## Football

The Boone High football team may not have ended the 1955 season with an impressive string of victories, but in terms of sportsmanship, the 1955 season was a success. The Boone team's losses were mainly based on injuries. At the time of the Boone-Ames game four regulars were injured. Many times the expert coaching of Jim McLeran paid off, as in the Grinnell Game. The Toreadors stopped a terrific drive to defeat Marshalltown 7-0.

Everyone agrees that this was not the best season for the Toreadors, but Boone has potentialities for a great team next year.

Coach Clifton's Toreadors started the 1955-56 basketball season off with a bang by winning their first three games. Then came a losing streak of four. To break this streak they beat D. M. Tech and Denison and nearly won the Grinnell game but lost out in overtime. After then losing five games, they whipped into Oskaloosa and succeeded in winning that game. The boys then went to district play and showed that they had what it takes by winning both of their district games. This made them eligible for the sectionals. They were paired with North, a tough team from Des Moines, whom the Toreadors had beaten once before by only two points. After decisively winning this game, they were to play Ames, their long-time rival. This game was probably the most heartbreaking game of the season for the squad. After playing a beautiful game in both offense and defense, the score was Ames—55, Boone—53.

The school spirit was really lifted in these last four games and when it came time for the Boone-Ames battle, there were 1,100 fans in the Iowa State Armory to cheer the Toreadors on. The students formed a snake dance all around the floor while the two teams were warming up. They shouted and cheered for their team loud enough to prove that win or lose, they will still stay behind them all the way.

