Declamatory

On Friday evening, January eleventh, the S. L. Moore Declamatory Contest was held in the High School Auditorium. Mr. Van Ness, our Principal, in behalf of the directors of the First National Bank, presented each winner with the award, a ten-dollar gold piece.

The first place in the oratorical group was won by Dale Small, with the selection, "What Think Ye of Christ?" Loretta Anderson won first in her section with the dramatic reading, "The Christ Child." "The School Program," given by Margaret Alexander, took first place in the humorous class. The winners were given close competition by Ruth Williams and Frank Ehman, oratorical; by Helen La Shelle, Willis Cooper, and Donald Duncan, dramatic; and by Ethel Rubinson, Jane Halliday, and La Verne Adix, humorous.

The contestants were painstakingly coached by Miss Hazel Cook.

High School Debate

The 1929 debate season proved to be one of the most successful since debate was revived in Boone High during 1921. Three of this year's team, namely: Richard Williams, George Higgins and Loren Lair, were lettermen from last year. Edwin Duckworth and Donald Duncan were also debaters of a year's experience. Willis Cooper, the fourth varsity man during the 1929 season, although not having any previous debate work, fitted in very effectively, because of his experience in many other speech activities. Thus, we see Mr. Thorngren had a wealth of debate material around which he might build a winning team.

The two man team, which was introduced into the High Schools last year, was again used and proved very successful. Each debater on such a team is allowed more time to develop his points, and this stimulates greater research work.

Our question this year was one which has been discussed for the past three decades, but which has aroused intense interest and feeling on account of our actions in Nicaragua and Mexico during recent years. The question was: "Resolved that the U. S. should cease to protect, by armed force, American capital invested in Latin America, except after a formal declaration of war by Congress."

In our regular season debates, the Boone teams were awarded nine out of ten

decisions, both at home and away from home. At no time did the team lose a dual debate, although Fort Dodge tied with us. The affirmative gained every decision and the negative received four out of five decisions. Willis Cooper and Loren Lair comprised the affirmative team, while Richard Williams and George Higgins supported the negative. Donald Duncan and Edwin Duckworth participated in the Webster City and Perry debates. Boone entered Loren Lair, Richard Williams and George Higgins in the Drake Tournament, but after surviving the first round they were put out of the running by Clarion, a team which reached the finals in the classic.

The season:

Boone, 5; Ames, 1.
Boone, 3; Fort Dodge, 3.
Boone, 5; Webster City, 1.
Boone, 4; Eagle Grove, 2.
Boone, 6; Perry, 0.

Drake Tournament (critic judging):

Boone, 1; Lincoln (Des Moines), 0.
Boone, 0; Clarion, 1.

Personnel:

A great deal of credit for the wonderful record goes to our Coach, Mr. Thorngren. His theory of debate coaching is that every debater must do his own research work and work out his own arguments. In doing this the student is receiving the greatest benefit from his work. Mr. Thorngren, however, stands ready to help his debaters gain a clear interpretation of the question and to instruct them in the fundamentals of the great game of argumentation and debate.

Loren Lair, veteran debater, this year more than proved his worth as a talker and thinker.

Richard Williams has proved himself to be an able extemporizer as well as a fluent arguer.

Although somewhat small in stature, George Higgins is by no means unimportant when it comes to putting across argument.

Willis Cooper has had considerable speech work and has shown himself to be capable in debate also.

A clear and logical thinker, Edwin Duckworth has revealed himself to be fluent in argument.

La Verne Adix was a man who came out and stayed with the squad all year. Although not participating in any debates this year, he will prove a strong candidate next season.

Donald Duncan also has shown progress in the field of debate and will prove to be of value in the future.

To develop dramatic ability and to promote interest in the drama is the aim of the Masque & Buskin Dramatic Club. This is accomplished through the well-planned programs carried out at their meetings.

Each year the club gives a public play and an assembly play. This year the assembly play, "Why the Chimes Rang," had the following cast:

Steen	Anna Mary Herman
Holger	George Higgins
Old Woman	Margaret Mansfield
Their Uncle	Jack Shelley

Pantomime:

Priest	Robert Sutton
King	Bradford Means
Beautiful Woman	Dorothy Wenzel
Girl	Verlyn Forbes
Pages	Woodrow Frost
	Oliver Cutler
Angel	Fern Peterson

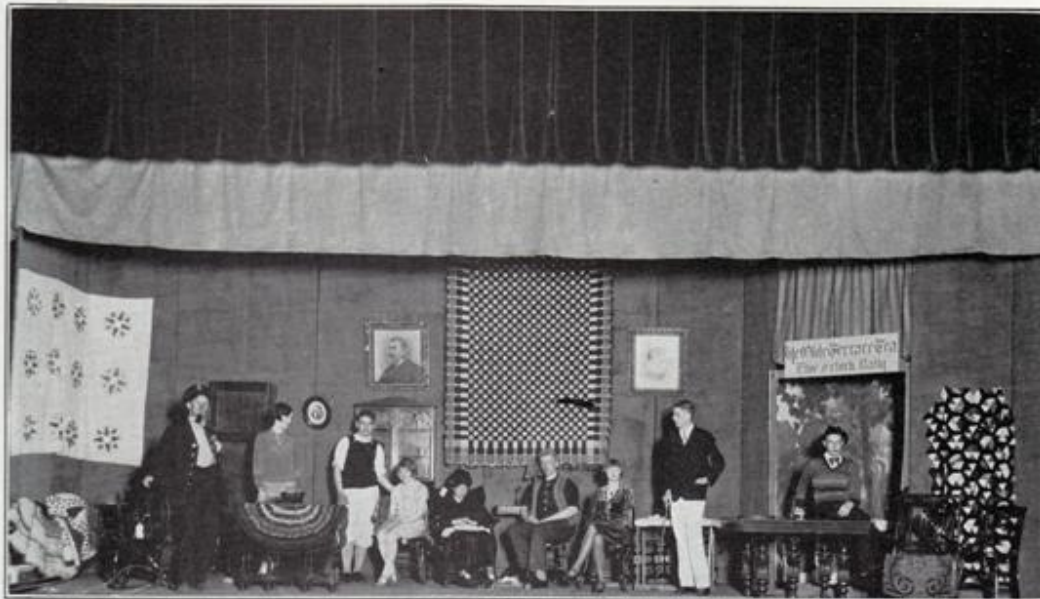

"Tweedles" was chosen for the public play with the following cast:

Mrs. Ricketts	Dorothy Wenzel
Mrs. Albergone	Margaret Crooks
Winsora	Ruth Kirk
Julian	Robert Sutton
Mrs. Castlebury	Margaret Alexander

Hi-Y-Ettes

Who are we? Hi-Y-Ettes, naturally.

What do we do? Everything good. For instance—we made the "Little Sisters" happy in a party at Thanksgiving; we sent a play packet to a Mexican girl; we gave our gentlemen friends a square meal, and we have made ourselves useful in various other ways.

When do we do it? Well, first semester we met twice a month on Wednesday nights. One meeting a month was held at the Y. W. C. A., and the other at school, in the Junior High Study Hall. Now we are following a new plan of meeting every week.

How do we do it? Say, we have social gatherings in the form of joint meetings. St. Patrick parties, valentine parties, etc. We also have meetings to develop the mental, physical and spiritual sides of our lives.

Miss Granholm led our health meetings. Talks were given by Rev. Higbee, Mrs. Ross and Miss Huckins.

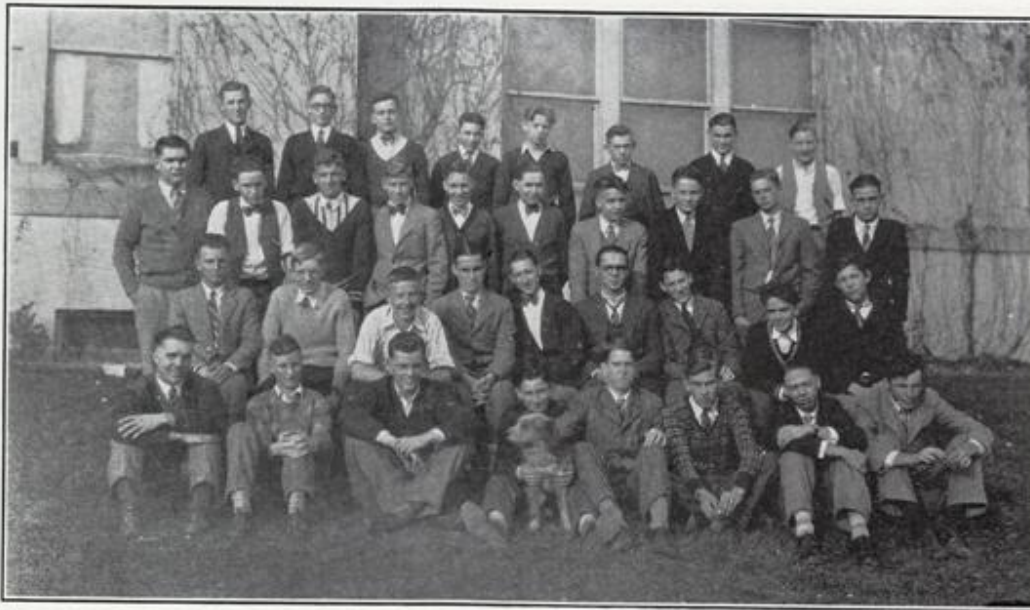

Now you know all about our program. Isn't it worth while?

