COACH HAROLD FISHER

Although the football and basketball teams did not fare so well this year as last, Coach Fisher is to be commended on the accomplishments of both teams. He had green and inexperienced material to contend with, but he worked wonders with the boys. Coach Fisher has been with Boone High four years, and we hope he will be building championship teams for Boone in the years to come.

ASSISTANT COACH, RAY LAMB

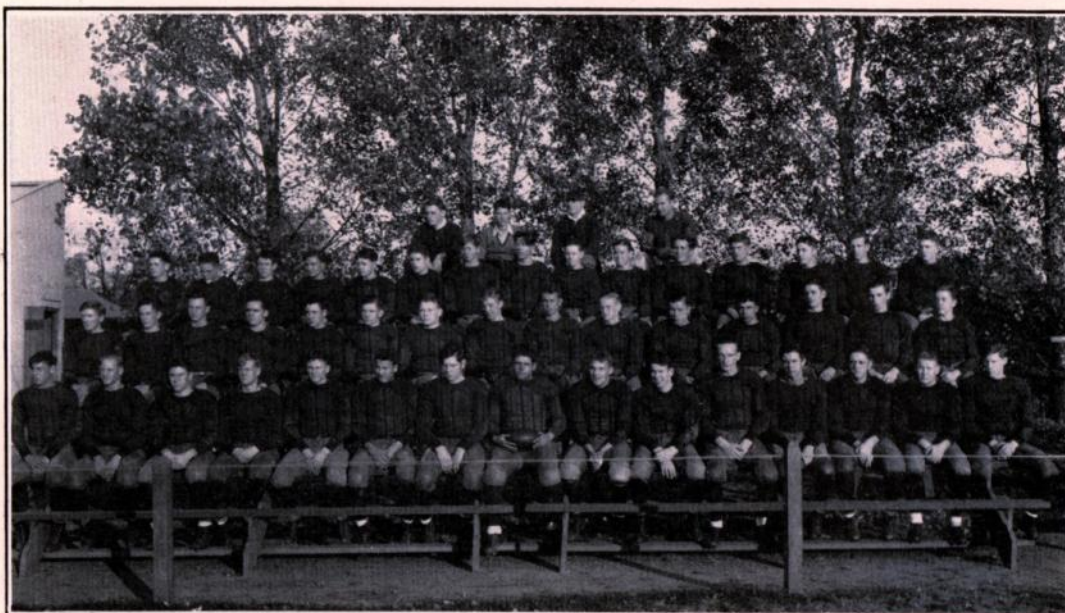

During the football season Ray always takes over the job of building up an invincible line. Later he takes care of the basketball aspirants until the football season is over. From then on he works with the class teams and the junior varsity. Ray's cheery disposition and his fund of funny stories accomplish much in keeping up the morale of the boys, and his work is no small factor in the success of the teams.

ATHLETIC DIRECTOR, J. E. IRWIN

"Pop" has his hands full most of the time. He instructs the junior high lads in the art of football in the fall, and in basketball, in the winter and spring. He also conducts gym and swimming classes during school hours. "Pop" also has a swimming team that is a credit to the school. Not only does "Pop" succeed in his primary object, instruction, but by his comradeship and understanding manner he teaches the boys to "play the game" in class or wherever they may be.

ATHLETICS

Football

The football season was opened with one hundred boys reporting for practice. Forty-five of these made the varsity squads. The remaining boys were placed on the prep squad for further training.

The lettermen reporting were: Marrio, center; Shadle, guard; Mann, quarterback; Chinstedt, halfback; O'Brien, fullback; Darrell Johnson, tackle, who was injured in the first game and was out for the rest of the season. The senior manager for the 1931 football season was Lester Henry.

The Season

BOONE-SCRANTON, SEPTEMBER 18

Boone High opened its 1931 grid schedule in a steady downpour of rain. The Scranton team took their first defeat in two years at Boone with a decisive score of twenty-five to two. Although the field was wet and slippery, the Treadors proved themselves to be good mudders with plenty of drive and power in both the line and backfield. O'Brien plunged the line for three touchdowns, while Ackerman romped over for the other six points.

BOONE-STORY CITY, SEPTEMBER 25

The second game of the season brought the Toreadors a little more opposition than they expected, but in spite of this fact they carried the ball across the rain soaked goal line three times to beat the Norskies, 20 to 0. The first touchdown was made by Captain O'Brien in the second quarter. The next six points came by way of Mann's run through the line. Chinstedt toted the ball across for the other six points. George Morris, center, was outstanding on the defense. The loss of Darrell Johnson, tackle, who was injured in an automobile accident, was noticed considerably in this game.