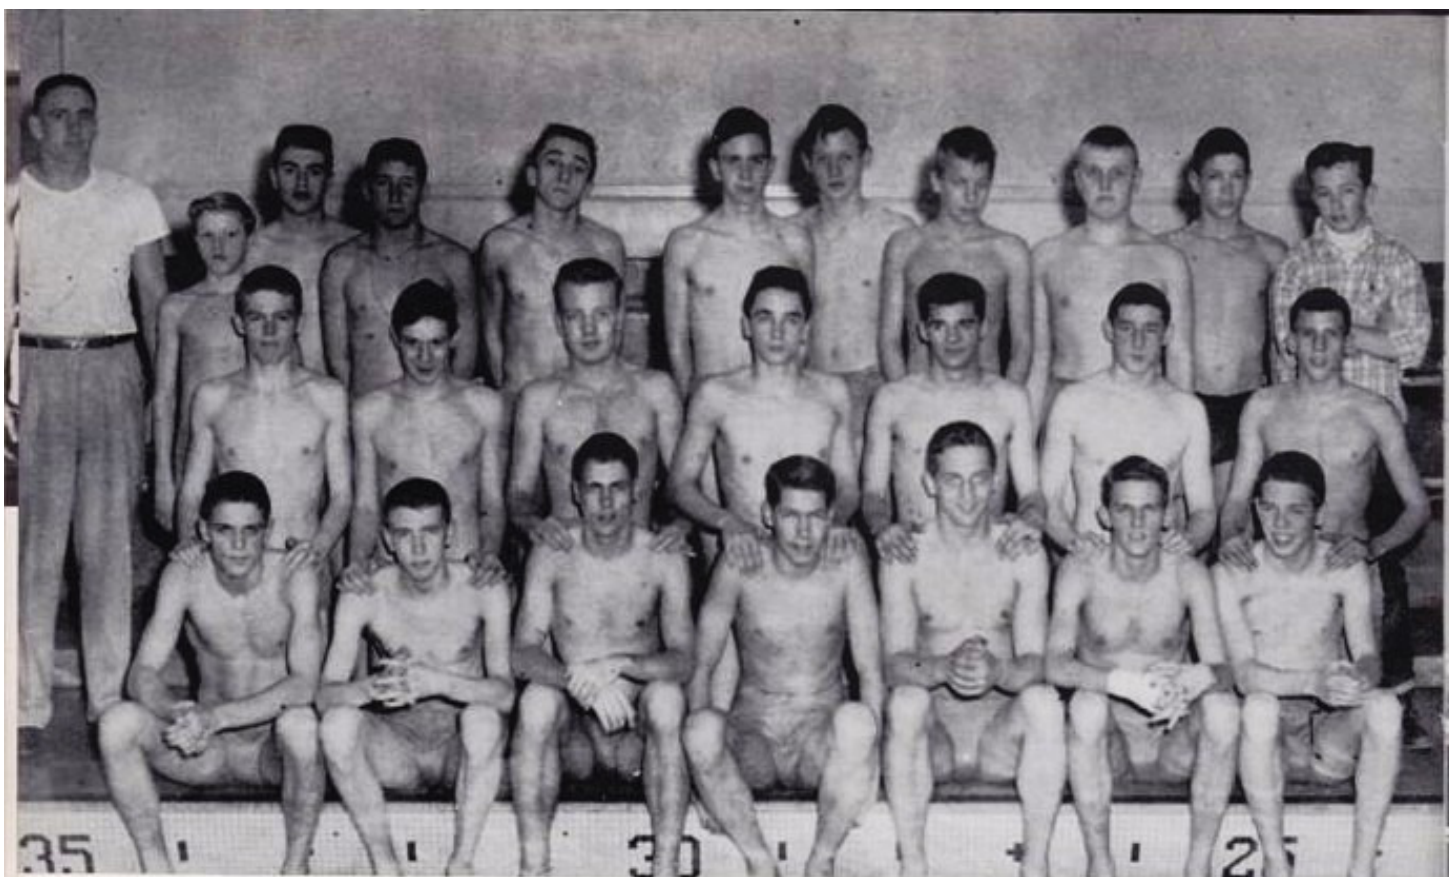

The sophomore team ended up with a record of 9-6. Two of the sophomore boys were promoted to the varsity squad at the beginning of the year. These were Jack Langmade and Bob Musser. Rod Von Krog, another sophomore, was put on the varsity team for the district and sectional games.

Coaches Clifton and McIntyre are to be commended for their fine work this year.

## Swimming

This year's swimming team is the best that Boone High School has had in five years. After winning four meets and losing six, the swimming team closed the season by placing eighth in the state. It should be noted that under Coach Brookhart's capable leadership, five meet records were set by the team.

Four seniors—Jim Lawless, Wallace Arringdale, Tom Reed, and Jim Miller—were on the team this year.

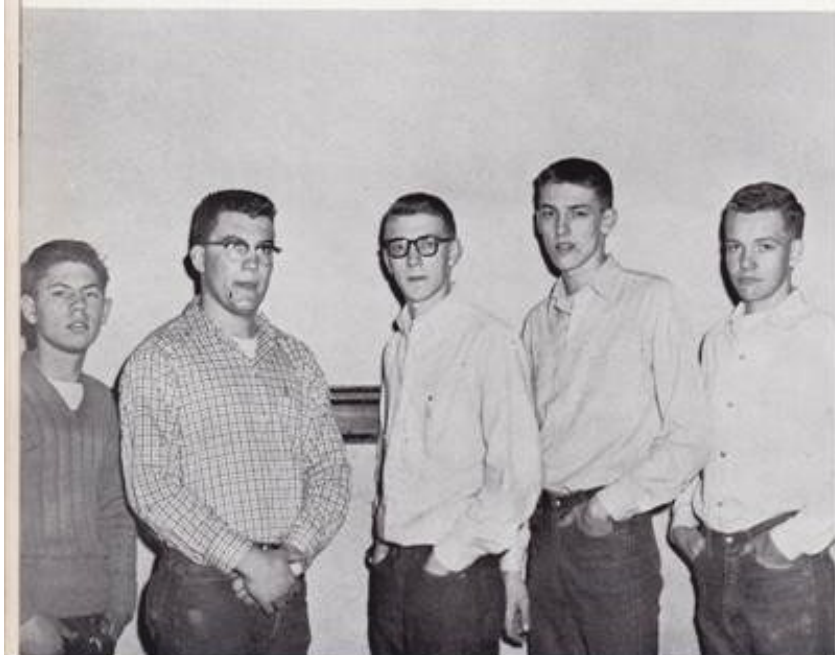

Wally Arringdale and Tony Williams were the top divers this year. Dave Nelson and Tom Reed accumulated the greatest number of points.

## Track

Boone High boys who like to run, jump, or throw usually satisfy their desires by becoming members of the track team. The team has made excellent showings in previous years and look for the same results this year. Pictured at the left is the beautiful Boone High track.

## Golf

Fast becoming a quite prominent spring sport at Boone High is golf, and Boone High boasts a fine group of young golfers. With most of the team returning this year, they are expected to continue their fine record. Pictured at left are Coach Lovin and the returning lettermen for this year.

## Tennis

The word "love" is usually associated with the spring time and can be heard quite often around Boone when the Boone High Tennis team goes into action. Although tennis is just in its infancy at Boone High, the team last year made a fine showing and expects even more possibilities this year. Pictured at the left are the team and Coach Hokanson.

First row, left to right: Sandy Hick, Joan Cornelius, Jackie Conn, "Romey" Chance, Ann Clausen. Second row: Karen Mustapha, Etta Mae Grady, Priscilla Chinstedt, Karen Dutton, Rita Howard, Betty Lincoln, Manager. Back row: Mr. Lovin, Sue Peterson, and Delores Deal. Not pictured are Marie Roby and Hazel Deal.

## Girls' Basketball

The B.H.S. Toreadorettes ended their season with a record of 8 wins and 7 losses. They won their first seven games then lost five. Two of these losing games were really heartbreakers. The United Community game ran into overtime with United Community winning 51 to 49. The score of the Bayard game ended 55 to 54. Some close ones were won also. The scores of the Rockwell City and Jewell games were 40 to 39 and 32 to 31 respectively.

Girls receiving letters this year were "Romey" Chance, Joan Cornelius, Jackie Conn, Ann Clausen, Sandy Hick, Marie Roby (who had enough credits to graduate in January, but got her letter), Hazel Deal, Rita Howard, Etta Grady, and Karen Mustapha.