Club Colors	Rose and Silver
Club Flower	Lily of the Valley
Motto	The higher we rise, the grander the view

The aim of this club is to develop co-operation and interest in all educational lines. Very interesting programs have been carried out. Talks have been given by citizens of the community on subjects relating to teaching and rural community work, or programs have been given by the members celebrating certain holidays.

The Normal Training Department has had a practice school, the last year, located about two and one-half miles northwest of Boone. The girls have done the equivalent of twelve weeks' work in observation and practice, teaching alternately in this school. At Christmas time they assisted in the program given to the parents.

Commercial Club

Miss Flanders	Critics	Miss Crawford

The aim of the Commercial Club is to interest its members in commercial activities and to bring to commercial students some of the activities of the commercial world.

Music, contests, and other entertainments have made up the programs for the year. Miss Greenman, our welfare worker, gave the club an interesting talk at one of their meetings.

Social Science Club

OFFICERS

First Semester		Second Semester
Nellie Arrasmith	President	Margaret Alexander
Richard Holcomb	Vice-President	Harold Fisher
Fern Peterson	Secretary	Lloyd Ross
Frank Sunstrom	Treasurer	Loren Mondt
Miss Rhodes	Critics	Miss Hansen

The aim of the Social Science Club is to further educate its members along economic and governmental lines.

One of the feature programs was a senate debate, put on by one of the Civics classes. Mr. Hollingsworth, our state representative, and Miss Greenman, our welfare worker, both have given the club worthwhile talks.

The club also aims to render service to the school by placing a tree in the north hall at Christmas and giving the gifts of the students to our welfare worker. Members of the club spread the Christmas spirit by the singing of Christmas Carols.

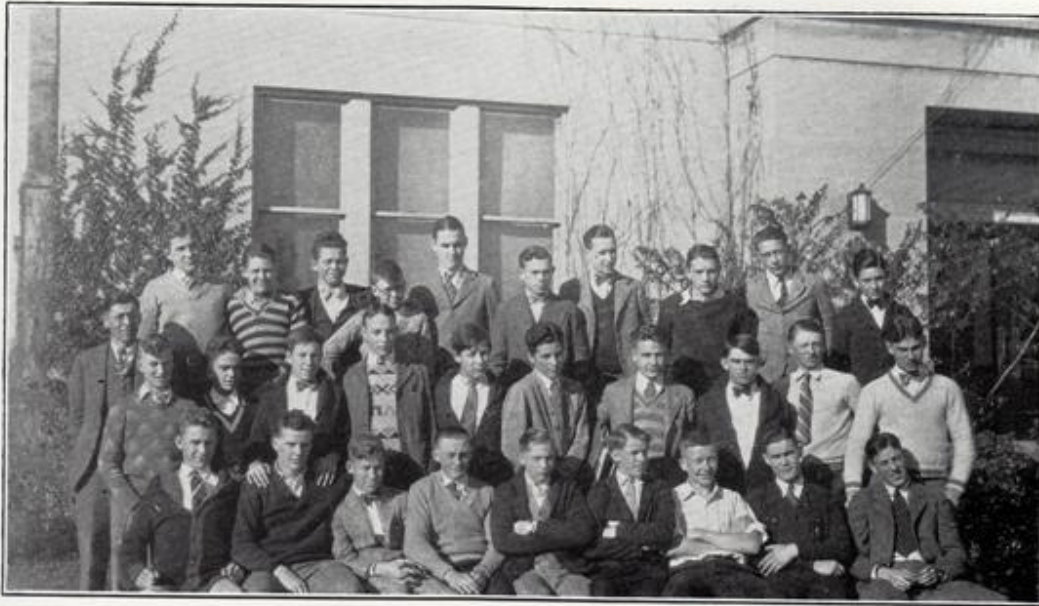

A Washington program was given on Washington's birthday, and on Lincoln's birthday the club entertained the whole school with pictures relating to Lincoln's life. A picnic at the Ledges was planned for early spring.

The Aero Club was organized this year for the purpose of studying the science of aviation. Several of its members have already decided to take up aviation.

The boys are now busy building model planes for a contest. Four kinds of model planes are being entered: the Flying Models, the Scale Models, the Outdoor Flying stacks, and the Indoor Flying Stacks. The first prize for each kind of model plane is an aeroplane ride to Ames and back in the Boone plane. The second prize is a ride to the Ledges and back.

The club has already bought about twenty-five dollars worth of books on aviation. Mr. Streit gave the boys a very interesting talk at one of their meetings.

S c r o l l

Quill and Scroll

Probably the greatest honor that can come to any student in Boone High School is membership in Quill and Scroll, national journalistic society.

The requirements for membership are high scholastic standing, as well as proficiency in some type of journalistic endeavor. After being recommended by his supervisor, the candidate must offer samples of his work to the national secretary-treasurer for approval.

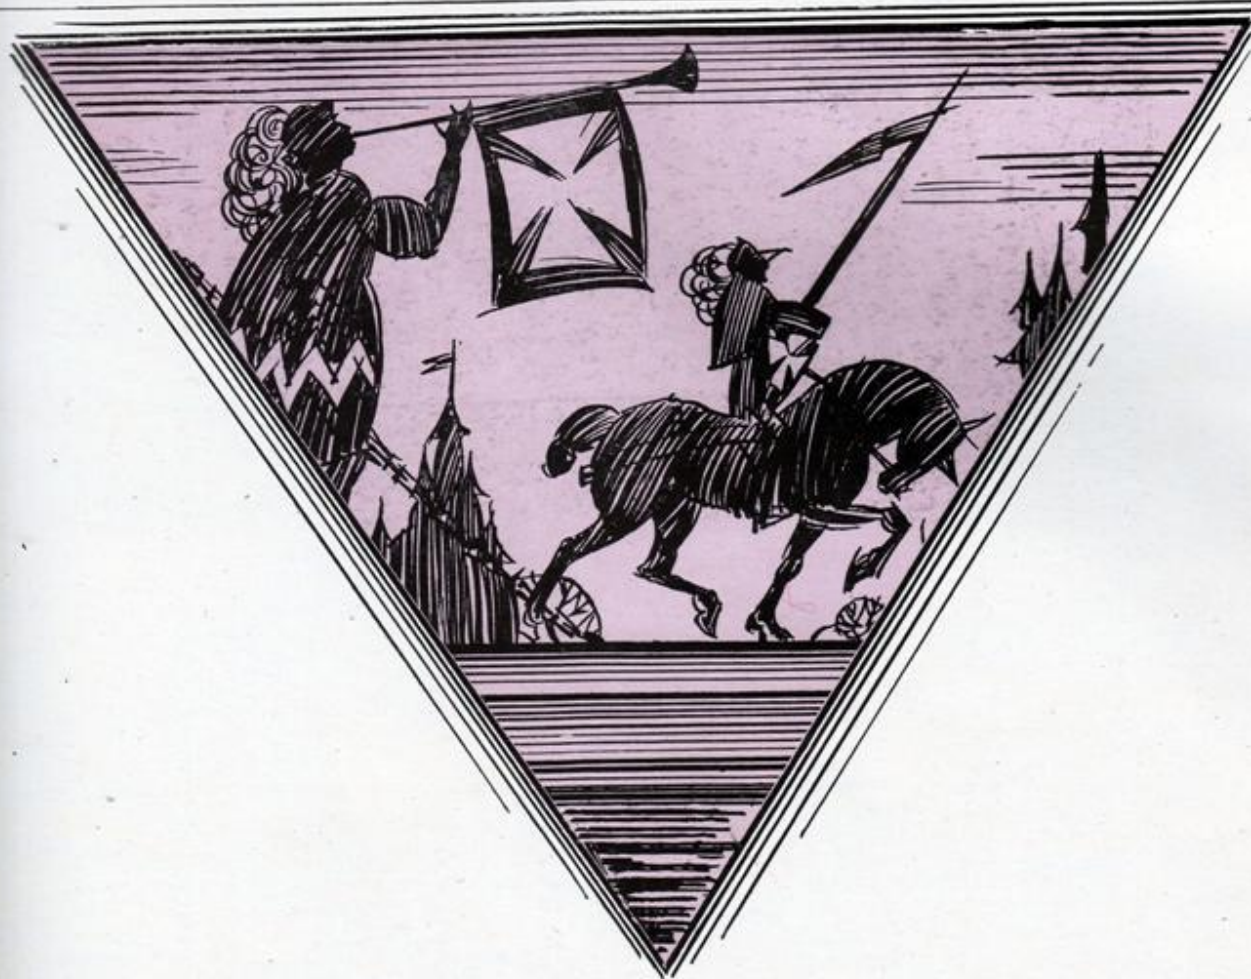

Last year, shortly after the publication of the Scroll, a banquet was given by the Quill and Scroll society of Boone High School and the following members of the Scroll staff were initiated: Art Herman, editor-in-chief; Naida Valentine, organization editor; Fred Oldenburg, business manager; Mrs. Stevens and Miss Turner, advisors.

