He, in turn, presented Mr. Moore, who informed the representatives of the added event to the annual Junior-Senior Prom—a banquet. He gave the details of the banquet, then asked the homeroom representatives to discuss the event with the student body and find out their opinion of the extra feature.

English Club Holds Election; Plans Program

The meetings will center around the study and discussion of various contemporary novels, of the great novels over the years, and other books which will help students to be better prepared for college requirements in the line of English.

A shelf of books at the Ericson Public Library has been set aside for the use of the club members.

Senior high students and teachers have voted to discontinue the honor roll. It was decided, however, by the junior high faculty and pupils, that the honor roll should be continued in grades seven through nine.

The new system was put into effect at the beginning of the second semester.

Teacher Career Month to Be Pushed by Future Teacher Club

Plans are being made to launch the 'Big Push' relative to a nationwide Teacher Career Month in April. The local chapter anticipates the making of posters, pictographs, charts, etc., along with the possible presentation of panel discussions, all designed to stimulate an interest in and appreciation for the teaching profession.

This program, on the local level, will be in conjunction with a national effort which plans the use of our large daily newspapers, magazines, radio and television stations.

Teaching Career Month has, in the main, six objectives:

1. Raise the prestige of teaching among students, teachers, parents, and the entire community.
2. Encourage larger numbers of qualified youngsters to become teachers.
3. Influence more good teachers to remain in the profession.
4. Inspire teachers to speak up for their profession, and encourage others to become teachers.
5. Educate parents on the tremendous opportunities and rewards the teaching profession offers their children.
6. Show that for our country's survival, teaching must be the pre-eminent profession in American life.

'Scenic France' the Theme of Meeting

French Club members held their first meeting of the new year, Wednesday, January 28. Due to the absence of the president, Carol Pieper, the vice-president, Marilyn Adix, called the meeting to order.

During the business meeting, a treasurer's report was given. A discussion followed on the style of the new French Club pins. It was decided to purchase one with an Eiffel Tower design.

Cynthia Case and Donna Jay were in charge of the program, which was titled, 'Interesting Sights of France.' Cynthia told of the many highlights of Paris, while Donna showed colored pictures of the famous French city.

In charge of the program for the next meeting will be Beth Sorenson and Marilyn Adix. They are planning to entertain the group by playing French rock and roll records.

"Slow down—the life you save may be your own! The person who originated this quotation must have been thinking of the Boone High lunchline stampede as well as highway traffic. There is plenty of food awaiting all those who choose to eat here, so why not relax a bit and walk to lunch rather than tense those nerves that lead to ulcers in later life? We at Boone High like to be 'first' in something new and different, but let's not spread our fame by being the first school in the nation with a 'lunchline casualty' list.

Mr. Moore met with both the junior and senior classes Friday, January 23, in the auditorium. The meetings were held for the purpose of introducing a new feature of the annual Prom.

The proposed measure includes a banquet for all junior and senior students of Boone High. Guests from grades other than these or from other schools will not be allowed to attend. The banquet would be held in either gymnasium, depending upon the number of students that would attend. The dinner, a three-course meal, would begin at 6:30 p.m. and continue until about 8:00 p.m.

Entertainment would include a toastmaster and a few speakers. Following the dinner, the students would be free to attend, with their guests, either the Les Excelsis banquet or the annual dance.

The junior class will approximately pay \$1.50 apiece for their dinners, but the seniors will enjoy a free meal. To finance this, the school is planning a talent show to be held February 16. All contestants must submit their names and nature of their act to Mr. Stock or Mr. Schaeffer by February 10. On the next day, February 11, a preliminary contest will be held to determine the contestants in the final show.

Prizes will be awarded to the top three performers, with the first prize \$15.00, second prize \$10.00, and third prize \$5.00.

The show will have two performances, one during the afternoon, which will be open to the senior high students; and the second that night, which will serve as entertainment for the monthly P.T.A. meeting.

Pep Club Point System Outlined

Plans for a point system for the Pep Club have been completed.

A Pep Club girl can get one point for an excused absence from a game by wearing complete outfit the day of the game and at the game; and for doing odd jobs, such as selling season tickets, handing out programs, and ushering; and one per meeting for being an officer or for attending a meeting.

