# STUDENT COUNCIL

FIRST SEMESTER

OFFICERS  
FIRST SEMESTER

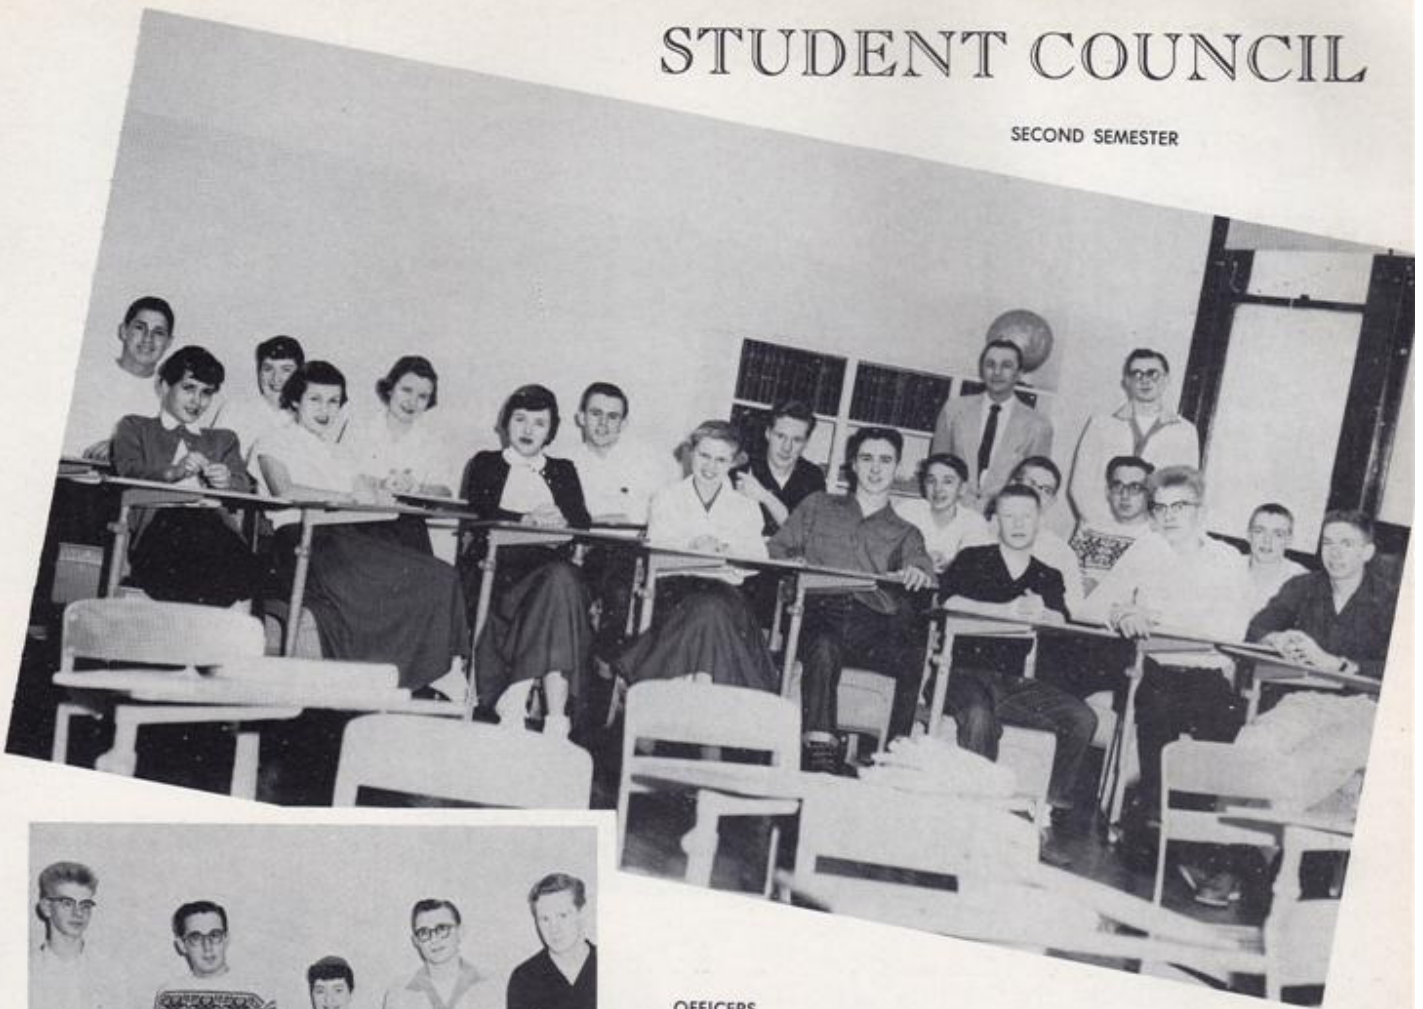

The by-word for the Student Council this year seemed to have been "Actions speak louder than words" for Student Council activity was abundant. The Student Council has taken its rightful place as one of the most important bodies of the school. The Student Council and its leaders have devoted much time and energy toward making Boone High a better, more progressive school.