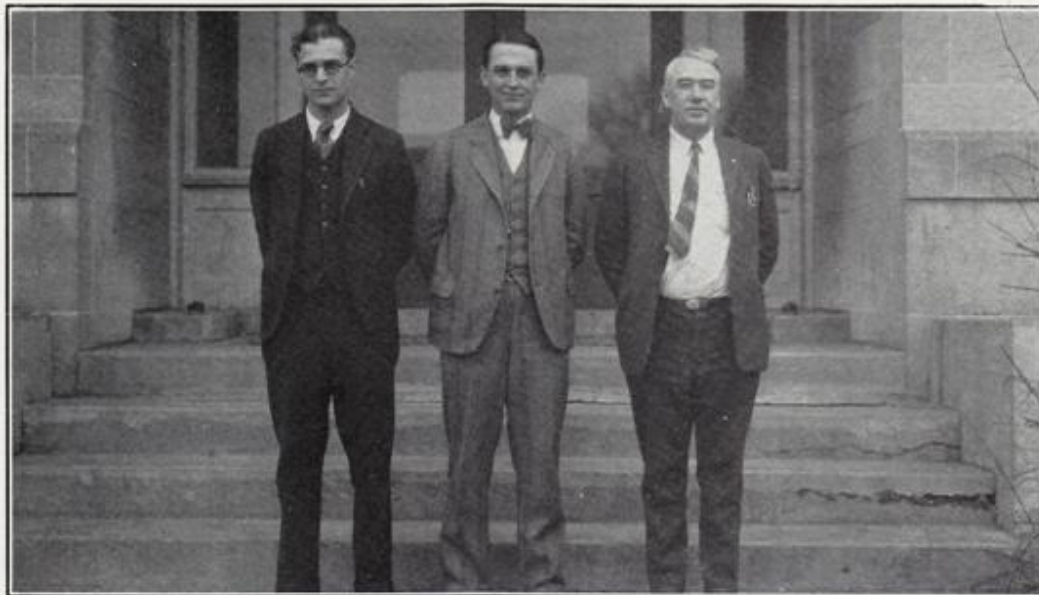

On April sixteenth of this year a Quill & Scroll assembly was held, at which Mr. Metcalf, of the extension department of Ames College, addressed the students. Quill & Scroll pins were presented to the following members of the Bumble "B" staff: Dorothy Schmidt, news editor; Helen La Shelle, feature editor; Dorothy Honnold, reporter; Margaret Crooks, exchange editor; Lucille Vontrees, Junior College reporter; and Mildred Pestotnik, advertising manager.

On the evening of June third, a banquet will be given and other members of the Bumble "B" and Scroll staffs will probably be received into full membership.

ATHLETICS

Ray Lamb—Harold Fisher—James Irwin

Coaches

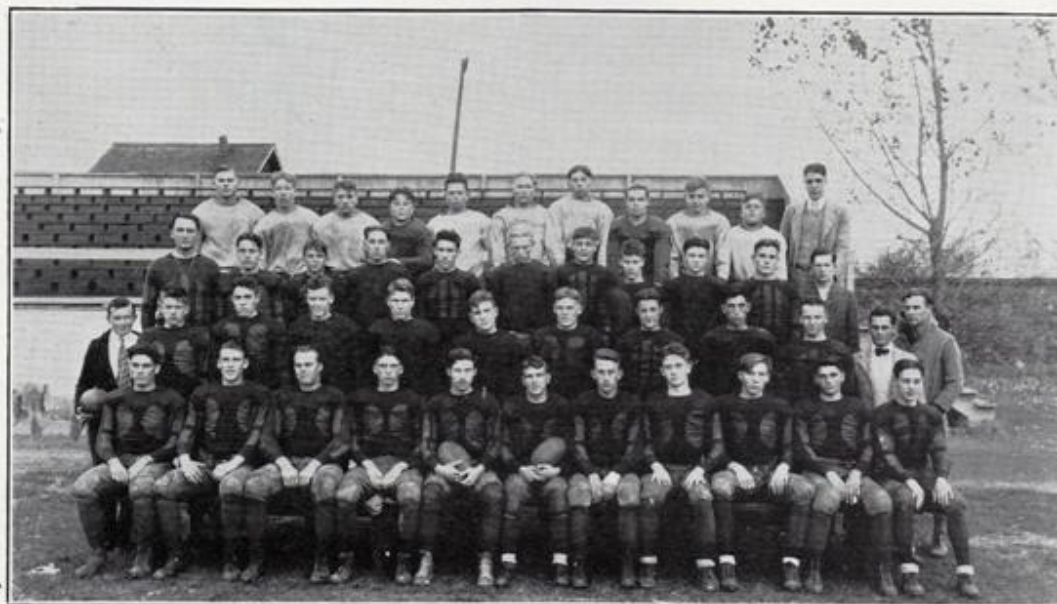

COACH HAROLD FISHER

Mr. Fisher started his athletic career at Indianola High School and carried his laurels into Simpson College. He played three years of varsity football, filling the end, center, and quarterback positions. He played four years varsity basketball, and captained the team that won the Iowa Conference championship. He was placed on various all-conference and all-state teams. As head coach at Clear Lake for two years he turned out championship teams. He also developed fast track teams at that place. Coach Fisher in his first year at Boone produced what many critics claim to be the best football team in the history of Boone gridiron competition. In spite of the numerous handicaps he turned out a basketball team that climbed from the bottom position in the Central Iowa Conference to cop the championship. At the time of this writing he is developing a track team that looks like a winner. "Bud" is a hard worker, a fine organizer, and an efficient coach. He has earned the respect and liking of all the boys and thus has showed the way to successful athletic seasons in the 1928-29 campaign. We see nothing but success as long as he is Coach at old Boone High.

J. E. IRWIN

Mr. Irwin's work as director of physical education has resulted in improved athletics for Boone High. A former athlete at Cornell College, with wide experience in physical education work, "Dad" is well qualified for this work. Many Boone stars were started on their athletic careers in Junior High under Irwin's careful tutoring. He is also varsity swimming coach, and has built up a strong aquatic team. He has made swimming in this school a major attraction where formerly it was just a compulsory evil. Last but not least is Mr. Irwin's sunny disposition. He is

COACHES—(Continued from preceding page)

always smiling, good-natured, and willing to help a good cause along. He is everybody's friend, especially the boys.

RAY LAMB, Assistant Coach

Ray is one of a family of four boys who took it upon themselves to enter the coaching profession. In former years he himself was a main cog in Boone's athletic teams. After graduating from Boone High, he entered Coe College, graduating from there in 1923. From there he went to Vinton as head coach, then transferred to Clinton as assistant, and finally showed his good judgment by returning to old Boone High. Needless to say, he was welcomed with open arms. To know Ray is to like and respect him. The past year has proved him to be an able coach, as well as a popular instructor.

Captains

BALCER, (Line Captain,) End

Marlond shared the honors of piloting one of the best football teams in the history of Boone High. He was fast, clever, and aggressive. His work was always spirited and he was a fighter who was ready to get hit twice in order to get one good tackle; a square shooter and an inspiration to the team. Marlond will be lost by graduation, and a very good man will be needed to take his place.

MORGAN, (Captain-Elect,) Tackle

Noel's work was always consistent and he possessed plenty of drive and determination. His ability to get through and break up plays before the opposition knew what had happened made him a big factor in many games. He will be a good leader and a great tackle next fall.

CURRY, (Co-Captain), Quarter Back

To Orville Curry should go considerable credit for Boone's victorious football season. Many critics, coaches, and fans considered him the best high school quarter-back in the state last season. "Orv" had the combined qualities of a good open field runner, good passer, and deadly tackle. His generalship was unquestionable, and the confidence placed in him by his teammates pulled Boone through many tough places. Local admirers will remember his work, especially in the Ames, North High, and Marshalltown games.

