Chorus Presents Its Annual Spring Concert

GRINNELL.—Darrell Kruse, son of Mr. and Mrs. Don F. Kruse of 1421 First Street, Boone, is a member of the 34-voice Men's Glee Club of Grinnell College, which will go on spring tour late in April, singing concerts in Illinois and Michigan.

The club will open its full-length concerts with a group of sacred numbers from the 15th and 16th centuries, and then present selections from Schubert, Kodaly, and Creston. Walter Piston's long 'Carnival Song' will be presented, along with a group of spirituals and folk songs.

Kruse, who is a bass in the club, is a 1956 graduate of Boone High School.

Dolphins Present 'Anything Goes'

'Anything Goes' was the theme of the annual Dolphin show held April 11 and 12. A show was held for the faculty members and their families on Thursday, April 10. In the past the show has been centered around one theme, but this year the members decided to follow no special one.

The back drop was made of pink, yellow, and lavender streamers with models of a wooden soldier, snake charmer, and harem girl, which represented various number in the show.

The program was as follows: 'Sleepy Lagoon' by Barb Nelson and Pat Curran; 'Midnight on the Cliffs' by Janet Smith, Linda Boyd, and Kay Wiley; 'On a Paris Street' by Janet Carter, Betsy Lorentzen, Sandra Shadle, and Lou Ann Lorentzen; 'Ballet in Aqua and White' by Mary Jo Caldwell and Karen Hubby; 'Parade of the Wooden Soldiers' by Susan Parks, LeAnn Rans, Tolly Boyd, and Barb Byers; 'Heavenly Hay Day,' consisting of two devils and an angel, by Laurel Rans, Wanda Eklund, and Karen Toot; 'Help,' a novelty number, by Janet Smith, Karen Hubby, and Kay Wiley; 'Little Man and His

Four Seniors to Visit Iowa U.

Four Boone High seniors, Bob Cramer, Joyce Peterson, Karen Toot, and Joan Stotts, have been selected to attend Old Gold Days at the State University of Iowa, April 25 and 26.

The Old Gold Days program is a preview of campus life and will feature exhibits and displays to show what students study in the University's ten colleges. Visits with faculty members and S.U.I. students will provide first-hand information about academic and financial requirements of university life.

Like their S.U.I. student hosts, the high school seniors will observe all university regulations governing the Old Gold Days week end, including dormitory 'hours.' The visitors will be assigned to housing in S.U.I. dormitories, fraternities, and sororities.

Tours of the campus and several extra events have been planned, including a water show, campus variety show, and a dance.

Harem' by the senior girls in the club, featuring John Capps as the sultan surrounded by beautiful girls; a western number called 'Have Gun—Will Swim' by Karen Hubby, Mary Jo Caldwell, Charlotte Ashbaugh, Ann Senholz, and Jean Goeppinger; 'Two on the Town,' complete with top hat and tails, by Kay Loveless and Judy Eastberg; 'Impression of Circles' by Betsy Lorentzen; 'Moon Beams' by Mary Jo McLeod, Emily Grabau, and Lynn Anderson; 'Snake Charmers' by Kay Wiley and Linda Boyd. The show was high lighted by the grand finale, 'Candles in the Night' by the entire Dolphin Club.

The lighting was handled by Karen Dutton, Priscilla Chinstedt, and Etta Mae Grady. Narration for the show was done by Leslie Schroeder.

Miss Quinn is the sponsor of the group.

Future Teachers and Future Nurses visited Des Moines on Tuesday, April 15. The clubs left Boone at 12:30 on a Greyhound bus. The transportation was provided for the group because of its work in the Easter Seals Campaign in March.

The Future Nurses toured the Iowa Methodist Hospital, while the Future Teachers visited the Smouse Institute, a school for handicapped children. Mrs. Carlson and Mr. Abbott, sponsors of the groups, accompanied the girls.

Librarians Travel to Cedar Falls

Marjorie Tannehill, Linda Berglund, Linda Wiley, and Mr. Tillson motored to Cedar Falls on April 11 to attend the annual student-librarians' day on the campus. This annual event is sponsored by the librarians' professional sorority on the campus. The attendance numbered over 150 student-librarians from all over the state of Iowa.

For the first time a state organization of student-librarians was organized under the sponsorship of the Iowa Association of School Librarians and the Iowa State Education Association. Officers were elected and plans were discussed for the annual convention to be held somewhere in Iowa next fall. It is hoped that Boone High can play host to the convention sometime in the near future.

