### Tolerance A Sophomore Composite

There are varied meanings for the English word, 'tolerance,' but it all goes back to one main point. That is the willingness to bear and try to understand others' thoughts and doctrines. Without tolerance the world would adways be at war.

It is often a sign that you are growing up if you are able to tolerate people. Yet, we still find people who are grown up that are unable to tolerate people. I feel that we must work at being tolerant if we wish to accomplish this skill.

In our schools we learn to work with people and to accept their ideas. We learn also to accept and tolerate certain laws and customs although we may not be entirely in favor of them.

We might say that tolerance is getting along with people who have different ideas, habits, or beliefs. If people had patience or tolerance with the small problems in everyday life, even right in your own home, the bigger problems of life would be easier to solve.

Tolerance is not an easy thing to develop. But you must develop it to get along with other people. If you start to develop tolerance early in your life it will be easier to acquire.

Tolerance means to allow or to permit things done that you don't completely agree with. It is a characteristic you are not born with, but one you must develop.

Tolerance has its beginning in the home. Since each person is an individual, members of a family must learn to respect the ideas and beliefs of each other. Then this tolerance should carry over to the community, nation, and world. In order to have peace, nations must have tolerance for each other.

Just a little tolerance goes a long way! This is a kindness that can mean the happiness of others. When you lose your patience, you not only may hurt other's feelings, but, it does not gain anything, and you feel rather badly.

Tolerance is a willingness to be tolerant and patient toward people whose opinions or ways differ from one's own.

One of the synonyms for the word tolerance is liberality. To be liberal in one's views toward others who differ, usually could be called being broad-minded. The ability to see both sides of a question and to respect the opposite views of another person is generally a trait of the educated and most often found to be lacking among the under-privileged.

Tolerance isn't to be thought of as excusing wrong but as practicing the Golden Rule.

The nation that has the schools has the future.—Bismarck.

### Orchestra to Take Tour

Waterloo and Cedar Falls will be the destinations of the Boone High Orchestra March 7.

Two chartered buses will leave the high school early Friday morning and travel to Waterloo where at 10:30 the orchestra will give a concert at West Junior High School. The orchestra members will be guests of the school for lunch.

At 1:30 the orchestra will play a concert at City High School in Cedar Falls and will be overnight guests of students from both City High and Campus High School. Friday evening they may attend a performance of the musical comedy 'Brigadoon.'

Saturday morning the orchestra will be used as a demonstration group for proper rehearsal techniques. The orchestra will be conducted for this demonstration by Dr. Robert Klottman, head of the Music Department of the Cleveland, Ohio, public schools. The orchestra will be guests of the Iowa State Teachers College at noon for lunch. In the afternoon, they will present a concert in the college auditorium and later return home.

### Safety Contest Announced

A total of \$2,625 will be awarded in the third annual high school auto safety contest, which is sponsored by American Motorists Insurance Company. The contest is open to any high school in the United States. Prizes will be awarded for the most effective campaigns carried on by school newspapers and for the best over-all school auto safety programs. Prizes will also be given to individuals who write or draw for a school newspaper, the best feature articles or cartoons concerning automobile safety.

Any material submitted must be promoted by the school during the period between March 3 and April 11. The contest closes at midnight on April 14, 1958.

### Radio Program Premiered

A new program was premiered on KWBG last night at 8:30. The show was m.c.'d by Dave Williams, who was the show's originator.

The program plans to cover many fields of interest to the students of Boone High and the surrounding communities. The show will consist of interviews, news, and previewing records.

This program is in no way affiliated with the administration at Boone High. The program is the responsibility of Dave Williams. His crew consists of the following: Janet Guenther, Bob Sharp, Dorothy Redfield, Jayne Clark, Liz Hinz, Dick Hunter, Jerrie Dixon, Bev Garner, Judy Bass, Karen Bennett, Don Winters, Gale Price, Jean Abbott, and Martha Jensen. In order to determine the size of the listening audience, and pick a title for the program, a contest has been devised. All that you have to do to enter this contest is pick a title for the program. Write your selection on a postcard and send it to Dave Williams, KWBG, Boone, Iowa. Only names on post cards will be accepted, and anyone connected whatsoever with KWBG or this program is ineligible to win. The prizes to be given are: a complete night out for two, flowers, records, dinner for two, malts, and two tickets to the Rialto.

