstration was entitled 'Dancing Electrons and the Mechanical Man.' This program, Dancing Electrons, features sound you can see, light you can hear, and the mechanical man, besides many new features in the electronic field.

Mr. Jones has appeared annually at Boone High for a number of years. A few schools have used the Jones' programs each year for 25 to 30 consecutive years. More than 100 have used these programs for more than 20 consecutive years.

Mr. Jones presents a total of six science programs from year to year. They are: (1) The Magic of Electricity, (2) Dancing Electrons and the Mechanical Man, (3) Silent Sounds and Nerve Electricity, (4) Beyond the Rainbow, Light, etc., (5) 'The Tops,' a Program of Gyroscopes, (6) Nucleonics and the 'Atom Bomb.'

### Christmas Acknowledged

The Boone High School Music Department will present the annual Christmas Vespers program on December 18 at 4:00 p.m. The Christmas program will be presented to the student body tomorrow, December 16.

An invocation will be given by Pastor E. K. Nelson to open the program. This will be followed by two selections, 'Good King Wenceslas' and 'I Heard the Bells on Christmas Day,' by a trumpet quartet.

The remaining numbers will be presented in the order as follows:

'Panis Angelicus' by a string quartet; the orchestra will perform with a number by Coates, 'Westminster Abbey.' 'Let Our Gladness Know No End,' 'As Lately We Watched,' 'See Dear Jesus in the Manger,' and 'Angels We Have Heard on High' will be sung by the girls' chorus. These selections are Bohemian, Austrian, Polish, and French, respectively.

The mixed chorus will sing the following numbers:

'Christmas Roundelay,' by Marryot, 'Glory Be to God,' by Dams-gard, 'Noel' (traditional), 'Come to the Manger,' by Kountz, 'Sing Ye Noël,' arranged by Dash; 'A Joyous Christmas Song,' by Gav-aert.

The concert band will play 'Song of Jupiter,' by Handel, 'All Soul's Day,' by R. Strauss, 'Christmas Rhapsody,' arranged by Long.

The program will be ended with a choral benediction.

The conductors are Konrad Scholl, orchestra; Sterling Mische, choral; Ray Bartholomew, band.

### F.F.A. Sells Candy

The regular meeting of the Boone F.F.A. was held on December 3. Twenty-three boys were in attendance.

The F.F.A. Club is now selling candy, representing the Peggy Ann Candy Company of Des Moines. The sales started December 6 and will end today, December 15. You may purchase the candy at \$1.00 a box from an F.F.A. member.

The boys are also selling subscriptions to the Farm Quarterly. The profit from these sales will help finance a trip to the Black Hills in the spring.

### Assemblies Held

Character education assemblies were held on December 6 during the fifth hour.

Art Roby introduced the Rev. A. Clauson of the First Evangelical Free Church. His topic dwelt upon the meaning of Christmas.

A vocal number, 'No candle was there and no fire,' was presented by Joan Stotts, Mary Lee Herron, Judy Loveless, Joyce Ohlmann, Mary Lynn Hauge, and Shirley Carter. Ruth Josephson accompanied the sextet.

Two names have been continuously left out of the Dolphin Club list of probates. Linda Boyd and Mary Jo McLeod also met the necessary requirements. This boosted the club's membership to 15 new members.

## Editorial Quote

The other night I heard a new Christmas song called 'There's No Place Like Home for the Holidays.' I wonder if the man who wrote the lyrics realizes what a statement of deep significance he has made. Home is not only with our earthly family but with our spiritual family as well, and not until we combine the two can we really BE home!

Over nineteen centuries ago a simple carpenter and his wife, seated patiently upon a worn donkey, for the night. Because there was no room in the inns, they had to stay in a humble stable, where a tiny baby boy, the King of Heaven and Earth, was born to them.

Nineteen hundred and fifty-four years have changed the world into which this tiny babe was born. Sleek automobiles have replaced worn little donkeys; modern skyscraper apartment buildings have replaced small crowded inns. Christmas has changed, too. The Christ part of it has been replaced by an 'X,' and it has become a commercialized holiday instead of a blessed holy day.

We buy gifts for our friends; we get the children ready for Santa; we invite our relatives to dinner; we decorate the tree as we sing "Deck the halls..." But we overlook the most important part of the Yuletide—we forget the tiny baby whose Birthday we should be celebrating.

The first Christmas package did not come in a red box tied with green and silver ribbon. It came in the form of a small child, wrapped in swaddling clothes, lying in a manger.

Often in the rush and huddle of a 'green and silver tinsel' type of Christmas there is a tendency to forget that first Christmas in Bethlehem many, many years ago.

