

BOONE HIGH SCHOOL

CLASS of 1960

50 YEAR REUNION

Boone High School Class of 1960 50 Year Reunion Weekend Activities

Thursday, June 17, 2010

5:00 p.m.

Location: Boone County Historical Center (former Masonic Temple),
602 Story Street

Tour historical displays

Group Photo about 5:45 p.m.

About 6:00 we will head up the street to the Gigglin' Goat Restaurant (former Fareway building). They have a nice bar area and we can spend informal time together – dinner and drinks on our own.

Friday, June 18, 2010

6:00 p.m.

Location: Tic-Toc Restaurant

We will continue our tradition of meeting at the Tic-Toc Restaurant. Drinks and dinner will be on your own. We'll start at 6:00 p.m. until closing.

Group Photo about 7:30 p.m.

Saturday Morning, June 19, 2010

9:00 a.m.

Location: Tom & Sandy Rose Picnic Area, 910 S. Division St.
(1.1 miles south of Mamie Eisenhower on Division)

Coffee, Milk, Juice and Rolls furnished
(Cost included in registration fee)

Saturday Afternoon, June 19, 2010

1:30 p.m.

Tour of Boone Middle School, 1640 1st Street

Saturday Evening, June 19, 2010

6:00 p.m.

Location: Cedar Pointe Golf Course (former Boone Country Club)
601 S. Cedar Street

Social Hour: 6:00-7:15 p.m.

Official Reunion Photo: 6:45
(cost not included, order from photographer)

Catered Dinner: 7:15 p.m.

Sunday Morning, June 20, 2010

11:00 a.m.

Location: Joe & Judy Russell Home, 849 P Avenue
(½ mile north of 22nd Street and Linn Street)

Brief Memorial Service led by Don Riemenscheider with remembrances by all

Special Recognition

We would like to take this opportunity to recognize the extra efforts made by the following people to make this fiftieth class reunion a special occasion. Please thank the following for their special care and time spent:

- Phill and Maggie Sherbon for their countless hours receiving and formatting the pages of this book. We're sure Phill had no idea what he was getting into when he volunteered for this job.
- Jerry Platter for his patience in working with us and for printing this book.
- Sandy Keech Madden for the poem that begins this book.
- Tom and Sandi Rose for hosting the Saturday breakfast at their lovely picnic area.
- Jim Veale for researching and putting together his slide show presentation.
- Steve and Lynne Miller for the Class of 1960 sign.
- Dixie Enslow Francis for being master of ceremonies at the Saturday night dinner.
- Don Riemenscheider for speaking at our Memorial Service.
- Linda Berglund Calonkey and Carolyn Morris Appenzeller for keeping track of this class. Remember to send any changes to them.

Finally, thanks to everyone on the committee for the time and effort to make this event possible.

**THE FACES OF THE CLASS OF "60" ARE IN THIS BOOK,
SET BACK, RELAX, AND TAKE A GOOD LOOK.**

**LOTS OF YEARS HAVE COME AND GONE,
MANY OF US, STILL GOING STRONG.**

**WE MISS THOSE WHO ARE NO LONGER HERE,
AND ALL OF THEM, WE HOLD VERY DEAR,**

**GOD WANTED THEM AND TOOK THEM AWAY,
AND BECAUSE OF THAT WE JUST WANT TO SAY,**

**THE CLASS OF "60" IS 50 YEARS OLD,
AND READY FOR ANOTHER, SO I'M TOLD.**

written by

Sandy (Keech) Madden   

Gail Adams Whitten

Address: 178 Rainbow Drive #7821 – Livingston, TX 77399-1078

Upon graduation, I attended Broadlawns School of Nursing & worked in Des Moines area hospitals for 20 years. In 1984, I worked as Public Health Nurse for Marion County. I took early retirement due to multiple sclerosis.

In 1989, I married Bill Whitten, an attorney for the State of Iowa. Upon his retirement in 1992, we sold our home and started traveling. We have traveled the 49 states, Canada, Australia, New Zealand and South Africa.

Presently we live full-time in a motor home; spending winters in Corpus Christi, Texas and summers in Iowa.

We have 3 daughters, 2 sons and 8 grand children.

In winters, I usually make quilts. This winter, time was spent getting treatment for breast cancer. All is going well and I am back to the golf course.

Karen Anderson Lind

Address: 1116 Linn Street – Boone, IA 50036-2211
Email: sassyme62@hotmail.com

After graduating from Boone High in 1960, I attended Boone Junior College for one year and then married Jim Lind on June 18, 1961. The fun part of our marriage has been that we share the same birthday, April 19, although, he is a little older than I am. For the first five months of our marriage we lived in Webster City, Iowa, at which time, Jim accepted a job back in Boone at Arnold Motor Supply. He worked in Boone and Ames for the next 35 years as a machinist. During this time, I was a stay-at-home wife/mother, “enjoying” time babysitting and teaching piano lessons.

We raised our three children: Lisa Jo, who is now married to a local boy whom she had dated throughout high school, college, and during his law school years (10). They now live in Cedar Rapids, Iowa and have two beautiful children: Ryan who has just finished his first year at Iowa State University and Krista, who will be a junior in the fall at John F. Kennedy High School; Jeff is our second child who has a degree in music performance and works as a business software technician. He married a girl from Decorah, who was a work associate. They live in Des Moines where Jeff supplements their income by filling in many of the traveling Broadway shows that appear in Des Moines. Frequently, he accompanies the local presentations at the Des Moines Playhouse as well as other local events. Our youngest, Steve is single, lives in Ames, and works at Lowes Home Improvement Center. When Steve was a senior in high school, I decided to go back to Des Moines Area Community College.

I enrolled in a three-semester Administrative Assistant program, but at the end of the second semester, I was offered a full-time job at Iowa State University. Since that was my career goal, I accepted the job and enjoyed twenty-three years of employment. I retired from the university on Jan. 29, 2010.

Rosalie Anderson Carlson

Address: 19680 Waterford Court – Shorewood, MN 55331-7025
Email: carlson.rosalie@gmail.com

In the fall after our Boone High School Graduation, I went to Swedish Covenant Hospital School of Nursing in Chicago where I earned a diploma in nursing. During my second year at Swedish Covenant, I, along with several others in my class, played in the Band at North Park College, where we also took some of our classes. And, that is where I met Paul Carlson. The following year, after Paul had graduated from North Park and I had graduated from Swedish Covenant, we were married.

After Paul's first year of teaching music in Ogilvie, Minnesota, we moved to Minneapolis where Paul did graduate work in music education and I worked as a staff nurse at Swedish Hospital. Our son Jonathan was born in August of 1965. Paul accepted a band teaching job and we moved from Minneapolis to Kimball, MN where we lived for three years.

Our daughter Kristen was born in July of 1968. Paul accepted a music teaching job in Robbinsdale Schools and we moved back to the Minneapolis area in August, 1968. We enjoyed being in the Robbinsdale area. Eventually I worked part time at North Memorial Medical Center, first in the critical care unit and, after about five years, in the post anesthesia care unit.

When Kristen started school, I returned to school and completed a Baccalaureate Degree in Nursing. The BSN degree opened new opportunities and I accepted a position of Resource Educator at North Memorial in 1979 and continued working in staff development until retiring more than a year ago. Paul continued teaching in Robbinsdale Schools until his retirement. Paul **also completed training for piano tuning and enjoyed being part of the Piano Technician's Guild** and tuning pianos throughout the Minneapolis area, especially during the summer months.

In 1994, we moved from Golden Valley to a town home in Shorewood, MN, between Lake Minnetonka and Christmas Lake. We enjoyed our new home very much.

It was very difficult, in February 2004, to learn that Paul had a brain tumor, the most aggressive of brain tumors. He died in less than two months since learning his diagnosis. I miss him **terribly. At the same time, I'm very thankful for the forty years we had together. He was a great husband and dad.** Paul was the oldest of seven children and I still have his brothers and sisters and their families and that is a blessing.

God is good. Jonathan and his wife, Deb, and three boys live in Edina and Kristen and her husband, Mark, **and two daughters live in Dayton, Ohio. As you can imagine, I'm enjoying the grandchildren and beginning to understand when retirees have said, "How did we ever have time to work?"**

ISU years

On January 25, 1963, my brother Robert was killed in an accident at the Archway Cookie Company in Boone. His death took a toll on the family; my mother lived 45 more years with unending grief, and died on January 24, 2008. I attended Robert's 45th BHS reunion, where many of his classmates shared their memories of Robert.

Teaching years

With a degree in math from ISU, I taught middle and high school math for 4 years.

Marriage and family

I married Jack Battey, an ISU engineer, in June of 1966. We have 3 sons; Robert and David were born in Cedar Rapids, IA (where we lived for 5 years) and Peter in Grand Rapids, MI, where we've lived for 38 years. All three sons have BS and MS degrees in Mechanical Engineering/Engineering Management, and work at Steelcase, Inc., the largest manufacturer of office furniture in the world. Pete was elected to the Kentwood School Board this May, Dave is active as an adult Sunday School teacher, and Bob handles the Tuesday lunch duty at his kids' charter school (they eat their lunch in the classroom). Our first grandchild was a girl, followed by four boys (see photos); they all like donuts, the local dime store, and trips to the Lake Michigan beach at Saugatuck.

Retirement and Hobbies

I enjoy church work: funeral food preparation, Messenger mailing, ushering, Prayers of the People, communion preparation, hosting coffee hour, plus circle and book club. We enjoy boating on Michigan inland lakes and travel to the American west (twice a year for 10 years), with hiking as our favorite activity. We enjoyed London last year, and will see Germany, Italy, Austria, and Czech Republic this summer. I also enjoy shopping at thrift stores for jewelry and clothes for the grandkids.

Marlene Bancroft

Address: 907 7th Ave SE Unit 7 – Altoona, Iowa 50009-2119

After graduation I entered the U. S. Air Force. After basic training, I was assigned to the USAF Hospital in Montgomery, Alabama, from 1961 to 1964. I saw a lot of history taking place in the Civil Rights Movement.

In 1964, I returned to Iowa and got a job at Globe Machinery. I stayed with them two years and then moved on to Butler Paper (now Unisource). I stayed there for 29½ years until my job went to St. Louis, but I didn't want to leave Des Moines.

For the next five years, I worked in the Inventory Control Department at the Field Paper Company. During this time, I had the same job and I worked closely with our customers.

In 2004 I retired and have loved every minute of my retirement.

I have spent winters in Garden, Florida with my sister who has a second home there. We were really glad to be in Florida this winter!

In 2006, I purchased my first home after renting all those years.

I bought a Condo in Altoona, Iowa and I am so glad to have such a nice home and such great neighbors.

For over 25 years, I spent a weekend helping at the Variety Club at the telethon. What a good time for great charity.

Bonnie Bass Jacobson

1421 Marcella Street – Albuquerque, NM 87112-4417
Email: bljalbuq@hotmail.com

Steven and I moved to Albuquerque, New Mexico in 1979. Steven became a business partner with three other men at New Mexico Coins Inc. Steven became the owner in 2004 after the other three retired.

We have 2 children. Michele is married to Pete Konigsberg and they have three boys Ian (4), Logan (3) and Ben (1).

Michele graduated from University College of Nursing but now she is a stay at home mom. Pete is a Family Practice Doctor.

Chris and his wife Casey have two children; Owen (6) and Katie is (3). Chris is an Albuquerque police officer and Casey is a Detective for the Bernalillo County Sherriff's Department.

Besides working and doing coin shows, we enjoy spending time with our grandchildren who all live here. They keep us very busy...lots of overnights!!!

Keith Bass

Address: 309 2nd Street – Boone, IA 50036-3475

I have been spending my time going to Flea Markets, Garage Sales and House Auctions.

Visiting my son and family in Kentucky.

Also, a lot of walking and ridding my bicycle.

Sincerely,

Keith

Linda Berglund Calonkey

Address: 2800 E Orchard PI #203 - Sioux Falls, S.D. 57103-7165
Email: sneakers_61@yahoo.com

After graduation I worked for Archway Cookie Co., in Boone, as a secretary.

I met my husband, Henry Calonkey in 1960. We were married December 25, 1963. We returned to Canoga Park, CA, where Henry employed by Rocketdyne. We later moved back to Iowa.

In 1966 Henry was drafted, while finishing his degree at Iowa State University. He served just over a year in Vietnam and received an early out in August 1968 to finish his degree in Industrial Education.

We were blessed with two beautiful children; Susan in 1969 and Henry in 1974. Both are married and I have two beautiful granddaughters. Susan and Ben have Morgan, almost 16 and Henry and Alesha have Addison, 2½. Both families are in Boone.

I was a stay at home mom when the children were young. We spent some time in Saudi Arabia, over 27 years ago. Henry worked for Saudi Airlines. This was a wonderful experience for the family.

Henry and I divorced in 1996, but remain friends.

I retired in 2006 after working for Wal-Mart, 16 years, 8 months and 2 days. Retirement was great and I never got bored and the days went by so fast. I decided to go back to work part-time at Wal-Mart and I'm enjoying it. Gene was going to retire in January after 39 years at Nash Finch and was going to work part-time, so I figured I might as well work part-time. He's working part-time at Hy-Vee.

I'm now living in Sioux Falls, South Dakota. I met Gene Heinz over three years ago. I couldn't be happier!

I make frequent trips to Boone to visit family and friends, which I miss deeply. Also miss having coffee with friends.

Brad Beckett

Address: 790 Nature Road – Boone, IA 50036-7287

I went to Boone Junior College but I liked farming better.

I married Pamela Pritchard in 1961 and was married for 41 years until her death.

Pam and I farmed 400 acres & I worked full time at ISU at a hog farm in Madrid.

We raised hogs and 100 feeder cattle for five years.

Then raised quarter horses showing in 8 states.

After getting 45 years at Iowa State University, I retired.

I had three boys, oldest dying in corn crib accident at eleven years old.

Middle son was paralyzed from waist down from a fall.

The youngest son Blake lives next door south of the big house. He gave me three wonderful granddaughters.

After retirement, I hauled grain for West Control at Jefferson, Woodward and Boone.

Later I married a 1959 graduate from Boone, Carolee Varak Knudsen.

Thomas Blumberg

Address: 114 Oxford Drive #11 – Branson, MO 65616-3862

Email: tblumberg300@centurytel.net

After graduation I enlisted in the U.S. Navy in June and served in the South Pacific based in Japan from 1961 to June of 1964. I was a Radar man and visited many interesting places including Australia and Singapore. While in the Navy I became interested in computers and upon discharge I attended computer school in Kansas City in 1965.

In early 1966 I went to work for the Iowa Des Moines National Bank in Des Moines in their new computer department. The bank was owned by North West Bank Corporation out of Minneapolis and in the fall of 1967 I was transferred to the main office in Minneapolis. I worked there as a computer programmer and Systems Analyst until 1976 when I married Susan Lund and moved to Lake City, Minnesota where I opened a bar and restaurant, Mr. T's, on Lake Pepin. I operated the restaurant until 1979 when I became the Director of Tourism for the Twelve Southeastern Minnesota counties called Hiawathaland. I served on several state commissions to promote tourism in Minnesota over the next 8 years. During this time we had two children, Laura and Michael.

I became interested in motor coach tours while in tourism and started doing escorted motor coach, Fly/Coach and international tours in 1987. In 1990 we moved on with our separate lives and I moved to Minneapolis and worked for tour companies over the next few years. Currently and for past 12 years I have been employed by Tourco's Firstline Tours as their Vice President of Operations planning, organizing and booking all the attractions and hotels as well as doing the routing and timing of all motor coaches across the United States and Canada.

In 1998 I met Carole Andersen from Faribault, Minnesota and we realized that we enjoyed many of the same things, especially travel. After a few years together we decided to marry and have lived in Prescott, Arizona for 6 years and are currently living in Branson, Missouri.