The Season

The 1928 football season was inaugurated Sept. 21 with Winterset as our opponents. They invaded the home stadium, and for the second time in as many years went home on the small end of a 27-0 score. Sept. 21 was the beginning of a football season for six new men. We had five letter-men: Co-Captain Curry at quarterback, Mustapha at halfback, White at tackle, and Co-Captain Balcer and McCartney holding down the wing positions. Those who saw action for the first time were Flockhart at center, Kemmerer and Canakes at guard, Knudsen at tackle, Olsen at halfback, and Coddington, the new plunging fullback. As this was the first game on the schedule and also one in which a new system of coaching was being installed, it was impossible to tell who were the outstanding players of this game. However, the lettermen upheld their records of past seasons and the new men showed great prospects of becoming valuable material before the season closed.

BOONE-WEBSTER CITY

A week later our friends from the North (or should we say foes?) came down hoping to avenge the 6-0 defeat of last year, but were unable to do so. They had to return home defeated, for the score was 19-0 in our favor. This was the second game of the season. It was clearly seen that no outstanding playing was done by any individual player, although the line held like a stone wall. Our boys held their opponents to few gains. In the instances when Webster City did break through, they were readily met by the vice-like tackles of the backfield. "Musty" was high scorer of this little contest, making three touchdowns, with Curry adding the extra point by a well directed place kick. About this stage of the season Ft. Dodge was looked forward to as the next great encounter, although Newton was to be played at Newton a week later.

BOONE-NEWTON

October the 6th found the Red and Green team at Newton all primed and ready for action. Each player was remembering the game of last year in which Newton had a grand total of two points and Boone had none. A few formalities took place just at the beginning of the game. It was soon decided the services of Kemmerer would not be allowed, as his name failed to be mentioned on the eligibility list. Spurred on by the thought of losing the help of a teammate, the Boone High players carried the battle to the "Washing Machine" boys, and were the possessors of the pigskin most of the afternoon.

Again, the task of making the lone touchdown fell to Mustapha, after the combined efforts of the team had carried the ball within scoring range. "Musty" fumbled on the goal line, but Balcer recovered. The credit goes to "Musty", however, and he carried the ball over the chalk-line in a nice line plunge. Curry showed his ability as a field general by bringing the team out of many tight places.

Flockhart, with the eye of a veteran, passed from center, and Knudsen drove in again and again, smothering the opponents' plays like a wet blanket. Not a single play went around Balcer and McCartney at ends. Many plays were

McGortnes

Knudsen

Mustapha

White

McCartney

stopped before getting that far. At the end of the game the score was 6-0, in favor of Boone.

BOONE-FT. DODGE

On October 20 the Treadors journeyed to Ft. Dodge and carried off the long end of a 12-6 score. A large following journeyed to the "Gysum City" to help share the victory.

Balcer recovered a fumble in the first quarter to score the first touchdown. The rest of the quarter saw both teams on even terms, but in the second quarter "Musty" heaved a long pass to Balcer to make the last Boone touchdown. Neither try for goal was good. The score at the half was Boone 12-Ft. Dodge 0. The Boone scoring was a solo event, but the team work was perfect.

The third quarter was scoreless, and (for the most part) a punting duel. Score: Boone 12, Ft. Dodge 0.

In the last two minutes of the last quarter, Ft. Dodge uncorked a wild, lucky, aerial attack in which a Dodger end snagged a long pass and raced over the goal line. The kick failed. The game ended with the ball in our possession and the score of Boone 12, Ft. Dodge 6.

BOONE-ROOSEVELT HIGH

Roosevelt was next in line and the game was played in the Drake Bowl at Des Moines. Roosevelt had been beaten in every game so far. The home team thought it was going to be a "set-up of duck soup."

Things turned out differently, however, as the Red and Green were completely baffled by the supposed weaklings of Des Moines.

The end of the first half closed in a 6-6 deadlock; the only score was made by McCartney, who snagged a pass from Mustapha and jogged over the goal-line, fifteen yards away.

An inspired team came back in the last half; within a few minutes the story was very different. Another touchdown via the pass route, this time from "Musty" to Balcer, totaled the score at 12-6. Balcer was downed on the spot of contact, but no harm was done as he was over the calk-line and had counted the second marker. Curry failed to kick.

From then on the home team was scoring almost at will, especially in the final minutes of the fourth quarter of the game. Knudsen played a smashing game at tackle and was in almost every play, as was Kemmerer at guard. White, Flockhart and McCartney in the line played like demons; Co-Captain Curry and Mustapha turned in some well executed plays for the backfield.

The final outcome was 33-6; and, if time had permitted, would have been more. Substitutions were quite frequent in the last minutes. Rule, for Curry, showed the same brand of ball. Sturtz, who saw action in Balcer's place, played up to the standard, but an injured hand hampered him somewhat.

Nearly every member of the first and second teams saw some action.

BOONE-AMES

Perhaps it was the two weeks' rest or perhaps it was the concentration on the coming North High game; but, whatever it was, the team representing Boone High at Ames, Nov. 12th, did not play the football they were capable of;

Jas

Coddington

Sellers

Canakas

Flockhart

Olsen

Stantz

Miley

Boone

Boone

consequently, the score was reversed and Boone came home with one touchdown.

For the first time in six games the Toreadors failed to score in the first three minutes of play. Up to this time the team had looked forward to holding this record, but the privilege was taken away in the first and only defeat of the season.

However, the first points were credited to Boone. Sturtz caught a pass (from Mustapha as usual) over the goal-line. He played a real game the short time he was substituting for McCartney, who was out with an injured knee.

The two teams played on even terms, and at the half it was 7-6 for the little Cyclones. A great comeback was expected of the home boys, but a confident Ames bunch came back not to be defeated. Every Toreador who played gave his best, fought to the last, hoping for victory.

Not many individual plays were recorded, but time and time again the stone-wall of the Red and Green held when the Ames backs had only a few yards to gain. Probably the greatest cause of the defeat was the ability of Ames to make short gains with forward passes.

Captain Curry, Rule, Coddington, and Mustapha hit the line with everything they had, but the holes just weren't there. It was quite hard to look defeat in the face, but one consolation was that Ames played and worked for that game. Boone didn't give anything to anybody, but was willing to take the bitter with the sweet. However, that score of 14-6 won't be soon forgotten.

BOONE-NORTH HIGH

North High came up Nov. 17 and was determined to continue on their state championship conquest. However, Boone put a stop to this to the "tune" of 29-0. This was the only defeat of the season for North High. It was a great victory for Boone.

The game was played in a sea of mud and snow. Some spots of the field were ankle deep.

Boone was in possession of the pigskin most of the time, and started scoring right from the beginning, when White scooped up a slippery fumble and splashed 20 yards for six points.

Neither team was able to do its best on account of the cold, and the icy field.

Boone changed suits at the half, but after a few plays the boys were the same old muddy color.

"Musty" punted with caution and was able to get off some first-class kicks despite the condition of the ball. Curry also showed some skill in handling punts and running them back. He also displayed the ability to make touchdowns. This was his only score of the season.

The men in the line played on almost equal terms, but Balcer at end got over-anxious and was put out of the game. Just a little misunderstanding.

BOONE-MARSHALLTOWN

Turkey Day found the Bobcats from Marshalltown here to show the Boone fans some of their all-state material in Kinken and Kemberlin.

The Toreadors were out for meat, however, and the Marshalltown backs were stopped in their tracks.