### Thespians Present Pep Assembly

Thespians presented a pep assembly with the help of the cheer leaders last Friday.

The troupe presented a marriage skit between Victory and Boone. The part of Victory was played by Janet Clark, and Richard Hunter was Boone.

The cheerleaders entered first, leading the procession. They were then followed by Karen Anderson, who entered and whirled around the stage throwing cereal.

The bride and groom's parents and relations followed. They were portrayed by Gerri Dixon, Karen Bennett, Bonnie Bass, Dee Craven, Judy Bass, Beth Severtson, and others.

The minister, who joined Victory to Boone, was played by Dave Williams.

All music for the wedding was performed by Miss (Liberace) Hines and her brother George, played by Robert Sharp.

Newton, the disappointed lover, was played by Dave Otto.

### County Chorus Festival Held

Six schools participated in the Boone County Chorus Festival on Wednesday, January 29. Members of choruses from Boxholm, Madrid, Ogden, Pilot Mound, United Community, and Boone met for rehearsal throughout the day in the Boone high school auditorium, then gave a program for the public at 7:30 p.m.

Mr. Robert McCowen, director of choruses at Iowa State College, conducted the 300-voice mixed chorus and 130-voice boys' chorus.

The boys' chorus sang 'Halls of Ivy' and 'The Road Is Calling'; the mixed chorus sang 'With a Voice of Singing,' 'Now Let Every Tongue Adore Thee,' 'A Hymn of Freedom,' 'The Night Will Never Stay,' 'Barn Dance,' and 'The Orchestra Song.'

Each school taking part presented a small group.

"Well, son, how did you get along in the examination in English?"

"Oh, I done fine, Dad. I only made one mistake and I seen that as soon as I done it."

Margaret Schultz

Margaret Shultz, a junior in high school at Evanston, Illinois, will be guest soloist at the Boone High School symphony orchestra concert to be presented Wednesday evening, February 12.

Margaret, who plays the cello, studies music in Chicago, won the Federated Clubs Award for young musicians, part of which was an appearance as a soloist with the Chicago Symphony Orchestra. Last summer she attended Interlochen Music Camp at the University of Michigan, where she was selected as a member of the Honors Orchestra. While there, 100 students auditioned to be soloist with the Honors Orchestra and Margaret was one of three chosen.

In her appearance with the Boone orchestra, she will play the Concerto in B Flat by Boccherini, who was a world-renowned cellist and composer of the middle eighteenth century. The concerto is very difficult to play and was designed for the use of master performers.

On February 5, Margaret will arrive in Boone and spend the remainder of the week rehearsing with the orchestra.

## Teens of the Week

Mary Wiemer

This week's Girl of the Week is Miss Mary Wiemer, an active and pretty Boone High senior. She was born at the Boone County Hospital December 25, 1939, and has remained a resident here for the past 18 years with her parents and older brother, Marlyn. This five-foot four and one-half inch, blue-eyed Miss is very active in many of our school's extra-curriculum. She is president of orchestra, vice-president of Future Nurses' Club, treasurer of Hi-Tri, an active member in Dolphin, was a candidate for Homecoming Queen, and also a participant in church activities.

Favorites on Mary's list include: song, 'Don't' by Elvis Presley; foods, pizza and spaghetti; color, blue; subject, homemaking; and pastimes, swimming and fishing.

After graduation she is planning to attend St. Olaf's College, where she will study nursing.

When asked her pet peeve, she replied, "Being called by my middle name." What is it? Ask Mary!

Ken Martin

We chose a friendly, good-looking bow who is five feet nine inches tall, weighs 185 pounds, and has dark brown hair and brown eyes. His name is Ken Martin, and he lives at 227 South Plumb Street. He was born on the day before Christmas in 1939. Ken has one brother and one sister. His pet peeve is 'getting up in the morning.'

Some of Ken's favorites are: pastime, playing a guitar; sport, winter ice skating, summer swimming; subject, speech class; tv. show, 'The Real McCoys'; food, glorified rice. About activities Ken says, "I like doing church work, and also when I have time, I like to engage in outdoor sports." Ken says that Biblical college looks good as part of his future, but as to other plans, he's not too definite yet.