She can get two points for attending each required game, wearing complete outfit to out-of-town game, attending a swimming meet, working in a stand, being a checker at a game, and for being on the Executive Board at a meeting.

A girl can obtain five points by attending out-of-town games and for being in the Pep Club Drill Team each month the drill team is in operation.

Members get no points for an excused meeting or game. They lose one point for unexcused games or meetings and one for each required article not worn. The largest penalty is the loss of five points, for not coming to the aid of an officer.

At the end of the month Pep Club member may have five points under the highest possible required total. She must make up the required number of points during the past month, or be dropped from Pep Club.

In addition to this point system, a Pep Club member, in order to be excused from a required event, must present a written excuse and date of day which she is to be absent. She must deliver it to Mr. Riemenschneider's office by 2:15 p.m. of that day.

VALENTINE TEENS

Valentine teens this year are Gayle Ohlmann and 'Chuck' McGriff. They are both seniors and have many things in common.

Gayle was born in Nebraska on April 29, 1941. She lives with her parents at 509 Marshall Street, and has an older sister who is married, and a twin brother, Glenn, who attends school in Nebraska.

Gayle is 17, has brown hair and gray eyes, and stands only about five feet two inches.

At school she participates in many activities. Not only has she been a cheerleader for two years, but is a member of mixed chorus, vice-president of Hi-Tri, and was a candidate for homecoming queen this year. In her junior year she served in Student Council as representative and secretary for one semester, and was vice-president of the class.

Outside of school she is active in church groups and enjoys sewing as a pastime. When it comes to food, almost anything will do, but mashed potatoes and gravy plus lettuce salad with French dressing come first on the menu.

'Chuck's' life aside from seeing Gayle, is quite a busy one. Born December 16, 1940, in the Boone County Hospital, he lives with his parents and younger brother at 604 Linn Street.

He is 18 years old, stands five feet 10 inches, and has brown hair and gray eyes. He leads an active school life, which includes being co-captain of the football squad, member of the Booster Club, officer of De Molay and just recently was a nominee for Student Council president.

In his junior year he was president of his class, one of the top five on the golf team, and went out for varsity basketball; in tenth grade he was nominated for Goepfinger Award.

When asked what comes first in foods, he replied, "steak and French fries."

In the sports field, both Gayle and 'Chuck' choose football. For their color, blue is rated first.

Future plans include college for both. Gayle will attend a college in Nebraska, while 'Chuck' has no definite school in mind. Plans after that? Who knows?

Do Automobiles and Scholarship Mix?

No, says Madison High School, Rexburg, Idaho.

A study made of the four-year grade averages of a typical Madison senior class and car drivers showed the following:

No straight A student had the use of a car.

Only 15 per cent of the B students drove a car to school.

Of C students, 41 per cent brought cars to school.

Of D students, 71 per cent drove to school.

Of E students, 83 per cent drove to school.

Dad: "Didn't make it, huh?"

Junior: "No. I thought I was going to, though. The first day at practice, the coach took one look at men and said, 'Oh, brother, this is the end.'"

Hello friends and all young lovers wherever you might be! Among all high school romances there are a few that really belong together. Here is a close-up view of one such couple. They will always go together because no one else will have them.

First meet 'Romeo.' He is handsome—you have to admit that! Granted, he does have a deep sultry voice, and his strong arms are piled high with muscles (the better to hold you, my dear). They could never hire him at the pool as a life guard, for the female casualty list would zoom because of the many gals drowning to get his attention. This is the good side of the well-built six-foot nine-inch frame, but look at his personality.

He sounds so sincere in his 'line' (he should, for he has perfected it by the time he reaches you) that, at the time, you just know he really must mean every sugary word; but, sucker, you didn't see him cross his fingers as he put on his gloves.

To hear him tell it, you are his one and only—the only one, that is, (Continued on page 4)

Kenny Shafer is the owner of this 1953 Ford Victoria hardtop. The car is a two-tone green Fordomatic. Mr. Shafer bought Kenny the car last spring for helping him during the past summers.