Following the organization of the state student-librarians' association, the visiting librarians were taken to visit classes on the campus. Dinner was enjoyed in the Commons and following dinner a tour of the campus was enjoyed. A Coke party then followed the tour of the campus in the faculty lounge. Many high schools in the state of Iowa have a Library Club and it is hoped if enough interest is shown in our high school that such a club may be organized.

Jack and Jill went up the hill,
As fast as they could caper.
I don't know why I took the time
To put this silly rhyme on paper.
(To pass literature, of course.)

Stanford Freese Appears with Band

Parents and friends of Boone High enjoyed an evening of exceptional entertainment March 28, when the concert band presented the spring concert featuring Stanford Freese.

Freese displayed a startling virtuosity on the bass horn (Sousaphone) in 'Concertpiece' by Painpare. His versatility pleased the audience in '12th Street Rag' and 'Tiger Rag.' For an eighth grader to display such authority and 'finish' sets a fine example for the aspiring school musician.

It is our personal conviction that the concert band itself was not

The annual spring concert was presented by the Boone High School Chorus Department Tuesday evening, April 22. The program opened with eight selections sung by the mixed chorus. Mr. Mische then directed the girls' chorus in seven numbers. Scenes from 'The Mikado' were given by the mixed chorus to conclude the evening's entertainment.

Numbers sung by the mixed chorus were: 'With a Voice of Singing,' Shaw; 'Gloria Patri,' Palestrina; 'Ave Verum,' Elgar; 'In Peace and Joy I Now Depart,' Fetler; 'I Hear No Voice,' Pyle; 'You'll Never Walk Alone,' Rogers and Hammerstein; 'It's a Most Unusual Day,' McHugh, and 'Little David,' Davenport.

The girls' chorus sang: 'When You Wish Upon a Star,' Boutilier; 'With a Song in My Heart,' Hahn; 'Could My Song on Wings Go Flying,' Ringwald; 'Skip to My Lou,' Griffith; 'April Showers,' Silvers; 'Grandma Grunts,' Bartholomew.

Cast for the 'Mikado' was as follows: Nanki-Poo, Charles McCubbins; Pooh-Bah, John Capps; Ko-Ko, Bill Herman; The Mikado, Gale Price; Yum-Yum, Kathryn Disney; Peep-Bo, Karen Williams; Pitti-Sing, Millicent Stutzman; Katisha, Judy Malcom. A chorus of school girls and a chorus of nobles added a colorful background for the eye and ear.

Accompanists were: Lynn Anderson, LuAnn Hauge, Lynne Hohenshell, Joyce Peterson, Carolyn Reed, and Ann Senholz.

outshone by a brilliant guest. This was a well-organized, smoothly run concert. We were impressed by the 'Beguine' and 'Conga' for tympani and brass choir. Miss Linda Suthern handled Vincent Yeoman's 'Fantasy' in a very capable and pleasant manner. This ninth grader will be a real asset to the high school vocal department. It is not easy to vocalize with a full concert band, but Linda did so beautifully.

An interesting feature of the band to this listener was the youth of its members. Most of them are in junior high, yet the concert was remarkably free of fluffs and squawks so often associated with school groups.

Attendance at concerts should certainly improve when residents of Boone learn what an entertaining evening their high school concert band can provide.

Review

Senior high English and social study classes are being featured this issue.

English

In the sophomore English classes taught by Mrs. Thompson, the students started this semester with a unit on literature, including patriotic poems and documents, the play, 'Julius Caesar,' and the novel, 'Swiftwater.' In May they will study poetry, and will give oral reviews on adult novels. Miss Behrens has one sophomore English class which follows the same curriculum.

Mr. Stock, Mrs. Engen, and Mrs. Taylor are teachers of American literature. Since Mrs. Taylor has the majority of the classes, we will follow her schedule. During the course of the year they study modern American poetry and versification. They have book reports that are due the middle of May.

The one class of English literature taught to seniors is taught by Mrs. Taylor. At present Mrs. Dortha Runge, student teacher from Iowa State, is teaching their class. They are reading the play, 'Barretts of Wimpole Street.' Next they will study Robert and Elizabeth Barrett Browning. The research papers on authors are due May 1.

Mr. Stock and Mrs. Engen also teach senior grammar. In this class the students have been gathering information for their research themes which are due this Friday.

Mr. Bissell teaches speech first semester and dramatics second semester. During dramatics the students learn about acting, directing, stage craft, playwriting, and dramatic criticism. During this semester they will produce a couple of plays during classtime.