At that time everyone—the wise men and the shepherds, the rich and the poor—came to pay their respects to the Christ Child. They did it in an humble way without thought of the impression they'd make or the distance they had to travel. They came, guided by the bright light in the sky that told the world the Christ child had come.

Why not really go 'home' for the holidays? Why not bring Jesus, Mary, and Joseph into your homes and invite them to help trim the tree, sing with us, play Santa with us, sing with us. Then, and only then, with us truly be 'Home for the Holidays'!

'Quips and Quotes.'

## Helpful Hints

Well, boys, here is a word or two for you if you want to make a hit with the girls.

Girls always notice when boys have dirty fingernails and hands. It only takes a few minutes in the morning or at night to get that messy grime out from under those nails and off those hands, and it looks so much nicer.

Another thing, many boys don't seem to have any ability to tell when two or three colors they are wearing don't match. This clashing of colors can really spoil your appearance.

Keeping your hair clean and neat is another factor if you want to appeal to the girls, and also if you want to leave a good impression on the adults you meet. Greasy, messy hair is not very becoming; we are sure you will agree with that. (Of course, we don't mean to comb hair during classes or in public places.) You boys with butches and crewcuts won't be too concerned by this paragraph.

## Platter Parade

by Sandra Atherton

The nation's top popular records on Billboard's 'Honor Roll of Hits' are:

1, 'Sixteen Tons,' Tennessee Ernie, Capitol; 2, 'Autumn Leaves,' Roger Williams, Kapp; 3, 'Love Is a Many Splendored Thing,' Four Aces, Decca; 4, 'Moments to Remember,' Four Lads, Columbia; 5, 'Shifting Whispering Sands,' Dusty Draper, Mercury.

For the album collectors, 'Django Guitar' features the late Django Reinhardt in some of the finest performances ever available on records in this country. No Reinhardt collection would be complete without this addition. Get yours today!

Is Christmas shopping a big problem to you? Your troubles can be solved by giving records to your friends this year. 'So Smooth,' featuring Perry Como with the Ray Charles singers, would make a fine gift. As usual, Perry lends effectiveness by his effortless singing and warmth.

New Christmas albums appear on record counters now. Here are some of them:

A plush gift album, which features the Epic Choir, conducted by Peter Sozio of Washington University, St. Louis, Missouri, is now sale. There are 18 Christmas songs and carols in the album. The cover and inside portfolio are illustrated with the story of the nativity. It is a very fine buy.

Other fine albums are 'The Spirit of Christmas,' by the De Pour Chorus; 'Christmas Songs' by the Obernkirchen Children's Choir; and 'Christmas Carillon.'

We all want to remember our school after that most important night of taking that last walk across the stage for our diplomas. An excellent remembrance would be to purchase the record made by some of the Boone High organizations. These records are being sold by the Bumble 'B' staff. Be sure to order yours today.

## Gift Suggestions

Many boys and girls are having trouble deciding on presents for their steady girl or boy friend.

Often times a good suggestion for the girls to buy is a billfold. Without looking too obvious, next time he has out his billfold see if it looks a little worn at the seams. Of course, there are the old stand-bys, shirts and sweaters, which always make nice gifts. A pen and pencil set is also a nice gift, especially if he is away at school. Then it gives a little hint to write more often.

Boys have the hardest time deciding on gifts and often their mothers end up buying the present for them. Maybe this will help you poor males a little: Girls love perfume and powder sets. They can always use a sweater or blouse. Jewelry is another nice thing for girls to receive. How about getting her some of that new smear-proof lipstick?

One thing which is important to remember for both the fellow and gal, though, is that the value of the gift isn't measured by how high the price is. Some girls and a few boys often forget this. You should be happy with whatever he or she buys you, no matter what the cost.

## Attention Girls!

Recently a number of boys were asked, "What do you think are the main faults of the girls around B.H.S.?" You may be surprised at some of the answers, girls.

Many boys feel that some girls wear too much jewelry. It clangs and clangs around, disturbs classes, and in some cases, doesn't look appropriate at all. The boys agree, however, that some jewelry is all right.

Another gripe mentioned was the way some girls act silly when they get together. This really annoys the

## New Winter Fashions

Fashions are better than ever around the halls of Boone High. Brushed wool winter coats are back again this year in every color of the rainbow. Pink seems to be a very popular color in winter coats for girls. There's a new kind of coat material for girls this year, bologna, it is man-made fur. Korean Ballard and Sue Grant are lucky girls to have beautiful coats of this kind.

Sweater matching sets are very popular among the girls. Carolyn Kirk has a very lovely shade of blue and Sue Werner looks extra smart in a mint green sweater and skirt set.