The car has been completely overhauled, and now has new brake linings and new tires. This boy is lucky—his father pays for all the upkeep. Whenever the oil needs changing, he takes the car to his father's garage and works on it himself.

The Ford gets all its mileage in

Kenny is generous and shares the car with his sister, Karen. They have solved the problem of lost car keys—each has two sets!

Sports Review

Finishing up the swimming season, Mike Herman and Ken Carlson get ready to swim the 200-yard freestyle.

New Meet Records Weren't Enough

Fort Dodge presented the Boone Tankers with their seventh straight defeat January 23, even though there were seven 'best time' events.

Mike Herman turned in Boone's best performance in the 200-yard freestyle, with a clocking of a 2:08.5, and placed second in the event. This was Boone's best performance in the last ten years.

Jim Cross had his best 100-yard freestyle clocking, :54.4, yet did not place.

Jay Pieper, Tom Riker, Bill Cramer, and Kenny Carlson did their best of the season with a 1:40.5 timing in the 160-yard medley relay.

Ken Carlson, Basil Hicks, Tom Grasso, and Mike Herman did their best time of 1:27.4, but did not place in the 160-yard freestyle relay.

Max Highland did his best in both the 40- and 100-yard freestyle races with timings of :22.7 and 1:04.8.

Bill Cramer tied his best time in the 100-yard butterfly with the time of 1:15.7, and placed second.

Jay Pieper had his best time in the backstroke event with a 1:16.9, placing third.

As far as wins were concerned, Jim Cross placed first in the 40-yard freestyle, and Jay Pieper, Tony Riker, Bill Cramer, and Ken Carlson took first in the 160-yard medley relay.

The final score was Fort Dodge 61 and Boone 25.

Boone Hardcourt Crew Split Pair

The final score of the Boone-Oskaloosa ball game was 47-42. Boone, the victor, never trailed during the entire game.

High man of the Toreador scoring totem pole was Allan Walker, whose 18 markers put him in a third place tie for conference scoring honors. Bill Monen followed with 12.

John Malcom, whose floor play was outstanding in the Toreador offensive, netted seven points and grabbed eight rebounds to lead the Red and Green in that department.

Buddy Munson came close behind Malcom in both scoring and rebounding, trailing him by one in each department total.

In their 51-45 loss to the Cardinals of Newton, Boone's first lead proved to be their last.

A series of five straight points for the Toreadors brought the narrow 40-39 margin with two minutes gone in the fourth period of play. Allen Walker later brought on a 45-45 deadlock at 2:25, but from this point the Toreadors showed a deficit on the scoreboard.

The second half opened with Newton in possession of a 32-21 lead, which they quickly extended to 35-21. From this point the Toreador advance began.

Once again Walker headed the Boone scoring column with 20 points, putting him in third place in conference scoring. Next came Bud Munson with his 12 markers, followed by Phil Sherbon with six and Johnny Malcom with five.

For Newton, the scoring was well balanced, with four men scoring in double figures. They were De Brun and Eidahl with 12 each, Trotter with 11, and Herbold with 10.

A wounded reputation is seldom cured.—H. G. Bohn.

Correction

In the last issue, it was stated that Stan Siefer of Fort Dodge's swimming team won first place in the 100-yard backstroke with a time of 1:04. Everett Pierce won the event and Siefer was second. Jay Pieper, Boone's captain for the meet, captured a third.

Tankmen Lose to Lincoln, 51-35

Even though the Boone swimmers set three new meet records, they fell to Des Moines, Lincoln, 51-35, January 29.

Two of these records were set in the 40-yard freestyle and the 100-yard freestyle by Jim Cross. His time in the 40-yard was :19.0, which is .9 second better than the previous record. In the other he swam 2.2 seconds better than the old record, which was :56.6.

The third new record, set by Mike Herman, was in the 200-yard freestyle. Mike swam this in 2:12.9, besting the record by .3 second.

During the meet the Boone tankmen tied Lincoln twice, but Lincoln swept ahead in the medley and freestyle relays and took the meet from Boone.

Mr. Anderson: "Now if I lay three eggs here and five eggs over there, how many eggs will I have?"
Buz Lauritsen: "Well, to tell you the truth, I don't believe you can do it, sir."