BOONE-WEBSTER CITY, OCTOBER 2

Journeying to the north, Boone lost her first game to the Webster City Squad. Stellar playing by Jones and Black of Webster City made the going tough for the Toreadors. Boone's lone touchdown was made in the fourth quarter by O'Brien. Dettman and Ackerman gained yardage aplenty, but to no avail. Boone was leading with one minute to play, when a twenty-five yard penalty placed the Purple and Gold in a scoring position, which meant victory for them for the first time in many seasons of play.

BOONE-ROOSEVELT, OCTOBER 10

Boone suffered her second defeat of the season when she met the Roosevelt Roughriders at the Drake Stadium on a muddy field. The defeat was hardly unexpected because of the crippled condition of the team; seven regulars were out of the line-up. Captain O'Brien did not enter the game until the second half, but during the time he was in he showed excellent ability at knocking down passes and backing up the line. Maher scored the Roughriders' only touchdown by a line plunge. The extra point was scored by a pass from Eubanks to Barnes. Kenny Mann, quarterback, was the only consistent ground gainer in the local backfield.

BOONE-OSKALOOSA, OCTOBER 16

The Toreadors took the lead in scoring in the Oskaloosa tilt. After a punt was recovered on the ten yard line, a pass from Mann to Chinstedt was good for the remaining distance and a touchdown. Oskaloosa then followed the Toreadors example and scored a touch down by the aerial route, running around the end for the extra point. The second and third quarters remained in a deadlock, but the fourth proved much more exciting. Boone seemed on the road to victory, when Oskaloosa intercepted a pass on their own one yard line. After that they ripped and tore up the field for their second touchdown. Oskaloosa, after their 14 to 7 victory over the Red and Green rode through to an easy conference championship. The great playing of John Dyer at end was the feature of the Boone team's play.

BOONE-CRESTON, OCTOBER 21

Rallying out of what seemed sure defeat in the first quarter, the Toreadors displayed some of the best football that spectators have seen on the Boone gridiron in many years. In the first quarter the Panthers, led by Sadler, all-state fullback, swept Boone aside and romped across the goal for two touchdowns. But Boone was not to be walked on so easily. In the second quarter our boys came back fighting so determinedly that the Panther's spirit broke. Boone's first touchdown was made by a sensational fifty yard pass, from Chinstedt to Peterson. The second touchdown was made by O'Brien. In the third quarter, Boone came back fighting just as hard, and another pass from Chinstedt to Mann, good for thirty yards, brought the Toreadors their winning touchdown. Chinstedt place-kicked for the extra point. Joe Knezevich's, Papineau's, and McFarland's play was sparkling throughout the entire game. It was a perfect homecoming!

BOONE-FORT DODGE, OCTOBER 30

Coming down from the north with blood in their eye and a longing for "the old rusty horseshoe", Fort Dodge overwhelmed the Toreadors by a score of 25 to 0. It was the first time that the Dodgers had beaten the Red and Green for four years. Two touchdowns were made in the first half by Fort Dodge. The first was made

Basketball

After the graduation of the state championship team of nineteen thirty-one, Coach Fisher began the task of building a team out of green material. There were only two lettermen back from the preceding season, and neither one of them was a regular during the state tournament. But despite the fact that the boys were inexperienced, the team developed rapidly and showed the fight and cleverness of a well balanced team.

All through the season the Toreadors were up against the stiffest competition that the state could offer. They ended the season in the cellar of the Central Iowa Conference, but staged a come-back in the tournaments. However, after winning the sectional and the first round of the district tournaments, they were defeated by the state championship Roosevelt quintet of Des Moines.

The basketball team had for their senior manager, Archie Patterson; the junior manager was Laverne Heaps, who will be next year's senior manager. Don Johnson, this year's captain, is succeeded by Kenneth Mann, who will lead the 1932-1933 team.

DON JOHNSON, '32, CAPTAIN

Don was a clever ball handler and the leading scorer of the Toreadors. He worked their plays to perfection and was an important cog in the defense.

LAWRENCE (PUTT) BRILEY, '33, FORWARD

Putt was decidedly the best scrapper on the team. He developed rapidly this year and we are expecting a great deal from Putt next season. His best playing occurred in the Newton and Marshalltown games.

KENNETH MANN, '33, FORWARD

Kenny was the hardest worker on the squad. He was a consistent and persistent

ATHLETICS

fighter and he always had a ready smile, win or lose. His ability and likeable personality are reflected in the fact that he was elected captain by his team-mates for the 1932-1933 season.