As I have always enjoyed working with people and started bartending back in 1976, I have continued to do that a few nights a week over the past 30 years. Currently I am bartending at the Clarion Hotel in Buckingham's Restaurant and Oasis Lounge in Branson and continue to do tours for Tourco's Firstline Tours. If any of you are ever in Branson, be sure and give me a call or stop by Buckingham's and say "Hi".

Mary Jo Caldwell Duffy and Family -- Tim, Kelly, Jay, Debbie & Pat

Address: 9 Sunrise Point Lane - Lake Wylie, S.C. 29710-9256

Email: patandjo65@hotmail.com

This is very interesting -- going back and recalling where you have been in the last 50 years. It is quite a task making a long story short but I will do my best.

After College -- Drake and TCU, Pat Duffy (Sacred Heart class of '60) and I were married at St. Andrews Catholic Church in Fort Worth, Texas June 1, 1965. We lived in Cedar Falls a short time before moving to Elgin, Illinois where we both taught school. From there we moved to Des Moines when Pat took a job with Meredith Corp. and I taught in West Des Moines. After just one year Pat took the opportunity to work for Meredith's printing division in New York City and we lived in New Canaan, CT. I taught until our first son Jay was born in 1972. Our #2 son, Tim, arrived 20 months later. We then built and moved into our first home in Southport, CT in 1975.

It was a wonderful 16 years on the east coast. We took advantage of all NYC had to offer and everything else from Washington DC to Cape Cod -- from Long Island Sound to snow skiing in Vermont. Then in 1986 we moved back to Des Moines with Meredith and we loved being back close to family. Our boys went to Dowling HS. Jay graduated, but Tim took his Sr. year in suburban Chicago. Meredith/Burda was acquired by R.R. Donnelly and we moved to N. Barrington, IL. 5 yrs later we took the opportunity to move to Charlotte, NC. Jay was in Xavier grad school, Tim was at Syracuse and Pat took a position with Bowater Paper Co. and we were once again in orientation for our newest city.

We love the Charlotte area -- especially the weather -- and the friendly people are just like Iowans. We are now all settled here. The boys both live and work in Charlotte and when Pat decided to retire, we built our home on the lake in Lake Wylie, SC -- across the bridge from Charlotte -- and it has been a great gathering place. We had all the Duffy's here last 4th of July and would welcome anyone who comes this way.

I am most grateful for growing up in Boone and been given the values we all so appreciate and we feel very lucky that we have had the opportunity to live different places, travel, meet so many people and make such great friends and keep the old. Wow! 50 years!

Clymer, John

Address: 2188 N 160th St – Boone, IA 50036-7404
Email: jclymer@fullerton.edu

After graduation from Boone High, I attended Iowa State University (ISU) from fall 1960 until spring 1966, receiving a BS (1964) and MS (1966) in electrical engineering. At the initial freshman assembly at ISU there were 330 smiling, expectant faces; however, four years later, 90 were left to graduate.

As I neared the end of my time at ISU, I began the interviewing process. It was a particularly crappy March that year, cold and freezing rain (the usual), when I arrived in Phoenix Arizona to visit GE computers. I got off the plane and it was 85 degrees, sun shining, green grass, and palm trees swaying in the balmy breeze. I decided to take whatever job GE offered including janitor. It turned out GE was a really good company and I learned a lot there, including earning a PhD in EE at Arizona State University (ASU) in May 1971.

During my PhD research (1966-1971), I began development of Operational Evaluation Modeling (OpEM) that is a graphical language based on parallel processing language concepts and mathematical linguistics in order to be able to model concurrent process interactions and multiple instantiation of parallel threads. This language was first described in my **1971 PhD dissertation, “A Top-Down Analysis Technique for Parallel Systems Using Continuous Time Markov Models.” Subsequently, the language notation was converted to its present graphical form** in 1975 to make it more intelligible to general audiences.

Models based on the OpEM graphical language have been successfully used for 40+ years in industry, government, and academe to perform operational modeling of complex systems. Early simulation models (1975-1988) were developed by using the OpEM FORTRAN programming system that I develop while working as a US Navy weapons systems analyst. During this time, US Navy destroyers, carrier battle groups, and the Trident Submarine simulations were developed by me and my project team in order to evaluate combat system effectiveness.

Next, models were developed using the OpEM Pascal Programming system (1982-1996) developed by myself and my Rockwell mission analysis team. Some of OpEM Pascal models included a Sonar Array System model. The OpEM Pascal Simulation Programming System was transformed into the ExtendSim (Imagine That Inc.) graphical simulation format starting in 1996. I published in spring 2009 a **Wiley Interscience textbook “Simulation-Based Engineering of Complex Systems”** that discusses many ExtendSim models.

I started teaching part time 1976 for Chapman College and full time in 1982 for California State University Fullerton. **Since teacher’s pay is not** near enough to live in So Cal, I always had a part job or consulting gig to make ends meet. I worked for Rockwell International and Raytheon to mention two of them.

I married Nancy Wikre in March 1964; we had three children (Dawn, Valerie, Tanya); and we were divorced in 1975. Subsequently, I met and married the true love of my life, **Dorothea Bedinger Walker. Dea’s 5 kids plus my 3 plus 1 grandchild we raised resulted in an interesting life together (Chinese curse “May you live in interesting times”).** We both love classical music; opera, books and reading, and we have never stopped talking about everything. These days we garden, do genealogy, make quilts, read, and otherwise hang **out at Border’s**.

Last summer Dorothea and I moved back to Clymer Meadows, a 10.3 acre farm near Ames in Boone County. I am an affiliate professor of Aerospace Engineering at ISU, and I will teach a few systems engineering classes at ISU starting next fall. Sometime it seems my story has come full circle back to the beginning.

Sharon M Cole

Address: 309 17th Street – Boone, IA 50036-1114
Email: spcole@mchsi.com

After graduation, I enjoyed the summer and then looked for employment in the fall.

I started with a Real Estate and Insurance company in Boone. Then I went to Iowa State where I worked in the 4-H Extension office and later in the Forestry Department for seven years. It was a fun job, working for professors and undergraduate students.

But I decided I better get a job that offered good benefits and a good financial future.

I moved to Des Moines and worked for Northwestern Bell Telephone Company for 26 years in various departments and surrounding areas in Des Moines.

My last location was downtown Des Moines which I enjoyed the most. I ended up retiring from U S West in 1997.

I made many friends there and really liked living in Des Moines.

In 1998 we moved back to Boone to be near our sister to enjoy family and friends in Boone.

I have thoroughly enjoyed retirement life even though I survived two cases of stage 4 cancer (nine years apart). I am grateful to still be here, enjoying my life.

Mickey Cornelius

Address: 39270 Pike Rd 202 - Annada, MO 63330

Email: mkcorn@earthlink.net

After graduating from Boone High, I attended aeromechanics' school and US Trade School in Kansas City, MO. When school was finished, I returned to Boone and worked for Price Motors, Reynoldson Marine, and operated the 22nd Street DX gas station.

I began working for the City of Boone in 1966 in the Maintenance Department and worked there for 33 years until retirement.

I was married to Janet Carter (a 1959 BHS graduate) and have 3 children, Tony, age 47, Matt, age 45 and Mikki, age 38, as well as 6 grandchildren.

I remarried in 1993 and my wife, Kathi (Aitchison) (a 1962 BHS graduate) has 2 children, 3 grandchildren and 1 great-granddaughter.

In 2005 we moved to Missouri along the Mississippi River and are enjoying life here, fishing and boating, in spite of occasional flood waters.

We make the trip back to Boone occasionally, but will not be able to attend the reunion this year due to prior commitments.

Delores Craven Davis

Address: 1243 Crescent Drive - Council Bluffs, IA 51503-1340

Email: dodeedavis@cox.net

Immediately after graduation from high school, I started my first "real job" with the Iowa Department of Public Instruction in Des Moines and soon thereafter married Ron Davis who was employed with the Iowa State Highway Commission in Ames. Soon our first son, Troy, was born and Ron took a job with the Montgomery County Engineer, and we moved to Red Oak, Iowa where our second son, Adam, and only daughter, Rebecca, were born. A few years later, Ron took a position with Abild Engineering in Atlantic, Iowa where the kiddies grew up and excelled in sports and smarts, and where I went to work for the local newspaper.

The lawsuit that resulted from the wrongful death of my father in 1968 sparked what became for me a lifetime interest in the law and how it works (and sometimes doesn't work.) While employed for the newspaper, the local County Attorney ran an ad for office help and I "talked" my way into the job. It was he and the lawsuit attorney (who, by the way, later became the Chief Justice of the Iowa Supreme Court, Louis A. Lavarato) who encouraged me to further my education for accreditation as a paralegal/legal assistant. That I did, and here I am. After nearly seven years, the lawsuit was successful and Craven vs. Oggero became and remains Iowa case law.

After graduating from high school in Atlantic, the oldest son went on to Simpson College at Indianola on a baseball scholarship. The second son earned a wrestling scholarship to UNI but as a high school senior, was seriously injured at the Iowa State Wrestling Tournament. He started college at Ellsworth College but when it became apparent his injury was permanent, he transferred to Northwest Missouri State University at Maryville, Missouri. Our daughter graduated from high school in 1982, after which she and I moved to Council Bluffs where she attended college for computer science and where I started my present position. I am still employed full-time with the same attorney, and thoroughly enjoy what I do. Although there are times I could definitely use a retreat, I have no immediate plans to retire.

Both sons remain unmarried, live in Aubrey, TX near their father and work with/for his company in the Dallas area. Our daughter is married, and she and her husband live in Council Bluffs and have blessed me with two adorable granddaughters who are as beautiful on the inside as outside. The oldest attends Bellevue University on softball and scholastic scholarships and graduates with a B.S. degree in accounting/business administration this Spring. The youngest has earned her CNA certificate as a part of the honors program and was been accepted and is in her first year of nursing school working toward an R.N. degree specializing in children's oncology.

I enjoy downhill skiing and have skied the mountains of Montana, Utah and Colorado and for many years until last summer, vacationed in northern Minnesota and Canada. If ever I do retire, it will be to the mountains of Montana, for sure! A few of my hobbies include collecting Lenox fine porcelain bird and wildlife sculptures and enjoying the wildlife from my deck, as well as entertaining my "puppy", Chloe, who hasn't learned any tricks yet so won't be running away to join the circus anytime soon! Aside from work, I remain actively involved with my family, especially my granddaughters and their activities, as well as in political issues and activities related to youth groups at church and the state and national paralegal associations.

In closing, a special "Thank You" to all who worked so diligently in organizing our 50th class reunion, and I look forward to seeing all of my former classmates from Boone High in June. Dee Davis (Delores Craven Davis)

Gene Davidson

Address: 31184 N. Cactus Dr. - Queen Creek, Az. 85243-7234

After graduation I worked at various companies as a machinist and toolmaker. I married my wife, Connie in 1965. We have a son and a daughter and four Grandchildren. My wife was a homemaker until shortly before we moved to Colorado in August 1979 when she started working in the dietary department at the Boone Hospital.

After we moved to Colorado I worked as a toolmaker for Hach Co. and Connie worked at McKee Medical Center in Loveland. Our son lives in Arizona and works for Intel Corp. His wife works for a hospital insurance co. They have a son and a daughter. Our daughter lives in Northern California. Her husband has his own business as a painting contractor. Our daughter is a housewife. They have a daughter and a son. We have always enjoyed traveling and camping. We had camped from coast to coast in a tent by the time our daughter was in 1st grade. In May of 1997, we sold our house and became full time R. V.ers. Since that time we have traveled approximately 300,000 thousand miles. Before we quit working we vacationed in the Bahamas and Cabo San Lucas and I took two fishing trips to northern Saskatchewan. We love this lifestyle and meet a lot of very interesting people.

We hope to drive the Alcan Highway in the near future. We enjoy being outdoors, fishing, hiking and sightseeing. I enjoy sampling wine at wineries and beer at microbreweries. Connie doesn't drink so she is my designated driver. We also enjoy the many fine restaurants around the country.

Where to begin? As some of you know, I met my best friend and the love of my life at a birthday party for Joanie Welch the summer between 8th and 9th grades. Several of us girls were celebrating her birthday, dancing in front of the big picture window with the Welch Photography spot light shining on it. I remember Linda Berglund, Sandy Hartman, and Sharon Williams were there too. We noticed a car of boys driving around the block and after they had circled several times, we went out to see who it was. It was a carload of kids from Jefferson and we invited them in to dance; I was attracted to this tall, lanky blonde guy . . . **and as they say, "the rest is history"**. We dated through the high school years and Ted and I were married in September 1960, just a few months after high school graduation. My life goals were:

1. To have a happy marriage,
2. Raise a healthy, happy family,
3. See the mountains and the oceans (being a flatlander Iowa girl with a bit of the wanderlust (who had never been out of the State); and . . .
4. Enjoy a successful career.

THE MARRIAGE AND FAMILY . . . Not only is this the 50th class reunion of the class of 1960, it will also be the 50th anniversary of my marriage to Ted Webb. We are the parents of four wonderful children (2 girls, 2 boys) and eight grandchildren (4 girls, 4 boys) . . . and they all reside in the Norwalk/**Des Moines area**. It's great to see the grandkids grow up and be able to attend all their sporting and dance events. In the early years of our marriage we took our kids tent camping every summer; to the national parks and they experienced the mountains and oceans with me. (I became a great cook over the campfire . . . Girl Scout training very handy)!

THE CAREER . . . While Ted attended college at Drake University, I began my career in the insurance industry as a secretary at Blue Cross and Blue Shield where I worked for several years. (I knew those office practice courses I took from Miss Plum and Mr. Riemenschneider would pay off some day). Later I was hired as Corporate Secretary and Assistant to the President of a Life Insurance & Financial Planning Brokerage firm in West Des Moines (Brokers Clearing House, Ltd.) I worked my way up through the firm and was promoted to Executive Vice President. After 27 exciting years, I retired from the firm on December 31, 2009.

THE WANDERLUST . . . Although I enjoy the life of a small-town girl, Ted and I share the **"wanderlust"** and we have traveled the world (far beyond my dreams of seeing the mountains and oceans.) We have visited over 50 countries; north, south, east and west, circling the globe. It has been our passion to see the world, meet the people, and experience other cultures. We have climbed Machu Pichu and the Gate of the Sun in Peru, climbed the Pyramids in Egypt, climbed the Great Wall in China, stood in awe viewing the Taj Mahal in India, visited the Holy Land in Israel; and Petra in Jordan, cruised the Amazon River in South America, the Yangtze River in China and the Nile River in Egypt, and snorkeled the Great Barrier Reef in Australia . . . **AND WE'RE NOT STOPPING NOW!** MORE LIFE TO LIVE . . . MORE WORLDS TO SEE!

LIFE IS A BOLD ADVENTURE!

Mary Lou Dean Hall

Address: 1110 South Marshall Street #101 – Boone, Iowa 50036-5372

After graduation I worked for the Boone County Credit Bureau and Hawkeye Savings and Loan.

In 1964 I married Paul Hall. Paul was a bricklayer and owned his own Masonry Business, building homes and fireplaces. For ourselves we built two homes and two log homes in Ogden. Paul passed away of cancer December 2009.

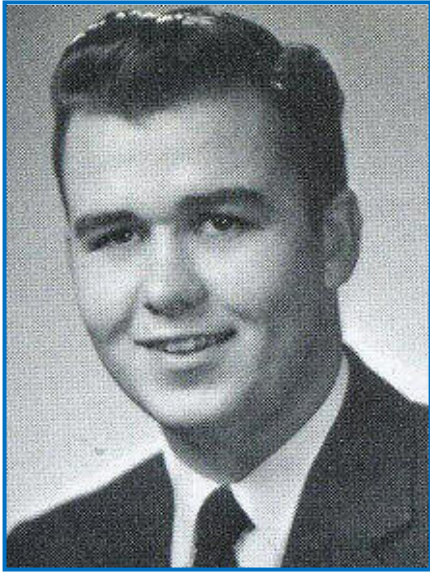

I also worked at the Boone Blank Company and George A. Rolfes Company until they closed.

