### Junior-Senior Reception

Last year's social events were brought to a delightful close when Peter Pan entertained the Juniors and Seniors at their annual reception, May 22, 1926. Flowers, ferns and beautifully shaded lamps added greatly to the attractiveness of the library, where the guests were received, to await the call of Peter Pan into his fairy garden. And such a fairy garden as it was! With a touch of the magic wand the gymnasium had been transformed into a rendezvous of the fairies—secluded from the outside world by a high stone wall and roofed by an arch of green branches. A little log house, the home of Peter and Wendy, aided in the effectiveness of the scene.

A color scheme of pink, brown and green was used throughout the table decorations. The guests seated at five long tables, were served a delightful repast, by fairies in gay colored organdy frocks.

During the serving, Peter Pan, Wendy and Tinker Bell made their appearance and entertained the company with their dancing.

Mrs. R. L. Cooper, in her charming manner, acted as toastmistress of the evening. Joseph Irwin spoke of "Ideals of Youth", as Peter Pan, and Robert Duckworth responded with "Realities", as Wendy. "Fancies", as portrayed by Tinker Bell, was given by Lucille Higbee.

The floor was cleared and an hour of dancing was enjoyed, the music being furnished by Nelson Garrett and his orchestra.

### Junior Hallowe'en Party

Chinese sheiks, Highland lassies, beggars, colonial couples, and clowns of all descriptions, frolicked hand in hand with ghosts, witches and hobgoblins in the Gym at the annual Junior Hallowe'en Party, October 30, 1926.

Upon arriving, the guests were taken into the dimly lighted gym, then into a pitch-dark hall where they were forced to go down a slide and wind their way in the dark through an avenue of obstacles, and finally into the gym again where they visited the fortune teller.

A grand march followed. The judges, Miss Linderblood and Mr. Bishoff, chose Irene Daniels and Harold Adix as the most uniquely and cleverly dressed. Irene was dressed as a Russian peasant and Harold as a blind beggar. They each received an egg-beater as a prize.

Various contests and games were engaged in causing much hilarity, until the best part—the eats! Everyone enjoyed that part of the party particularly!

## Sophomore Christmas Party

You needn't try to tell the Sophomores that there isn't any Santa Claus, for he entertained them himself at their annual Christmas party, December 18, in the library. (Sh! Don't tell them—but it was only Mr. Fields—the cute curly headed band master.)

There was even a Christmas tree and presents for everyone—from Santa!

After getting acquainted with Santa and receiving their presents, the children frolicked to the gym where games—"drop the handkerchief" and "last couple out" were played. Then came the eats which, needless to say, were enjoyed.

Then, after bidding Santa good-bye and assuring him of their good behavior during the coming year, they returned to their homes to dream of the happy evening.

## Basketball Feeds

Monday evening, March 7, Boone High's basketball team was entertained at the Black and White Tearoom, Mrs. Robena Olson presiding as hostess. Coach Evans and Mr. L. R. Doran were guests aside from the boys.

Again the boys and Coach Evans were honored, when they were dinner guests of Dr. and Mrs. Ben T. Whitaker at their home.

A chicken dinner at Mrs. Creger's farm house, followed by a theatre party, was tendered the team March 14, by George Brunton.

Mr. and Mrs. W. B. Marsh presided as host and hostess, entertaining the team at dinner at their home, 315 South Tama street, March 24. At each player's place was a picture of himself, and the school colors predominated in table decorations.

## Football Feeds

### TURKEY DINNER

The spacious home of Dr. and Mrs. A. B. Deering was again opened to Boone High grid warriors, according to a custom established during their elder son's football career. The occasion was a real Thanksgiving turkey feed, following the game with Marshalltown, Thursday, November 25. Coaches Evans and Bishoff, Principal A. G. Umbreit, and approximately twenty-five football men comprised the guest list.

### KIWANIS FEED

Tuesday, October 5, the football men, Coaches Evans and Bishoff, Superintendent Wooten, and Principal Umbreit were the honored guests at the Kiwanis Club dinner.

Henry Schmidt, line coach at Ames and speaker of the evening, gave an interesting talk on playing football.

The "feed" and program were greatly enjoyed as well as appreciated by the boys.

## Hi-Y-Ettes

### LITTLE SISTER PARTY

The Hi-Y-Ettes entertained their "little sisters," the poor children of the city, at a party at the "Y", November 24. A very happy evening was spent in playing "Drop the Handkerchief" and "Last Couple Out" in the large dining room. Each little girl was presented with a doll as a gift from her "Big Sister."

### TEACHERS TEA

The teachers of Boone High were guests at a Washington tea, in the Domestic Science rooms, the Hi-Y-Ettes acting as hostesses. A brief program, consisting of a vocal solo by Mary Kern, accompanied by Margaret McMahon, and a violin solo by Wilma Hudge, was presented. Tea, wafers and mints were served, Isabelle Hora in colonial costume, pouring.

### HALLOWE'EN PARTY

About 7:30 P. M., on Friday, October 29, groups of weird looking people and things were seen entering the "Y". Of course they were going to the Hi-Y-Ettes Hallowe'en party.

A white rabbit, proving later to be Josephine Erickson, hopped in and carried off the prize for the most originality.

Genevieve Gustafson, with the help of her committee, provided the entertainment, after which the "eats" were served at gaily decorated tables, appropriate to the occasion.

## Hi-Y Feeds

The Hi-Y social calender has been well filled this year, especially the last part.

The third Wednesday of every month the Hi-Y boys enjoyed a feed prepared by themselves. Strange as it may seem, they were always anxious for the next month to roll around.

Besides these regular feeds, the Hi-Y boys were hosts to the Debate Club at a dinner held March 27.

April 13, they entertained their mothers at a dinner held at the Y. W. cafeteria rooms. Mr. Wooten was the speaker on this occasion.

One of the prominent social functions of the year took place April 20, when the Hi-Y boys entertained their lady friends at a banquet at the Y. W. rooms. Nelson P. Horns of Iowa State College gave the address of the evening.

### **"Mother Carey's Chickens"—Play Cast Feed**

The cast of the play "Mother Carey's Chickens", given by the Masque and Buskin Dramatic Club, was entertained at dinner at the "Priscilla Shop". Miss Linderblood and Miss Shaler, sponsors, and Delmer Bennett and Harry Jacobson, business managers, were guests other than the members of the cast.
