

FOR A BRIGHT

SIMPSON COLLEGE

The third of a series of college previews appearing in the Bumble 'B' spotlights Simpson College, located in the residential community of Indianola. It is a co-educational, residential student body of approximately 700 students selected from the entire nation and abroad.

Simpson is fully approved and recognized by every relevant accrediting agency. Its student faculty ratio of one full-time faculty member for each 12 students enabled the college to exercise its aims in education. Simpson ranks in the top 40 colleges producing scholars who have earned advanced degrees in the natural sciences.

Simpson College offers full undergraduate study in Liberal Arts, Sciences, Business Administration, Music, Home Economics, Elementary and Secondary Education, and Physical Education. Degrees offered by Simpson College are Bachelor of Arts, Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Music, and Bachelor of Music Education.

Twenty percent of the student body live in the eight sorority and fraternity houses adjacent to or near the central campus. Students who have completed at least one semester at the college are eligible for membership in these social organizations and may live in the respective houses after completion of one full academic year.

More than \$105,000 has been made available to provide annual aid for Simpson students. Loan funds supported by the college itself, the Methodist Church and various national and local groups are available for students who qualify. Simpson also has the Tuition Assurance Plan by which a student's tuition will be free for the remaining years of his college study in the event of the death of his supporting parent while the student is enrolled at the college.

Simpson College was founded in 1860 by the first session of the Western Conference of the Methodist Church and while it has maintained its Methodist related status for a century, it is a non-sectarian in spirit and selects its students and staff without regard to race, religion, or national background. More than a score of denominations are represented on the campus.

Doctor Checks Musicians

On Friday, March 8, Dr. Van Sickle, who teaches strings and music education at Mankato State College, Mankato, Minnesota, was a guest conductor for the orchestra music clinic. He worked with the orchestra on 'Knightsbridge March' (Coates), 'Sheep and Goat Walking to the Pasture' (Gunion), and 'Blue Danube Waltz' (Strauss).

Dr. Van Sickle is the National Secretary-Treasurer for the American String Teachers Association, and the State President of the Minnesota Music Educators Association. He also writes and publishes a monthly magazine entitled 'String Stuff.'

Ames Talent Enchants Students

Ames talent entertained at tea after assembly by Boone Student Council

A spirit of bettering Boone-Ames relationships prevailed at the talent show staged in the Boone High School auditorium by 16 members of the Ames student body.

John Capps, Boone High President of the Student Council, opened the hour long assembly by introducing Charles Dawn, President of the Ames Student Council, to the audience of students. Charles then introduced Jim Weiner, who served as the cordial master of ceremonies, and also participated in the first act, a combo. The four-piece combo played a medley of tunes, such numbers as 'How High the Moon' and 'East Indian Caravan.'

Gary Sutton, a wry humorist, presented a humorous monologue entitled, 'The Story of My Life.' He again appeared later in the program with Sheila Porter in another monologue called 'Ames Boys.' Sheila gave descriptions of the various types of Ames boys as Gary portrayed by using assorted costumes.

A blues vocal stylist, Jo Boston, presented 'Love Me or Leave Me' in the typical husky voiced tone used by many blues singers.

Sherrie Martin, a sophomore, danced a modern jazz version of 'Steam Heat,' popularized in the musical 'Pajama Game.'

A technically superb ventriloquist, Mark Lundy, and his friend 'Randy' presented a short skit, in which Mark demonstrated to the audience his pronunciation of the hard letters of the alphabet, 'b,' 'm,' and 'w.'

Again the combo, featuring Jim Weiner at the piano, entertained the students. Their last number was a song written by Jim.

Student Council Members to Attend District Meeting

Six members of the Boone High Student Council will attend a meeting of the District Student Council at Mason City on Thursday, March 24. The members include Hank Harris, Pat Wilhelm, Lee Lawson, Judirae Hendricks, Linda Suthern, John Capps, and Student Council sponsor, Mr. Abbott. Among the high schools attending the all day convention, Boone High has been selected to send a four-member panel and narrator to discuss the topic, 'Inter-school Relationships.' Two members of the delegation, Pat Wilhelm and 'Hank' Harris, are running for state offices in Student Council.