## Boone's Biggest Boom

Did you know that the biggest cafe service in Boone is right here in our high school? Out of a total of 1,090 students and teachers, the average served daily is 790.9. For the Thanksgiving meal, 950 were served, and at the Christmas dinner on December 19, 1,011 were served. Favorite foods include beefburgers, chili, apple crisp, and cherry cobbler.

The large quantities of food the cooks must work with provide some interesting facts. To list a few—in beefburgers they use 150 pounds of ground beef; meat loaf includes 160 pounds of ground beef and 50 pounds of ground pork; between 250 and 300 pounds of potatoes are used at one time; and 100 pounds of lima beans are fixed for one meal.

A common complaint among various students is that they don't get enough to eat. This cafeteria is supposed to furnish just a lunch, not a full meal, and it provides one-third of the daily food requirements. Included in this are 21 oz. (minimum) protein, ¾ cup fruits and vegetables, two teaspoons butter, ½ pint milk, and one serving enriched bread; plus dessert.

Many products used for our meals are furnished by the government. Various ones that come in large quantities are flour, butter, dry milk for cooking purposes, and lima beans.

## STAFFMEN'S DILEMMA

Typical scene, the silence of a studious classroom is suddenly broken by the words, "Bumble 'B'!" The average Joe yawns, stretches, and mumbles, "Huh? Oh, yeah—Bumble 'B's! I guess I'll take one." After reading it, he promptly dozes off again. But! This article is intended to keep the average Joe awake. Stay with us and we'll give you an inside story of Slothful Sal the newspaper gal and of the wiles and worries of Edie the editor. To begin with—

### The Assignment

The assignment is a problem Edie wrestles with in her sleep at night. Who'll write which story? And more important, what will the story be? Next Sal gives it a tussle during her Bumble 'B' hour. Why are the people she is to interview never where they are supposed to be? And when she finally does wrest an interview from them, why is it that all the clear-cut ideas she had for a story suddenly disappear into a hazy mist?

### The Typing

There sits sorrowful Sal, the newspaper gal, before a typewriter and under an immense stack of copy. Who's got the rest of that story she's typing? There must be more because it says there is right there at the bottom of the paper! Where is that story on Jon Dough? I just know I wrote it!

### The Paste-up

The scene opens now on paste-up day with galleys and galleys of material to be proof read and pasted. There isn't enough story to fill this column! Oh-oh! This one overlaps two inches! Where are the pictures? Didn't the printer get them cast? Hand ME the glue next! And so it goes until—

### The Arrival

The silence of a studious classroom is suddenly broken by the words, "Bumble 'B'!"

### Conclusion

The above article, though written in a light vein, actually does depict some of the Bumble 'B' staff's problems. But even if it does seem as if bedlam reigns—and it does at times—being a Bumble 'B' staffman is extremely fun and it offers a challenge that is stimulating as well as rewarding. And since every good story has a moral, here is ours: Try out for a staff position; it'll be worth double the time you put in it from the experience you get out of it.

burgers may be tried out in the near future. If you have any ideas for new dishes, they will be appreciated by the cooks when the new suggestion box is posted in the lunch room in the future.

## Attention!

Here is your chance to win an easy prize. All you have to do is to name the high school literary magazine. The first prize will be awarded to the person whose title is judged most suitable for the purpose. A short title, preferably two or three words is more likely to win. The prizes are: first prize, \$2.00; second prize, \$1.00, and third prize, a free magazine. Leave your title and name with Mr. Stock in room 308 before February 7, 1958.

In 1956 the first Boone High literary magazine was published under the title the 'High School Review,' which revived the first name of the school newspaper. However, we feel that the magazine should have a title of its own and become an annual publication. With the participation of all the students this magazine can be 100 per cent student-named; written, and published.

Also, if any student has written an article he would like to have published in the Bumble 'B,' leave it with Mr. Stock. We want student participation in our newspaper, too.

### The Fordy First Psalm

The Ford is my car; I shall not want another.