I am currently working as Office Manager for the Boucher Masonry Contracting who are also bricklayers and cover the central Iowa area, building commercial buildings.

Since my husband's death, I now live in Boone.

Looking forward to the Big 50th Class Reunion in June.

Robert E. Dutton

Address: PO Box 18506 West St - St Paul, MN 55118-1624
Email: rdutton118@aol.com

First 18 years I lived in Boone. Upon graduation I moved to St. Paul, MN to attend what is now called Crown College. While in College, I married Sandra Tonsfeldt from Ogden, IA. I Graduated in 1967.

To our union three children were born. Lisa now lives in Rockford MN. Paul, who now lives in Bozeman MT. David now lives in Cottentown, TN.

For the next 20 years we spend in the Ministry. We had parishes in York, ND, Lyle, MN and St Peter, MN. Sandi and I divorced in 1989 and I spent the next 20 years selling cars at three different dealerships in the Twin Cities Area. Since retiring I have worked as a security guard at a large Auction for cars in Shakopee MN.

I have five grandchildren, one boy and four girls, all Lisa's children.

I have been gone from Boone since 1960 and have lived and traveled to many places in USA, Canada and Africa.

Boone and Iowa will always have a special place in my heart. Life has been full of many joys and a few sorrows but, the God I chose to serve as an 8 year old boy is as real to me as at the beginning. Even though, I have often failed Him. He has never failed me. He has been good to me and my family and I want to praise Him for His Love and Mercy.

Off to Upper Iowa to play basketball and baseball for the Peacocks and a degree in mathematics. I was able to start all four years in buckets and two years in baseball, making all-conference twice in each.

I married Jean Tucker of West Branch upon graduation and we had two children; a daughter Jackie and a son Jay. I took my first job at little Clarence, Iowa teaching and coaching. I then went to Oskaloosa as basketball coach and spent two years there before going to Iowa City Regina to pursue a Masters in Educational Administration at Iowa.

Jean and I were divorced shortly after, and I met my wife Penny while there. Penny was the office manager at the Steindler Orthopedic clinic. We were married in 1975 and I received my Masters about the same time. I coached and was part-time assistant principal at Regina for 7 years before Penny and I decided to take jobs in Oshkosh Wisconsin.

I was a high school Assistant Principal there for 4 years and Penny took a position at an Eye Clinic there as Office Manager. After the four year stint at Oshkosh North High I was offered the principal ship at one of the middle school and spent 22 years there and enjoyed it immensely.

In the interim, Penny and I had a son Ryan. Ryan followed in dad's footsteps and played three sports throughout high school. The year he graduated he played in the state North / South basketball and football games and was all-conference in football (QB and Punter) and basketball and was the school's all-time leading scorer upon graduation.

Penny and I have five grandchildren and are expecting the sixth this summer. Jay has sons Jarrett and JJ. Jackie has daughters Marina and Gigi while Ryan's 9 month old is Raygen. Ryan and his wife Dawnelle are expecting again and g-pa Dutton has his fingers crossed for a boy!

First off, I went to Des Moines my senior year - big mistake. I thank everyone for asking me to the reunions.

Met Leo, my husband, while still in high school. We have now been married 50 years as of last October, 2009. We have 4 children - 3 girls, 1 boy. Also, have 9 grandkids and 3 great grandkids.

Both of us are still working. Moved to Missouri in 1980 - much warmer than Iowa.

I work at Zurich Insurance in Overland Park, Kansas. Work for Ricoh and we are contracted out to do their mailing.

Would like to get to Boone to have coffee.

Carolyn DuGan-Rew

Two days after graduation I found myself at the U.S. Army reception center Fort Leonard Wood, Missouri. Upon finishing my basic training at Fort Leonard Wood my next assignment took me to Fort Rucker, Alabama and aircraft mechanic training. I stayed in the Iowa Army National Guard for next fourteen years and was commissioned 2nd Lieutenant at Fort Benning, Georgia. As an officer in the guard I held leadership positions as an Infantry Platoon Leader, Garrison Commander (Charles City, Iowa), Headquarters Executive Officer, and the Battalion 54 before I resigned my commission. When I returned to Iowa after a short stay in the Army I lived for six years in southwest part of Iowa in a little town of Essex. There I married Susan Morgan and we just celebrated our 47th year of marriage. Susan and I started dating around my seventeenth birthday when she was a student at Boone High School.

While living in southwest Iowa I started my college career at Clarinda Community College and working part-time jobs to help reach this goal. I spent two years at Clarinda Community College and transferred to the University of Northern Iowa where I received my B.A. degree in teaching, and later received my M.A. in secondary administration. I spent 26 years in Cedar Rapids, Iowa teaching from the junior high to high school where I taught Industry Technology, was a program manager for 9 years helping dropout at-risk students, and spent 13 years as a technical director at John F. Kennedy High School theatre with some fifty theatre productions. I retired from Iowa teaching and continued my teaching career in Pana, Illinois for twelve more years all at the high school level. I retired from Illinois teaching in 2007 with fourteen years towards retirement, and moved to Cape Girardeau, Missouri to retire. I have had a hard time retiring so for the past three years I have been the cabinet making instructor at the Cape Girardeau Career and Technical Center, and just signed on for the 2010-2011 year. I know I'll retire some day.

Susan and I have a daughter Jennifer (married to Chris Jemison of Cedar Rapids, Iowa) and their marriage has given us three grandchildren Hannah, Hayden, (named after Hayden Fry), and Madelyn. Our son-in-law is the managing partner of The Outback Steakhouse in Cape Girardeau. The five names above are all the reasons Susan and I need to live in Cape Girardeau, Missouri. Our son Christain was lost to illness at the age of fourteen.

I have a number of interests to keep me busy and to occupy my time. I like to fish, play golf once or twice a year, take in a theatre performance, sketch, technical drawings using CADD, build fine cabinets, travel the good old USA, cycling, eating at Outback, and being with the grandchildren. Susan and I like to travel to different cities in the southeast part of the USA for a one or two nights stay and dine out.

I am looking forward to this 50th Year Reunion to visit with classmates, see family, and glad to be home.

2007 was a momentous year for me – I retired from teaching after 16 years at Lakeview High School in Columbus, NE; Chuck and I moved back to North Platte after 17 years and our granddaughter Sloane was born to our only child Heather and her husband John.

We're enjoying this journey called "retirement" as we spend time in Colorado with our kids, see Mother (99 years "wise") as often as possible, and travel with friends both from here and from Cedar Rapids (guess who?). I enjoy working with our Presbyterian Church in several capacities, being a member of the city Library board and being a member of North Platte's community theater Guild Board. Chuck is on his golf club board and spends as much time as possible hitting that poor defenseless ball around the Lake Maloney course! We worried about all the time we would have in retirement but find that we are as busy as ever – just in different ways.

I guess that everyone's journey into adulthood begins after we leave the comfort zone of high school. Mine began at the University of South Dakota where I earned a degree in government and my husband of 46 years! We left the fun of college life to enter that "old world of work" as teachers in North Platte. Chuck taught and coached for 23 years and I decided to try my hand at owning and managing three different clothing stores over a span of 12 years. After a couple of years in real estate, we moved to Columbus, Nebraska, in 1990, when Chuck became the Activities Director/Vice Principal of Columbus High School. It was then that opportunity to teach high school social studies came my way and I absolutely loved being in the classroom again.

I have always loved our reunions and I still believe that my high school classmates are some of the most interesting, loyal and fun people I know. Here's to a great 50th get-together!!

Upon Graduation, I went to 6 months boot camp at Ft. Leonard Wood, MO. I was trained as a diesel mechanic. When I returned home I worked at Boone Construction. I met and married my wife Carol, who was a certified dental assistant at the time. To our marriage God blessed us with three children; Jeff, Mike and Brenda. We have also been blessed with three grand children; Gunnar, Hollie and Jaden.

I worked at Redeker Furniture in Boone for seven years. I then hired on at John Deere Des Moines Works in April of 1968. I retired from there in July, 1998.

In 1992 we purchased a 1955 Chevrolet classic and we enjoy cruising around in it and going to car shows. I enjoy golfing when I have the time. I'm a die hard Green Bay Packer fan and also a big Iowa Hawkeye fan.

I continue working part time at the Holiday Inn in Ames, IA, doing maintenance work.

God has blessed our marriage! We continue to enjoy life to its fullest with the Lords' help.

I don't know where 50 years have gone, but looking at the calendar, it is indeed 2010! It's been 50 years of hard work, fun, adventure, family, friends and many memories. Gary and I married June 23, 1963. We moved to Cedar Rapids, Iowa, where I worked as an RN.

We had 3 beautiful daughters. Sadly, our first daughter, Annette Carol died when she was 2 1/2 months old of a congenital heart defect. Our two other daughters, Angela Christine Brown, age 42, is married, living here in Florida, and has given us a beautiful Granddaughter, Britney Dee Brown, age 5.

Our youngest daughter, Suzanne Kay Houdek is 40,, and her husband Robert has given us two handsome Grandson's: Carl Robert, age 8 yrs,, and Robert, Jr, who just turned 2 years old. They also are living in Florida since January of this year. We lived in Cedar Rapids 12 years, before moving to Decorah, Iowa, where we farmed, and I worked 23 years for a Family Practice Physician.

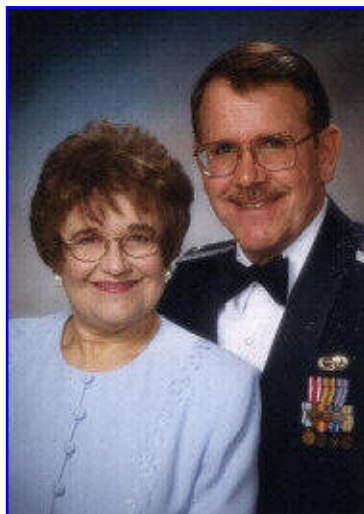

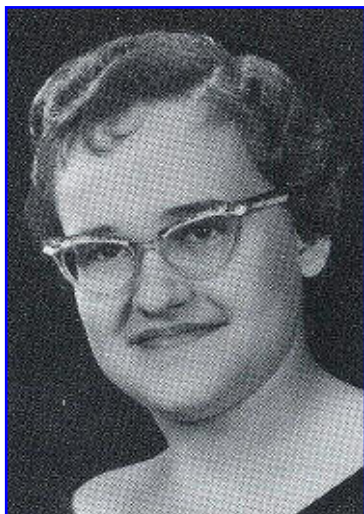

During those years, Gary also drove for Hawkeye Stages, a Charter Bus Business, and did extensive traveling all over the US and Canada. I was fortunate enough to be able to travel with him on many trips, so we saw and did a lot during those years, as I would travel with him as a Hostess/Escort. Try and keep 45 people entertained and accounted for is not an easy task, but we had a lot of fun, and so many memories of our travels.

In 1999, we moved to Florida, where we are now enjoying the beautiful weather and our families. I worked 6 more years as a GI nurse here, but unfortunately, developed a severe scoliosis, requiring extensive back surgery, and thus ending my nursing career.

I loved my 45 years as a nurse, and would not have traded it for anything else.

God has been good to Gary and I, and we feel Blessed to have been together ALL these years.

Shirley Fritch Fitzgerald

Upon graduation, I attended beauty school in Des Moines. I worked in that field for many years and owned and operated my own salon. The last 10 years I have been a Pharmacy Technician for Dahls Corporation-a field I truly enjoy.

My husband Gary and I were married in 1974. We enjoy traveling and spend the winters at our Arizona home-which we enjoy very much.

My husband and I are supporters of the Iowa Donor Network and the University of Iowa Hospitals and Clinics. I became ill with an auto immune disease (a disease where your body's immune system attacks healthy organs) in 1990. In 2003 God blessed me with a second chance at life when I had a liver transplant. I am doing well and feel very fortunate.

I enjoy many hobbies-counted cross stitch, knitting, astronomy, movies, painting and my bible study fellowship classes.

I think we were all blessed to have been from Boone, Iowa and to have graduated from Boone High School.

I have truly enjoyed all the updates and hearing from my old friends at Boone. I am truly sorry I will not be able to attend the reunion. We will be out of the country at that time.

After finishing at Simpson College and teaching for a year, I married Robert Dodder (Bob). We left the church after our wedding and started off for Georgia and Bob's job. After moving seven times in ten years, while Bob worked as Regional Director for Monsanto, we arrived in Denver and said no more moves.

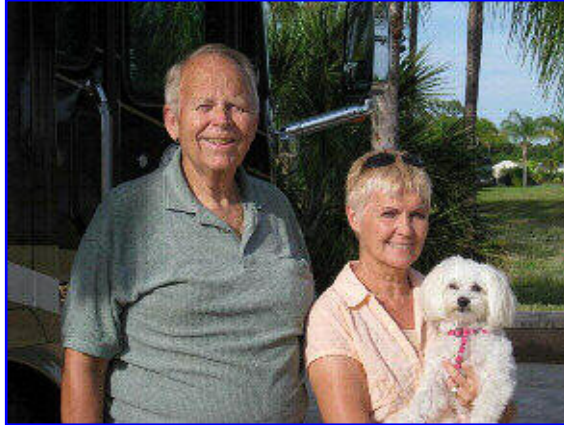

We were in love with the area. We have lived, worked and raised our children in Parker, Colorado (a suburb of Denver) for 32 years. Bob has been in the Agricultural Chemical Business for over 40 years and is still doing consulting work.

We have two children. Our son, Christian lives in Tulsa, Oklahoma with his wife and three children (a boy and two girls). Chris went to Tulsa University on a soccer scholarship, (even tried out for the Olympic team). After college, he met his wife Jennifer, and is raising his family in Tulsa. Chris is our tall 6' 8" blond member of the family. Chris is a regional manager working for a commercial fence company and helps to fence in stadiums, border fences, and even foreign diplomatic compounds. Our daughter Rebecca is our scholar. She was valedictorian of her class, did her undergraduate work at Vanderbilt University on a physics scholarship. She did her Masters at George Washington University in Washington D.C., and finished her PhD at the Massachusetts Institute of Technology, in Cambridge, Massachusetts. She met her husband Aldo at a conference in Mexico. They now live in Raleigh, North Carolina with their twin boys. Rebecca works as a senior scientist for the US Environmental Protection Agency. She will soon be featured in National Geographic's K-5 School Publishing materials explaining what she does as a scientist.

As for myself, I taught for a while and then decided to try Real Estate. I was an agent for a number of years and then opened my own company, Prudential Peak Properties. I sold my company 2 years ago and now have a career as Nana to five grandchildren. We even have a second home in Morrisville, N.C. and are trying to find one in Tulsa.

Bob and I have found retirement has helped our traveling passion. We are ready to go whether by land, sea or air.

Larry Gibbs

We are currently enjoying our 15th year of retirement. Our life is filled with many activities mostly centered around our family.

We have 3 children, Mark, Lynette and Derek and 6 grandchildren.

Our summers are spent at our lake home on East Lake Okojiboji where we enjoy many family gatherings, golf and lake activities.

Until recently we spent our winter months in Bonita Springs, Florida. We sold our home there and will now be spending our winter months and other vacation time in our motor coach.

We are truly blessed to have good health and to have enjoyed so many good times with family and friends.

Kathy Gibbons Van Pelt

I very much look forward to our monthly class coffees in Boone and also, I look forward to our 50th class reunion.

Larry and I are enjoying our retirement and good health. We enjoy our family. We are delighted when we are called to babysit our three grandchildren (ages 6, 6, and 2).

We try to have family camping each year and do several other camping trips.

About 8 years ago, I was introduced to quilting and it has become an all consuming endeavor. You need to have a computer, sewing machines, tables, rulers, patterns, books, magazines, and lots of quilting material.

You join quilting guilds, take lessons, and go shop hopping (you always need one more of it all), and visit as many quilt shows as you can get to. And it does take lots of planning and shopping and hours of work to make an actual quilt.