Sweaters and plaid skirts are still the fashion for all girls. Neck scarves, jewelry, and white collars adorn the necks of lovely colored sweaters.

When talking about how well the students of Boone High dress, we must not forget our teachers. It would be hard for a teacher to stand in front of a hundred and fifty students each day and not dress well. So it is a teacher's business to dress well. The teachers of Boone High are no exception, they always look nice.

Th men can usually be seen wearing sport jackets or suits with bright colored ties and pale pastel shirts. Mr. Hartley looks extra grand in a bright yellow tie, while Mr. Beck looks nice in a cool green pastel shirt.

Our women teachers could lead any fashion parade with their school wardrobes. Miss Plum can

B.H.S. boys. They feel that if girls are in high school they should act it.

Primping during class was mentioned quite often. Even though you do see your favorite man after third or fifth hour, don't sit and comb and lipstick and powder for the last five minutes of class.

We hope you have benefited by this column and if any of these things apply to you, try to do better soon. If nothing does pertain to you, well that's swell, and keep up the good work!

## Letters(?) to The Editor

In today's column of letters to the editor we are featuring a few which deal with the problem of what to give friends and relatives for Christmas. Perhaps you can find a solution to your gift problems in the following letters we have found in our mail box.

Dear Editor,

Can you help me? I just can't seem to find the right gift for my boy friend. He's the shy' type and hardly ever leaves his home.

'Perplexed'

Dear 'Perplexed,'

How about a personalized periscope for looking into places he is too bashful to enter?

'The Editor'

Dear Editor,

I'm desperate! My mother-in-law has been with us five years, and every Christmas I have trouble picking out a gift for her. What do you suggest?

'A Desperate Reader'

Dear 'Desperate,'

A one-way ticket to Tahiti.

'The Editor'

Dear Editor,

What do you think I've been giving her every Christmas for the last five years?

'The Same Desperate Reader'

Dear Editor,

I have no friends, relatives, or landlords. My problem is, who am I going to get a present from?

'39857928'

Dear '39857928,'

Have you written Santa?

'The Editor'

Dear Editor,

Every year I give my girl the same thing. Can you suggest something else?

'D.D.T.'

Dear 'D.D.T.'

What?

'The Editor'

Dear Editor,

What am I going to give my 80-year-old grandmother for Christmas? She is very fond of ice skating, golf, and has won the national amateur ski championship for the last three years.

'Lost'

Dear 'Lost,'

Never mind what to give her, just send us her address!

'The Editor'

hardly be distinguished from the school girls in her sweaters and skirts. Miss Thornburgh looks neat in her purple dress, which incidentally, she made herself.

The boys of Boone High are exceptionally good dressers. Their school wardrobes consist mostly of bright-colored shirts, v-neck sweaters, levis, and different colored cords. Mike Newbold is sporting a real smart pair of rust cords. With them he wears a light brown sweater. Khaki pants are also tops for school wear this year.

Pink sweaters seem to be still quite the thing. 'J.B.' Langmade looks real jazzy in his pale pink sweater.

How about crazy headgear? These snazzy hats are of course the golf hats and the men's hats.

# Boys Play Newton; Girls Travel to Perry

## Girls Win Sixth and Seventh Victories

Judy Malcom swished two free throws during the last 15 seconds to put her team ahead 40-39 when the Toreadorettes defeated Rockwell City December 3. Sophomore Karen Mustapha and senior guard Romey Chance were the Boone girls' playmakers in their sixth victory. Boone's forwards were again having bad luck in sinking field goals, but the guards showed their usual defensive ability in holding their opponents below the 40-point mark.

The game was all tied up at the end of the first quarter, with each team having 12 points. The Toreadorettes led at halftime by two points and also at the end of the third period. Mustapha paced the winners with 16 points; Malcom had 10, and Ann Clausen hit for nine counters. Aletha Stumps led the losers with 13 points to her credit.

Karen Mustapha faked her guard out of position and dumped in a lay-up shot in the final seconds of Friday night's game to give the Toreadorettes their seventh straight win. Coach 'Chuck' Lovin's team was victorious over Jewell, 32-31.

As in their past games, the Toreadorettes' defense was the main asset. Three times in the first half the score was tied and so it was at the beginning of the third quarter, deadlocked at 14-all.

In the last quarter Jewell took the lead 31-30 with less than a minute remaining. Then Mustapha broke loose to score for Boone.

The pint-sized forward also collected the most points for Boone with 17. Rita Howard, who played only half the game, was second high with six.

Romey Chance, Jacquie Conn, and Joan Cornelius were the Toreadorette guards.