A Finance Committee was appointed to study various projects that might be followed in the raising of money for the Student Council. This committee consists of: chairman, Neal Gragg, John Capps, Karen Shafer, Hank Harris, and Sue Robinson.

As representatives of the Student Council, several students were placed on a reception committee for the participants in the Ames talent show. John Capps, Neal Gragg, Karen Shafer, Barbara Wilhelm, and Ronnie Moran were appointed to the greeting committee that met the Ames students and took them on a tour of the building. A refreshment committee consisting of Jeri Dixon, Ann McDermott, and Lynne Hohenshell planned for the reception for the Ames students in the cafeteria after the assembly where cookies, brownies, ice cream, and pop were served.

70 Take Merit Tests

The National Merit Scholarship Qualifying Test was given March 8 in the junior high study hall. Seventy students participated in this testing program which lasted for three periods of the school day.

The examination emphasized broad intellectual skills and an understanding of and ability to use what has been learned rather than on sheer knowledge of fact. The five individual subjects were: English usage, mathematics usage, social studies reading, natural sciences readings, and word usage.

Tests Give Students Benefits

The National Merit Scholarship Qualifying Tests not only give benefits to the student but also give him a better idea of his standing among other students in his grade level across the country. The student may also learn more about his strengths and weaknesses in the areas measured by this examination. Most important of all, a student may receive additional information concerning his chances for success in college.

From all students taking the test there will be 10,000 semi-finalists. The semi-finalists are chosen by their high scores. All semi-finalists will take another merit scholarship test. The highest scores from these are the Merit Scholarship winners.

The number of semi-finalists in each state is based on the number of graduating high school seniors in that state. Therefore, some states have more semi-finalists than others. The selection is made on the composite score.

Winners of the Merit Scholarships will be selected from a group of finalists on the basis of school records and recommendations, test scores, extracurricular and outside-of-school interests and accomplishments and other information indicating future promise. The scholarships range from \$100 to \$500 and are awarded to the winners depending on financial need.

GRINNELL, IA.—Donald Cross swam in the White Caps synchronized swimming show, 'Cobbler's Delight,' presented last weekend at Grinnell College. He appeared in the Neat Beat number. A sophomore at Grinnell, Cross is a 1958 graduate of Boone High School.

Suthern Sings Pops Upbeat Band Features 'Downbeat'

The Boone High School Concert Band will present its annual concert Tuesday, March 22, at 8:00 p.m.

The featured number of the evening will be 'Downbeat,' by Don Gillis, which is a fable of fiction and fact for fun. The subject of this excursion into fancy is the conductor—which at Boone High School is Mr. Gordon McLean. Mr. Arvid Stock, journalism sponsor, will read the narration on 'Downbeat.'

'Meet the Band—Section by Section' will be another variety number on the program. It is the first number and the different sections will march onto the stage one by one beginning with percussion and ending with clarinets and flutes.

Linda Suthern will sing the vocal to 'Gigi.' Songs included in this arrangement are 'The Night They Invented Champagne,' 'Waltz at Maxim's,' 'I'm Glad I'm Not Young Anymore,' 'The Parisians,' 'Say a Prayer for Me Tonight,' and 'Thank Heaven for Little Girls.'

Other numbers on the program are 'Chester Overture' by Schuman and 'Themes and Moods' which includes 'Quo Vadis,' 'Madame Bovary Waltz,' and 'Syrian Dance.'

Test Results Available

Results from the Preliminary Scholastic Aptitude Test which was administered to seniors and juniors of Boone High School in November of 1959 are available in Mr. Lyness' office. This test was given to prepare juniors for the Scholastic Aptitude Test which will be given to seniors next year. The scores from this test range from 20 to 80, and 48 is considered average.

American College Test

The American College Test sponsored by the University of Iowa, is a relatively new test which is available to any senior. Iowa and several other midwestern colleges are requiring all applicants to take this test before entrance into the schools. The scores are graded from 1 to 36 with 16 being the average for any senior and 21 the average for college-bound seniors. Ten seniors from Boone High School received the test in November of last year. After analyzing the results, it was found that six out of ten fell in the top one-half of Iowa college-bound students. Seven of the ten were in the top one-half of all college-bound students in the entire nation. All ten of the Boone students ranked in the top one-half of any senior in the nation.