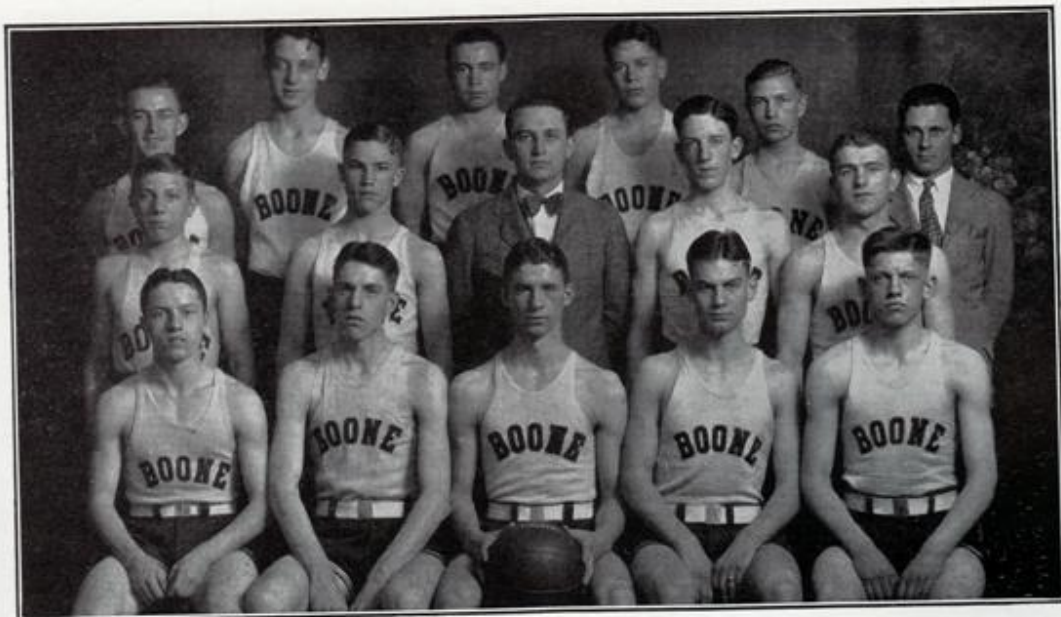

(Continued on page 70)

1929

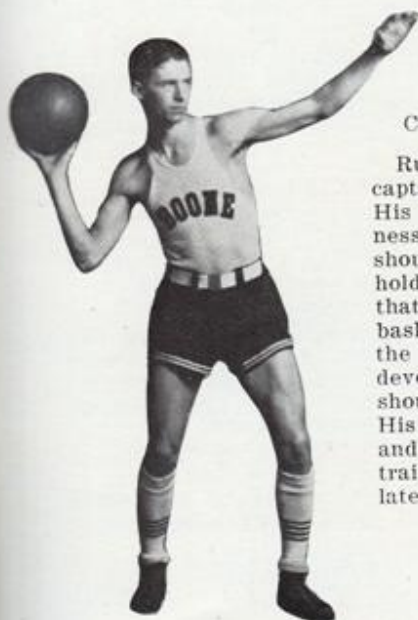

Scroll

Captains

CAPTAIN McCARTNEY

"Mac's" determination to uphold the reputation of former years was largely responsible for the second semester spurt that enabled Boone to tie for the conference title. His clever floor play received recognition from various sports writers, and he was honored with a berth on the all-conference and fourth all-state team. Willard was the only letter man available for the second semester and his experience, loyalty, and aggressiveness was of great value to the team. McCartney will be missed next year.

McCartney, Captain

CAPTAIN-ELECT OLSON

Russell should make an ideal captain for next year's team. His determination, aggressiveness, and spirit of loyalty should go a long way in upholding the splendid record that Boone High has made in basketball. Although green at the start of the season Olson developed fast, and next year should find him at his best. His willingness to co-operate and his genial personality are traits that should help him in later life.

Olson, Captain-Elect

1929

S C R O L L

The Basketball Season

BOONE AT ROOSEVELT (Des Moines)

December 14th saw the opening game of a stiff schedule with a new coach at the helm. Easton, Curry, Mustapha, and Captain McCartney were the veterans on the squad. Coddington and Canakes received their baptism in this game.

By displaying good teamwork and fight, the locals came through with a 19-16 victory. For the first game of the season it was well played. McCartney and Mustapha tallied six and seven points, respectively.

BOONE AT OSKALOOSA

The opening conference game of the season saw the locals at Oskaloosa, taking the long end of a 23-19 score. This victory kept the Toreadors with a clean slate.

Coach Fisher's red and green clad team were always in the scoring lead, but the Markley coached boys were in the game at all times. Longcor, the Oskies lanky center, gave Boone plenty of trouble, and only the superior guarding of Curry kept him from scoring more.

McCartney and Mustapha tied for scoring honors with seven points each to their credit. A last minute basket by Easton pulled the game from the fire and gave us a four point victory.

AMES AT BOONE

December 28th saw the Little Cyclones invade the Toreadors lair, play thirty-two minutes of basketball, and emerge with a 23-15 defeat. A clean slate so far.

Ten men saw action in this contest and all ten proved themselves worthy of the honor of wearing the red and green. The game was plenty fast, and the fans got their money's worth.

FT. DODGE AT BOONE

The Christmas vacation saw Boone pile up the most overwhelming victory, in late years, over the Dodgers. The Toreadors walked off with a 40-15 victory.

"Musty", "Runt", and "Mac" were going good and scored almost at will. Easton and Canakes at center got the tip-off on almost every play. The guards had an easy night of it because the ball was in Dodger territory most of the time.

BOONE AT GRINNELL

The following week saw Boone at Grinnell for a conference game. Both teams had a

clean slate, but after a bad half hour ours was clean no more. Grinnell beat us 22-19.

Palmer, Pioneer all conference center was the big noise of the evening and could not be stopped. Curry was high point man for Boone with eight points.

In defeat, the Toreadors played their best ball and we are still proud of them.

BOONE AT NEWTON

The next week the red and green journeyed to Newton for their fourth conference game. The old "jinx" followed them there, so what could be expected? We got licked 23-16.

"Billie" Rule subbed for "Runt" awhile, and is now a veteran. Per usual, "Mac" and "Musty" vied for scoring honors with six and five points each.

JEFFERSON AT BOONE

On January 15, the Jefferson High cagers broke into big time basketball, but they soon broke out again with a 17-7 setback.

Coach Fisher started his new men and they made a very creditable showing. When things got tough the Coach inserted his regulars to pull the game out of the fire. This was our first victory in the last three starts.

The game was slow and listless. Although we won, it didn't mean much.

MARSHALLTOWN AT BOONE

In the last game of the first round of conference play, the Marshalltown "cats" didn't treat us very nicely. Through generosity (or was it?) we handed them the long end of a 26-19 core.

Led by their captain, Dick Arney, the Bobcats got "torrid" and played a game that no team could beat. Arney was high point man of this fracas with eleven points. Mustapha was high for Boone with eight credits.

This defeat pushed us into fifth place in the conference standing. Even in defeat, in this game the boys looked better than they did as victors in the Jefferson game.

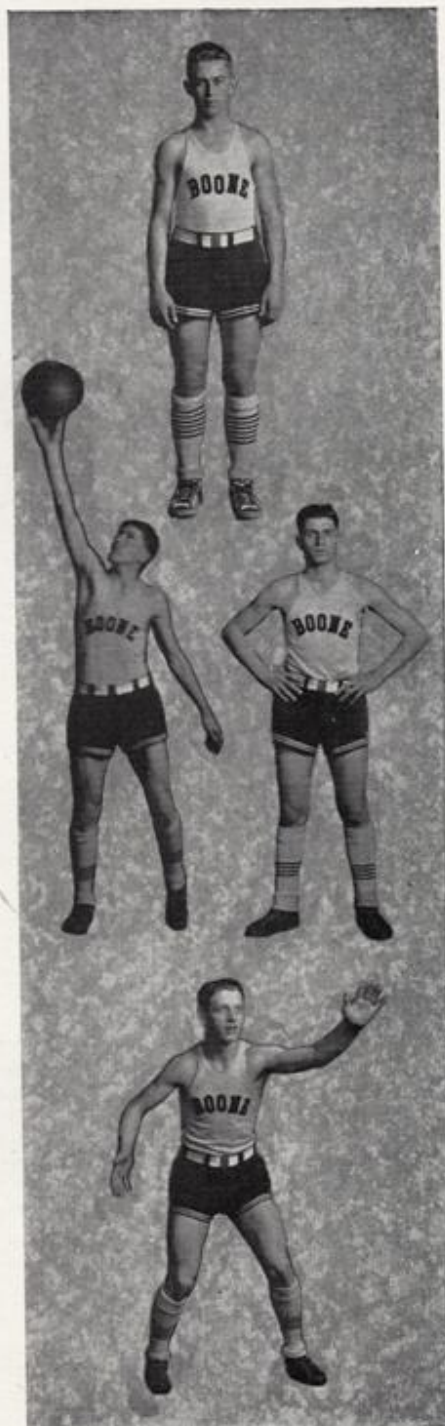

OSKALOOSA AT BOONE

In the second round of conference play we started off well by beating Oskaloosa for the seventh time straight. This time we played them to the tune of 18-12.

Russell Olson filled in McCartney's place, and filled it well. It looks as if next semester he will give anybody a real game. "Mac" was out of the game with a case of too many greasy hamburgers. Joe Rogers, the "dark-horse" of the team, turned in a "wow" of a game.

This timely victory put us up a notch in

Class Baskethall

The class basketball championship was won this year by the Senior VI's. A well balanced, fast, and sharpshooting club represented the Seniors and carried off the honors. The VI's were defeated in only one game; this game was lost to the Senior rivals, the VII's. It was a hard battle and the VII's deserved to win.