## Girls Drop Slater, Adel, and Ankeny

Rita Howard captured the spotlight with outstanding floor play when the Toreadorettes whipped Slater 71-35. It was the third victory for the Boone girls after previous wins over Ogden and Grand Junction.

Judy Malcom hit for 26 points for canned 26 points; close behind was Howard with 21. Coach Lovin's team owned a 30-13 point margin at halftime.

Outstanding defense was the asset used to defeat the Adel six on November 22. The three Boone guards held their opponents to 29 points while the forwards collected 39.

At the beginning of the tilt it looked as though the Boone girls might get a run for their money and the half score showed only a two-point difference, 18-16.

Judy Malcom his for 26 points for high scoring honors while sophomore partner Rita Howard collected nine.

On November 29, the Toreadorettes played and defeated the Ankeny girls by the score of 34 to 27. The girls from Boone led all the way and at the half time interval by six points, 18-12.

Field goals were few but free throws were plenty. Karen Mustapha shot only one field goal but collected 10 points with the help of eight free throws. Judy Malcom hit four field goals and two free throws for 10 points also. Barbara Henderson led the Ankeny scoring with 12 points to her credit.

In a reserve game Sandy Hick connected for 15 points to lead her teammates in a victory over the Ankeny reserves, 26-24. Boone led at halftime 14 to 4, but could not hold the 10-point margin. Etta Mae Grady was second high with eight points.

### SHORT SHOTS

Although it's kind of late, boutonnieres should go to the Boone gridmen who received honors for their football play during the '55 season. J. Peterson and Wally Arringdale received second team C.I.C. berths while Jim Anderson and Bob Harder were placed on the third team. Richard Byerly, Don Schroeder, and Jim Manriquez were picked for honorable mention. Bob Harder was the only Toreador chosen by Jack North for honorable mention.

Two former Boone athletes have been awarded first team berths on the Grinnell College freshman team. Both Dave Fisher and Denny Collis started in the game last Saturday night with Coe freshmen.

By the way, another Boone graduate and former Toreador swimmer, John Herman, is a free-styler on the Grinnell freshman swimming team.

## Boys Win First Three

Opening the Toreador basketball season, the Boone boys were victorious over North Des Moines, 49-47. Hero 'Chuck' Musser swished in a rebound shot in the last second of play to break the tie deadlock. Fifteen times the lead changed hands to keep the game at a thrilling but furious pace.

Larry Meyers, speedy Boone guard, displayed ball handling skill and shooting ability throughout the tilt, scoring 12 points. Junior partner, 'Chuck' Musser and senior J. Peterson scored 12 points apiece along with Meyers to balance the scoring honors.

In their second game of the season, the Toreadors whipped Perry in the Perry gym, November 22. The Boone team exhibited fine play throughout the game to win by a 61-44 score.

Boone led the Perry five at the first half mark by 12 points. Clearing the bench during the second half, Coach Clifton was able to give his reserves a chance to play to indicate any faults or certain skills that they may have had. J. Peterson scored 20 points to lead the Toreadors, followed by 'Chuck' Musser with 10 counters.

For their third straight victory the Basketeers from Boone romped over Carroll by a 70-63 score on November 25. The Toreador lads led at halftime, 35-27, and never lost the lead. Center J. Peterson took scoring honors again with 21 points. Richard Byerly, Larry Meyers, and 'Chuck' Musser scored 12 points apiece to round out the scoring honors. The leading point-maker for Carroll was Macke, with 18.

The above article will probably show the stress that Coach Clifton is putting on free throws. It's a good idea, too, for many games have been won or lost according to those extra points. Coach Lovin also takes time during practice to emphasize their importance.

## Boys Meet Conference Foe

Tomorrow night the Boone High cagers will play host to Newton, another C.I.C. contender. The central Iowa team holds a 1-1 record while Boone has had two conference losses. In their last game the Newton boys were defeated by Marshalltown 58 to 34. The Cardinals have two boys who have been outstanding in past games, Roger Bowie and Dale McCargan.

Coach Clifton will start his original five players, Richard Byerly and Larry Meyers at guards, Larry Bergloff at center, and 'Chuck' Musser and J. Peterson as forwards. Tuesday, the Toreadors will play Tech of Des Moines in the Boone gym.

Tonight the Boone Toreadorettes travel to Perry. The game was originally set for Friday night but because of a play planned on that night, the tilt was moved up.

Coach Lovin had nothing but praise for the Toreadorettes' play in the United game Monday night. But he is not marking Perry as an easy team to beat for they are one of the high ranking teams in the state. They own an eight won, one lost record. The Perry girls have one playmaker who averages 30 points a game.