In February 16 more seniors went to Ames to take the test. It will be given again in April. The test will cost \$3.00, and covers English, social science, mathematics, and natural sciences.

PUPILS EXPRESS ART ABILITIES

Lu Ann Hauge, Margaret Haleen, Rachel Lansing work on silk screening

Silk screening, ceramics, mosaics, and various styles of painting are holding the center of attention in the art department this year. The art students are also gaining experience in tempera paint, water color, advertising lay-out, and letter design.

Many new features have been added to the art department since

it moved to its new location from third floor to room 21 in 1956. Among these are new junior high tables, a jigsaw, cupboards, and a sink. A new junior high instructor has also been added.

Miss Osborne, head of the art department, came to Boone in 1953. Before teaching here she was an instructor at Webster City High.

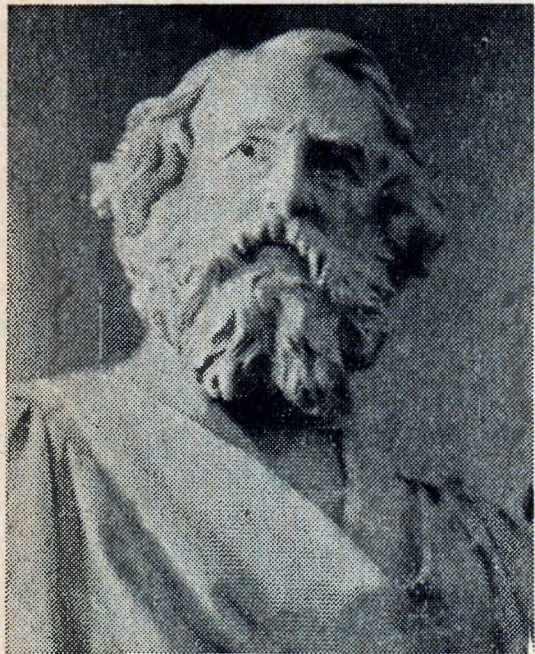

Are We Parrots?

"Polly wants a cracker! Polly wants a cracker!"
 "Transitive verbs take objects. Transitive verbs take objects."

Are we parrots who learn answers to certain questions just to get a grade on an examination and then forget them? Many students think that an education is simply memorizing dates and facts, not associating them or clearly understanding them. However, a true scholar will not only study material but also comprehend the meanings and significance of each fact. He will not go on learning until he understands fully what he has already studied.

However, some pupils find it much easier to be a parrot and to work from day to day memorizing, then forgetting. Unfortunately these students are facilitated by some teachers. If teachers use the same tests year after year without collecting them, undoubtedly examination papers will be passed on. Naturally students with the tests and good memories will rate higher. This does not give each pupil an equal opportunity to show his knowledge.

The good student will realize that it is important to comprehend all that is studied. If one understands one is not as likely to forget. We should take full advantage of our educational opportunities because, as Euripedes said, "Whoso neglects learning in his youth, loses the past and is dead for the future."

TRICKPIC

Pictured above is a familiar 'face' at B.H.S. The statue is located between second and third floors on the south stairway. If you are the first to bring positive proof of the identity of this man, such as a picture in an encyclopedia, history, or English book, before Friday night, you will win a free Bumble 'B' for the rest of the year. Submit your proof to room 308.

All About St. Pat

St. Patrick is the patron of Ireland and a saint of the Roman Catholic Church.

He had a romantic life, full of adventures, the first to come when he was captured by pirates from Ireland at the age of 16. They carried him back there, and set him to tending the flocks of a chieftain in Ulster. Six years of slavery made him a devoted Christian. He escaped to France and became a monk. In 432 a vision led him to return to Ireland as a missionary bishop. He worked zealously in various parts of the island for the rest of his life. His labors were so successful that he came to be known as one who "found Ireland all heathen and left it all Christian." Over 300 churches were founded by him, and more than 120,000 people were baptized.

Many legends grew up about this popular saint. One of the best-known is that he charmed the snakes of Ireland down to the sea-shore so that they were driven into the water and drowned. Much else that is told of St. Patrick is little more than legendary.