Larry encourages me in my quilting quest and helps me. He even cooks sometimes.

As long as our health is good we are planning to continue to live in our comfortable rural home. We would always enjoy your company.

Neal E. Gragg

Address: 24 Mitchell Drive – Faribault, MN 55021-6777

After high school graduation, I went to Parsons College. I then transferred to the University of Iowa, and got married in 1963. I returned to Parsons, where I graduated with a degree in Business Administration in 1964.

After graduating I moved to Faribault, MN where I joined the family business, Randy's Frozen Meats. My son Bill was born in 1966 and my daughter Amy was born in 1970. In 1994 my first wife and I divorced. In 1998 I sold my ownership in Randy's.

In 1996 I married Jan Acheson. We are the proud Papa and Nana of two wonderful grandchildren, Amanda (9) and Dawson (6).

I have been working part-time for the last 5 years at the **Cabala's** store in Owatonna, MN. **It's a fun job and keeps me just busy enough so that it doesn't interfere with my hobbies.** My primary hobby is fishing, and I also enjoy traveling and hunting. As a 68 year old, overweight, and out-of-shape man, **I've decided that hunting was intended to be a young man's sport.**

I'm looking forward to our 50th Class Reunion and the chance to see and visit with old friends and classmates!

Jean Goeppinger

Address: 1537 Pathway Drive - Carrboro, NC 27510

Email: jeangoepfinger@earthlink.net

After graduating from BHS, I went north to St. Olaf College (Northfield, MN) where I received my **Bachelor's Degree in Nursing**. I worked the summer after I graduated as a nurse on the **maternity and "clean female" floor at Boone County Hospital (I probably helped deliver some of your friends and family!)** and then returned north to school.

I received a Master's Degree from the School of Public Health at the University of Minnesota and subsequently, a MA and PhD in Sociology from Case Western Reserve University (Cleveland, OH).

I worked occasionally in practice settings, first as a Visiting Nurse in Detroit and later as a **Nurse Practitioner in Cleveland** but **I've** mainly worked as a faculty member in Schools of Nursing and Public Health at the University of Virginia, Michigan, and North Carolina.

I'm an established Southerner and love it (except in August). The **Blue Ridge Mountains, DC,** and the coast – my favorite playgrounds -- are each 4-5 hours away.

I retired last year and since then, I've been busy volunteering with immigrant first-graders who are called "English Language Learners" and finishing up my commitments to graduate students. We have many international students at the University of North Carolina, mostly from Korea, Japan, and China and they are very different from the first-graders! Those youngsters are incredibly energetic...and disinclined to do their homework just like most kids. This past week I **was called "Ms. Jeanie Meanie" by one.** I laughed and laughed...not exactly the response he expected. In his defense, I should say that his parents are not able to help him much as they **don't speak or read English and they're** both working a couple of jobs!

I'm also travelling as much as the budget will allow. In the past few years I've been all over – from Mexico and Canada to Australia, New Zealand, Europe and Turkey. **Fortunately, I've been** able to do some consulting in community-based chronic disease management – my specialty – and that helps defray the cost! But now, no more work – just play!

I'm sorry to miss the reunion but I'll be back in the Minnesota earlier in June for a family **wedding and can't return** again so quickly. I look forward to hearing you had a wonderful celebration. Enjoy!

Jon Gustafson

Address: 1928 Marshall – Boone IA 50036-1360
Email: gustafsonj@gsiboone.com

Attended Trinity College in Chicago after graduation where I majored in general studies. I transferred to ISU in the fall of '64, majored in math and after two years was told to start in another college – so I transferred to the Education department and received a BS & MS degree in Industrial Education. I taught at Clark Community Schools ('67-'72) in Osceola IA for 5 years along with supervising a student– employer training program. While teaching in Osceola we coached girls and boys basketball, and played BB with a Boone HS classmate who also taught math in Osceola for one year (DD).

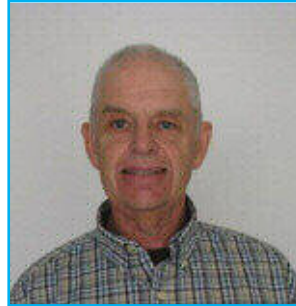

I married a young lady from Des Moines (East High) - Dorothy Erickson in 1967. We have three children all born in Osceola. Keli (principal in an elementary school in Wichita – 1 boy) – Keri – (homemaker now, but worked in industrial Christian music sales in Nashville – 2 girls) and Kory – (salesman with The GSI Co. who lives in Ankeny – 2 girls, 1 boy).

We left teaching in '72 and worked insurance in Osceola till moving to Boone in the fall of '73, to be closer to my parents during their later years. My father then chose to live to 100+ years but we were happy to be in Boone – at least most of us were - or at least I was. While calling on local businesses in Boone, and attempting to sell some group health insurance, I was asked if I wanted a 'day job' by one of those we were calling on. We were offered a job at the George Rolfes Co. in Boone as a sales 'Engineer' in their aeration department. We accepted and remained there until '77 when we became a manufacturer's representative with a company out of Lawrence KS. In '79 we decided to go into business for ourselves and formed The GSI Company. This continues to be our business up to this day.

I have a few hobbies but work tends to consume much of my time. I collect coins, milk bottles, clocks, old sheet music, Edison Phonographs and cylinder recordings, Victrola Phonographs and old 78's, piano rolls, and lots of other junk. I am active in our local church, the Evangelical Free Church, and am currently teaching adults. One of my interests is working with sound engineering and sound board mixing in our church.

We live in a home in Boone that was lived in previously by another of our classmates, Joanne Ray.

Elmo L Hansen

Address: 1323-274 Lane – Boone, IA 50036-7140
Email: elmolhansen@hotmail.com

After graduation I attended a vocational trade school at the University of Iowa, School of Journalism for the purpose of placing apprentice printers into the newspapers of Iowa. Upon the completion of this course in 1960-61, I worked for 4 different Iowa weekly newspapers thru 1965. I was married in 1963 to Jolene Wiskus, Kuemper High School class of 63, Carroll, IA. We moved to the Pella, IA Chronicle in 1963-4 and then to Marshalltown where we lived from 1965 to 1970. I worked for both the Marshall Printing Co. and the Times Republican Newspaper.

While living at Marshalltown, about 1967, I attended a New Processes class (the beginning of computerized /cold type printing processes) at the International Typographical Union Headquarters at Colorado Springs. Upon returning to Marshalltown I began attending Marshalltown Community College in the evenings.

In 1970, we moved back to Boone and I became employed for a short time at the Des Moines Register and due to a slow down went to the Wallace Printing Co. where I was offered a supervisory position as Foreman of the Composing Room. In this position, I was responsible for the Iowa General Assembly daily proceedings. When the general assembly was in session, I worked directly with the House and Senate Journal Secretaries to print the daily proceedings and also the State Code of Iowa. I held this position until 1973.

During this period, 1970 until 73, I obtained my Associate Degree from DMACC at Boone and then took 9 more semester hours at Drake University before ending my college education and my printing career. Due to my conception to what was happening in the working world (automation and job competitiveness), in 1974, I went to work for the CNW RR as a clerk/telegrapher. In 1976, I transferred into train service as a brakeman and in 1979 became a Locomotive Engineer and retired from this position in March of 2006 and Jolene retired from nursing.

At the time of my RR retirement, I also retired as Secretary/Treasurer (Business Agent) of the Brotherhood of Locomotive Engineers, Division 6 (one of the largest engineer's locals in the USA). I held this elected (4 year term) office for nearly 20 years. I also was the Terminal President of "The Brotherhood's Relief and Compensation Fund", a national fraternal job protection fund (Insurance) for my area of the RR.

In our retirement, I am working part time for the Boone YMCA as a fitness instructor and also do light maintenance and Jolene is an on call nurse at the Eastern Star Hearth Stone Memory Unit. Jolene and I have 3 sons, 2 grandsons and 2 grand-daughters. We enjoy RV Camping and traveling and maintaining our acreage near the Des Moines River, South of Boone.

Fred Harvey

Address: 826 Wren Drive – Altoona, IA 50009-2735

After graduation I went to work for Chicago Milwaukee Railroad as a trainman. (1960 thru 1967)

I met and married my first wife and have two great sons, Rick and Tom.

In 1968 I went to work at Armstrong Tire Co., new tire development, 1968 thru 1997.

Met and married Sue in 1978 and I have two great step children, Lori and Jeff.

And I have two grand children, Brittney and Mason.

Retired from Armstrong-Pirelli Tire Co. in 1997.

In 1998 I went to work on a 17 acre estate as a gardener from 1998 thru 2004.

We moved from Des Moines to Altoona in 2003. We love our townhome.

I retired again as gardener in 2004.

Then in 2005 I went to work again, for NPI Security Co. I am lead security officer at Aviva Ins. Co.

Still working at Aviva Ins. Co.

We have enjoyed many great vacations by going to Alaska and the Caribbean on cruises and lots of camping trips.

We also enjoy our week-ends and holidays at our summer home on the lake.

LuAnn Hauge Miller

Address: 3575 Pond Gap Lane – Cumming, GA 30040-0418

After graduation from Boone High I entered nurses' training and received my RN from Lutheran Medical Center School of Nursing in St. Louis, MO. After working a year in the ER at Children's Hospital in St. Louis, I went to Europe for a vacation touring 7 countries. I met my husband, Mike, who was touring with a group from Ohio State, on a Rhine River cruise in Germany.

I worked as a registered nurse for several years in MN, OH, NC and SC, then went back to **college and received my bachelors and master's degrees in education and taught mainly language arts and math at the middle school level in SC and GA.**

We have been very blessed to have 3 children: Angie, Michele and Michael plus 2 wonderful grandsons. Angie is an architect and lives with her husband Alistair in Atlanta a few miles from us. Michele and her husband John presently live near Destin, FL, and have two sons, Ian (11) and Evan (8). They lived in Japan for three years, so we were able to visit them during spring break. As of this summer they will be relocating to the Washington, DC area. Our son Michael and his wife Cris are presently working in London, but are coming back to the states in May. We had the opportunity to travel to Brazil a year ago for Michael **and Cris's wedding in Brazil at Christmas. This past summer we went to Europe and visited them in London, then went to Barcelona, Lucerne, Switzerland, and Cologne, Germany. Being able to take a trip down the Rhine River again was so much fun, since we hadn't been back to Germany since we had met many years ago!**

Although my dad died many years ago, my mother stayed in great health and was living with us at the time of her sudden death following a heart attack; she had just turned 99! We enjoyed having her with us. We live in metro Atlanta and recently purchased a second home near Destin, FL, so plan on using it during vacations. It will be great seeing everyone at our reunion!

Basil D Hicks

Email: bdhicks1920@msn.com

After graduation, I joined the Air Force to "see the world", and ended up in Topeka, Kansas where I served as a firefighter.

I met my wife in Topeka, and after my discharge from the service, I joined the Topeka Fire Dept. where I worked for 27 years. My wife and I have 3 daughters, (all married to "Mikes"), and 5 grandchildren.

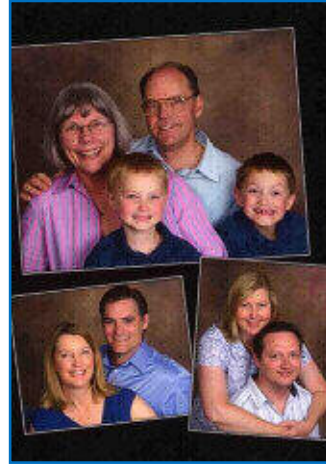

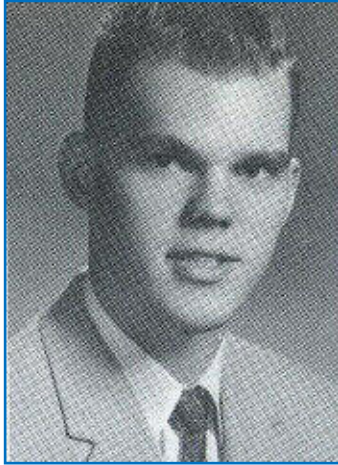

After my retirement, I drove a tractor-trailer delivering tires for Goodyear for 3 years. In 1996, my wife retired as an R.N. at a Cancer Center, and we purchased a straight truck, driving together almost 500,000 miles for FedEx Custom Critical. We LOVE to travel, and have visited all 50 states.

Between trips in our RV, and our current part-time occupation of delivering new buses and motor homes to dealers around the country, we continue to prowl the highways.

Our most far-away trip was a tour of China in March with the Topeka Chamber of Commerce quite a unique experience.

Life is a journey, and the adventure continues.

Keith Johnson

After graduating I enlisted in the Air Force and received an appointment to the Air Force Academy a year later. After four tough years, I graduated in June 1965. I got married and went to Del Rio, Texas for pilot training. After pilot training, I went to Hampton, Virginia flying C-130's. My First daughter was born there in October 1967. I left Hampton in February 1968 for training in the O-1 Birdog which I would fly in Vietnam. I was an advisor to the Vietnamese Army. After my year in Vietnam, I returned to Hampton in C-130's. My second daughter was born there in July 1970. In September 1972 I left Hampton for Sacramento, California where I flew B-52's for three years. I left Sacramento in April 1975 for Vacaville, CA where I flew C-5's for the remainder of my career. I retired from the Air Force in March 1986. In June of 1986, I was hired to fly for Pacific Southwest Airlines. They were bought by USAIRWAYS in April 1989. I retired in June 2001. I am having fun now working in the Challenger Learning Center, the Living Memorial to the crew of the Space Shuttle Challenger, performing as Flight Director for 5th-8th grade students as they fly simulated space missions.

I now live in Sacramento with my wife, Patricia. Our oldest daughter lives in Anchorage, Alaska with her family. She is a weather forecaster for the National Weather Service in charge of providing forecasts for all aviation in Alaska. Our youngest daughter is a pilot for American Eagle Airlines and just upgraded to Captain. She lives in Sacramento with her husband.

Now my passion is long distance bicycle riding. After retirement, I started riding with a friend. Then in 2004 we each bought custom made bikes and started training for a cross-country trip. In the summer of 2006 we rode from Astoria, Oregon, at the mouth of the Columbia River, to Portsmouth, New Hampshire. It took us 50 days and was the experience of a lifetime.

Richard Hutchinson

Address: 1913 NW 10th Street – Ankeny, IA 50023-1209
Email: rfhutc@msn.com

After graduating from high school, I attended Boone Junior College. In 1962 I received an Associate Arts degree. I later transferred to Drake University where I majored in Business, Finance, and Economics, receiving a Bachelor of Science degree in business Administration in 1966.

By the time I entered the work world, we were in the midst of the Viet Nam war. Apparently the world had enough bean counters, but there was a huge shortage of people in an up-and-coming profession—computers.

I was recruited as a programmer and accepted a job with the Iowa Department of Transportation. I did not have a clue what I was about to get involved in. For the next eight years, I did application programming and then entered system programming/system engineering. I got to meet and work with a lot smart people, many from IBM. I probably attended 50-plus schools. Looking back at all of it, I really got to do some neat things. I feel fortunate to have been able to live at a time when there was so much innovation and to have been able to ride the wave of technology.

My work with computers today is strictly as a hobbyist. I still work with the internals of operating systems, but it is done on my own machines and not the ones costing mega millions.

After 38 years of working in a high pressure job, working weekends, and getting calls in the middle of the night, I decided to retire. I retired in 2006 and took a trip to Alaska.

One of my other hobbies is amateur radio. Actually I was a radio amateur when I was in high school. I am still active in the hobby and spend many hours talking to people all over the world.

After a 35-year absence, someone persuaded me to return to the golf course. I am not very good at golfing, but I am having a lot fun meeting people and making new friends.

I married an Italian girl from Chicago. We have three children and four grandchildren. My oldest daughter, Julie, is 45. She is a registered nurse. She recently returned to college to finish her bachelor's degree. Julie will graduate this August. Her husband, Paul, is a pediatrician in Des Moines. They have two boys, Andrew and Jonathan, who are very active in sports and music.