Social Studies

In Mr. Olson's sophomore World History class they have been discussing the rise of Germany after 1870.

In geography, also taught by Mr. Olson, they are discussing France.

American history is taught by Mr. Carroll and Mr. Abbott. In Mr. Abbott's class they are discussing the period from 1890-1930 and the anti-trust and trust-busting policies. Earlier they discussed the electoral compared to the popular vote and how they vary.

Mr. McLeran's problem classes are studying various phases of sociology and psychology. During the course of the year they go by units.

Girl of the Week

Our talented senior girl of the week is Miss Laurel Lee Rans. We say talented because she just recently participated in the 1958 Dolphin Show. Born March 6, 1940, in Boone, she lives at 315 Carroll Street with her parents and one younger sister, Leann. Other organizations Laurel belongs to are Future Nurses' Club and Rainbow.

Favorites on Laurel's list include: foods, Swiss steak and pizza; subject, a draw between radio or chemistry; color, green; song, Twilight Time; pastimes, eating and sleeping; and sports, tennis and swimming.

At present she is employed at South Side Boyd's. Future plans? College at Rockford, Illinois.

QUESTION of the week

Recently a new fad in women's wear has been brought to everyone's attention, and this fad is none other than that of wearing chemise or 'sack' dresses. Since women usually dress to please their menfolk, we have taken a poll of the opinions of the male species to let you girls know how this new fad rates with them. These are some of the answers we heard to the question, "What do you think of the chemise dress?"

Howard Swain: "I think they are—how can I tame this down a little—about the lousiest thing out. They sure surprise you about a lot of girls."

Carroll Claybaugh: (with a disdainful wave of his hand) "No!!!"

Dave Reynoldson: "A mess."

Tom Allie: "You might as well take a gunny sack and cut three holes in it. It would look about the same."

Jim Louk: "It depends on who is wearing them. On Lynn A. they look pretty neat."

Roger Adams: "I don't like them."

Doug Dodd: "I don't think they show enough of the shape."

Alan Roeder: "Well, uh, I don't like them. They look like sacks."

Darrell Richards: "I think they look like an oats sack dropped on someone. No, Honestly, they look good on some girls."

Loren Frazer: "No comment."

Well, girls, it looks as if you have a few loyal supporters, but the main opinion seems to be negative. So, to keep your popularity—TAKE HEED!

Boy of the Week

Attention, all girls! He's five feet, 11 inches, weighs 150 pounds, has dark brown hair and blue eyes. Who? None other than Jerry 'Tiger' Wright, our senior boy this week. Born at Bedford, Iowa, on September 26, 1938, at present he lives with his parents and three brothers and three sisters, ages six through 17. Favorites on Jerry's list include: sports, football and track (he has two football and two track letters); foods, almost any; song, 'Witch Doctor' and 'Dream'; color, blue; and subjects, science and math.

Future plans after graduation include Air Force.

Bill: "I had the most exciting dream last night. I was up in an airplane traveling at 10,000 feet, and I had to bail out. I jumped and pulled the string, and guess what happened!"

Will: "What?"

Bill: "My pajamas fell down."

Nifty Notes

by Bob Sharp

The teens of today eat, sleep, and enjoy music from morn to night. It's one rare occasion that you will find a teenager not enjoying his daily dose of rock and roll. The amount of music that it takes to fill the teenager is tremendous, and it's because of this tremendous craving that the record companies keep coming out with new and different songs. True, the teenagers' diet isn't as well-rounded as it could be if they were to play Bach, Beethoven, and Brahms, but who needs them when you have artists like Boone, Sands, and Como? In order to appreciate Rock and Roll, don't interpret it, just enjoy it!

New Discs

Songs are turning more and more toward the thoughts of love—for instance, the Everly Brothers have released a song called 'All I Have to Do Is Dream.' This song is sensational, and will be a bigger hit than 'Bye Bye Love.'

Another song that deals with romance is a new recording by Jodie Sands called 'Love Me Again.' It's a ballad type song, and will probably be a hit with the teenagers.

Jimmie Rogers' newest release is called, 'Make Me a Miracle.' It's a good recording, but not as good as some of his earlier discs.

Tommy Sands, who recorded 'Sing Boy Sing,' has a nifty song as a follow up called, 'Teenage Doll.' It's good and will probably catch on and go great guns for Tommy.

