Bumble 'B'

Volume XLIV

BOONE, IOWA, FEBRUARY 27, 1958

Number 10

'Swamp House' Will Be 1958 Spring Play

Shown above are the three Boone swimmers who qualified for the state swimming meet. Bob Cramer placed third in the 100-yard butterfly breast-stroke with a 1:05.8 clocking, and Bill Herman, fifth in the same event with 1:07.8. Larry Olander finished sixth in the 100-yard freestyle with a time of :57.3.

Degree Teachers Seek Pay Boost

The salary committee of the Boone Teachers' Club has presented a request to the Board of Education for a 31-cent an hour increase in wages for the 1958-1959 school year. This recommendation is based upon an exhaustive study of beginning salaries for degree teachers which shows Boone's starting salaries ranking 75th out of 143 Iowa schedules under examination. Only 19 of these school systems are larger than Boone's.

Operating on the tenet that Boone must be placed in a favorable competing role for new teachers with other schools of comparable size and larger, the local salary committee asked that the initial wage of teachers holding a B. A. or B. S. degree be revised upward from the present \$3,520 to \$4,000.

Chairman Hay Lyness, of the salary committee, has indicated that the adoption of the plan now under Board advisement would place Boone among the top 10 schools in the state in starting salaries, consistent with the number nine and 10 position that Boone enjoys now at the 'top' of the salary schedule.

Pay for Degrees Requested

In addition to raising all degree teachers \$480 (there are 88 degree teachers presently employed), the two- and three-year certified persons would be raised \$100 each (there are 30 such teachers, all of whom, by law, are on the elementary level).

Fourth to Ask Pay Raise

The announcement of the teachers' requests marks the fourth group of Boone public employees who have asked a pay raise within the past month. The fire department and city police have requested a \$20 per month increase, retroactive to January; the street and water departments are seeking a 25-cent an hour boost, with attendant fringed benefits; and the aforementioned 31-cent an hour more for those faculty members who hold a degree from a four-year college.

The salary raise, if granted, will represent a total outlay of \$45,000 over and above 1957-1958 salaries. This would be paid in addition to the monies which have been accruing to many staff members over the past three years, by prior board action. The full amount, owing and requested, would mean an expenditure of \$80,000. According to the County Auditor's office, and based

upon the assessed valuation of the average home in Boone, the \$80,000 would cost the owner another \$10 in taxes for the ensuing year.

Boone School Board Announces Actions

The Boone School Board has announced that commencing March 17, for a 12-day period which will end April 1, all students in the Boone public schools will attend school one extra hour to make up the two days missed in November due to the blizzard.

In other action the board accepted the bid of the Piggott Supply Company, of Des Moines, of \$7,181 for new chemistry laboratory equipment. The equipment includes three new eight-pupil general chemistry tables, an instructor's desk, and a laboratory wall sink.

High School P.T.A. Votes to Continue

The monthly P.T.A. meeting was held on Monday evening, February 17, in the school cafeteria.

The main business was to decide whether or not to continue the P.T.A. meetings. Due to poor attendance, discontinuation of the meetings was considered. After a discussion, a vote was held, and a two-thirds majority decided in favor of continuing the P.T.A. meetings for another year.

Other business was to appoint a nominating committee for election of officers for the coming year.

On Wednesday evening, February 19, the annual F. F. A. banquet was held in the high school cafeteria for the presentation of the top F. F. A. awards.

The De Kalb medal, which goes to the top senior class F. F. A. student, was awarded to Larry Stotts, Jr. Harold Stotts, Jr., chapter president, was named star farmer of the year, and delegates from the sophomore class were chosen. They were: Brad Beckett, Jerry Peterson, and Tom Rose. These awards were made by Merle Hove, F. F. A. adviser, following the dinner.

Principal speaker of the evening was Warren Wilson, Boone county conservation officer. He spoke on hunting and fishing in Iowa and stressed good sportsmanship.

Daryl Murken, state F. F. A. president, gave a talk to the group about some of his experiences in office.

Three from Boone Will Compete in District Contest

The students who received 'I' ratings at the preliminary speech contest at Dayton advanced to the district contest to be held at Spirit Lake on Saturday, March 8. Those qualifying from Boone High are: Dorothy Redfield, Dave Otto, and Dave Williams.