The Boone coach stated that he will start his three C's, that is, Joan Cornelius, Jacquie Conn, and Romey Chance, in guard slots. He is not sure as to the starting forwards, but the toss-up is between Judy Malcom, Rita Howard, Ann Clausen, and Karen Mustapha.

Preceding the varsity game, the Boone reserves will play the Perry girls reserves.

## VOX POPULI

For this issue we interviewed a few senior high students, asking them the following question: "Briefly, what does Christmas mean to you?" Here are the answers we received:

Betty Prine: "Santa Claus is coming to town."

Randa Lee Kelley: "It means giving and receiving a lot of gifts and sometimes disappointment."

Frances Duncan: "Christmas vacation and boy, do I enjoy that!"

Shirlee Hines: "Christmas means to me not only the time of year for getting presents, but the time when you like to give."

Del Germer: "Ha! Ha! You would be surprised, daddy-o!"

Barbara Bolt: "It brings back the story of Christ and also means one month till Dave gets home."

Judy Houston: "To me it seems as if Christmas is a time of extreme happiness. Everyone becomes a part of the festivities, and has a wonderful time."

Arliss Hoffman: "It means a lot of work on decorating and also on a lot of money."

Bev Coffman: "It means a rest for the students and a rest for the teachers. We'll all enjoy it."

Marlene Crouse: "The time to go out every night."

Merle Nelson: "Christ coming to take our place for our sins."

Barbara Beckett: "The birthday of Jesus Christ, our Saviour."

Keith Smith: "The festivities in celebration of Christ's birth always hold great sentimental value for me."

Ed McAlpine: "Disappointment and happiness. Disappointment because I'll miss H.L. playing his student's radios in physics, and happiness because no assignments 'til January."

Ruth Frederick: "A lot of fun and some seriousness, too, to celebrate Christ's Birthday."

Danny Eldien: "It means a rest for the teachers the whole ten days I'm gone."

John Manriquez: "It means no more school and no more teachers' dirty looks."

Phyllis Hawk: "The most beautiful time of the year."

Darrel Eccles: "It means no school for ten days."

Diane Carrier: "The day Christ was born."

Robert Sharp: "The gathering of relatives and friends to celebrate the birthday of our beloved Jesus."

## Just Inquirin'

School Spirit always has been a problem in high schools. How to generate more pep among the students will probably always be a problem. Boone High is trying to remedy this. November 17 in the pep assembly Coach Clifton gave a stirring speech on school spirit. Since the students of Boone High heard this speech, here's what they think of their school spirit now as compared to last year.

'Buzz' Lee: "I think the school spirit is improving this year and I believe Coach Clifton had a lot to do with it. I hope he keeps it up."

Tom Reed: "As far as basketball is concerned, I think the spirit is improving. Coach Clifton's speech stirred up the change."

Alan Norton: "It has improved, but not very much. I think the improvement is probably due to the fact that basketball is just starting."

Dave Nelson: "I think that the spirit has improved and I think we owe a lot to Coach Clifton. I hope the good spirit continues for the swimming season."

Margaret Carpenter: "It is improving but the spirit still isn't what it should be. I think that we should have more pep assemblies to promote better school spirit."

Carol Forster: "I really don't think the school spirit has improved much since last year, because there could still be a lot more kids going to the games."

Sandy Chance: "The school spirit has improved as far as basketball is concerned, but I'm anxious to see how many kids will support the swimming team."

Janice Neely: "Yes, it has improved compared to what it was. Mr. Clifton has had a lot to do with the improvement."

Betsy Lorentzen: "I think the school spirit really shows improvement this year. I think the improvement is due to the longer pep assemblies rather than the short ones with just two or three cheers that we used to have."

Betty McElyea: "The school spirit it has improved since the football season but I think the improvement is due to the fact that we excel in basketball."

Karen Bohlen: "I think it has improved since football. I'd rather go to the basketball games than football games because it always is so cold sitting outside on bleachers."

## Book Reviews

'Love Is Eternal' is a historical novel, which was written by Irving Stone. Perhaps when one says historical novel, it frightens you away. Although you say, "How can history be an interesting fiction book?" Well, it can. One must remember that the people of the past have the same trials and tribulations as we do today.

'Love Is Eternal' is the story of Abraham Lincoln and his wife, the former Mary Todd. The Book is written mainly of Mary Todd from her girlhood to the time when she met Abraham, and their eternal love for each other. While reading the book, you will probably think that Abraham is actually very much like the boys of today in his ideas and mannerisms. Mary and Abe both live an exciting life with more than the average amount of troubles. You will enjoy going through their lives with them, as you read the book.

The book is written in such a way as to give one the feeling that one is at the scene of the story. One of the nicest things about the book is the way in which descriptive words are used.

This is one book everyone should read, and no one should miss.