There were many other good games played, and some excellent teamwork and basket shooting was displayed throughout the season.

The three Senior teams set the pace most of the season, only once sharing first position with the underclassmen. However, in the last games, the underclassmen defeated both V's and VII's. Probably the greatest surprise came when the Junior III's trounced the Senior VII's, 22 to 15.

The III's had a team of fine players, but they had very little experience and were comparatively weak against the other teams, with the exception of the Sophomore I's, who had but one man who could be depended upon. This little fellow was Brennaman. He was always a threat, and could score points for his team without the aid of his teammates. He scored 20 of his team's 50 points. Placed with a better team he should make a good player.

The race was close, and at the end of the fifth round of games the Senior VI's held first place with four wins and one defeat. The V's held second place with four wins and two defeats, while the II's, IV's and VII's each had three wins and two defeats.

In the final round the IV's were pitted against the I's, the III's played the VII's and the II's were to meet the VI's. A loss by the VI's with wins by the II's and VII's, would have thrown the race into a five way tie. However, the VI's won their game, and the championship, by completely submerging the II's, 24 to 13.

The following is an All-Class Team selected by Coach Ray Lamb and Manager

(Continued on page 67)

Back Row—Marshall, Bennett. Second Row—Spurgeon, Sunstrom, Reid.
Front Row—Briggs, Mummy, Horns, Atherton, Nelson.

Swimming Season

The Boone High swimming team has just completed the most successful season since its existence. Irwin's men had to go out of their class for most of their competition, but they made excellent showings in these meets. The Toreador Mermen outsplashed Newton on two different occasions, but lost by small scores to Roosevelt, East, and North High of Des Moines.

Mr. Irwin will award the coveted "B" to eight men. The high scorers of the season were Atherton and Reed, who tied for first place with 41 points each; Mummy scored 32 points; Horns 27; J. Spurgeon 23; Sunstrom 20; and Marshall and Briggs, 17 points each.

Sunstrom and Mummy will be lost by graduation and their absence will be keenly felt. Promising men for next year's squad are: Easton, Jenkins, Ades, M. Reed, Smith, Nelson, and Mann. Nelson and Reed are point winners, but failed to score enough for a major award. Bennett, an up and coming diver, will be lost to the team, via the non-resident route. He should prove a valuable man to the school that gets him.

CLASS BASKETBALL—(Continued from page 66)

Loran Mondt. A team of eight men was selected, three forwards, three guards and two centers.

Position	Name	Class
F	F. Caldwell	V
F	Don Miller	VI
F	G. Smith	VII
C	R. Howe	VI
C	D. Williams	IV
G	K. Wingo	II
G	C. Johnston	III
G	W. Mueller	VI

Honor: J. Sunstrom, J. Schall, M. Peterson, W. Wheeler, R. Jones, C. Anderson, R. Bass, B. Brunning, D. Duncan.

Back Row—Spurgeon, Bennett, Mummy, Wooten, Alexander, Showers.
 Second Row—L. Horns, Nelson, Marshall, Sunstrom, A. Horns, Atherton, Reid.
 Front Row—Mann, Briggs, Herrigan, Lundstrom, Austin, Halliday, Nyman, Stark.

Swimming Squad

At the close of the football season our popular coach, "Pop" Irwin, starts selecting the most promising swimmers for the squad. The boys have three work outs during each week to improve their ability in this sport.

Those who attain a certain degree of proficiency become members of the team and candidates for the Bonita Club.

Each year more students become interested in swimming, and this activity is beginning to take its place beside the major sports in Boone High.

THE BASKETBALL SEASON—(Continued from page 65)

the standing. We were in fourth place at the time. Olson was high point man with seven points. Musty was two points behind, with five.

COUNCIL BLUFFS (Abraham Lincoln) AT BOONE

Two games in that number of days proved too much for the Toreadors and they dropped a 20-16 count to the "Bluffs" boys. This game was the last game of the first semester, and the high school finals for Orville Curry, Jack Mustapha, Dean Coddington, and Marion Easton.

Led by a whirling Wurl, the railsplitters blew through the first half in an awful fashion, leading at the half, 10-9. The third quarter was all Council Bluffs, leading 17-11 at the end of this quarter.

In the last quarter the locals, led by Acting Captain Curry, staged a terrific comeback that fell short by two baskets. Led by Curry and Mustapha, the Toreadors dribbled, faked, and passed into the danger territory, scoring sometimes, but mostly caught in a tight defensive net. McCartney entered the game in the last minute but could do no good.

BOONE AT AMES

With a new team the locals journeyed to Ames for the seventh game of con-

Back Row—Briggs, Spurgeon, Marshall, D. Reid, A. Horns. Second Row—Potts, Parrish, Pratt, L. Montgomery, M. Montgomery. Front Row—Atherton, Crooks, Crary, Hiltz, McClelland, Alexander, Bennett, K. Mann, White.

Bonita Club

The Bonita Club is the only swimming club in school for which both boys and girls are eligible. Since its organization in 1926 its membership has increased until there are now nineteen members.

The Bonita's are Coach Irwin's mainstay for all exhibition work, and in the last few years they have given some fine performances.

The following requirements must be passed with an average of eight-five per cent to secure membership and emblems.

I—Ability to use the following strokes in good form:

1. Breast stroke.
2. American crawl—440 yards.
3. Side over-arm.
4. Side under-arm.
5. Double half and double over-arm on back.

II—Ability to bob, tread, scull, do the porpoise and wheel.

III—Ability to do four required dives.

IV—Ability to demonstrate the Shaefer method of resuscitation.

V—Ability to demonstrate the break for the various strangle holds.

In addition, the boys must be able to swim the trudgian and be able to use the Nelson methods of carrying, while the girls must also be able to demonstrate life-saving.

THE BASKETBALL SEASON—(Continued from page 68)

ference competition. What the red and green lacked in experience was made up in fight, and Fisher's men emerged with a 16-12 verdict.

It seems to be a custom in Boone High that a green team is the best. Rule seemed to be the hero of the evening with his tight guarding. Olson, however,

(Continued on page 71)

Back Row—Lundgren, Spurgeon, Davis, E. Anderson, Pratt, Hora, Fox, Parrish.
Second Row—Sputhe, Nelson, Halliday, M. Anderson, Larson, Fitzgerald, North.
Front Row—Rubinson, Brown, Case, Battey, Austin, Whitehill, Cress.

Thursday Night Swimmers

At the beginning of the year Miss Ferguson organized a class for Junior and Senior High girls who were able to swim and who wished advancement. This class was held Thursday nights after school. Many of the girls in this group passed the Junior Red Cross Life Saving tests given by Miss Ferguson.

THE SEASON—(Continued from page 62)

At one time Marshalltown threatened to score from the 20 yard line, but that was the closest they got to the goal. Here they opened up their bag of tricks, but were met each time by the gripping tackles of Knudsen, Kemmerer and Fullback Jay.

Boone scored every possible way, with passes from "Musty" to McCartney at end, smashes, and field goals.

Toward the end of the game Marshalltown opened up a pass attack, but it was readily met by the wide-awake Red and Green team, and came to an end there.

Many passes were grounded, and a few were intercepted. Captain Balcer caught one and ran the width of the field for a gain of 15 yards, which put the ball in scoring position for Boone.

The final count was 27-0. It was the last game of the season, and also the final one for eleven Seniors. These eleven were Co-Captains Curry and Balcer, Mustapha, Coddington, Jay, McCartney, White, Knudsen, Kemmerer, Flockhart, and Sellers. These eleven Boone High warriors were in the game when the final whistle blew.

White played a "bang-up" game, as was his custom in every encounter; Coddington was hard to stop when he took a notion to smash the line, and "Musty" and "Runt" made the Bobcats take notice when it came to carrying the ball and passing.

Girls' Physical Education Department

Each year the girls of the Physical Education Department give a Gym Demonstration and a May Fete, at which they entertain large and appreciative audiences. The work this year was under the direction of Miss Sylvia Ferguson, who introduced numerous, novel, and effective "stunts."

THE BASKETBALL SEASON—(Continued from page 69)

was high point man with six points. This victory boosted us into a tie for third place with Grinnell. Three cheers.

BOONE AT FT. DODGE

Feb. 5th saw the Toreadors boarding the Interurban bound for Ft. Dodge. With about five hundred loyal supporters boosting them, the locals could not help but win. It was a tough game, but we won 25-21.

McCartney snapped out of his scoring slump and counted twelve of Boone's

Girls' Basketball

Basketball has once more proven to be the most popular sport among the girls of Boone High. More teams participated in the tournament this year than have for some time. All the High School classes and the Junior College were represented by teams.