It maketh me to lie down in muddy roads;

It tireth my soul.

It taketh me in the paths of disgrace for its namesake.

Yea, though I ride through the valley, I walk up the hills.

I shall have no comfort while it is with me.

The creaks in thy springs, they discomfort me.

Thou breakest down in the presence of mine enemies;

Thou anointest my head with oil; thy radiator runneth over.

Surely, if this thing shall follow me all the days of my life,

Then I shall dwell in the bug-house forever.

### The Kiss

Before I heard professors tell

The dangers of a kiss,

I had considered kissing you

The closest thing to bliss.

But now I know biology

And sit and sigh and moan.

Six thousand darn bacteria...

And I thought we were alone!

# SPORTLIGHTS

by Bob Dahlgren

Friday, January 17, marked the beginning of the second round of conference action and the first loss of the round. Since the Toreadors are about midway through the season, let's take a look at some of the Toreador scoring leaders. Bob Musser has top honors with 172 points, followed by Jack Langmade with 135, Dick Hamilton with 105, Ray Gragg with 73, Alan Munson with 47, and Carroll Clabaugh with 26.

Musser, who is highest scorer, also holds the highest average, 14 1/3 points a game. Munson holds the highest field goal percentage, making 22 of 57 attempts for 39% accuracy, followed by Hamilton with 35%, Musser and Gragg, each with 33%, Langmade with 29%, and Clabaugh with 24%.

Some other players who have not seen as much action but are in the scoring column are Phil Sherbon with eight points; Tom Pestotnik 13; Don Cross, three; Don Dutton, nine; 'Chuck' McGriff, two; Alan Walker, four; and Tim Croxen, two. The Toreadors now own a 5-7 record.

Although getting off to a slow start, the Toreador tankmen have shown steady improvement, even in winning only one meet, losing five, and tying one. Going into the last two events in a meet with Lincoln, Alan Norton lost in a touchout finish with Carl Stone. Sioux City, Central, also won in the last two events, 49-37. The Toreadors still have four more meets before they enter district meet competition. Two of those meets are at home against North and East of Des Moines. Roosevelt and Lincoln will host the Toreadors, with the Roosevelt meet to close the regular season.

## Tankmen Lose But Show Improvement

The Boone High tankmen lost to Sioux City, Central, by a score of 56-30, Tuesday, January 21.

Jim Cross, Denny Elliott, Bob Cramer, and Al Norton, Boone's 100-yard medley relay team, set a new record with a 1:30.3 showing. This wiped out the old 1:36.9 record. Bob Cramer turned out a time of 1:06.7 to win the 100-yard butterfly. Bill Herman took second place for Boone.

Another winner was Denny Elliot in the 100-yard breaststroke with a time of 1:17.1.

Taking second place in the 200-yard freestyle, Hans Goeppinger was timed at 2:19.4. This was just one-tenth of a second behind a Central man who took first place.

Winning by a tenth of a second in the medley relay, the Fort Dodge swimmers defeated the Toreador tankmen 49-37 in the Fort Dodge pool on January 10. The Dodger swimmers set three new school, pool, and meet records and trailed 37-35 as they went into the relay.

Boone took a first in the 40-yard freestyle as Alan Norton broke the old meet record of :20.5 set by Fred Vitt of Boone in 1947. Norton's winning time was :20.3. The Toreadors had two other first place finishers as Bob Cramer won the 100-yard butterfly in 1:06.8 and Larry Olander had his best time of the season, :57.2 in winning the 100-yard freestyle.

Boone had six second-place finishers. Olander finished second in the 40-yard freestyle; Herman in the 100-yard butterfly; Goeppinger in the 200-yard freestyle; Cross in the 100-yard backstroke; Elliott in the 100-yard breaststroke; and Herman in the 120-yard individual medley.

## Toreadors Bow to Cats

Although the Marshalltown Bobcats did not increase their lead over the Toreador quintet after the opening minutes of the third period, the Toreadors fell 57-43 on the Marshalltown High court, Friday, January 24.

The Cats took the opening tipoff of the contest and ran up a 5-0 lead very early in the first chapter. The score stood at 13-8 at the finish of the first quarter, and 288-21 at the halftime breather.