My middle child, Jody, is 42. In 1990 she was stricken by a neurological disorder that left her partially paralyzed and confined to a wheel chair. She and her husband, Gary, have an 8- year-old boy, Dylan. Gary recently retired from the Iowa National Guard after serving a year of duty in Iraq.

My youngest and only boy, Christopher, will be 31 in July. He is a computer engineer for a subsidiary of John Deere. He and his wife, Gail, have a daughter 22 months old, Zoe.

My wife Rosemary has her own business. She has been able to get away from it during the last two winters. Last winter, we stayed in Tucson, Arizona. This year we were in Lake Havasu City, Arizona. For the time being, I am satisfied being a snowbird, but the day may come when we move to Arizona full time.

Sharon Jones Chidester

1901 1st Street Lot #37 – Boone, IA 50036-4440

Since graduation, I have worked at Iowa State University and various other jobs around Boone.

My marriage to John Chidister produced a daughter, Jennifer. She and her husband Ryan Caskey have a son Marshall (my grandson).

John also has a daughter Tracey and a son Wyatt, who has a daughter (our granddaughter).

John and I both like to bowl, fish, and travel. We take yearly trips to Canada.

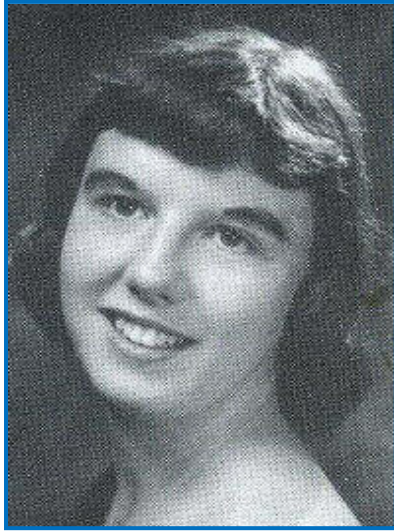

Marshall keeps us young at heart going to his various activities.

John and I are both retired now but John has a semi that he hauls grain for clients.

Doesn't seem like "50" years ago since I graduated but the calendar says it is.

I haven't had a glamorous life but it has been satisfying.

Sandy Keech Madden

Address: 1914 Linn Street – Boone, IA - 50036-1315

Email: grmmasmadden@msn.com

Upon graduation I got married, but short time later divorced and spent a great deal of my life working for Fareway. Did attend some classes at Des Moines Area Community College, and later worked at the Citizens National Bank for 10 years.

My current marriage produced a daughter Wendy and 2 amazing grandkids, Caden and Cally Duncan, currently 17 and 15 of Gowrie, Iowa. I am now working for Modern Woodmen of America, as the social planner and I work 2 days a week at the Dutch Oven Bakery. I love both jobs and may never retire.

I stay busy doing volunteer jobs. I mentor, do email for the clients at E free church home. A lot of my time is spent attending the many activities of my grand kids, dance recitals, football, basketball, softball and baseball games and the track and field events that they both are active in.

I recently got involved in the democratic party and worked hard at helping to get Barack Obama elected (this won't get me any brownie points). I mainly got interested because I did not know how the mechanics of the government worked and wanted to learn, so it was an education for me also.

I still live in Boone but my husband junior and I do some traveling. Most recently being to the Orange Bowl in Florida this past January. That was a ball. I have managed to stay pretty healthy and active and I believe that the Lord is still not done with me and there is more to do.

Sandy Madden

Doug Lendt

Email: douglendt@gmail.com

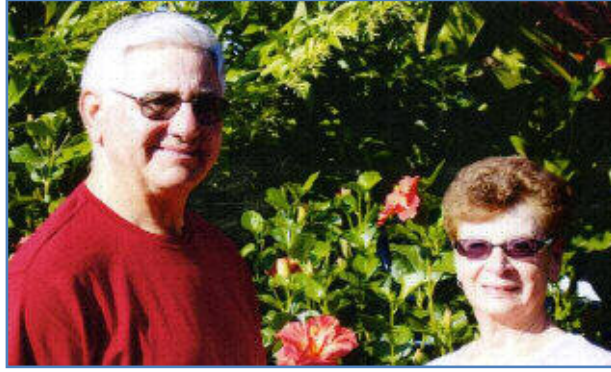

After graduation, I enlisted in the Navy where I served four years with the Naval Weather Service, two years of which was in the Antarctic. While stationed in the South Pole, I prepared weather briefings for flight crews for flying over the Antarctic continent.

Upon discharge, I began a career in telephony with New York Telephone, in Manhattan, and married my bride of 45 years, Carolyn, in her hometown of Staten Island, New York. We raised two lovely daughters in Oakland, New Jersey and later Scottsdale, Arizona. After my transfer to Scottsdale, I worked for Mountain Bell and was manager over the region. Upon my retirement in 1996, (after 32 years service), I started my own business in the telecommunications industry and later contracted back to US West and Quest as a training manager and traveled about the country. Since I wasn't well suited to retirement, I combined my love of aviation with a part time job and worked for a local airline, enjoying the flight benefits that come with the job, i.e. flying to Las Vegas for a seafood lunch.

In 2003, we moved to Happy Jack, Arizona (population 500) where I enjoy hunting, fishing, and my new career as the Fire Captain of the Blue Ridge Fire Department. In the past four years, I have become certified in EMS, Structure and Wildland Firefighting. I am president of the Tamarron Pines Homeowner's Association and I am also on the Blue Ridge Community Fire Wise Board. We enjoy watching the elk in our yard and taking pictures.

I have 3 grandsons (Joseph, Daniel, and Ben), 2 granddaughters (Paige and Spencer), and a great-granddaughter (Daisy) on the way. My eldest daughter, Nancy, resides in Reno, Nevada (where I travel to play the slots as often as I can) and my youngest daughter, Jane, is close by in Scottsdale (and I love to take my grandsons hunting and fishing along with me every chance I get).

Shirley Lycke Bergloff

Address: 515 Benton Street – Boone, IA 50036-2932
Email: shirleyberg1@hotmail.com

After graduation on 06-26-60, I married Ted Bergloff. We still live in Boone. I worked for Boone County Shopping News for 18 ½ years.

I then started to work for two OD's. We joined McFarland Eye Center in 1999 and have been with the same OD for 18 ½ years.

As of the first of the year, I dropped down to 4 days a week.

Ted retired from the Boone fire Department after 27 years.

We had 2 boys and from their marriages, they each have one daughter. One lives in Boone and the other lives in Missouri.

We will celebrate our 50th wedding anniversary in June, so we went to Hawaii last February. We do like to travel and have been to Alaska, Europe and to Hawaii eight times.

Beverly Madden Van Schuyver

Address: P.O. Box 398 – Ogden, Iowa 50212-0398
Email: bjvslick@gmail.com

I came to Boone High School in the eighth grade from Story City High. I went to Mackey country school until fifth grade.

After graduating I was married to Arland Van Schuyver, in this marriage, we have two children, who are now married and have one grandson and two granddaughters. We have been married for 47 years.

I worked all my married life in different aspects. The last employment was working as secretary for a Land Survey and Engineering Company in Des Moines. I retired from my job in 1997 after eight years.

My husband is a retired Police Officer and enjoys repairing things. Arland and I both like to fish, travel, and go on cruises.

We spend 6 months in Labelle, Florida in a retirement community, which we have lived for 12 years.

David R Martin

Address: 610 S Thornburg Street - Santa Maria, CA 93458-5661
Email: adapconinc30jul@verizen.net

I left Boone in June of 1960 to attend California State Polytechnic College (Cal Poly), in San Luis Obispo, CA, majoring in Electronic Engineering. Thanks to my excellent BHS education, I was able to test out of several classes in which I was not interested and concentrate instead on my major as well as physics and math. I was living with my father in Santa Maria while attending Cal Poly. Unfortunately, my father was an alcoholic and I could not stay with him after the first year.

Subsequently, I moved to the Los Angeles area to share an apartment with one of my high school friends. I immediately landed a job as an Electronic Technician with an Aerospace company named Space General. They were in the process of moving their launch operations for the Ablestar second stage rocket from Cape Canaveral to Vandenberg AFB. I was lucky enough to be able to design some of the ground support equipment as well as to install and check it out at the launch site. Later, I became a member of the launch team. We launched several "Transit" satellites before the program ended. These satellites were highly classified military navigational satellites and were the forerunners for the GPS system in use today. The Transit satellites were just de-classified in the last few years. When the Ablestar program ended, I was transferred to another group at Space General (night-shift) which allowed me to attend Cal Poly full-time for another year, this time at the Pomona, CA campus.

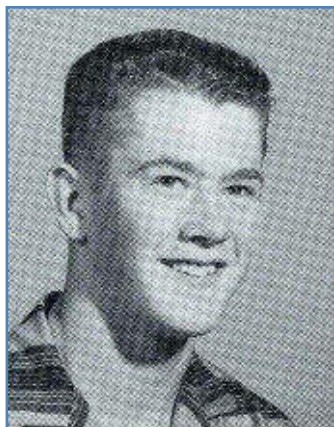

In 1965 I married my first wife and immediately was a stepfather to an eight year-old son and five year-old daughter. We subsequently had two more children, a daughter in 1966 and a son in 1968. The marriage ended in 1973. I married my present wife Jeanette in 1975 who had two teenagers from her first marriage. Jeanette and I are extreme animal lovers and have 4 dogs. They are all rescued from various sources.

In 1978 I started my own Aerospace Electronics Company where the majority of business was with the US Government. I won't bore anyone with the details, but I became an expert in "robbing Peter to pay Paul" just to stay in business. At one time, I had nineteen employees (mostly part-time) but I wasn't making any money (or having any fun). Thanks to the 1994 Northridge earthquake that caused over \$100,000 of damage to our Simi Valley home, I relocated (and down-sized) my business to Santa Maria where I now reside and am in the process of restoring two old houses. I hope to build another small rental house on the property while I am still able to do some of the work. That window, however, seems to be closing.

Between Jeanette and me (including stepchildren, etc.), we have 6 children, 15 grandchildren, and 3 great-grandchildren. My hat is off to my wife. She earned her BS (Accounting) degree when she was 50. I don't think I could have done it at that age.

I still enjoy working, designing microwave circuits for some of the latest high-performance aircraft and missiles. In my spare time my small humanitarian contribution to the world is that I trap feral cats, get them spayed or neutered, and release them. I am presently working on number 22.

John McIntyre

Address: 2357 NW 150th Street - Clive, IA 50325
Email: mcinjem@hotmail.com

Since graduation, I have had several careers, four sons, 6 granddaughters, 2 grandsons and 2 great grandsons. We have lived in Iowa City, Buffalo Grove, IL, and Kansas City, KS and for last 13 years in Clive.

My business travels have taken me to Japan, Mexico, France and India. My latest career as a Certified Financial Planner© is second priority to visiting grandchildren, traveling, and golf.

JoAnne and I are celebrating our 40th Wedding Anniversary this December. She just retired and is enjoying a lot of golf, her many friends and caring for her 95 & 98 year old parents who still live independently.

We travel more and more in our fifth wheel, just returning from a month in Arizona. Our next trip will be to visit the newest grandchild in Washington State in September.

Hope you are doing well and enjoying your early retirement years.

Steve & Lynne Hohenshell Miller

Address: 1950 West Main Street – Robins, IA 52328
Email: lmiller@fmtcs.com

We started dating on Memorial Day of 1959, after Steve read a note I had written to Leslie **Schroeder in Mr. Stock's** English class. In this note, I asked Leslie to get Steve to ask me out. Steve sat behind Leslie, and I remember being **horrified as I watched him read the note over Leslie's shoulder. That was the beginning of a long romance, now** reaching the 46th married year, in addition to 5 yrs of dating. After graduation I attended the University of Iowa, originally for a Journalism degree, but later switching to a degree in Elementary Education. At Iowa I became the lead dancer for the University of Iowa Scottish Highlanders & upon graduation in 1964; I toured and performed with the group for ten weeks in Europe, returning to Boone 3 days before our wedding. Steve attended Boone Junior College for one year, and then transferred to Iowa where he played on the golf team, following in the footsteps of his father who had done the same. Steve received a BA in Psychology, and then continued in a 60 hour Masters program, receiving his advanced degree in Clinical Psychology in 1966.

I taught 4th grade in Cedar Rapids for one year, then taught 7th and 8th grade Language Arts in Boone for one year while Steve had an internship at Woodward State Hospital. We returned to Cedar Rapids where I taught junior high Language Arts at Taft Junior High (now middle school) for the next 34 years. Steve was initially employed as a school psychologist for Cedar Rapids, later becoming an Administrator of Special Education Programs in a two county area. His position included managing programs for students with behavior & learning problems, including young adults incarcerated at the Anamosa State Prison. Steve & I both retired in 2000. During our working years, we had two sons, Lance and Ryan. Lance graduated from the University of Northern Iowa in Criminology and is a detective with the Marion Police Department. He & his wife, Melissa, and two children, Bailey & Tristan live 6 miles from us. Ryan graduated from MIT in computer science & economics & just recently married Claire, a Taiwanese girl he met while living & working Taiwan, and later in Shanghai, China. They have recently moved to Boston.

After retirement, we have both learned to enjoy evenings & weekends. We have traveled extensively in the Caribbean Islands, as well as two trips to Asia while our son lived there. We spend summers in Minnesota and January in Florida. Steve has returned to his love for golf, fishing and hunting, while I stay busy running estate sales and working at auctions for a local consignment shop. We live outside of Cedar Rapids with seven acres of wooded timber, complete with trails & wildlife, (some of which we could do without!) **From being a "city girl" I now consider myself a "pioneer woman."** We still think of Boone as our "home" even though we no longer have family there. The class reunion is a highlight for us and we applaud the hard work that goes into making each one special! **Go Toreadors!... and ...many thanks to the reunion committee!**

Darrell D. Mestdagh

Address: 12215 Oak Brook Dr. - Urbandale, IA 50323
Email: dc mestdagh@mchsi.com

After graduation I attended and graduated from AIB in Des Moines. In March 1962 I joined the Iowa Air National Guard in the Data Processing section. August 1962 I started my career in the computer industry. Starting out as a computer operator on to a programmer, systems analyst, systems programmer, director and vice president. After 41 years in the information technology (IT) field I have seen many advancements in technology and its use in the business world. In 2003 we were out-sourced and I found myself not having the interest or desire to continue in the IT field. So I semi retired from the IT field and eventually found myself as facility manager in an upscale retirement community in Urbandale, Iowa, which is presently occupying my time. I have no idea when full retirement will occur for me. My idea presently is to retire from full time within a couple of years and only work 3 days a week for a few years. I have to be busy or else I would drive my wife crazy.

I married a wonderful woman, Claudia, and we have 3 children. Rod is 46, lives in Urbandale with 2 girls, Ashley is 23 and Kendra is 17. Kim is 38, lives in Huston, Texas, and has 2 children, Nolan is 10 and Emeri is 3. Mike is 35, lives in Clive and has 1 daughter, Maya 1 year old.

My wife retired from teaching and now teaches part-time at Kaplan University and baby sits with our youngest granddaughter 3 days a week.

Yes, I have never been able to get the car bug out of me. I have the 1957 Chevrolet pickup that my dad purchased new when we had the auto repair garage across from the fire and police station for many years. When dad retired from the garage in 1983, I became the owner of the pickup. Since then we have completely restored it and looks as it did when it was new. Claudia and I are very active in the Classic Chevy of Central Iowa car club; in fact I am president this year. We take it to many car shows. We built a new house in 1999 and I made sure the garage was big enough to house the pickup and our other vehicles. Also, I can work in it the year around.

We have attended the class reunions since graduation and are looking forward to this special one coming up this year. See you all then.