RANDALL PETERSON, '32, GUARD

Pete was one of the best guards on the squad. During the games he talked more than one man out of a basket; his "hey! hey!" was always echoing through the gym. Pete was given all-State honorable mention by Jack North on the "Register and Tribune all-State Basketball Team". Pete's big feat of the season was the holding of the all-State McMichael to one field goal during the Roosevelt-Boone game.

HAROLD CHINSTEDT, '34, GUARD

Chinny was the hot-shot guard of the squad. He always played a fighting game. His timely baskets often gave the team the additional pep needed to put them over the top.

DAN ENICH, '33, CENTER

Dan had never played basketball before this year, but this was no drawback. Dan never quit fighting, and we feel that we may expect great things from him next year.

DEAN TILLSON, '32, GUARD

Although Dean was a substitute and didn't get to play as regular, he made an excellent showing. He was considered one of the best defensive guards on the squad.

Several other boys who played in several of the games but fell short of the number required quarters for a letter were: Brownie Knezevich, forward; Marvin Schroeder, forward; Darrell Johnson, center; Albert Gerken, center; James Nelson, guard; Weldon Brown, forward; and Walter Madison, forward. All of these boys will return and try for positions on next year's team.

by Whinnery, a halfback, while the second was made by Cammerer, the fullback. Boone came back in the second half fighting, but was unable to stop the Dodgers, who piled up twelve more points. The Toreadors were within scoring distance more than once, but were unable to cross the goal.

BOONE-PERRY, NOVEMBER 6

Boone spoiled the unblemished Perry season by a tied score of 0 to 0. Both teams threw away chances to score, but both teams also showed excellent ability at open field running and defense. Chinstedt, O'Brien, and Peterson turned in a good game for the locals, while Stoner and Lester starred for the visitors.

BOONE-AMES, NOVEMBER 11

On another of this season's muddy fields, Boone and Ames battled to a 7 to 7 tie. Boone's touchdown came after Chinstedt ran fifty-three yards before being tackled. O'Brien then smashed the remaining two yards for the counter. Chinstedt booted the ball over the uprights for the extra point. It was not until late in the fourth quarter that McLaughlin, halfback, caught a thirty yard pass and crossed the goal for Ames. Wilcox place-kicked for the seventh point. The great playing of Joe Knezevich at guard and Langmade at tackle was the feature of the Toreador attack. This was the last home game of the season.

BOONE-MARSHALLTOWN, NOVEMBER 26

In the last game of the season the Toreadors went down in defeat at the hands of the Bobcats, by a score of 18 to 6. One of the brilliant moments of the game came when "Pete" Peterson snagged a pass and raced fifty yards before being pulled down on the three-yard line. O'Brien smashed the line for Boone's only touchdown. O'Brien and Chinstedt, in the backfield, and Peterson, Knezevich,

Class Basketball

The heavyweight class basketball tournament was won this year by the Senior VI's, captained by Erhart Forster. This fast, sure shooting team walked through the tournament, winning ten games out of ten starts. Their greatest opposition was given them by the Senior V's and the Junior IV's. The V's, captained by Glen Wiley, took second honors in the tournament. The IV's were captained by Schuyler Wheeler. The other teams in the tournament had ability, but the boys were inexperienced.

The lightweight class tournament wasn't settled so easily. It was a fight to the finish between the Sophomore IB's and the Sophomore II's, the II's winning first; the IB's, second; and the 9B's, third. The winners were captained by Bonard Shadle, the IB's by Ray Wickman, and the 9B's by Richard Benson.

Over seventy-two games were played in the double round-robin tournament. One-hundred-fifty boys took part in the games.

The purpose of the class games is to give every boy a chance to play, as well as to develop future basketball material for the varsity squad.

and Shadle, in the line, kept the Marshalltown Bobcats guessing, while their men, Sirianni, Smith, and Thompson, did the same for Boone. George Morris, veteran center, was elected captain for the 1932 season. Lettermen returning next year are: Dyer, Langmade, Sandeen, tackles; Shadle, guard; Morris, center; Mann, quarter-back; Chinstedt, half-back; Madison, half-back; and McMahon, half-back.

Girls' Athletics

Contrary to the usual custom, a gym demonstration was not given this year. Instead, various stunts were staged by units of gym classes, between halves at the basketball games. These stunts were very much enjoyed by the audience.

Also, the girls participated in the annual inter-class swimming meet as well as the swimming exhibition. For these two events, the girls received special training from "Pop" Irwin.