Him-Her Humor

Two pretty girls met on the street and enthusiastically kissed each other. A young guy watched them moodily and said, "That's the trouble with the world today. Too many women trying to do a man's job!"

Young man to girl in his arms: "Who are we to fight nature, honey? Let's go see what's in the icebox."

Doing a woman's work is like walking down a railroad track: the end seems in sight but never is.

The trouble with being a parent is that by the time you're experienced, you're unemployable.

There once was a maiden of Siam, Who said to her lover, young Kiam, "If you kiss me, of course You will have to use force— But you're certainly stronger than I am."

I wish I was a kangaroo, Despite his funny stance; I'd have a place to put the junk My girl brings to the dance.

Women's faults are many, Men have only two— Everything they say And everything they do.

Gloomy Gertie: "I've been asked to get married lots of times."
 Gloomy Gus: "Who asked you?"
 Gloomy Gertie: "My mother and father."

Wife: "Why did you tear the back page out of that new book?"

Absent minded doctor: "I'm sorry dear. That section was labeled appendix, and I took it out without thinking."

COLLENS

& LADDIES

This redheaded sophomore born in March, is Mike Halpin. His athletic activities include bowling, basketball, and track, while other activities he participates in are boys' and mixed chorus and math club.

Favorites include: food, baked ham; sport, basketball; subject, geometry; pastime, fishing and camping.

His pet peeve is people who make noise by continually tapping their fingers on tables.

Reading Alfred Hitchcock magazines is Jean Beckwith's favorite hobby and her favorite television program is Alfred Hitchcock Presents.

Jean is active in Rainbow, Pep Club, and Live Y'ers.

When asked what her favorite pastime was she replied, "Talking on the telephone and reading Alfred Hitchcock magazines and watching you know what."

She likes to eat pizza, shrimp, and hot fudge sundaes.

Her future plans include attending a secretarial college or a state teachers college. Jean doesn't plan to get married!

Childhood Sweethearts

by Jean Abbott

I was like a princess, young and free and gay. And you were my prince charming, on those summer days. For we were childhood sweethearts, loving, tried, and true. Vowing to never part, when you told me, "I love you." And when we grew older and the winds of March grew cold, The love still lingered in our hearts, even though we were far apart. But when we met that day in May, and saw each other grown, Our love had never faded, as both of us had known. So on that summer day in May, together we did go, To live a life of happiness, and now our children grow.

Another March gal is Susanne Frohardt, a senior. She is a very busy miss for she takes part in many school activities: orchestra (she is now concert mistress), mixed chorus, Scroll, Pep Club, Rainbow, Future Teachers, and Quill and Scroll. Although she does participate in these activities, she still remains an honor student. She likes reading (Tennessee Williams), drawing house plans, and far away places. Future plans for her include the State University of Iowa where she will take music and psychology. When asked what one of her biggest thrills in high school has been, she replied, "Being up for Goeppinger Award."

Athletics is definitely one of the main interests of this active junior, Tom Burke, often called 'Cowboy' by his friends. He received a letter in both football and baseball this past year and plans to participate in track this spring. Other interests include food (he likes practically anything), television, school, and De Molay. One thing he doesn't like at the present is so much snow. He, too, was born in March on the eighth day.

Things I Wish I Hadn't Said

"Sure, I can go to the show tonight, she won't give that test tomorrow."
 "Don't wear boots, silly, it's not going to snow."
 "I'm going to eat candy in class again today. I've never been caught yet."
 "I won't take my violin to school today. We won't have orchestra."
 "Even if the three minute bell has rung, we still have time to get a drink."
 "She won't be mad at me if I date her ex-steady. After all, they haven't gone together for two days."
 "Why do the chemistry? He never collects papers anyway."
 "I can't be late! My watch is always right."

Sixty-six Boys Report for Spring Track

HUNK'S BUNK

Athletes of Boone High may look back with an approving glance at the part they played in the winter season of sports this year.

The girls' basketball squad blossomed into a team effort machine, barely missing the Sweet '16. Coach Ralph Carroll's girls marched to a 18-3 record.

An under-rated boys' basketball team had many pleasant surprises under the leadership of Paul Lambert. They captured third place in the Central Iowa Conference race, and had 12 wins against seven losses in regular season play.