But let's look back a bit. What caused the Student Council to become so prolific in good ideas and good actions? One of the main causes for this improvement was the new constitution drafted in May of '54. It changed the procedure of election of officers. Before the change, the homeroom itself nominated members to run for Student Council representatives. Sometimes the people nominated and elected were unwilling to serve or were lacking in interest. Therefore, the council made this change: any person wanting to be a Student Council representative gives his name to the homeroom advisor, the class then chooses their representative from this list of people who want to be in the Student Council. They are eligible for re-election. This change kept disinterested students out of the council, and it filled the council chairs with members truly interested in the council's work and members who were willing to serve.

SECOND SEMESTER

The new constitution also set aside one period each day when the council could meet and discuss school problems. This change gave the Student Council more time to devote to school affairs.

Elections for new membership and for new officers are to be held in May each year for the first semester of the following year and in January for the second semester. One half of the homerooms are to elect representatives in May and the other half are to elect representatives in January. Each representative will serve for two semesters. This will always leave some experienced council members present after each election.

After a vigorous campaign and much speechmaking and handshaking, Denny Collis was elected Student Body President for the first semester. Other officers elected were: vice president, David Fitzsimmons; secretary, Cay Munn; treasurer, Bob Barry; and sergeant-at-arms, Daryl Murken.

Kenny Sparks proved to be another top flight president as he was elected to hold the presidential gavel the second semester. Other able officers were: vice president, Daryl Murken; Secretary, Mary Courter; treasurer, Darrell Kruse; and sergeant-at-arms, Bill Larson.

Congratulations to the Student Council for their very successful year!

With 112 members this year, the Boone High Pep Club girls were very active around school and at games.

Working with the Student Council and the Athletic Department, the Pep Club's functions were to promote school spirit and generate pep for athletic events.

Included among the Pep Club duties were ushering, selling refreshments, and passing out programs at athletic events. Also, the club helped to plan various pep assemblies and to find other methods of promoting school spirit at the games.

The social event of the year for the Pep Club members was the Pep Club banquet which is held annually after the football season. Much planning went into this affair as well as all other programs carried out by the Boone High Pep Club.

Sponsor of the group was Mr. Norris, and the officers were: president, Mary Longworth; vice president, Carol Arringdale; secretary-treasurer, Cay Munn; historian, Rosemary Chance; recorders, Roxanne Rose, Mary Lynn Hauge, and Rosalie Bullock.

## BOONE HIGH BOOSTERS

"Dig those crazy guys in the levis, white shirts, and bow ties!" They are members of the Booster Club—and are they hep! The Booster Club is a newly formed pep organization for boys. Any boy in senior high may belong, simply by joining the group in their seating section at the games and by doing his part in the support of high school athletic events. The club is an example of an organization that was started wholly by the boys themselves with the permission of the administration.

Good luck to the seniors!

## FUTURE NURSES' CLUB

The Future Nurses' Club, which has been organized for three years, had a very interesting year with many activities. Some of the most interesting being the trip to the Mercy Hospital in Fort Dodge, talks by nurses active in their profession, and the nurses' tea.

Elected as officers this year were president, Carolyn Herman; vice president, Gretchen Buss; secretary, Caryl Achenbach; treasurer, Karen Erickson.

The sponsors for this year were Mrs. Joel Carlson and Mrs. A. W. Puteneny.

## FUTURE TEACHERS' CLUB

The Future Teachers' Club was sponsored by Miss Davitt and Miss Pagel. Serving as officers were: president, La Vonne Groth; vice president, Sonja Reedholm; secretary, Marion Campbell. One of the most interesting of the many activities was the tour through the new Franklin School. Visits to classrooms and various schools, speakers, and a banquet were also some of the activities planned by the club.

## DOLPHIN CLUB

The Dolphin Club had a very busy year in '54 and '55. In the fall they elected their new officers as follows: president, Mary Longworth; vice president, Carol Arringdale; and secretary, Mary Wiemer.

After electing their officers, the club took in new members. Early in January the girls began practicing on their numbers for the show. The theme for this year's show was Heavenly Daze. The hard work of all the members, plus the encouragement of Miss Vanderbeck, the sponsor of the group, made the show a big success.

One of the club's newest projects was the organization of the "Minnows." The Minnows are a group of girls who also enjoy synchronized swimming. Most of the members are interested in becoming Dolphins when they are a little better qualified. The Minnows also took part in the Dolphin show this spring.