Carolyn Morris Appenzeller

Address: 989 Governor's Circle - Lancaster, OH 43130-7740
Email: camie728@yahoo.com

After graduation I attended Americana Academy of Beauty in Des Moines. I worked at that in Boone for a year or so before Bob and I married in Sept. 1962. We first lived in Magnolia, AR where he was employed in the wood industry. After a move to Waycross, GA--and 8 months later--we moved to Ohio where we resided for 25 years. Following that we spent three years in Alpharetta, GA, three years in Louisville, Ky where Bob retired, back to Boone for 10 years, and now back in Ohio. Favorite spot was Alpharetta, a northern suburb of Atlanta. Our life has been good.

Our two daughters, Julie and April, produced 4 grandson's for us—Cameron, Andrew, and Owen. One grandson, Bryce, passed away shortly after birth. Julie and her family live near us in Ohio, and April and family are in Gettysburg, PA. It is good living closer to both.

Bob and I purchased our first motorhome in 2000, a used one we had for one year, then bought a new one in 2001. We enjoy our travels, but most have been pretty much limited to winters. This past year we took an extended trip leaving in February 2009 and returning home the end of April 2010. It was a LOONG year! I don't think we are cut out to be full timers. We hit the unusually warm weather of the northwest last summer and the unusually cold weather in the southeast this past winter.

I am back in my Euchre club that I started in 1976 and left in 1990 for our move. A few of the ladies have passed on but there are still 4 of us originals. Bob and I take a walk most days. I enjoy needlecraft...crochet, plastic canvas, cross stitch and any type of cards, jigsaw puzzles, sudokus, and some reading. Bob's golf has waned in the past several years due to lack of interest. He has played occasionally with groups from different RV parks and has enjoyed that.

I have attended all of our class reunions and once again looking forward to this one...our 50th.

Birger & Joan Harvey Nelson

Address: 3889 Regatta Court – Gig Harbor, WA 98335
Email: birger.nelson@yahoo.com – joan2nelson@comcast.net

The Joan Harvey and Birger Nelson Story (from Birger's point of view)

I first noticed Joan Harvey in 7th grade homeroom. She had big brown eyes, a smile that lit up the room **along with several other noticeable attributes.... and she seemed to like my attention. We were an item** through Jr. High and then my family moved to Southern California during my freshman year at Boone. **Joan's family** moved to Boulder City, Nevada the summer before she would have started 10th grade. Our families kept in contact and Joan and I saw each other several times during high school.

But she was not willing to go to the college I had decided on (didn't want to compete with all those blue eyed blonds) and so we went our separate ways. We met, married others and raised children.

After college and graduate school I spent 5 years in the Air Force including two years in Turkey and one in Vietnam. I entered the insurance business in 1971 and have remained in financial services for 39 years. **I am a retired Prudential manager and currently have an "active retired" agent contract with New York Life.**

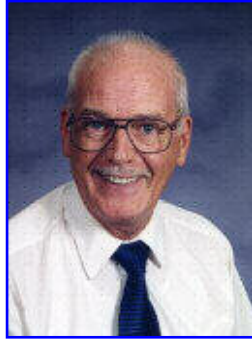

I was managing an office for Prudential Insurance Company in Rochester, NY when I received an invitation from Linda Calonkey to attend the 25th Boone HS class reunion in 1985. Since I had not **graduated from Boone I was impress that she had tracked me down and I wrote to her saying I couldn't** attend but I would be interested in the contact information for Don Dutton, Phil Sherbon, Jon Clymer and **Joan Harvey. Linda wrote back with Don, Phil and Jon's information but Joan's invitation had been returned undelivered. A week later Linda sent me another letter with Joan's information (another long story).**

Joan was living in Las Vegas and in 1989 I moved Joan and her son, Carlos, then a 3rd grader, to Rochester. In 1991 we moved to Gig Harbor, WA where I managed the Tacoma Prudential office and Joan worked in community planning **until she "retired" in 1996 to do work (some paid) with Lutheran churches. We both** spent 5 weeks in China teaching English to Chinese middle school English teachers as part of a Lutheran mission. Last year I spent a week on a Habitat Build in Guatemala and will go on another build in Mexico this June. In addition to raising our own children Joan and I have been host parents for three exchange students from Belarus, Uzbekistan, and Iraq.

My daughter Sarah lives with her husband in Santa Fe, NM. Son Pete lives with his wife and my two grandsons in Middlebury VT. Carlos lives in Seattle and will be married in Portland on May 30.

Joan and I will be forever grateful to Linda Calonkey and the 25th Boone HS Class Reunion for bringing us back together.

Phillip Nelson

Address: 39552 N Woodland Avenue – Antioch, IL 60002-8449

Upon graduation I went to Chicago to further my education. I had a difficult time between working and going to college. In 1963 I joined the Army, A company 6th Special Forces. I was trained in Demolitions, Jungle Warfare, and Cold Weather Assault Missions.

Upon being discharged from the Army I continued and completed my B. A. in Education. In 1970 I was married to Sandy, and also signed a contract to teach 4th grade in Skokie, Illinois. A year later we were blessed with a son, Scott. In 1975 I completed my Masters degree in Guidance and Counseling. As an educator, I have learned to appreciate all the teachers involved with my life. I thank the teachers that had so much patience with me.

As I taught school for over 30 years I became involved with bicycle touring. Each year I went on one major trip. Always starting in Chicago, I went to: Montreal, Canada, Knoxville, KY, Boone, IA, New York, around Lake Michigan, Minneapolis, MN, Detroit, MI, St. Louis, MO, and many smaller trips. The most I bicycled in one day was 209 miles (21 hrs.).

In 1981 I started going to Canada for fishing. Scott loved it so much that we went there every year for 25 years.

2001 was my year for retirement. Upon retirement I discontinued bicycle touring and started hiking. The bicycle group of 4 became a hiking group. We hiked Mt. Rainer, Olympic National Forest, and Mt. St. Helens.

After retirement, I had more time to do volunteer work and to travel more outside the U.S. Places traveled to were: England, Philippines, France, Hawaii, Mexico, China, Jamaica, and Haiti. I went to Jamaica and Haiti many times on a work team. We built small schools, houses, and churches.

In 2008 we were blessed with our one and only grandson, Toby. Between Toby, volunteering, and traveling, we have been staying quite busy.

I am looking forward to seeing my former classmates and getting caught up with all the news.

Karen Newland McCool

Address: 121 Carroll Street – Boone, IA 50036-4216
Email: garykmccool@aol.com

After graduation, I did not leave Boone until I got married. Gary was in Texas, Ohio and Virginia at different times. When he went overseas, where I could not go, I returned to Boone. When he got out of the service, we decided to make Boone our home.

By this time we had three children and later there would be 8 grandchildren and 6 great grandchildren came into our lives.

I once worked at the Dutch Oven Bakery in Boone for almost 13 years.

My life has been full of ups and downs but I thank God each day for his help.

I am not sure I will be at the reunion, so I do wish well to all.

It does not seem like it has been 50 years.

Charlotte Paris Bennett

Address: 111 S Benton Street – Boone, Iowa 50036-4808
Email: T.kahler@mchsi.com

In the winter of 1963 I met Gerald D. Bennett and in 1964 we were married. On December 23, 1984, Gerald passed away from acute leukemia.

Gerald and I were blessed with two daughters and one son.

Teresa is a graduate of Iowa State University with a degree in Elementary Education. She works for Iowa State in the Office of Admissions.

Carla attended DMACC and is a CNA. She works for Northcrest Retirement Community in Ames and hopes to continue her education and become an LPN or RN.

Christopher is a graduate of Iowa State University with a degree in Political Science. He works for Ortho Computer Systems in Ames as a Hardware Support Technician.

I have three grandsons: Brandon Kahler, Logan Kahler and Johnathan Stensland. I also have two granddaughters: Elainie Stensland and Alexis Stensland.

I have worked at Iowa State University for 28 years. I will be retiring in July. After retiring, I plan to do some volunteer work, traveling and plenty of resting and relaxing.

In my free time I enjoy antiques, cooking and baking. I especially enjoy cooking and baking for my children and grandchildren. I also enjoy going on trips, both big and small.

I am proud to be a cancer survivor. I was diagnosed with lymphoma in 2005. After undergoing radiation and chemotherapy treatments, I have been cancer free for 5 years. In that time I have found it particularly rewarding to counsel people that are going through cancer treatments.

Donna Pesek

Address: 4950 C Street – Omaha, NE 68106-4524

After graduation I attended Creighton Memorial School of Nursing.

I had many opportunities and positions during my years in nursing.

I started on a Surgical Unit, assisted with the establishment of our first Coronary Care Unit, managed a Medical-Oncology Unit and the Union Pacific Unit.

I enjoyed working but also was happy to retire in 2007.

I enjoy my home, gardening, reading and antiquing.

My husband Larry and I live in Boone and we are now retired.

We have three children and two grandsons.

Maurice Phipps

Address: 124 Marion St - Boone, IA 50036

After graduation I started a five year apprenticeship with the Plumbers and Steamfitters Local 33.

I married Karen Williams on May 24 1961. We had three children, one daughter and two sons.

Pam in 1962, Mark in 1963, and Matthew in 1971. I also have two grandsons, three grand-daughters and one step granddaughter.

In April, of 1984 I went to work for Iowa State University. I retired from ISU in 2001. I joined the classic car club and also the tall corn club. We enjoyed traveling and going to car shows in one of our classic cars.

On December 8, 2009 Karen passed away.

I am looking forward to see all my old classmates.

After high school, I attended Iowa State University for one year, and then worked at Iowa State University for two years.

Following that I attended Commercial Extension, a business school in Omaha, Nebraska and obtained an associate's degree. I then worked for International Harvester Company in Omaha and Council Bluffs for nine years and attended the University of Nebraska in Omaha and obtained a degree in accounting in 1974, and then became a CPA in 1976.

In 1977 I returned to Boone and started an accounting practice. After thirty-three years I am planning to retire as of June 30, 2010. I was married to my wife, Joyce, in September 1969. While living in Omaha Joyce was employed as a school nurse for the Omaha Public Schools serving as the school nurse for South High School.

Following our move to Boone Joyce taught nursing for DMACC, Boone Campus. Joyce is also a graduate of University of Nebraska Omaha. We have two sons, one who is graduating this year from Carver College of Medicine in Iowa City and the other who is graduating from Simpson College in Indianola.

I am looking forward to free time and travel when I retire.

Born in Atlantic Iowa, I spent part of my youth in Elk River, Minnesota, moved to Boone, Iowa while in the 7th grade.

Upon graduation from Boone High School in 1960, I attended Valparaiso University for my freshman year, later transferred to Drake University in Des Moines and graduated in 1964.

Married Dean Capes in June 1964 and moved to Elburn, Illinois. I worked for the Oswego School District as a teacher for two years.

After my family was raised, I needed new challenges. I got my private pilot's license and instrument rating. I later became the Church Administrator for a new church in Geneva, Illinois until I retired.

We have three married Sons, Dan & Darla, David & Sandy, & Doug & Melinda, and 6 Grandchildren (4 boys 2 girls).

Dean & I are retired and live in Green Valley, Az. About 2 years ago I was diagnosed with Progressive Supranuclear Palsy (PSP) which is a little known degenerative brain disease that is often misdiagnosed as Alzheimer's or Parkinson's disease. You can read more about it at http://www.ninds.nih.gov/disorders/psp/detail_psp.htm.

I am sorry that I will not be able to travel to the Class Reunion for health reasons.

Best Wishes & Good Health to everyone.

I left high school early and went to work in Iowa City, Colorado, and a few other places before realizing my folly and re-entering high school. Because I was out of school for about 2 years, when I went back, I actually graduated with the Class of '62.

Because that group is so much less "mature" than all of us, I'm claiming the Class of '60 as my graduating class.

After a brief marriage and one child in Boone, I went back to Colorado immediately after graduation where I worked at several different jobs before settling in at the Rocky Mountain News for about 4 years. I went from there to Marshall Robertson Advertising Agency and from there to Sentinel Suburban Newspapers, a group of thirteen weekly papers owned by the Minneapolis Star-Tribune.

I married a girl I met in Colorado and when we started having kids, we decided to move back to Iowa so they could enjoy small town Iowa living.

In 1973 I was hired as advertising manager at Waverly Newspapers in Waverly, Iowa where we lived together, raising three children. We later divorced and I bought the Clarksville Star and the Butler County Tribune-Journal, two small town weekly newspapers located in towns west of Waverly.

In 2007, after 30 years as owner-publisher, I sold the two newspaper properties to Mid-America Publishing located in Hampton, Iowa.

I kept the real estate as well as the printing and graphics business and I work at that every day doing everything from printing envelopes for local businesses to embroidering polo shirts and jackets. This business, Star Graphics, is located in Allison, where I live and work.

The sale of the two newspapers gives me much more personal freedom and control of my time.

I was elected to the City Council here, and enjoy helping with the work of the city and trying to make it a better place to live and do business.

I still dabble in photography, and am trying to gain reasonable skills in taking and editing video, mostly for pleasure. I enjoy all aspects of computer work, the internet and putting together web sites. I occasionally vent with my blog on WordPress, short little bursts on Twitter, and of course, keep in touch on facebook. During the winter, I like to throw a ball at those elusive and defiant pins and once in a while, a game of pool. But, most of all, I enjoy working in the yard and garden, taking out the frustrations of the day on hapless dandelions, the very prolific crabgrass, and most of all, that hated creep, "Charlie".

After graduation from Boone High School, I went to work for Iowa State University.

I started my career as a research machinist which lasted about 14 years.

Next I erected, managed and operated the Iowa Coal Research Facility at ISU.

My next position was with the Clean Coal Research department with multiple avenues of cleaning coal from all over the United States.

The last position of my career was facilitating the operations and maintenance of the Biomass facility located in Nevada Iowa.

I was employed for 41 years and retired in 2002.

After retiring, we moved to the Lake of the Ozarks in Missouri where we enjoy living on the lake and all it has to offer.

I've had a good life; I feel very blessed in that way. After I graduated from High School I went to the Collage of Medical Technology for 2 years. I then went to work at McFarland Clinic, it was a temporary position. Moving on to Franklin, Indiana where I worked for 2 years. Needing some adventure I headed off to peace core training at Harvard then to the University of N. Carolina preparing to go to Malawi, Africa. Unfortunately I was selected out. I passed the first selection but lost out in the end.

Next I went to Madison, WI. I lived and worked there for four years as a lab tech and just loved it. I then went to Europe with my good friend Janet to look up her relatives. Our guide was the book, "EUROPE ON FIVE DOLLARS A DAY". We found an aunt in Cairo and an aunt in Wales, as well as a sister in Switzerland. We spent four and a half months having fun visiting museums.

After my time in Europe I went back to Madison WI. My friend wanted me to go to Hawaii with her I didn't want to go but she talked me into it. Four of us girls went; we were there two weeks, loved the islands and the sailors. So we all went home, quit our jobs and moved back to Hawaii. This is where I found my husband. After spending a year in Hawaii, my husband got out of the Navy and we moved to Pittsburgh, then to Cedar Rapids, divorced, and then remarried. Then my daughter was born and when she was one month old we flew to Washington State to live, in what I thought was the deep dark woods. I was always lost because I could not see beyond the woods to get my bearings. I lived in the same house for 25 years in an abusive relationship, lost the house to a fire, divorced for a final time. I still live at the same address with a new mobile home, and then married a wonderful man in 1995.

These days this is my philosophy: I choose to be happy. Happiness is not dependent on my circumstances - it's a choice I make. I look for the good in everything although I may not see it now there is a gift and blessing in every situation, the joy within me overflows into all areas of my life. This last 10 years I've been battling Parkinson's, but this last 2 months was the worst; my disease went sour but my meds did not change with it; went to the hospital for 2 weeks, then rehab for 4 weeks. My husband says he was mentally preparing for a funeral but I bounced back and now recuperating at home. I don't know if we will come to Boone yet! We will take one day at a time.