Coach Gordon Brookhart's tankmen came up with their first victory in two years. 'Brook' has cast a hopeful eye toward next year's faster and more experienced squad.

The sophomore basketball squad developed into one of the best teams in several years. Coach Larry Parr's yearlings owned a 10-6 record.

Under the supervision of Coach Wilmer Hokanson, the junior varsity boys have played some fine ball, and have aided many a ball player to a brighter outlook next year.

Who's afraid of the big, bad bomb, Who's afraid of the big, bad bomb? The big, bad bomb, the big, bad bomb Me me me me me!

Attention is the stuff that memory is made of, and memory is accumulated genius.—Lowell.

Boone Gals End Season with 18-3 Record

Boone bowed out of the district finals to Grand Community with a 57-53 loss, giving the Toreadores an 18-3 seasonal score.

Never more than six points separated the two teams, but Boone's inefficiency on free throws hurt the losers tremendously.

Sharon Jones, stopped by Grand's Rita Peterson, had to turn to outside shooting, but popped in 28 counters despite her inability to fake and drive.

Marilyn Smith and Barb Wilhelm contributed 17 and eight points respectively for the losers.

Sharon Kalkwarf of Grand Community led the victors with 37 markers, 10 of which were hook shots, and 17 free throws. Phyllis Stark netted 14 for the winners.

Barb Fetzer led the rebounding in the guard court with seven rebounds, followed by Myra Aspengren and Jackie Parrish with five and four respectively.

Grand Community outshot Boone both from the field and at the charity line. They shot a 40.4 percentage.

Boone pitched in 20 of 60 field goals for a 33.3%.

Score by quarters:

Boone	8	24	40	53
Grand Community	9	26	42	57

SPECIAL.—Sharon Jones, Boone Toreadores' scoring ace, has been named on the all-state I.D.P.A. fourth team.

Varsity Tennis Now Under Way

Twenty-four boys, including four ninth graders, reported for tennis at a meeting held Monday, March 8. Boone posted a 4-4 record last year for third place in the Central Iowa Conference. There are two returning lettermen, seniors: Basil Hicks and Jim Pritchard.

Those who reported besides the lettermen are: Dennis Askvig, Rick Barry, Bob Bush, John Cook, Gary Dean, Don Dutton, Gary Grasso, Dave Moeller, Ron Moran, Garrett Nyman, Jay Pieper, Tony Riker, Bob Rinehart, Carl Saubert, William Shedd, Jerry Thompson, Ed Thrap.

Ninth graders are: Steve Felton, Paul Kratoska, Mark Rasmus, and Grant Tracy. Dick Reed is the manager.

Toreadores Elect Co-captains

Sharon Jones and Myra Aspengren have been chosen as co-captains of the Toreadore girls' team. Both are seniors.

Sharon Jones, a regular forward for the Toreadores, has been on the team since her ninth grade year, and has lettered for three years. She moved to Perry during her freshman year, but returned to

Boone for the rest of her basketball career. Not only is she outstanding for her floor play, but was high scorer for the team this year.

Myra Aspengren, regular post guard for the Toreadores, has been on the team for three years and has lettered twice. Her fine defensive play has made her one of the better post guards in this area, and her rebounding is one of the best.

Girls Oust Cedar Valley

Fort Dodge, March 2.—Boone's Toreadorettes won their second round of district play by defeating Cedar Valley 50-40. Neither team played ball like they did the previous Friday, but Boone brought home the victory.

It was Boone's 18th win against two losses, thus far this season.

The forward court was repeatedly plagued by poor passing, but this didn't stop the lassies from scoring. Sharon Jones led the scoring with 21 counters and grabbed six rebounds for the victors. Marilyn Smith was right behind with 19 buckets and three rebounds off the boards. Barb Wilhelm aided the winners with eight points and two rebounds.

Myra Aspengren turned in a sparkling performance, and took 11 rebounds from the guard court boards. Jackie Parrish, the quick-moving freshman, took nine rebounds from the losers. Barb Fetzer helped the victors with her long passes and by taking seven rebounds from Cedar Valley's boards.

Jane Bendickson led the losers with 20 markers, while team mate Nancy Erritt picked up a dozen counters.