Each of them will read six minutes of poetry which they have previously prepared. Dorothy Redfield has selected cuttings from 'Wastelands' by T. S. Elliot; Otto will read Carl Sandburg's 'The Past Is a Bucket of Ashes'; Williams has chosen 'Death' by John Donne and 'The Sons of Our Sons' by Ilya Ehrenburg.

In addition to reading poetry, the three entrants will draw six minutes of prose and will have 45 minutes of preparation before giving it.

Those receiving 'I' ratings will advance to the state speech contest.

Menus

Monday

Ground beef gravy on mashed potatoes
Buttered carrots
Tossed salad
Baking powder biscuits
Honey butter
Apricot sauce
Half pint milk

Tuesday

Oven-baked wieners, relishes
Buttered corn
Cooked cabbage
Bread and butter sandwich
Yellow cake with lemon topping
Half pint milk

Wednesday

Tomato soup
Crackers, cheese
Ham salad sandwich
Baked raisin-rice custard
Half pint milk

Thursday

Meat loaf with Creole sauce
Whipped potatoes, butter
Asparagus or spinach (choice)
Bread and butter sandwich
Prunes
Half pint milk

Friday

Fish sticks, tartar sauce
Potatoes au gratin
Buttered peas
Bread and butter sandwich
Fruit cup
Half pint milk

Drama Class to Write and Produce Play

It was announced last week that the dramatics class will commence work on a unique project soon. The class has made plans to write and produce a play of its own.

Members of the class selected the following students to write the play: Dorothy Redfield, Hugh Jensen, Martha Jensen, and Fred Erickson. It will be the job of these students to have the play completed by March 10.

Dave Williams, the director, will then hold try-outs. The cast will be announced March 13, and rehearsals will begin Friday, March 14. Presentation day has been set for March 28.

The students will do their own lighting and stage designing. Sound, props, and all crews needed will be taken from the class. Each student will participate in staging the play.

Positions have been assigned to the students, and they are: director, Dave Williams; stage manager, Hugh Jensen; designer, Delores Deal; stage crew, Harold Blaskey and Gary Bryant; light and sound crew, Don Winters and Larry Anderson; costume crew, Carolyn Veseley and Janet Guenther; props, Louise Runyon and Marilyn Morris; and prompter, Dorothy Redfield.

Notice, All Seniors

All seniors who are planning to attend college next fall should contact the college of their choice in connection with application for admission, residence accommodations, and possible scholarships, by March 15 at the latest. Because of the ever increasing number of students who attend college each year, early application is encouraged and necessary. Recently, a representative from Cornell College, which is located at Mount Vernon, Iowa, reported, "Applications for admission to Cornell are running 45% higher than at the same time last year."

BULLETIN

As this paper goes to press, the Boone High Toreadettes have won their first round game of the district tournament from Perry, and will play Jamaica in the semi-final round tonight at Adel at 8:30.

It was announced by Mr. Bissell Tuesday, February 18, that 'Swamp House' has been chosen as this year's spring play.

'Swamp House' is a play about four travelers who, because of the approaching night, stop at a place called 'The Swamp House.' They find the eerie, old, tumbled-down mansion to be anything but hospitable. Neither are the inmates who consist of Martin Velour, a strangely mysterious old man, his beautiful young niece, and a weird deaf and dumb mulatto woman. Soon the plot begins to unfold and many strange things happen. Of course it all works out when a surprising discovery is made and all the threads of suspense are tied together in an exciting, and action-packed manner that will leave you gasping.

The play will be presented on Thursday, April 3, at 8:00 p.m. Try-out dates for 'Swamp House' will be announced soon.

Scroll Introduces New Project

The Scroll staff is intraducing a new project to raise money. Pictures of school activities will be posted from time to time on the bulletin board outside the principal's office. Students may purchase these pictures for 25 cents a print.

Instructions for ordering are also posted there. In ordering, state the number of the print and the number of copies desired.

Four pictures are now posted. They are action shots of the last Boone-Ames game.

Emily Grabau will be editor of the 1959 yearbook, Scroll, the journalism department announced today. Emily will start work on the '59 annual immediately, planning and organizing her staff for the coming year.