The idol of the girls, Pat Boone, has done it again by recording 'Sugar Moon.' It is almost as good as 'Bernadine,' or 'Love Letters in the Sand.' Pat has made quite a name for himself, and this song will rank high among his hits.

If your name did not appear in this issue of the Bumble 'B,' please write it here.

JUST BUZZIN'

Hi, everybody! This is Benji, your little bee friend, with more news.

I sure was glad to see so many kids turn out to get their Scrolls at the Scroll party in the cafeteria Monday night. Only trouble is—Gee Whiz! I bet with all the signing of Scrolls you all have writer's cramp so bad you won't be able to do any lessons. (Teachers, note!) My own stinger got pretty tired by the time it was over, what with stinging my signature in all those pretty black and white Scrolls. Which reminds me... I think we should all commend the Scroll staff for the best Scroll yet! Congratulations, staff!

I also heard the familiar notes of rock 'n roll floating through the air. And although the singers weren't there in person, the dancers didn't seem to mind at all as they kicked up their heels in the latest dance steps.

But there was more to this party than just dancing and signing Scrolls. There were also refreshments provided by the Scroll staff which included many different kinds of cookies and pop. Man! I really dig this part of a party—all the goodies. One thing was bad about it though. After I had stuffed my little tummy on left-over cooky crumbs, I took a sip from a drop of Bubble Up someone had spilled on the counter. And for the rest of the evening, I went buzzing around sounding like this, "Buzzuble, buzzuble, buzzuble!" From now on I'm going to stick to my honey and nectar! But even counting this, the evening was a success and as they say, "A good time was had by all." Benji.

Cindermen Split Two Triangulars

Winning nine first places and showing their best balance of the year, the Toreador trackmen nabbed a victory in a triangular meet against Carroll and Grand Junction here on Tuesday, April 15.

The Toreadors had 80 points, Carroll 59, and Grand Junction, whose Mike Stoline figured in four victories, had 44.

Stoline won the 100-yard dash in :10.7; the 220 in :23.9; and leaped 19 feet 6 inches in the broad jump. He was also the anchor man on the 440-yard relay team which came home in :47.5.

Toreador hurdler Denny Elliott was clocked in :16.7 in the high hurdles and :21.9 in the lows, both his best times.

Jim Cross, although placing second in the open 440, had his best time in the event, :54.4.

Boone's Dave Lynn, who was a surprise first place finisher in the mile, had his best time, 5:13.5. Boone placed second in the 440 with its best time, :48.8. Boone's half-mile relay team of McCool, Hunter, Cornelius, and Lind also had their best time in winning, 1:37. The mile relay was won by Cross, Cornelius, McCool, and Lind in 3:45, a best effort for 1958. The two-mile relay team of Ferry, Shaler, Gary Highland, and Wright were clocked in 8:45.

The Boone Toreadors track squad took second place in a triangular meet against Fort Dodge and Webster City on Thursday, April 10.

The Dodgers piled up a large percentage of their points in field events and finished with 95 points. The Toreadors had 92 and Webster City, who finished third, had 36.

This was the second year Fort Dodge has topped the Toreadors by a close margin, last year by ½ point and this year by three.

A high point of the meet was Jerry Lind's bid for a second place finish in the mile relay. He also had his best time of the year in the 100-yard dash, finishing in 10.8.

Denny Elliott had his best times in the high and low hurdles and finished the 220-yard dash in :24.3. His :16.7 clocking in the high hurdles was only a tenth of a second behind Fort Dodge's Dave Dowd.

Jim Cross won the open 440 with a :56.0 clocking and Denny Ferry won the open 880 in 2:12.8. Doug Dodd took first in the shot put with a heave of 45½ feet. He tossed the discus 121 feet 9 inches, farther than any Boone prep since Roger Murken set the mark in 1954 (156 feet 6 inches), but his toss gained him only a fourth place finish. The team of Gary McCool, Dick Hunter, Mickey Cornelius, and Jerry Lind produced Boone's only relay win, the 880 in 1:38.1.

Lose Opener

In their first track meet of the season on April 2, the Toreadors lost to Marshalltown, 120-48.

Boone's Doug Dodd had his best toss yet in the shot putt, 46 feet. It not only took first place but came within an inch and a half of the school mark held by Gary Grosnickle.

Gary Highland and Mark Tompkins showed their best time yet in the mile and two-mile events. Jim Cross was clocked at :55.1 and placed second in the 440-yard dash. Another high mark was set by Denny Ferry in the 880-yard run, coming in second with 2:10.5.