John Reid

Address: 6047 Eureka Road – Rome, NY 13440-7919

Email: jreid10@twcnny.rr.com

Upon graduation from Boone High School I started Boone Junior College. Before the end first semester, I decided to move to Minneapolis. I went to work for Warren Cadillac where I spent most of the time in the parts department before moving to Newark, Ohio in 1965. During these four years I joined the National Guard and met and married my current wife of forty five years, Gail Toreson.

Upon our move to Newark I started as a billposter for Valley Posting Co. In July of 1967 Gail and I had a daughter, Kristine, and in October of 1968 we had a son, Shawn. While working for Valley Posting I did additional duties as a leasing representative and a sales representative. I joined the Jaycees and served as photographer the first year, *Blue Book* chairman the second year and served on the board of directors.

In 1969 we moved to Xenia, Ohio and bought our first home. I went to work for Dayton Outdoor Advertising where I worked as a billposter, sign erector, sign painters helper, leasing representative, and operations manager. When Lamar Outdoor Advertising purchased Dayton Outdoor I served as branch manager for our business purchased in Muncie, Indiana.

In 1981 I took an Operations superintendant job in Akron/Canton, Ohio with Foster and Kleiser Outdoor Advertising. While working for Foster and Kleiser I achieved the position of third senior superintendant in the nation before getting a new boss and losing the position.

In 1985 we moved to Wilmington, DE where we lived as I took the position of Real Estate Manager for Rollins Outdoor Advertising in Philadelphia, PA. I was shortly promoted to Operations Manager and had the opportunity to build a state of the art paint studio, the first in the nation with single pole paint racks. I remained in this position surviving a buyout by Heritage Cablevision. The next year Heritage sold the Outdoor Division to Reagan Outdoor Advertising. I did not survive this buyout.

In 1990 we moved to Westmoreland, NY where I took a position of Operations Manager for the Utica/Syracuse/Watertown area. I organized the operations of the three divisions and then managed the Watertown Division. I now hold the position of Corporate Operations and Development and Safety Officer for the Corporation covering most of Central New York and three counties in Northern Pennsylvania.

During these past 20 years we have been blessed with four grandchildren. Kris married and had two boys and Shawn married a woman who had a son and a daughter from a previous marriage.

Darrell D Richards

102 – 2nd Street - Box 104 – Pilot Mound, IA 50223

Upon graduation from good ole Boone High, I chose to stay in Boone.

I started working at Quinn Wire and Iron and at some time joined the Boone National Guard.

I got married to a lady who had four boys and we had two girls. From the girls I am grandpa seven times.

I spent seven years in the National Guard. I left Quinn Wire and Iron, and in the next few years worked at a number of jobs; my last job was with Iowa State University in Ames.

During this time, I got divorced and was put on Social Security Disability in 1984.

In 1988, I met Tina Hellyer and in 1989 we were married and had one son.

In 1989, we bought a house in Pilot Mound where we raised certain breeds of house birds.

I had four surgeries last year and 1 surgery so far this year.

God Bless everyone,

Darrell

After 28 years away from Iowa we retired and moved back to Boone in August 2009.

While we lived in several different areas of the US (Oklahoma, Florida, Tennessee) we decided to move back “home” to be closer to all our family.

My two children and one grandchild live here and another grandchild and his wife live in Minneapolis.

We also have one great-granddaughter. Greg’s daughter, husband, and their son live in Florida.

THOMAS K ROSE

Address: 210 Crawford Street – Boone, Iowa 50036-4221
Email: tsrose67@hotmail.com

Born in Boone County Hospital August 28, 1942, and went to kindergarten in Beaver, Iowa; continued first and second grade in Ogden, Iowa.

Moved to Boone and attended Lincoln School third through sixth grade, (Margaret Ashbaugh was my fifth grade teacher). I attended seventh through twelfth at Boone High School. I was fortunate to have Arvid Lein and Hal Lyness as teachers.

While in School I worked delivering groceries for Fareway and milk for Peerless Dairy. Also worked for Bud Raulston at R & W Citi Service.

In June 1959 met Sandi Roberts a student at Sacred Heart School.

In 1961 worked for Bud Raulston at Square Deal Service Center, and then went to California with my brother Stone and worked and lived with Dave Martin a few months.

In 1962 returned to Boone working for Bud Raulston and still going with Sandi Roberts.

July 1962 went to work for Hallett Construction.

March 1964, thanks to Lyndon Johnson was drafted into the Army — still going with Sandi Roberts.

February 1965 discharged from Army and went back to work for Hallett's — still going with Sandi Roberts.

October 1967, still with Halletts, and married Sandi Roberts.

April 1, 1969 left Halletts and started Rose Construction Co. along with Sandi Rose.

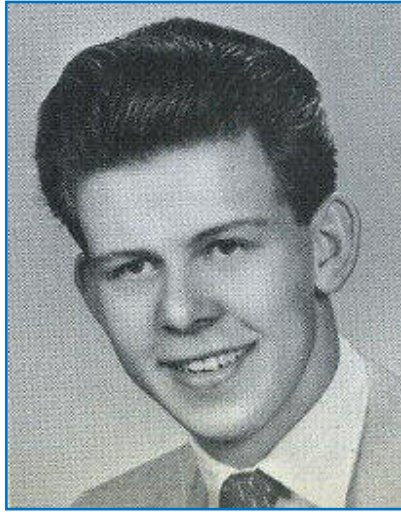

From 1969 to 2010, 3 kids and 5 grandchildren later. I still operate Rose Construction along with Sandi Rose and son Ryan.

Haven't gone far in life and still live at 210 Crawford Street which is the house Sandi Roberts grew up in and has lived there all but 12 years of her life.

We have lived next door to Cherylyn Henderson Mitchell since 1968.

We feel very fortunate to live in Boone, Iowa and raise our 3 children in Boone. All 5 grandchildren (3 girls. 2 boys) live within a half a block of our house. "LIFE IS GOOD"

Joe Russell

After graduation I left for 6 months National Guard duty at Ft. Leonard Wood, MO. When I returned I worked for a gas station and machine shop in Ames. In 1962 I started working for Mid-States Steel in Boone.

On a whim in the fall of 1963 I enrolled at Boone Jr. College. Dean Robert Hein looked over my high school transcript and said he wasn't sure I was college material but I could give it a try. I graduated from BJC in 1965 and UNI in 1968. I taught Industrial Arts at Roselle, IL and Vocational Welding and Machine Shop at LeMars, IA. I was then coordinator of Trade and Industrial Education at Carroll, IA from 1970 to 1977.

I changed career paths in 1978 and accepted a job as engineering assistant with Ohio Medical Products in Madison, WI. The company passed through 3 different owners while I was there becoming an engineering designer. The British bought the company and it became OHMEDA, the Finish bought it and it became Datex-Ohmeda. Finally, shortly before I retired in 2004 it became part of GE Health Care.

I married Judy Smith of Decorah, IA in 1970. We have two sons: Bill and his wife Carla live in Madison, WI and both work for Epic Systems, a provider of medical records software. Our son Charlie lives in Oshkosh, WI and works for CDW consulting as a Network Voice Engineer.

As a child I wanted to learn to fly. Since it's never too late to have a happy childhood, I got my pilots license in 1999.

After retiring in 2004 Judy and I moved to Boone. Now I play with old cars, raise a big garden, grow giant pumpkins, sell stuff on E-Bay and do a little volunteer work. Life is good.

Ann Senholz Amey

Address: 5719 Hanover - Wichita, KS 67220-1865
Email: annamey@cox.net

In the fall of 1960, I attended Lindenwood College where I studied one year. I transferred to Wichita University in Wichita, KS, in the fall of 1961, where I earned my bachelor's degree with a double major in speech pathology and elementary education. While attending Wichita University, I met my husband, Alan. We were married in June, 1964, and have remained in the Wichita area the past 46 years.

My first teaching position in 1964 was as speech pathologist at the Institute of Logopedics. Known nationally and internationally as a school serving multiple handicapped students ages preschool through teenage, the Institute served students from all over the United States in those days before public schools were mandated to serve all disabled students. This was very challenging as well as rewarding work. After eight years at the Institute, I became a stay at home mom following the birth of our daughter, Lisa. When I returned to the work force, I was speech pathologist for several years with the Wichita Head Start program. In 1986, I was a student once again at Wichita State University, earning my master's degree in educational psychology and teaching certification in early childhood and early childhood special education. During this time, I also taught at Rainbows United, a preschool for severely multiple handicapped children. I began teaching in the Wichita school district in 1990, working as prekindergarten teacher with four-year-olds in the district's "at risk" program, a position I held for fifteen years. I retired in 2005, after a total of thirty-four years of memorable teaching experiences.

Alan and I are proud grandparents with three granddaughters, Madison, 10, Lindsey, 7, and Ashley, 5. We are fortunate to have daughter, Lisa, her husband, Shaun, and the girls nearby. I enjoy the leisure of retirement with time for family, church, community activities, reading, and travel.

Beth Severtson Lewis

Address: P. O. Box 125 - Mathews, VA 23109

Following graduation from Boone High School, I moved to the District of Columbia to work for the Department of Labor for the summer before attending Bob Jones University in South Carolina.

During that summer, I met Barry Thompson who convinced me to marry him the following year. During our 40 years of marriage, we lived in various places, depending on which company employed him. We lived in Baltimore, MD, Vineland, NJ, King of Prussia, PA, Phoenix, AZ, Leesburg, VA and Mathews, VA. Our two children are married with children and two of the grandchildren have children. Our son is a builder and our daughter owns a Montessori School.

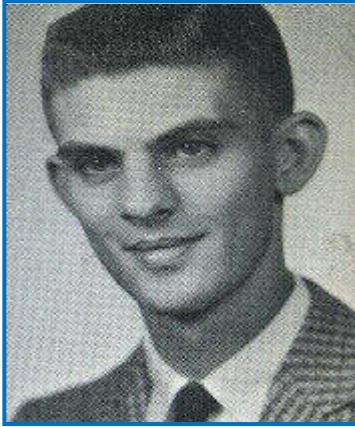

During twenty-two years of our married life, I worked in a law office one year and 21 years as vice president and later president of a small company of 45 employees. We did mass marketing for insurance companies and benefits to members of various associations. We also managed and marketed membership for associations.

In 1999, we were about to retire and bought a 150 year old house in Mathews, VA. We wanted to be innkeepers and change our life style so we renovated the house for the purpose of making it a Bed and Breakfast. Just before we moved into the Inn, though, Barry passed away due to a heart attack.

I was blessed to meet Gerald Lewis of Mathews a few years later and we were married. My family grew by leaps and bound overnight -- he has three children, five grandchildren and two great grandchildren. Do you know what that means during the holidays? More fun!

My life is full living in this little country village of Mathews Court House. We have guests from various countries as well as from all over the U.S. The County of Mathews (only 9,000 people, no traffic lights) is surrounded by water – the Chesapeake Bay and the Mobjack Bay. We are located 5 minutes from the beach, 30-40 minutes away from Yorktown, Jamestown and Williamsburg and only 2 ½ hours from D.C.

In September of 1960 I went to the American Institute of Business (AIB) in Des Moines. In April of 1962 I graduated with a degree in Marketing and Management. I started working for Ruan Transport Corporation in June of 1962 and worked as a computer operator/programmer until the end of June 1963. On July 1, 1963 I started working for the Iowa State Highway Commission as a computer programmer. After working for forty-four and a half years as a computer programmer, systems analyst, and manager I retired at the end of December 2007.

I have three boys and two girls. Scott is an insurance adjuster for an insurance company in Richmond, Virginia. Steve is in the Army and is currently located in Germany with three years left until retirement. Brent works for BestBuy and is located at their headquarters in Minneapolis, Minnesota. Sara is a junior at Iowa State University majoring in Mass Communication and Journalism. Emily is a freshman at Iowa State University. Wife Debra is an IT manager at the Department of Transportation.

After graduation I married Margaret Wilhelm on June 16th, 1960. June 25th I was on my way to the U.S. Army reception center Fort Leonard Wood, Missouri for two months basic training. The next four months assignment was at Fort Riley, Kansas and motor vehicle mechanic training.

January 1961, I attended Barber College in Des Moines, Iowa. Upon completion I worked with my father for 11 years. My wife and I were then offered and accepted positions at the Boone County Care Facility. The summer of 1973 we accepted the position of Administrators of the Pottawattamie County Care Facility.

The spring of 1982, I accepted a sales position at the Gamble Robinson Food Distribution Company and we moved to Council Bluffs. The following year, the company was bought out.

Mid-summer 1983, I was employed by the Wonder Bread Hostess Cake Company. May 1987, we moved to Omaha, Nebraska

While working at Wonder Bread, I decided to see what made the home computer tick? I read several computer books on networking and troubleshooting numerous PC problems. Now, I build by own FAST computers on a wireless network system throughout the house.

I worked at the Wonder Bread Hostess Cake Company until March of 1995.

April 1995, I accepted a job in the Production and Inventory Control Department of the Lozier Corporation in Omaha, Nebraska. This was truly a fun job working totally with computers 8 to 10 hours per day, attending Microsoft Excel and Word Classes etc. I worked there until February 1, 2007 when I retired.

Have been vice-president of the Omaha Computer Users Group (OCUG) for 13 years; teach Microsoft Excel and Word classes for all age groups; troubleshoot & fix the computer network system problems and the computer problems at AARP; also fix install wireless home networking systems and fix home computer problems.

Margaret and I had two sons and one daughter. We lost our daughter at age 21, due to cancer. We have 2 grand-daughters and 1 grandson; along with 4 great grand children.

James E. Siegler

Address: 4220 Maple Avenue –Brookfield, Illinois 60513-1918

Two weeks after high school graduation, I went to work for Danly Machine Corporation in Chicago as a Machinist Apprentice. I trained in the plant for four days per week and went to Washburn Trade School for one day per week. I graduated in 1964 as an A-1 all around bench and floor machinist. In 1969 I went back to school to become a field engineer. For the next 22 years I traveled all over the United States and Canada supervising the installation of giant Danly stamping presses, mostly in automobile stamping plants. In 1993 I quit traveling and took over the hydraulics and pneumatics department at the main Danly Plant. Danly closed its doors in 1997. I spent the next 6-½ years working as a sales engineer for Smedberg Machine Corporation in Chicago. My territory extended from Milwaukee, Wisconsin to Effingham, Illinois and from Peoria, Illinois to South Bend, Indiana. I sold rebuild, repair, and retro-fitting of stamping presses. I retired in 2003.

I married my high school sweetheart, Carol Sebring, on August 11, 1962. This year we will celebrate 48 years of marriage. We have five children and fourteen grandchildren. All of my children graduated from a private Baptist high school and all five graduated, with Bachelor Degrees, from private Christian Colleges.

Our oldest son is 46 years old and has been married for 12 years.. They have two children aged 9 and 7. **My son has a Bachelor's Degree in physics** and is a software engineer. They live in Illinois.

Our second son is 45 years old and has been married for 18 years. They have four daughters aged 11, 13, 15, and 17. **He has a Bachelor's Degree in business management and educational** administration. He is a master mechanic for a major Christian College. They live in Florida.

Our third son Dean is 35 years old and has been married for 7 years. They have four children aged 5, 3, 19 months, and a newborn. **Dean has a Bachelor's Degree in graphic arts.** He is a painting contractor and owns Christian Painters. They live in Iowa.

Our daughter Christine is 33 years old. She is married to a Baptist Evangelist. They have four children ages 8, 5, 4, and 6 months. They travel around this country and Canada preaching the Gospel **of Jesus Christ and God's answers to all of life's problems. They live in a 40-foot Travel Supreme** trailer pulled by a Ford F-350 dually diesel truck.

Our youngest son is 31 years old. He isn't married....yet. He has a Bachelor's Degree in computer science and is a systems administrator for a major Florida Christian College.