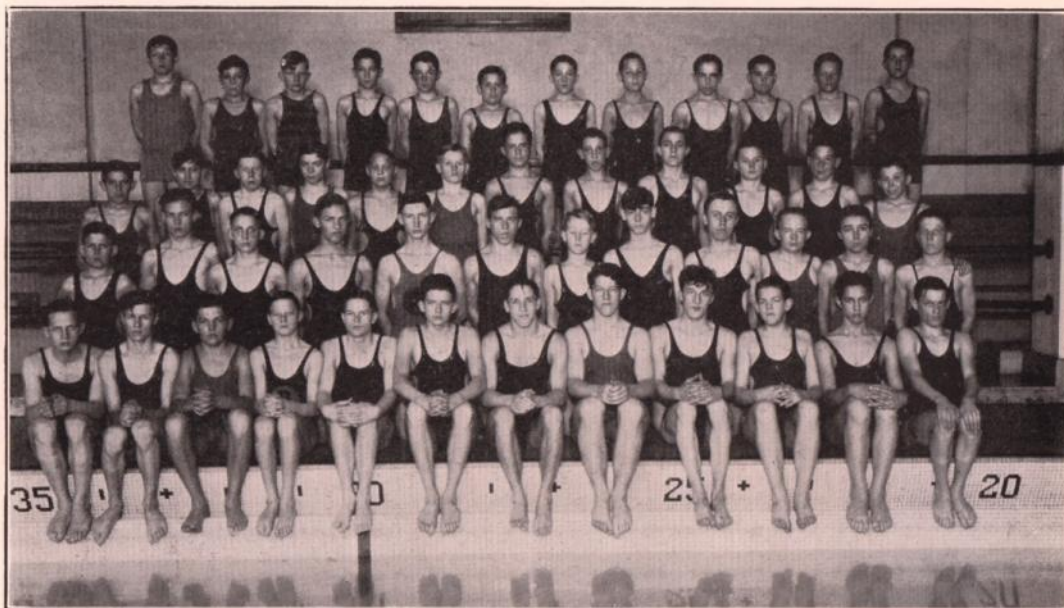

The May Fete kept many girls busy, preparing for the festive date. Miss Parks' excellent direction made the May Fete very successful.

Volleyball aroused a great deal of interest this year and the competition was keen.

Basketball, always a decided drawing card for the fair sex, proved to be particularly popular, and practice nights found the gym floor crowded with eager girls ready for a game of basketball.

Tennis, clogging, and baseball helped to round the years "physical ed" program for girls.

Swimming

Although this year's team won only one meet out of four, this fact is over-ruled by the fact that they broke old pool records and defeated a Des Moines school for the first time in the history of the team. Jimmie Alexander captained the team for the first half of the season and Verne Harrigan for the second half. Johnny Spurgeon broke pool records in the forty-yard dash, the one hundred yard dash, and the one hundred yard back stroke. A trio composed of Spurgeon, Marshall, and Alexander broke the pool record in the one hundred eighty yard medley relay with the fast time of 1:57.

Spurgeon was high point man with forty points, making a perfect record of eight firsts. Captain Alexander was second with twenty-eight points, while Captain Harrigan was third with fifteen points. Other point winners were Mummey, eleven; Pestotnik, ten; Shaw, nine; Johnny Marshall, eight; and Munden, seven. Other members of the team making points were Dickson, Nygren, A. Edgerton, Cooper, Johnson, Ruschmeyer, and Mann. Marshall, who took part in only two meets, pulled down eight points. The letter men this year were: Spurgeon, Alexander, and Harrigan, the latter being the only one who will be back next year. Some of the members of the team were point winners at the State Y. M. C. A. Meet held at Cedar Rapids. Next year Coach Irwin is planning on giving some of the boys special training after the season is over, so that they will be in shape for the next state meet. Roosevelt and East High of Des Moines and Fort Dodge were the schools that competed against our team this year, but next year Coach "Pop" Irwin hopes to add Newton and North High of Des Moines to the list of competitors.

Bonita Club

The Bonita Club, under the capable management of "Pop" Irwin, has become an organization whose reputation is state wide.

The Bonita is a scrappy fish, living in the depths of the ocean. It is noted for its "gameness". Hence the name "Bonita Club".

The requirement for entrance is the ability to fulfill the following qualifications with an average of eighty-five per cent.

1. Ability to use the following strokes in good form:
 - A. Breast stroke.
 - B. American crawl—440 yards.
 - C. Side over arm and under arm.
 - D. Double half and double over-arm on back.
2. Ability to bob, tread, scull, do the porpoise and wheel.
3. Ability to do four required dives.
4. Ability to demonstrate the Shaeffer method of resuscitation.
5. Ability to demonstrate the break from the various strangle holds.