Man to pilot: "How are we doing?"
Pilot: "We're lost, but we're making good time."

Loss of sincerity is loss of vital power.—C. N. Bovee.

Boone Swimmers Lose Home Meet

Even though the Boone tankers lost to Des Moines North for the second time this season, 52-34, the Toreador swimmers made several good showings.

Jim Cross sparked Boone by breaking two meet records. One of these, the 40-yard freestyle, Jim swam in :19.2—.6 of a second faster than the old record set in 1955. Cross also broke the record for the 100-yard freestyle, which had been set at :58.7 in 1917, with a :54.8 clocking.

Another good performance by Ken Carlson gave the Toreadors first in the medley relay and the 160-yard freestyle relay. He swam anchor position in both of these and turned in timings of :20.2 and :19.7 respectively.

A Texan was telling about teaching his son to drive one of the family Cadillacs. "But, Tex," interrupted a friend, "your boy is only ten."
"Shucks, Ah know that," was the reply. "That's why Ah only let him drive in the house!"

Toreadorettes Down Winterset

Sparked by the faking and driving of Sharon Jones and the outside shooting of Joyce Alsin, Coach Ralph Carroll's Boone Toreadorettes dumped Winterset, 77-40, here on Friday evening, January 23.

Alsin, who has been connecting better lately, bombed the meshing with 27 points on 10 field goals, and was accurate on seven of her 10 from the line for 70 per cent. Jones hit 23 for the game on nine field goals and five of 11 of her free throws—45.5 per cent.

Barb Wilhelm, who has not been scoring very well up to now, gave a good showing for Coach Carroll and the Toreadorettes as she hit 19 markers, seven field goals and five of seven attempts from the charity line.

Three other girls—Judy Chinstedt, Ruth Robey, and Joyce Thede from the reserve team were put in as forwards, and two of them scored one basket each.

Coach Jim Mair's Winterset outfit was paced by Shirley Griffith with 18 points, 15 of them in the first half on four field goals and seven free throws. She was held to a single field goal and only one gift toss in the last half. Barbara Bennett bucketed 12 points, and Marsha Martin added seven for Winterset.

Twenty-five fouls were whistled on the Boone lassies and 18 on Winterset. Tomorrow night the Toreadorettes have a game at Stratford. The Stratford Indians are sparked by Dianne Truman.

BENJI (Continued from page 2)

until a better specie comes along! No one place is his favorite 'hang-out', only those in which members of the opposite sex often appear in large numbers. Girls, one thing does hold his attention all the time; it is that thing of which he is most proud—himself!

'Connie' (short for conceited) is the favorite date for this 'love-em' and 'leave-em' boy. She, just like her friend, is really something to exercise those eyeballs on—a doll! Her plan of attack is more gradual than the sudden field battle of 'Romeo.'

She moves into town without warning, shocking the boys and catching the girls off guard. Immediately she becomes the center of gravitation, and before you can say 'Sputnik', all the boys are spinning in orbit. Every party sees her sporting a new 'kill', but the 'hunters' never give up trying to 'catch' a date with such 'game.' Too bad, fellows, she didn't warn you that the fall back to earth was lots harder than the explosion that sent you to Cloud 7.

That's all for this week, kids. Don't stuff yourself on all that Valentine candy. Be good like all 'Bumble-B's' should.

Joe Reedholm Takes Over as S.C. President

Joe Reedholm, an honor student and athlete, is our newly elected Student Congress president. His opponent in this election was Marcia Ward.

The campaign started Monday morning, and throughout the week the student body saw colorful posters and heard catchy slogans. After a spectacular start on Monday, the candidates and their campaign managers made speeches over the intercom during homeroom period. Steve Trulin, Joe's campaign manager, was the initial speaker, and after Steve's speech came Joe's. Jim Stumbo, campaign manager for Marcia Ward, then gave his speech, which was followed by Marcia's.

After everyone had voted Thursday morning in homeroom, the new president was announced.

Dear Neil,

We also noticed the very few of the seventh graders knew the school song, so we are going to take this opportunity to publish it and a few other songs and cheers.