The Marshalltown five exploded with seven fast points at the start of the second half—a free throw and three successive fast breaks, and the Boone deficit was doubled. At the finish of the third period, the scoreboard showed a 44-33 Bobcat margin.

Jack Langmade's 22 markers turned out to be better than half of the Toreador point output, and Dick Hamilton coupled 10 markers with a tough defensive game.

'Chuck' Nelson's 15 points headed the Marshalltown scoring column, followed by John Dikkut and Dick Rhiner with a dozen apiece.

The Red and Green now hold a 1-6 record in conference play.

## Girls Defeat Winterset Six

Hitting 18 points in the third quarter, the Boone sextet went on to defeat the Winterset girls by a score of 44-32 at Winterset, January 24. This was the girls' ninth win of the season and was played without Joyce Alsin, who had come down with an illness.

Rating highest in the scoring column was Karen Mustapha with 18 counters. Howard came next on the list with 14 points.

Boone came out of the game with a 25.5% shooting average or 14 for 55. The 14 field goals hit by Boone marked its lowest production so far this season.

Top guards for Boone were Barbara Wilhelm, Etta Mae Grady, and Connie Ablett.

Mr. Lamb: "Can you tell me how fast light travels?"

Tom Curran: "I don't know how fast, but I know it gets here too early in the morning."

## Cards Down Boone Five

After trailing by only four points in the last two minutes, the Toreadors fell farther behind, finally losing to the Cardinals 63-55 here January 17.

The Toreadors held a first quarter lead of 15-11 sparked by Alan Munson's three quick field goals. After a 29:29 halftime deadlock, they dropped behind 46-41 as the third period ended.

Ray Gragg gave one of his best showings of the year in a losing cause by leading all Boone scorers with 14 points, followed by Musser and Langmade with 13 each, Hamilton with eight, and Munson with seven. Hamilton did a good job controlling the boards.

After trailing by only two points with 2:35 to go in the game, the sophs lost to Newton 44-37. Newton held an 18-17 halftime edge after Boone led 11-10 at the end of the first period.

Jon Gustafson paced Boone with 16 points, while Diamond had 19 and Ron Williams tallied 11 for Newton.

## Plans Under Way for Spring Plays

"The ninth grade one-act plays will be held Wednesday, March 12," said Mr. McCargar. He further stated that there would be three plays. Only two of the plays, comedies, 'Sparkin,' and 'Why I am a Bachelor,' have been chosen. These plays are open to ninth grade students only. None of the casts have been chosen yet.

The following homerooms will elect Student Congress representatives for a period of one year. Seventh grade homerooms are Mrs. Martin's, Mrs. Yaryan's, and Mr. Sapp's. Eighth grade homerooms are Mr. Lyness', Mrs. Morris', and Mrs. Markwalder's. Ninth grade homerooms are Mr. McCargar's, Mr. Porter's, Mr. Jones', and Miss Behrens'.

"After these are elected there will be an election of Student Congress officers for the second semester," Mr. Lovin said.

The Student Congress hopes to have a dance in the school cafeteria after the basketball season with the high school dance band playing.

Mrs. Brunner's twelfth and ninth grade homemaking classes followed a different schedule at the close of this semester. These classes were given the semester test on two consecutive Fridays, January 10 and January 17. The week of January 20-24 was used for laboratory work.

Five main hot dishes, five salads, salad dressings, and toppings were demonstrated by girls in each class.

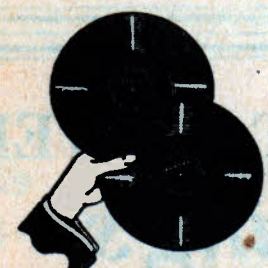

Semester tests will be given on January 20, 21, 22, and 23. The days appointed for each test are as follows: Monday, January 20, science semester test; Tuesday, social studies semester test; Wednesday, mathematics semester test; Thursday, English semester test. The semester ends Friday, January 24.

A wedding ring may not be as tight as a tourniquet, but it certainly stops the wearer's circulation.

"George, will you love me when my hair is gray?"

"Why not? I've loved you through four colors already."

'Tis sweet to court,  
but, oh, how bitter,  
To court a girl