Other appointments made were: co-editor, Sue Peterson; business manager, Deanna Eldien; sales manager, Charlotte Walters; advertising manager, Sharon Bartlett and Gerry Raettig; photographers, Bill Anderson and Ben Polard.

Sophomore students who would like to become staff members next year are asked to submit their names to Emily or to Mr. Stock before the end of next week. To be eligible one should have a 'B' average scholastic record.

F. F. A. Holds Annual Award Banquet February 19

Physical Education Features Varied Sports

Swimming! Volleyball! Trampoline! These are just a few of the sports in which the students of B. H. S. participate in a school year's phys. ed. class.

Miss Quinn's classes begin this year with trampoline, finishing up with volleyball. During the second nine weeks they worked on various swimming strokes, such as the breaststroke. This nine weeks they started with basketball, and will end up with trampoline which seems to be a favorite with the majority of the girls. In their final nine weeks which includes swimming, they will practice junior life-saving.

Mr. Brookhart's classes started with swimming. In this class they

stress the enjoyment of the sport, as well as teach its tactics. During the second nine weeks they participated in dodge ball and basketball. The latter is the easiest for the majority of the boys to learn. Starting with trampoline this nine weeks they will have softball later on, then back to swimming the last period.

New activities that Miss Quinn plans to try out in the future include tennis and golf.

Many of the senior high students eventually see some phase of physical education, since they are required two credits to graduate. (A fourth credit is given each semester during sophomore, junior years.)

Teacher of the Week

To many people the mere mention of the word 'math' brings to mind pictures of a dry, boring class, but to Mr. Crozier, our teacher of the week, it is a most fascinating subject to study as well as teach. He says, "Success in working with math must come first—then enjoyment."

Mr. Crozier was born and reared in Knoxville along with his brother and sister. In high school he participated in such activities as orchestra and plays. At this time Mr. Crozier has a Bachelor's degree from Iowa State Teachers College, a Master's degree from the State University of Iowa, and 60 hours of post-graduate work. He was one of three students who graduated with honors from I. S. T. C. He said he went into teaching because "Back in those days when I graduated from high school, a certificate wasn't necessary for teaching. I taught in my home town and became interested in the profession."

His first teaching experience though, was in college where he taught grammar for an ailing professor. Some other schools he has taught in are Northwood, Shellsburg, Tipton Consolidated, and Tama. He has been a teacher in Boone High for five years. He has taught all the junior and senior high math and science courses with the exception of chemistry. About

this subject he remarked that he is qualified to teach it, but he does not feel he is capable of doing it without more study first.

Several organizations Mr. Crozier belongs to are: The National Education Association, the Iowa Education Association, the Iowa Council of Math Teachers, the National Council of Math Teachers, and the National Science Teachers Association.

Students from Mr. Crozier's math classes usually go into the professions of teaching, engineering, or practicing medicine. One of his students was a candidate for the Rhodes scholarship.

Mr. Crozier believes that the importance of math courses, aside from professional uses, lies in the development of comprehensive reading and reasoning. He advocates a math club so that those who are interested could go into more extensive projects which couldn't be covered in class such as working puzzles and using the slide rule.

According to Mr. Crozier, girls have as much mathematical ability

Editorial

Teen-agers! This word is being spoken in horror by many people—and not entirely without good reason many times.

In the very recent past several incidents have happened to strike fear into the hearts of older people. Two cases in particular have caused this fear in a large part. They are the horrible slayings by Charles Starkweather and the suicide of a New York principal. The latter case seems to have little bearing on the subject, but it was on account of fear of teen-agers he jumped off the school building. And from these few cases young people get the disgust-filled word, 'teen-agers!' spat at them.

But it will be through the rest of us and our hard work that the word, 'teen-ager,' will earn respect. Although it may be through some big occurrence, it will probably come about gradually by small considerate and conscientious actions on our part. For instance, we should be diligent with our studies, polite and mannerly in classes and, above all, at all times set a good example for those younger than we—and yes, older, too!

One field that affects all of us in school activities, either as spectators or participants is sports. And in this field there is much room for improvement. As spectators, we should support the team, both while winning and losing, and refrain from booing. The part of the spectator is simple in comparison with the participants.