Judy Houston.

James Michener, responsible for 'Tales of the South Pacific' and 'Return to Paradise,' has done it again. He has succeeded in writing a true-to-life story about Americans in foreign lands. The setting for 'Sayonara' is Japan. The main characters are American soldiers and Japanese girls, their problems, happiness, and love.

Mr. Michener has the right background for writing the entrancing story. Serving during World War II in the Navy, he managed to visit 49 islands from Australia to Tarawa. Since the war he has toured

Zoom—Zoom, Bang! Whee—look at that! Fifth in line. I would have been first if those three teachers hadn't stopped me. You should have heard what one of them said. "Boone should have a good track team this year—all the practice the 'kids' get."

Say, maybe I should go out for track at that.

But follow me and I'll show you how to get the best out of this deal. Now pick up a tray; pick up every tray in the stack until you find the driest one. I don't know what kind of dish dryers they have. What's that? Well, I hope they give me a lot! I guess I'd better not try to take another dessert.

J. Peterson is shown above as he goes up for two points in the Marshalltown game.

## Toreadors Defeated

Unable to maintain their winning streak, the Toreadors fell before two fiery contenders, Webster City and Marshalltown.

On November 29 in the Webster City gym, the Lynx were victorious in a 71-61 decision over Boone. Unable to find the scoring range, the Toreadors could not keep up with the fast pace set by the Webster City five. At the half way mark the score showed Boone behind by 10 points, 37-27.

J. Peterson, although well guarded by a taller man, managed to sink 22 points. 'Chuck' Musser and Larry Bergloff followed with 12 and 10 points respectively. Gary Kolbeck, a three-year veteran, topped scoring honors with the total of 35 points for the Lynx.

Perhaps an upset was executed when the Marshalltown Bobcats scored a victory over the Toreadors with a 77-57 score. Boone could not match the speed of the defending C.I.C. champs, who probably have the best team they have had for years.

At halftime the 'Cats led by 20 points, but this was narrowed to a margin of nine points at the beginning of the third quarter. Again Marshalltown started hitting, and they led 61-42 at the end of the quarter. High point man for the

## J. C. SPORTS

For the first time in six years the Boone Junior College Bears came through with a basketball victory. The jinx was snapped when the J.C. boys defeated Grandview of Des Moines by nine points 69-60.

Rebounding and controlling the boards were the big difference of the two teams. Although the visitors had a height advantage, the Bears were snagging most of the shots and seldom did the Des Moines team get a set shot.

Harold Plath totaled 21 points for the Boone lads. Bill Berry and Bill Larson, key rebounders, scored 11 and 15 points respectively.

Toreadors again was J. Peterson, with 14 counters. Larry Bergloff and junior guard Larry Land scored 12 and 11 points apiece, while reserve center, Jim Taylor, tipped in five.

## Swimming Champ Visits

The Dolphin Club was host to a world-famous synchronized swimming champion here last week.

Mrs. Beulah Gundling, of Cedar Rapids, and her husband conducted a workshop in stunts and strokes in the Boone High pool on Friday and Saturday, December 9 and 10, before an audience of 25 Dolphins and their parents and friends.

Mr. Gundling gave a brief history of synchronized swimming which seems to have originated in Germany more than 50 years ago. Since then Canada, and, more recently, the United States have made great contributions toward the development of this activity.

### Canadian Champion

Mrs. Gundling, herself, has been one of the outstanding figures in the U.S. field since 1949 when she won the Canadian Dominion solo synchronized swimming championship. The following year she became the first U.S.A. national A.A.U. outdoor solo champion. She has held the U.S.A. national A.A.U. solo championship for five consecutive years, establishing a record not equalled by any other competitor to date.

In 1951, exhibitions of synchronized swimming were given at the first Pan-American Games with Mrs. Gundling representing the U.S.A. in the solo division. The following year she again represented the U.S.A. in the exhibition at the Olympic Games in Helsinki, Finland.

At the second Pan-American Games in 1955, synchronized swimming was recognized as a competitive event, and Mrs. Gundling, once more representing the U.S.A., was awarded the highest honor in competitive synchronized swimming,

the gold medal, in the solo division.

Since 1952, Beulah Gundling, with her husband and coach, Henry Gundling, has conducted clinics and given exhibitions in 12 foreign countries.

After Mr. Gundling's introduction, Mrs. Gundling discussed the importance of maintaining good physical condition in order to achieve higher levels of performance in any physical activity including swimming. She spoke particularly of proper diet, sufficient rest, the use of ear plugs and nose clips when needed, showering before and after swimming, and waiting the proper length of time after eating and before swimming.