The Senior VI's, the winning team, were presented with an emblem and a stripe. The members of the other teams each received a class numeral, and members of the college team each a blue "B. J. C." All the captains received stars. The captains of the various teams were:

Violet Fey.....	Winners
Margaret Mansfield.....	Runners Up
Selma Anderson	Junior College
Geneva Allen.....	Senior V
Mary Pratt.....	Junior III
Sylvia Case.....	Sophomore II
Charlene Battey.....	Sophomore I

THE BASKETBALL SEASON—(Continued from page 71)

points. Joe Rogers was not far behind, scoring four "floaters," such as only he can sink. Boone grabbed the lead from the first and led throughout the game.

GRINNELL AT BOONE

Again we met Grinnell, but this time it was a different story and the climax left us leading 21-18. It looks like "green" is a joke to attach to the Boone team. "Veteran" is a better name.

The game was anybody's until the last minute of play, at the end of the half the score stood 9 all. The third quarter saw us leading 17-16. In the fourth stanza the Toreadors tallied twice from the charity mark and once from the field, while the Pioneers scored once from the field. Rogers was the star and high scorer with four field tallies.

NEWTON AT BOONE

Following the old custom of dividing their two game series, the Boone cagers did things up "brown" by handing the "Washers" a 24-9 defeat.

The first half over, the locals led 12-7. In the last half the red and green remembered their early season defeat and came back for business. Business it was 'cause the locals scored twelve points to the visitors' two. McCartney scored nine points, enough to tie Newton's total. Hot dog! We are in a tie for second place.

BOONE AT MARSHALLTOWN

For the last scheduled game of the season Coach Fisher and his ten terrible Toreadors boarded the C. & N. W., bound for Marshalltown. If we won this game it would put us on top of the pile. If we lost, not so good.

The game was undoubtedly the best witnessed in years. Well, to keep you out of suspense we won, 19-18.

Boone grabbed the lead when Joe sank a "Roger' Special." The first quarter ended with the "Cats" leading 6-5. Our men were playing under a size handicap of from six to fifteen inches to the man. In the second quarter the Toreadors cut loose and ran their total to thirteen points, and held the home towners scoreless.

The third quarter was even but the Toreadors showed signs of weakening under their handicap. 19-12 was the score. In the last quarter Boone was on the defensive at all times. The spectators saw Boone's early lead whittled down to one point. For the last four minutes Boone held their one point lead and won the Conference cup for themselves, their new coach and the school.

Coach Fisher showed that he knew enough basketball to develop a green team that played themselves up from fifth place to a conference championship. This

Back Row—Rogers, Kemmerer, Olson, Canakes. Second Row—Thompson, McCartney, Flockhart, Jay, White, Sellers. Front Row—Balcer, Mustapha, Mummey, Parks, Rule, Sturtz.

“B” Club

To belong to the “B” Club one must win a letter in one of the four major sports. Athletic managers also are entitled to membership. It is the purpose of this club to promote clean sportsmanship, participation in athletics, and a fighting spirit.

Veteran members of the “B” Club are Orville Curry, Jack Mustapha, Willard McCartney, Marland Balcer, Arthur White, Marion Easton, and Junior Mummey.

New members are Noel Morgan, football captain-elect, Russell Olson, basketball captain-elect, Lester Sturtz, Chester Knudson, Howard Sellers, Loran Kemmerer, Louis Canakes, Wilbur Flockhart, George Miller, Dean Coddington, Clyde Jay, Joe Rogers, Harold Thompson, Drew Reid, Delbert Atherton, John Spurgeon, John Marshall, Chester Briggs, Frank Sunstrom, Albert Horns, Billy Rule, track captain, and Loran Mondt, athletic manager.

THE BASKETBALL SEASON—(Continued from page 73)

win means three cups in three years. Congratulations to you and your men, Coach Fisher.

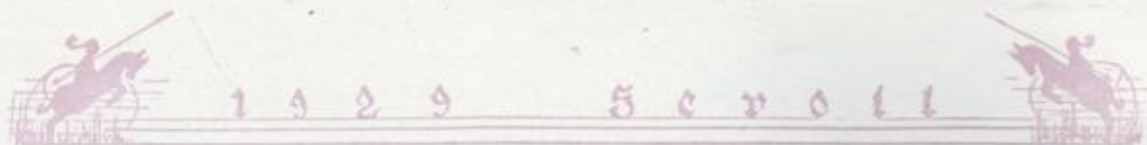

SECTIONAL TOURNEY

AMES VS. BOONE

Ames High literally and figuratively upset the dope bucket and drowned our district and state tourney chances 18-10. It was a rejuvenated Ames team that upset our weary lads.

We are glad to see a team like Ames make such a last season rally, but not on us. From the very start of the game Ames played ball that our played-out veterans could not stand. Our entire team played the best they could, but could not cope with the Cyclones fresh team. Oh well, our season had to end sometime, but we hated to lose. We wish Ames luck in the district meet.

Spring Athletics

Coach Fisher's first call for track material was answered by fifty candidates. Of these fifty about thirty are out daily, working for the honor of representing Boone High on the cinder track. William Rule, fleet-footed Junior, was appointed captain of the 1929 track team.

Track is slowly coming back to its own in Boone, and the sport is again on an equal footing with football and basketball. The competition in every event is of the keenest kind, and a good fast team is practically assured.

At present the most competition is in the distance runs. The most promising milers appear to be Ernest Owens, Franklin Clark, Dale Small, and Austin McCall. The half mile winners look like William Mueller, Donald Mann, Maurice Shadle, and William Thompson.

In the 220 and 440 yard dashes William Rule, Donald Miller, Doyle Grant, Max Schreck, and Carl Franklin lead the field. These men along with Dean Standley, Claud Anderson, Richard Bass, Eugene Jontz, and Willis Cooper seem to monopolize the dash and hurdle events.

The field events have drawn Loran Kemmerer and Keith Richmond to the shot; Richard Jones and Woodrow Frost to the discus; and Jones to the javelin. Many runners, however, are trying those events and much competition can be expected.

In the high jump Richard Howe, Ernest Owens, Sam Sterrett, and Willis Cooper look good. The pole vault finds Cooper and Grant vying for first place. The best man for the broad jump is yet undecided.

Rivalry for places on the various relay teams is very keen. Two mile, mile, and half mile, and 440 yard relay teams are on the baton passing menu.

THE SCHEDULE

Home meet	April 13	at Boone
Ames Dual meet	April 20	at Ames
Drake Relays	April 26-27	at Drake
Central Iowa Conference meet.....	May 4	at Grinnell
District meet	May 18	at Ames
State meet	May 25	Iowa State College

Pep Club

This is the "peppiest" club in Boone High, as is indicated by its name. It is an organization of about two hundred students, whose duty it is to furnish "pep" at all the athletic games. Membership in this club is obtained by the purchase of a season ticket for either football or basketball. Before each game it is the custom for the more active members of the club to present a lively program to create "spirit" in the student body.

Homecoming is looked forward to by all the students as the big event of the football season. For this day an impressive program is put on, with speeches, a big parade, and a celebration at Goepfinger Field in the evening.

The "Pep" Club is one of the best organizations in Boone High School.

Our Quests (Senior Poem)

Each one of us as a knight of yore,
Has finished his first three quests,
First was our vow as a sophomore,
Always to do our best.

Next was our pledge as junior
knights,
To gain for our class such fame;
That when, as seniors, we reached
the height,
We could set for others an aim.

Our last quest is a thing of the past,
We are now knights of the world.