Participants not only have to be good winners and losers but they also must abide by the referees' decisions, practice strictly and strenuously, and abide by the stiff training rules. These are all difficult objectives, but probably the most difficult is the training rules. For it is by following the rules explicitly or by disregarding them that the team will win or lose. Also the athletes give an impression of what the whole class of young people is like.

As you can see, the actions of a few determine the over-all impression of what teenagers are like. If we are to be respected, we must certainly act accordingly.

as boys, and they should be encouraged to go into scientific fields. Also he says, "Anyone who has enough ambition can get a college education. I did by earning my own way."

Nifty Notes

by Bob Sharp

The rhythm of the modern day rock and roll tune has been said to be hypnotic. In a way this is easy to understand, probably because if a song contains a good rhythmic pattern, it is easy for anyone, no matter what age, to unconsciously react to it by snapping his fingers or more commonly, tapping his feet. The best example of hypnotic rhythm can be found in these three records: 'Clickety-Clack' by Dicky Do and the Don'ts, 'Tequila' by Ed Plate, and 'Ricky Tick' by Noble Thin Man Watts.

Most of the instrumentals that have been released in the last year or so have this unique, hypnotic rhythm. Although it wouldn't be fair to say only instrumentals have this unusual beat, because it isn't so, for instance, the song 'Twenty-six Miles' by the Four Preps is one of the many slow lyric songs to use this unusual rhythm.

New Records:

Last week Johnny Ray of Columbia records released a neat disc called, 'Strollin' Girl!' This disc will probably be a big hit and earn for Mr. Ray another gold record.

Tony Perkins, who is said to be another Jimmy Dean, cut a nifty disc called, 'Just Being of Age.' This disc will probably earn more fame for Tony.

'Lollypop' by the Cordettes was released last week. It, too, has a new and different sound, and whether or not it will be a hit depends largely on the public attitude toward its arrangement.

Pick Hit:

This week's pick hit is recorded by the Cheerful Earfuls, a new recording group. 'The Drag' is a brand new instrumental with everything you would want a song to have. Its rhythm is sensational, and will be, I think, a big hit for the Cheerful Earfuls.

Last week's KIOA's top 50 poll gave these songs the top five places. Here's how they were rated: 1. 'Twenty-six Miles' by the Four Preps; 2. 'Don't' by Presley; 3. 'Dancing with My Shadow' by the Four Preps; 4. 'Sugartime' by the McGuire Sisters; 5. 'You Are My Destiny' by Paul Anka.

Toreadorettes Advance to District Tourney

Toreadors Lose Fall to Ames 59-50

Five seconds isn't very long, but it is long enough to lose a ballgame. The Toreadors held a 45-43 point edge going into the final five seconds against the conference champion Oskaloosa Indians here February 14, but Osky guard Jack Casey ripped the cords with one field goal, and the game went into overtime. The score at the end of play, 49-45 for the Indians.

The Red and Green got off to a slow start, and trailing 11-7 at the first period breather, but gained a 25-19 lead at J. B. Langmade rang up two points on a field shot in the last four seconds of the first half.

From the closing minutes of the first half until the final seconds of regulation play, Bob Clifton's boys never trailed.

Bob Musser and Jim Wake of Charlie Mason's Indians shared scoring honors with 16 apiece. Langmade had 12, Dick Hamilton eight, Ray Gragg five, and Alan Munson four.

After leading in the first three quarters, the Boone sophs fell to Osky, 56-52, on February 14.

In the last minute Boone lacked just one point of equaling the little Indians, but due to fouling, Osky picked up three more points to clinch the decision. Scoring high for Boone were Gustafson with 13 points and Gilchrist with 12.

Four Buses Transport Fans to Webster City

One hundred and twenty students plus six chaperones traveled by bus to Webster City Tuesday night, February 18, for the first game in the sectional tournament which was played with Ames.

Besides the students who went in buses, many went in private cars. Although the Boone fans outnumbered the Ames people, Ames went on to win the game by a score of 59-50.

FOR SALE

Brand new golf clubs, 9 irons and 3 woods. New bag included. See Room 119 or 316 Clinton Street.

In spite of a 22-point burst in the final quarter, the Toreadors fell prey to Ames for the third time this season, this time losing 59-50 in sectional tournament play on the Webster City High court February 14. Bob Musser led the burst, with 13-point output.