Monday, March 1, marked the official opening of varsity track practice. Workouts are being held in the gym until the weather permits the boys to move their activities outdoors.

At last report 66 seniors, juniors, and sophomores were on the track list. They are as follows:

Keith Ablett, Dave Adams, George Ahrens, Gary Anderson, Leon Anderson, Brad Beckett, Ed Blaess, Tom Burke, Bob Bush, Jim Bass, Ken Carlson, Robert Carlson, Ron Carter, John Clymer, Mick Cornelius, Bill Cramer, Roger Dennis.

Don Dutton, Terry Ferry, Mike Flemming, Glenn Forster, Joe Geyman, Ron Grabau, Tom Grasso, Bill Gunther, Doug Gustafson, Jon Gustafson, Jim Hall, Mike Halpin, Elmo Hansen, Dean Harris, George Hannum, Gary Highland.

Max Highland, Steve Hiltz, Phil Ingersoll, La Verne Ivis, Keith Johnson, Terry Johnson, Phil Knudson, John Kueck, Hudson Lainsen, Phil Larson, Ron Long, John Malcom, Roger McCoy, Ron McDowell, Gary McLeod, John McMahon, Rick Metcalf.

Denny Mylenbusch, Gail Nystrom, Larry Paulsen, Jim Pollard, Joe Reedholm, Dennis Reynoldson, Larry Reynoldson, Darrell Richards, Tom Rose, Tom Sellers, Charles Smith, Jim Stumbo, Steve Trulin, Kenny Walters, Richard Wilson, and George Sparks, manager.

It's not whether you won or lost that counts—it's how many people paid to see the game.

JOKES

Jo: "Did you know that the Yankees are going to trade an out fielder?"

Mo: "No, why?"

Jo: "They are going to trade him for Aunt Jemima because she makes a better batter."

Pam Gustafson: "Why are you taking your math to the gym?"

John Bush: "I have to reduce these fractions."

Members of the Student Congress for the second semester are, left to right: Susan Harris, Susan Wilson, Carolyn Roberts, Frances Williams, Janice Murken, Sandra Nickell, Rosemary Myers, John York, Dennis Kahlin, Mike Wittmer, Allan Neely, John Boyd, Tom Tucker, Bill Kirk, Dick Musser, Alice Hansen, and John Bush.

Student Congress to Sponsor Dance

Two main topics were discussed during the Student Congress meeting on Tuesday, March 8. The first topic was the school dance which will be held on Friday, March 25, in the gym from 7:30 to 10:00 p.m. The music will be furnished by the dance band. Tickets will be 25 cents per person and can be purchased from any of the Student Council members.

Tolly Boyd, Judy Allender, Alice Hanson, and John Bush were appointed to be on the refreshment committee. Dick Musser and Steve Roeder were appointed to the floor committee.

Overdue Books

Mr. Lyons spoke about some new ideas for the handling of overdue books. They are: to extend the borrowing time from one week to two weeks, and to turn the notifying of fines and overdue books over to the homerooms. The Student Congress members are to discuss the methods in homerooms.

TRICKPIC WINNER

Brett Downey, an eighth grader, correctly identified last issue's Trickpic as an underneath view of a student's desk. Brett will receive a free Bumble 'B' for the rest of the year. Look for this issue's Trickpic on page 2.

Teacher, to tardy student: "Why are you late?"

Barry: "Well, a sign down the street said—"

Teacher, interrupting: "Now what can a sign possibly have to do with it?"

Barry: "The sign said, 'School ahead; go slow.'"

Love your enemies for they tell you your faults.

Dear Ann Slanders

Dear Ann Slanders,

My boy friend is terribly conceited. Is there anything I can do to cure him?

Dilema.

Dear Dilema,

Tell him he'll get chapped lips from kissing those mirrors so much.

Ann Slanders.

Dear Ann Slanders,

My fellow likes rock 'n' roll and I prefer classical music. He loves to dance and I prefer a quiet evening at a movie. We seem to be opposite in every respect. Is there any hope for us?

'Just Wonderin'.

Dear 'Just Wonderin',

There might be hope, but not with each other.

Ann Slanders.

Watch for the April Fool Issue!