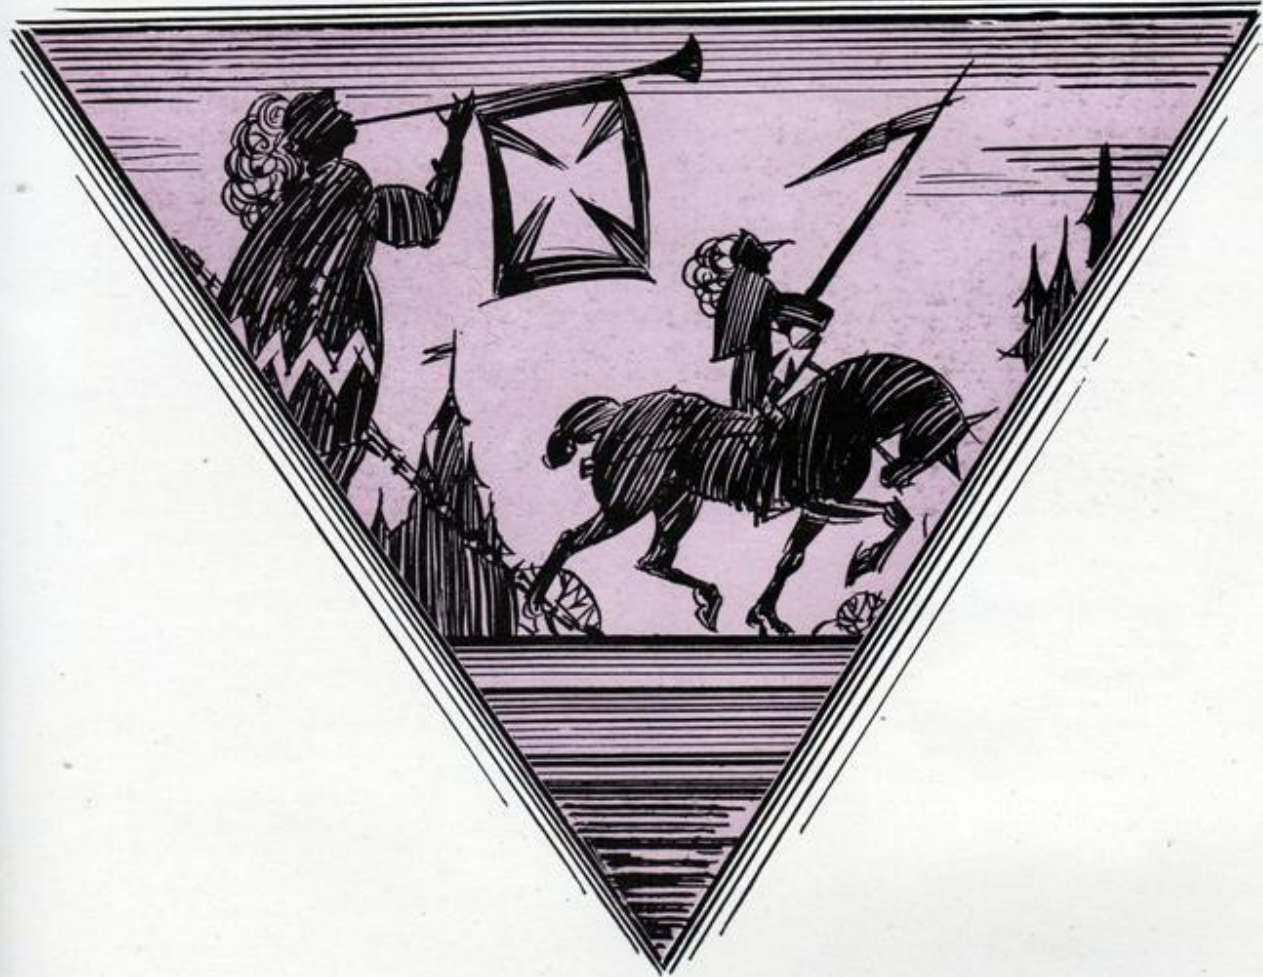

Our lives must be moulded into a
cast,
Our banners must now be unfurled.

The greatest of quests still lies
ahead,
At the round table of life we must
dine;
We must shoulder our weapons and
have it said,
We are true knights of the class,
"Twenty-nine."

—Clinton Sandeen.

~ SOCIETY ~

High School Society Events

THE JUNIOR-SENIOR BANQUET

The initial event of the graduating season was held on the evening of May 25, 1928, when the Juniors entertained the Seniors at the annual banquet in the High School Gymnasium.

The decorations and the toast program carried out the rainbow theme, with varicolored crepe paper transforming the ceiling and side-walls.

Between courses the following program, called "Our Rainbow", was enjoyed:

Toastmistress	Miss Blanch Maytag
A Bow of Promise	Marlond Balcer
Our Trail	James Benson
A Pot of Gold	Glendora McLain
Dance, "Rainbow Fantasy"	Annabelle Baird
Violin Solo, "The Old Refrain"	Geneva Cutler
B. H. Quartet, "Just A'wearying for You"	

---Kenneth Sullivan, Bradford Means, Loren Mondt, Kenneth Hakes
After the tables were cleared away there was music for those who wished to dance. For others, there were games, played in the Library.

FOOTBALL FEED

The closing event of the football year was a "feed" given by the business men of Boone.

The main speaker of the evening was Rev. Travis. Mr. W. R. Dyer, President of the School Board, acted as toastmaster.

Co-Captains Curry and Balcer were introduced by Mr. Fisher. Each responded with a short talk.

Short speeches were given by Mr. Van Ness, Assistant Coach Ray Lamb, and Coach Fisher.

SOPHOMORE CHRISTMAS PARTY

Jingle bells! Jingle bells! "Whoa," came the command of Santa, "we are to stop at Boone High School Gym. tonight to help entertain the Sophomore Class."

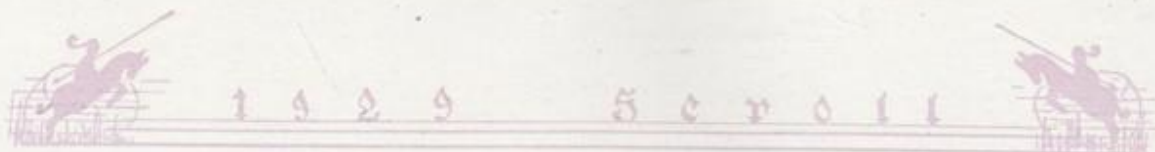

This was overheard by a Sophomore student as he walked along Story street. He scratched his head and thought. It was December the fifteenth, the night of the Sophomore party.

He started running; as he neared the Gym. he heard strains of music. Entering the building and peeping over the balcony he saw a Spaniard! No, it was Erma North, dancing. He scurried down the steps and talked to some of the Sophomore students. They had been playing games, but soon they all gathered around the Christmas tree.

There came the ringing of bells. What next? Oh, it was Santa! Each boy and girl eagerly received the gift presented him by the jolly old fellow.

After playing awhile with their toys, they adjourned to the library where refreshments and more games were enjoyed. Let's not forget our former book-keeping teacher, Mr. Conard, who directed the games. What would a Sophomore party be without Mr. Conard? Also, Miss Weston and Miss Witter, with their care and thoughtfulness, lent much to the enjoyment of the evening.

NORMAL TRAINING PARTY.

Customs are not always upheld. It had been the custom of the Senior Normal Trainers to entertain at Christmas time a group of "Little Sisters".

This year the class decided to be different. Friday, December 21, found five of the club at North Marion Street School, where a program, given by the pupils, partly coached by the Normal Training Class, was enjoyed by the parents. Later the Normal Training Girls gave a play, and their one boy, Lowell Morris, sang a few Christmas Carols.

After the program a telegram was received from Santa, explaining his absence. Lowell filled his place very nicely, and everyone enjoyed the gifts as much as if old Santa himself had been there.

What would the Normal Training Class do without Lowell?

HI-Y-ETTE PARTIES

The evening of November 28th, the Hi-Y-Ettes entertained a group of "Little Sisters".

Mildred Potts directed the games, which the girls seemed to enjoy very much.

The smaller girls seemed very proud to exhibit their own talents, and in this way furnished much of the evening's entertainment.

Next, we find on December 17, the girls getting the second chance of a life time. Gentlemen's Night! This seemed to be one of the most successful parties of the first semester.

A well organized program was presented, to which Reverend Shipman of Ames contributed much.

As Santa was too busy to appear on this night, Rev. Shipman successfully took his place. The gentlemen enjoyed their gifts immensely.

To close this evening of jollity and seriousness, Rev. Shipman led the group in a petition for their welfare and happiness.

THE JUNIOR HALLOWE'EN PARTY

Witches, ghosts, goblins and fairies were seen entering Boone High School on the night of October 26.

Of course, they were going to the Junior Hallowe'en Party. As they entered the gym they heard wierd noises. They descended the steps leading to the gym, and at the bottom were met by a ghost who accompanied them through "The Chamber of Horrors". This was very thrilling.

Games were then enjoyed, directed by Miss Hansen, Miss Rolston, and Mr. Tillotson.

A guessing contest was held next to decide who was who. Bernadine Fullerton and Dean Hatfield carried off the prizes for having the cleverest costumes.

Martha Jean Montgomery then entertained the group with several piano selections after which they retired to the library, where the witches served some "Goblin's Delight".

Bells began to sound and the Hallowe'en spirits vanished into the darkness for another year.

HI-Y LADIES' NIGHT

Can you imagine how some of our Hi-Y members' baby pictures looked? The showing of these was a part of the entertainment at the annual Hi-Y Ladies' Night.

On March 6, at the First Methodist Church, a three course luncheon was served to the Hi-Y and their lady friends. Loren Lair gave a welcome to the ladies, which was responded to by Helen La Shelle.

An enjoyable time was reported by all who attended.