But this final drive was not enough to overcome the 43-28 deficit which had built up by the end of the third quarter. The Cyclone edge slowly widened after the opening minutes of the ballgame; it stood at 11-8 at the finish of the opening quarter, and 26-18 at half-time.

Cyclone guard Gary Ellis pumped in 10 markers in the third period, eight on free throws. Musser tallied 20 to lead the Boone scoring column, Jack Langmade had 11, Hamilton six, Tom Pestotnik four, and Don Dutton and Carroll Clabaugh two apiece.

This marked the end of the season and the last high school game for seniors Bob Musser, Jack Langmade, Tom Pestotnik, Ray Gragg, Don Cross, and Dick Hamilton.

Girls Triumph in Sectional Tourney

On Saturday, February 15, the Boone Toreadorettes hit 40% of their shots in ousting the Ogden lassies 53-44 to give Boone its first sectional crown since the 1953-1954 season.

The Toreadorettes were also impressive in their first two games of the tourney as they downed United Community, the team that knocked them out of sectional play a year ago, 45-27, and laced Rippey, 66-39.

Outstanding defensive action by both teams dominated in the first round of tournament play, and because of this Boone's offensive attack was slowed up considerably. A standout at guard for Boone was Etta Mae Grady, who, along with Connie Ablett, Barb Wilhelm, Sue Peterson, and Delores Deal, held U. C. to only eight field goals.

Karen Mustapha dropped in three field goals and a pair of free throws early in the game to keep Boone going. Boone had 11-8, 21-17, and 34-20 quarter leads. United came within five points in the third period, but eight straight points widened the margin 34-20 going into the final stanza. Karen Mustapha, Joyce Alsin, and Rita Howard shared Boone's scoring honors with 12 apiece. Marilyn Smith had five. High scorer for U. C. was Brundage with 16 markers.

After a slow start in the first round, Boone found the range and sank nine of 12 first quarter shots for 75% accuracy and rammed in eight for 16 for 50% in the second stanza to lead at half, 36-26. Rippey got off to a good start but could not keep up with Boone's height advantage.

Boone finished the first half hitting 17 of 28 floor shots for 65.4% while Rippey had a .444 average,

sinking 11 of 25. Rippey hit only 16.7% in the second half while Boone finished with 42.3%.

Reserve forward Marilyn Smith was in the last stanza long enough to bag four of seven attempts and finish with a game percentage of 44.4%, four out of nine. Rita Howard, whose starting job was unsure, kept it by hitting 10 of 21 floor shots for a 47.6 percentage and drove for the basket a lot more than she did against U. C. She finished the game with 23 points, followed by Alsin with 21 and Mustapha with 10. There were all-around fine performances by the guards as Connie Ablett did a splendid job and the others turned in their usual fine jobs.

Final Victory

Trailing only on the opening basket, Boone took command and was never headed as they won their fourteenth game in 17 starts and took the sectional crown, 53-44.

In leading Boone to the championship crown, Rita Howard turned in one of her best performances against the Bulldogs this year. Howard had 27 counters for the evening, followed by Mustapha who bagged seven of her 14 tries for 50% and 14 points, Joyce Alsin with 10, and Smith with two.

First Cannibal: "Am I late for chow?"

Second Cannibal: "Yes, everybody's eaten."

They hit 30.4% at the intermission while Boone bagged 44.8%. Ogden outshot the Toreadorettes in the final 16 minutes, 38.1% to 33.3%. Boone held 14-10, 31-23 and 43-33 quarter leads. High scorers for Ogden were West with 20, and Van Pelt with 16.

Fall to Valley

After a 34-34 third period deadlock, the Toreadorettes went on to lose by a score of 50-47 to Valley of West Des Moines on February 21.

In the first period the Toreadorettes hit seven for 13 for a high 53.8% average, but turned cold, hitting only two for 15 in the second quarter.

Hitting in free throws for Boone were Alsin with seven out of 10; Howard five for 15; and Mustapha making one for two.

In the scoring column Howard managed eight for Boone's highest single scorer, and Alsin came in second with five points.

The shooting percentage for the Toreadorettes for the entire game was 41.5%—17 for 54.