She then entered the water and, for the next hour, demonstrated and described over 20 stunts ranging from the very simple tub to the extremely difficult figure eight dolphin, feet first, variant. Occasionally she would point out the improper execution of some figures or compare the more difficult Canadian versions with the American style of performance.

### Instructs Dolphins

Following this demonstration, Mrs. Gundling asked the Dolphins to enter the water and she then conducted a work period in which she and Mr. Gundling helped the Dolphins to perfect some of their skills.

The climax of the evening came when Mrs. Gundling performed 'Es-panolarias,' the routine which was the winning solo at the Pan-American Games in 1955. Before the performance she pointed out some of the details of movements through which she depicted various aspects of Spanish culture, customs, and traditions—the bull fight and movements common to both the aristocratic and the peasant dances.

On Saturday morning three groups of Dolphins presented routines from the last Dolphin show and the Gundlings criticized and made suggestions for improvements in the composition, choice of music, execution, and costuming of the numbers.

There was another demonstration of 15 stunts by Mrs. Gundling, followed by a work period for the Dolphins. Mrs. Gundling's final contribution was the performance of 'The Swan,' in which she portrays a beautifully majestic white swan. There could not have been a more perfect ending to an exceptionally fine clinic.

## Soph Shorts

The Boone High sophomore basketball team lost their first game of the season to North of Des Moines, but bounced back to win over Perry and Marshalltown.

Ahead by one point at the half, the Toreadors lost their lead and the North game 47 to 35. Larry Howell scored seven points to lead the sophs.

At Perry the following week, it was a different story. Dick Hamilton encountered 15 points to lead his team to a 49-32 victory. Larry Howell followed with 14 counters.

Jerry Lind scored 13 points in Carroll's tilt, followed by 'Buzz' Lee's eight. The Toreadors were behind 16-31 half way through the game and lost 49-32.

In an overtime battle the sophs won 58 to 55 over the Bobcats from Marshalltown. Rod Von Krog led his teammates by scoring 16 points, with 'Buzz' Lee close behind with 15. Center Dick Hamilton scored 11 points for the Boone crew. It was Hamilton's bucket that broke the tie.

## Christmas Activities Of Student Congress

There are many Christmas activities within the school. The junior high Christmas tree that is placed on the first floor is an annual project of the Student Congress. Anne Gruenig is in charge of the committee for decorating the tree. Other members on the committee are Lynn Hohanshell, Deanna Eldien, and Glenn Ohlmann. The junior high tree and the senior high tree will be moved to the stage in the auditorium for the eighth grade program on December 21.

Another annual project of the Student Congress are the Christmas food baskets to be packed for needy families. The food will be brought from the students in junior high and placed in boxes in the homerooms. The members of the Student Congress who will pack the boxes and get them ready are as follows: Glenn Ohlmann, Ben Polard, Bob Hunter, Thomas Burke, Anne Gruenig, Lynne Hohanshell, Linda Boyd, and Sandra Burke.

## Junior High Assembly

On Wednesday, November 23, the ninth graders gave an assembly for the junior high. Girls' ninth grade chorus opened the program by singing 'La Belle Bimba,' 'Zing Zing,' and 'The Little Worm.' Glenn and Gayle Ohlmann sang 'Man in the Raincoat' and 'Via Con Dios.' A quartet made up of Kathryn Disney, Lynn Anderson, Sharon Bartlett, and Millicent Stutzman sang 'Love is a Many Splendored Thing' and 'Wake the Town and Tell the People.' Carolyn Reed played 'Autumn Leaves' and 'Count Your Blessings' in a piano solo. Doris Lundstrom, who played an accordion solo, played 'Doll Dance.' Donald Josephson played a violin solo. Danielle Hartsell did a tap dance. Glenn Ohlmann read the best themes on 'For What I Am Thankful.' Emily Grabau closed the program with a Thanksgiving poem. She then dismissed us for our vacation.

## New Enrollment

One of the new faces around Boone Junior High is 14-year-old Gisela Grossban from Germany. She is in the eighth grade and is being tutored by the Junior College English teacher, Miss Slosson. Sauages are tops with her in food and red is her favorite color. She rates arithmetic as her favorite subject. Gisela belongs to the Trinity Lutheran Church. When interviewed through an interpreter on how she liked America she replied, "Fine, so far."

Another new girl in Boone is Janice Lind. Janice is 14 years old and is in ninth grade. She is five feet seven inches tall and has short blonde hair. She came recently from Perryville, Missouri. Among her favorites are, food: hamburgers; color: blue; subject: English; and song: 'Daddio.' When asked how she likes Boone, she replied, "I like it."

Our teacher of the week is Mrs. Mary Markwalder. You'll find her in room 218.