Tennis Loss

In their first match of the season the Toreador matmen were defeated by Marshalltown, 6-1, here on April 15.

Boone's only victory was in doubles play when Mike Gleason and Bill Herman defeated Don Phillips and Gary McCormick by the scores of 7-5, 1-6, and 7-5.

High school student: "Why the toothbrush in your coat lapel?"

College student: "It's my class pin—I go to Colgate."

"I shall now illustrate what I have on my mind," said the professor as he erased the board.

Linksmen Over Bobcats

In their debut of the 1958 season, the golf squad defeated the Marshalltown Bobcats 171-180 at the Boone Golf and Country Club on Tuesday, April 15.

Meet medalist was Brian Knezevich, who finished with a four over par 40. Marshalltown's Nile Brenneke finished with 43 to take second place honors. Bruce Tohill shot a 41, Jim Moore and Dick Hamilton tied with 45's, and 'Chuck' McGriff finished with a 46.

and Roosevelt

Sparked by 'Chuck' McGriff's two over par 38, the Boone golf squad defeated Roosevelt of Des Moines to win its second straight victory here on Thursday, April 17, by a score of 166 to 167.

McGriff, whose card gained him medalist honors, shot even par golf for the first six holes, slipped to bogies on seven and eight, and finished with a par five on the ninth.

The Toreadors' 166 was five strokes better than their total against the Bobcats on Tuesday.

Brian Knezevich shot a 40 for the second time this year to give

the second best total on the squad. Runnerup Ron Tallman of Roosevelt shot a 39. He had bogies on three holes, but had a birdie three on the third hole. The only other birdie was by Knezevich on the fifth hole.

Other scores by Boone were 43, Jim Moore; 45, Dick Hamilton; and 49 by Bruce Tohill.

On March 30 Dorothy Redfield and Dave Otto won superior or one ratings in the Western Division of the State Speech Contest at Denison. These ratings, the highest possible, were accompanied by certificates given to all contestants who received one or two ratings. The contest is sponsored by the Iowa High School Speech Association.

82 Report for Junior High Track

Thirty hopefuls have reported from the ninth grade ranks for the track squad. Just plain conditioning has occupied most of the time spent so far. Instruction has been given on starting techniques, and baton passing. The boys seem eager and are working well.

We have an excellent high jumper in John Malcom, who went five feet three inches as an eighth grader. Others who have shown early speed are Lestina, Ferry, McCoy, Mylenbusch, McCool, Ahrens, Paulson, Knudsen, and Walters.

The ninth grade track squad is as follows: David Adams, Ron Ahrens, Bob Ashbaugh, Frank Belhasen, Tom Burke, Robert Carlson, Terry Ferry, Mike Fleming, Richard Grabau, George Hannum, Hank Harris, Steve Herrald, Phil Knudsen, John Kueck, Marv Lestina, Joe Long, Ron Long, Ed Lynn, John Malcom, Ricky Martain, Dennis McCool, Roger McCoy, John McMahon, Denny Mylenbusch, Larry Paulson, 'Chuck' Smith, Mickey Sullivan, John Tannehill, Kenny Walters, Walter Zimbeck, and Wally Martan, student manager.

The eighth grade track squad is

Five Win Top Ratings

All five students from Boone Junior High who were entered in the state speech contest at Denison Friday, March 28, received superior ratings.

These five students in their respective fields were: Marilyn Adix in dramatic declamation; Jim Mylenbusch in interpretive reading; Richard Lamb and Dennis Mylenbusch in humorous declamation; and Joyce Utterback in oratorical declamation.

These five students will receive gold certificates and gold pins.

Freshmen Top Honor Roll Third Time

Teacher of the Week

Mr. Olson has been chosen for teacher of the week. He was born on a farm at Cherokee, Iowa. There he graduated from high school. After he got out of the service he attended the University of Wyoming and the University of Nebraska, graduating from both. He now teaches civics, world history, and American history.

In his spare time Mr. Olson reads, as this is his favorite hobby. He also belongs to the Academic Fraternity. He plans to work with an insurance company this summer.

Before he came to Boone, he taught at Sac City.

In the line of degrees Mr. Olson has a Bachelor of Arts and Master of Arts.

We are sorry that Mr. Olson will not be teaching next year.

For the third straight nine-week period the ninth graders have topped the honor roll with 36 students. The seventh grade followed with 27 and the eighth grade had 23.