For Men Only

A husband stayed out so late he was afraid to go home. Just at dawn, an idea hit—he called his wife by phone and when she answered, he screamed: "Don't pay the ransom, Dear, I've escaped."

JUNIOR HIVE

Pep Assembly Held

Friday, February 14, the last junior high pep assembly of the basketball season was held at 3:00 o'clock in the gymnasium. The cheerleaders led a few contest cheers as well as the plain cheers. Then the eighth grade basketball coach, Mr. Sapp, and the ninth grade coach, Mr. Lyness, talked about how their teams were doing this year and about the attendance at the Saturday morning junior high games.

The Student Congress is making plans for an all junior high dance to be held sometime in March. It is planned that the high school dance band will provide music. More details will be announced in the next copy of the Bumble 'B'.

Girls Defeat Ogden

On Friday, February 14, the junior high girls' basketball team gave Coach Carroll a Valentine present by winning their first game of the season over Ogden, 19-9.

It was Boone's first win against three losses. Boone led 3-2 at the quarter and 5-3 at halftime.

Sandra Craun made nine points and Judy Chinstedt eight to lead Boone to their first victory. Emily Muench had six points to pace Ogden.

Monday, February 17, Mr. Moore went to a principals' convention at Indianapolis, Indiana, leaving his official duties to assistant principal, Mr. Abbott. On Thursday of the same week, Mr. Moore contracted pneumonia and was sent to the hospital upon his arrival in Boone. Mr. Abbott says, "I don't expect him back this week, although I certainly wish he would get back."

We're happy to have Mrs. Taylor back after an absence of two weeks when she was in the hospital for a minor operation.

QUESTION OF THE WEEK

Do you think the freshmen should have a freshman prom?

Linda Boyd: "Yes, because the freshmen are graduating from junior high into senior high. I think it would be nice to have a freshman's prom in recognition of this graduation."

Tom Sellers: "Yes, because there isn't another dance especially for freshmen."

Janna Weston: "Yes. The seniors and juniors have a prom, so why shouldn't the freshmen? The sophomores are usually asked to the junior-senior prom."

Sue Moore: "Yes, there should be a special dance but not like the prom."

Lynn Clark: "Yes, but not as elaborate as the prom."

Lynn Doran: "Yes, because we don't have any other dances for the freshmen. The seventh and eighth graders are always included in our dances."

Marcia Ward: "Yes, because it would be neat!"

Roger McCoy: "Yes, because I want to ask Sharon."

Gary McLeod: "Yes, because it would be very nice."

A rumor is something that goes in one ear and out to another.

The girl of the week is Clydeen Campbell.

Casts Announced for Spring Plays

March 12 is the date that has been chosen for the performance of the three one-act plays. They will be put on by ninth grade students, under the direction of Mr. McCargar. Listed as follows are the characters in each play and the actors and actresses who portray them:

'Why I Am a Bachelor'

The lecturer, Joe Long; Algeron, Roger McCoy; Henrietta, Marilyn Adix; Henrietta's mother, Judy Appenzeller; Aunt Emma, Lonette Alber; Ida May, Lucille Case.

'Box and Cox'

Mr. Box, the printer, Richard Lamb; Mr. Cox, the hatter, Phil Knudsen; Mrs. Bouncer, the landlady, Sharon Heaps.

'Sparkin'

Granny Painsberry, Joyce Utterback; Leslie Hanna, Nancy Parkinson; Susan, Tessie's mother, Bonnie Jay; Orry Sparks, Steven Herrald.

Numerous committees have also been appointed to help out backstage and to usher.

The plays will begin at 7:45 p.m., and the admission charge will be 50 cents for adults and 25 cents for students. Activity tickets will be honored.

Boone Downs United

In the second game of the season between the Boone and United Community girls on Saturday, February 22, the Boone girls avenged the defeat they suffered at the hands of United Community in January.

Sandra Curran and Judy Chinstedt took scoring honors for Boone with six points. Nancy Pepper led the scoring for United.

The Boone girls led all the way; their lead at the end of the first half of the game was 10-4, at the third quarter 13-4, and at the end of the game 14-7. They have one more game to play.

The boy of the week is Hank Harris.