## Who's Who in The Cafeteria

Ida Wells is one of the women who works in the cafeteria. Ida is in charge of the bread department. She butters between 90 and 100 loaves of bread each day. For the people that are interested, she lives at 528 Cedar Street. Last year Ida worked at Franklin School washing dishes. Ida does not limit the number of sandwiches. Ida's favorite food is chicken and noodles. Her favorite television show is Omnibus. She is set on the Dodgers and thinks they will win again next year. Her favorite song is 'He.'

The next worker on the list is the manager of the cafeteria. She lives at 114 West Seventh Street, and her main interest is her home and family. Her favorite food is fried chicken. She enjoys 'Autumn Leaves' very much, and her favorite television program is 'Wild Bill Hickok.' Her name is Vi McAlpine.

## Question of The Week

What do you like best about Christmas vacation?

I get to see all my relatives I love so much.—Mary Jo Caldwell.

I get to see more of Neil.—Ver Deen Bales.

I get to go some place other than school.—Janet Smith.

I like to go ice skating.—Mary Jo McLeod.

No school!—Delores Craven.

Get to watch tv. more.—Ronnie Moran.

Food and presents!—Sandy Shadle.

Santa Claus!—Danielle Hartsell.

Cheery atmosphere about you.—Glenn Ohlmann.

The celebration of the Lord's birthday.—Joyce Hickie.

The happiness.—Delores Hampton.

A lecturer announced to his audience that the world would end in seven billion years.

"How long did you say?" came a terrified voice from the rear.

"Seven billion years."

"Thank goodness," said the voice.

"Thought for a minute you had said million."

The eighth grade is going to put on a Christmas program for the junior high on December 21.

## Christmas Activities For Jr. Hi. Teachers

Mr. Stone: "I plan to go home and visit my wife's and my folks, and come back here in between."

Miss Thompson: "I'm spending Christmas in Minburn, Iowa, with my sisters."

Mrs. Yaryan: "I'm going to Fort Dodge to be with my parents."

Miss Ulferts: "I'm going to Stanwood to visit my mother and my sisters."

Miss Behrens: "I'm going to Chicago."

Mrs. Henry: "I plan to spend Christmas week end in Des Moines, if weather permits."

Mr. Roloff: "Three or four days will be spent at our parents' and most of the other time will be spent in Boone."

Mr. Lovin: "I'm going to work at the Dairy for five days. Four days will be divided between my wife's and my parents'. Of course there is basketball practice and a game that will take up some time."

Mrs. Brunner: "I'm going to spend most of my time around here, most of this time will be spent with my nieces and nephews."

Mr. Carroll: "I'm going hunting around Boone."

Mr. Lamb: "Most of my time will be spent in Boone."

Mr. Hove: "I imagine we will stay in Boone and rest."

Mr. Honeck: "I'm going to sleep."

## Sports Events

There are 36 boys out for seventh grade basketball. The coach is Ralph Carroll. They have four teams, two in West Boone and two in East Boone. They don't play games with other towns but among themselves. The two east teams practice on Tuesday and the two west teams practice on Monday and Wednesday. Which team they practice with depends on where they live.

Saturday, December 3, the freshman team played Central of Ames. They were defeated 54 to 29. At the end of the half the score was 21 to 6.

'Chuck' McGriff was high scorer with 10 points. Second high scorer was Bill Barquist with eight points.

The best place to find a helping hand is at the end of your arm.

Barber to Bill Monen: "Do you want a haircut or just a change of oil?"

I guess the main source of entertainment in Boone nowadays is ice-skating. That explains where all the bumps and bruises come from.

## The Christmas Story

7. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

8. And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

9. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

10. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

11. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.

12. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

13. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying.

14. Glory to God in the highest, and on earth peace, good will toward men.

St. Luke, Chapter 2,  
Verses 7-14.

## Who's Who In Junior High

This week we interviewed a teacher who teaches eighth grade arithmetic in room 218.

Her birthday is on November 25, and she was born in Illinois.

Among her favorites are, color: blue; food: fruits; tv. programs: news; songs: Christmas carols; and hobby: trying out new recipes. She also enjoys reading.

She attends the First Methodist Church in Boone, and taught Sunday school for 20 years. She is very active in all church activities.

She has been teaching school in Boone since 1928. Before she came to Boone she taught school for six years in Nebraska.

She received her education at Nebraska State Teachers College and at the University of Nebraska. She also received her B. A. degree from Nebraska State Teachers College at Kearney, Nebraska.

This teacher has also served as a student nurse at Base Hospital No. 1, at Fort Sam Houston, Texas.

If you haven't already guessed who this teacher is, look elsewhere on this page.