The most important thing that I would like my classmates to know about me is that I am a Bible believing Christian. My wife and I raised our children in a Bible believing home, and always attended Bible believing, fundamental Baptist churches. My relationship with Jesus Christ was the motivating factor in my life. Whatever business success I enjoyed was merely a means to raise my children in the nurture and admonition of the Lord Jesus Christ. The reason that all of my children are doing well is a testimony to the grace and goodness of Almighty God. They received a Christian education outside of the public school system; and as a result, their values are grounded and rooted in the Word of God.

All of us are getting old. We will stand before The Lord soon. Are you ready for that day? The Bible says in Acts 16:31 **"Believe on the Lord Jesus Christ, and thou shalt be saved."** Faith in Jesus Christ, his death, burial, and resurrection, is the Gospel. Believe it!

Janet Smith Maynard

Address: 2326 Falcon Point Ct - Grand Junction, CO 81503-1482

Email: jctdick@aol.com

After high school graduation, I went to Iowa State for two years. When I had decided on a major, I transferred to the University of Iowa and graduated in 1964 with my degree in Speech Pathology and Audiology. My first job was in Burlington, Iowa, with the public schools.

I married Dick Maynard in Dec. 1964 and we lived in Moline, Illinois, for three years. I worked in the Davenport Schools and Dick worked at WQAD-TV. We moved to Grand Junction, Colorado in 1968 to learn to ski and enjoy the mountains. Our daughter, Krista, was born in 1969. Minneapolis was our home for two years while Dick worked for General Mills. Erin, our daughter, was born in 1971. Colorado was calling at our hearts, so we moved back to Grand Junction in 1972. Our daughter, Becca, was born in 1975 in Grand Junction. My career continued as I worked at a rehabilitation center, part-time, for 20 years as we raised our girls. Dick was employed at a local radio station until 1984 when we started our own (my husband's dream!) and named it KEKB, for our daughters. Over the years, we built two more stations and enjoyed our business and the community involvement. We sold all three stations in 1998 and were happy to "move on".

We were proud to see our three daughters educated at different universities in California and Iowa. They are all married now and live in the Denver area. We really enjoy having them in the state and love spending time with our six grand children.

Retirement has been lots of fun. Our home is still Grand Junction but we travel extensively and love it. Life has been very good to us!

Marilyn J Smith

After graduation from Boone High, I attended Boone Junior College and the University of Iowa. I married Tim Croxen in 1963. We were divorced in 1975. Our daughter Debi, her husband Paul, and my 2 grandchildren, Mitch and Christi, live on Lake Minnetonka west of Minneapolis, MN. Debi is now a stay at home mother after a career in retail management. Paul is President of his family owned business. Spending time with Debi and her family is one of the greatest pleasures in my life.

My corporate career has been extensive and very interesting. I served in management positions with Northwestern Bell, Northwestern National Insurance Company, Midland Savings and Loan, Amerus Bank and the Des Moines Register. I have been semi-retired for the past 2 years and currently work with a special needs child at Lincoln Elementary School in Boone.

I have lived and worked in several Midwestern cities including Minneapolis, MN; Ames, Iowa City, Ankeny and Des Moines, Iowa. I moved back to Boone 3 years ago.

I still love basketball and shoot a few hoops occasionally. I watch as many tournament games as I can and get caught up in "March Madness" every year. I am an avid reader and love old movies. I also love gardening and spending time with my felines.

Robert W Snyder

Address: 13533 Aspen Way - Snohomish, WA 98296

The day after graduation, my mother gave me a ride out to the drive-in theater on old Highway 30. From there, I hitch-hiked to Texas to visit my friend Neil Holly. Little did I know that would be the catalyst that would define my life, "an adventure I haven't experienced, and a road I haven't traveled".

In the fall of 1960, I joined the Army for three years. Spending most of that time as a company clerk in Munich, Germany.

Completing my three year tour I returned to the States, and went to Bernell Hairstyling College in Ames. I worked as a hairstylist for a number of years in Des Moines, Denver, and Seattle. I met my wife while attending Bernells. We were married in 1967, and divorced in 1983. We did not have children, and I have not remarried.

After living in Seattle for several years, I bought a "Stop and Rob", also known as a 7-11 franchise. I operated the store until my retirement in 2000.

For adventure, I started sky diving in the Army. I made about 250 jumps, including a number of exhibition jumps in Germany, and Iowa.

I learned to snow ski in the Bavarian Alps, and to water ski on Wall Lake in Iowa. After taking Scuba lessons in Seattle, I dove the barrier reefs of Belize and Australia.

While traveling on New Zealand's south island I tried bungee jumping with A. J. Hackett, the company that started bungee jumping.

Due to the "Rob" part of my business, I became interested in shooting defensive handgun, and have competed in several local competitions.

Thankful for the opportunity to travel, I have taken four, three month trips, and many two and three week trips, crisscrossing fifty countries on six continents. Traveling from Paris, France to Calcutta, India, where I had a one-on-one meeting with Mother Teresa. From Aklavik, Canada on the Beaufort Sea, to Ushuaia, Argentina, the most southerly city in the world.

I've enjoyed wood working since my classes with Mr. Lein, become a fairly good cook, haven't missed an Elk hunt in 30 years, and still enjoy long rides on my Goldwing.

But, most of that was then, now I just take my pills, and watch Oprah.

After graduation from Boone High School, I got married, had two children, got divorced, worked at Safeway in Boone and, in general just wasted some years away. In 1964, Joe Russell convinced me that I should go back to college at Boone Junior College.

College was quite an eye opener in a good way. Joe and I (as roommates) went on to The State College of Iowa (now Northern Iowa) and graduated. From there I went into teaching, but, after several years, I decided that although I liked teaching, I didn't like some of the students. So, I went back to Safeway.

With Safeway, I worked up to Assistant Manager at the Ames store and then Manager of the Newton, Iowa store. Several years later, I quit Safeway to try my hands at sales with the Jewel Home Shopping Service. This proved to be a good move since Safeway closed all their Iowa stores shortly after.

My career with Jewel lasted until retirement. It took me from Iowa to Nebraska and finally to Chicago. I "progressed" from salesman to District Manager, Division Manager, National Sales Trainer and Grocery Product Manager.

By the year 2000, the Jewel Company had been sold and re-sold several times and was going downhill. Finally, they just went out of business. Myself and several co-workers put the company back together and formed our own business. We were able to operate much more profitably and for the next seven years it provided a good income and allowed me to retire to Arizona.

In 1967, I met Sandie Lundberg. She is from Boone but 5 years my junior. She had just transferred to Northern Iowa. We both dropped our current "steadies" and dated for 2 weeks before I proposed! We've been together for over 40 years now.

We have two wonderful boys, a daughter and five grandchildren. One son lives in the Chicago area with his wife and two young boys. My oldest son lives in Shanghai with his wife. They just had a baby boy.

About 15 years ago, I was reunited with my first child – a daughter who lives in Torrence, CA. I was very nervous since I hadn't seen her for about 40 years but we now have a great relationship. She has two beautiful daughters but no grandchildren. We see each other several times a year.

We lived in the Chicago area for about 25 years and met many great friends there. We loved being there. We enjoyed small town living in our suburb, but were close to the urban experience. But, for retirement, we choose Phoenix. We've been here for 3 years and really love it – heat, old people and all!

I've been blessed throughout my life in so many ways. Wonderful parents, great wife, great children, lovely grandchildren (aren't they all!). I'm not rich but not poor. I've had my ups and downs, but I've always enjoyed the work that I did.

And, I am really enjoying my retirement!

Martha Sullivan Anderson

Address: 1727 Monona Street – Boone, IA 50036-1135

After graduation from Boone High School in 1960, I went to Boone Junior College and graduated in May, 1962, with an Associate of Arts degree.

On June 23rd, 1962, I married Carroll Anderson and we will be married for 48 years this June. We have lived in the same house now for 48 years.

I was born in Boone County and have never left Boone.

We have 3 sons, Greg, Gordon and Garrett. I became involved with my sons activities (Den mother, Team mother & Church Youth Leader). Whatever my sons were in, I was there to back them. When they got older, I was in groups that help people.

When my youngest son was in the 1st grade, I started working in the Sacred Heart School lunch program as the manager for 13 years. Then I started working at the Boone County Hospital in the Nutritional Services Department and I am currently the Purchasing Manager. It has been 20 years and I am still working there.

So all of my working years, I have been feeding the children and the sick. I enjoy helping people.

My husband Carroll and I like to go camping. We also enjoy traveling with friends. I collect Coca Cola items, Beanie Babies and dishes with Violets on them.

We have 6 grandchildren and 1 Great grandson. That keeps us busy with their activities.

I don't know when I am going to retire. I love what I am doing and have to keep busy. I get to see some of my classmates when they come to the hospital to visit family.

MARY JO TANNEHILL CARTER

Has it really been 50 years since we all walked the halls of Boone High School! After graduating from BHS, I immediately started working for Fisher's Shoe Store in Boone, as a Bookkeeper. After a year of working, and on a summer vacation to Los Angeles, I met my future husband, John Carter, an Electrical Engineer. We have been married 48 years.

Shortly after our marriage, I continued with my educational goals and received a BA Degree from CSULA. I also did graduate work and received a Teaching Credential in Elementary Education and certification as a Reading Specialist. Before and after raising children, I worked as an Educator.

I have always felt that my life truly began after moving to Southern California. I have so loved the Southern California lifestyle. We live halfway between Santa Barbara and Los Angeles, seven miles from the ocean. I treasure my walks on the beach and luncheon on our patio with mountain views. The annual mean temperature here is 70 degrees. Life is good!

We have three children and 5 grandchildren. Our oldest child, Kent, 39, is a music producer in San Francisco, and lives 3 blocks away from Golden Gate Park right in the city. His wife works for George Lucas at ILM, and she has screen credits for "Avatar." Our son, Mark, 37, works for the University of Calgary in Canada, and his wife works in the nursing field. Our daughter, Wendy, 33, is a tax accountant and her husband is an Entertainment Consultant for Warner Brothers. They live in the Burbank Hills.

Our passion these past years has been world travel. We have particularly enjoyed our trips to Mexico and Central America visiting Mayan ruins. We also enjoy refluxing back and forth visiting our children and our precious grandchildren. (Ages 3 to 8 years old)

I hope to see all of you at our 50th class reunion. This will be an important rite of passage for all of us!

After graduation I worked in Ames at Economy Fire & Casualty Co. In April 1961 I married Darrel Eccles (class of 1956). That same year he was drafted, so we spent the next two years living in Texas. We then returned to Boone and I continued to do office work until in 1966 I decided to go to Beauty School. In 1969 I opened my own shop in my home. After doing hair for 40 years I retired in 2007. After Darrel retired in 2000 he told me retirement was the best job he ever had and now I agree. We have loved and collected antiques over the years. Many vacations were spent going thru antiques stores. I had many in my shop. If you tour the Boone County Historical Center you may see many items from my shop. When I retired I donated the things from the shop to them.

We have two children and two grandsons. Our son and his wife live in Farmington, Minnesota. He works for the University in the Student Loan Department and she teaches Deaf children in St. Paul. Our daughter and family live in Logansport.(Boone) She works for Principal Financial and he works for Prichard Plumbing. They have 2 boys. Mason is 14 and Tanner is 11. We are fortunate to be so close. We spend most of our time following their events.

Besides collecting antiques my hobby is scrapbooking I take lots of pictures and love to scrapbook. Darrel is a coin collector so we also go to coin shows.

Next year we will be celebrating our 50th wedding anniversary.

Roger & I are still living in Littleton, Colorado and love everything this beautiful state has to offer.

We enjoy the mountains, and we are big fans of all the sports teams.

We love to travel and are planning some future trips.

We are both retired and loving it. I work one afternoon a week at a doctor's office and we both enjoy helping out at our church.

Our 3 daughters, spouses and 5 grandchildren are all living close by and we spend as much time as we can with their busy lives.

Our 5 grandchildren are working and in college. Our oldest grandson graduates with his bachelors this summer and is getting married and off to dental school.

The Life and Times of Mark Tompkins

I have a little sign with a picture of a frowning businessman from the early fifties that says, and I cleaned this up, "Let's just pretend I give a damn." That probably encapsulates the feelings of most of the Class of '60 who have not sought out other classmates. Color me cynical and jaundiced.

Nonetheless, for those suffering from acute boredom and mild curiosity here's my story.

I spent a good share of my time since 1960 raising three young men. Today one's a veterinarian with three clinics, a wife and two kids, one's an attorney with a wife and two kids, and one is a hydrological guru with one child. At the moment he is not doing ground water research. Instead he is serving with the Army in Afghanistan. This follows his tour in Iraq five years ago.

All three of my "boys" have served in the Army, probably a chip off the old block. I managed to squeeze in thirty five years in the Army Reserve, probably the big constant in my life.

Otherwise I was in and around sales and marketing, mostly in the insurance industry most of my adult life ... salesman, sales manager, vice president of marketing, CEO of a tax-leveraging consulting firm ...

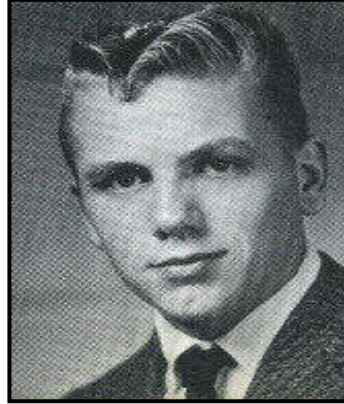

For the main I retired early in 1995 at the tender age of 53. That luxury was afforded me by an early buy-out ... and I never looked back. That's afforded me the opportunity to indulge my yen to travel. I've been to every state save Alaska, spent at least one night in over 1,200 towns and cities, explored lots of back roads, state and national parks, Civil War battlefields...

Now I'm into bicycling and in less than three years have pedaled around 26 states and have finished rides the length of Nebraska, around rural Wisconsin, and the Black Hills of South Dakota. Coincident with our 50th reunion is the long-planned Bike Ride Around Georgia and I'll be on it with three good friends, guys who have biked, hiked, and kayaked with me in the wilderness of Isle Royal, the Missouri River, the Grand Canyon, etc., etc., etc.

Otherwise I still enjoy writing, occasionally get published, and continue to count my blessings ... like flying in Witchcraft last summer, the only remaining operational B-24 bomber from WW II.

Anyone curious if I'm more or less bald than you are (you too ladies), call, write, email or send smoke signals.

Larry Trulin

Address: 112 Meadow Lane – Nevada, IA - 50201-2208
Email: ptrulin5@mchsi.com

After graduating from high school I worked for the DOT for 1 year. I then went to work for Super Value in their computer department and eventually into the Wholesale Food Business as a salesman for various companies for the next 44 years.

I have been married to Pat (Wilhelm) for 48 years and have lived in Nevada, Iowa for the last 32 years and Altoona, Iowa before that.

We have three children, Mike in Alaska, Deb in Tennessee with 2 sons, and Scott in Nebraska, with 3 children and our Great Grandson.

I retired in 2005 and Pat retired in 2007. We have enjoyed traveling and being able to attend the activities of our Grandchildren.

James R Veale

Address: 1120 Hancock Drive Apt 6 – Boone, IA 50036-5346

Email: j.veale@q.com

Since graduating from BHS in 1960, I have done the following work:

- Lab assistant in the Bituminous Research Lab at ISU, summer of 1960;
- Attended Boone Junior College in 1960-61 (**took first statistics course via “Continental Classroom” series on TV**, with lectures and exams at ISU);
- Attended Iowa State University and graduated with a double major in mathematics and statistics in 1963;
- Attended ISU and completed work on masters degree in statistics in 1965;
- Attended NIH summer institute of statistics at Yale University in New Haven, summer 1965;
- Taught statistics at the University of Wyoming in Laramie, 1965-66 (supply instructor);
- Returned to ISU to work on doctorate in 1966; conducted research at the University of Manitoba in Winnipeg, Canada on National Council of Canada grant in summer of 1970, taught undergraduate statistics courses at ISU, and completed work on Ph.D. in statistics at ISU in 1972;
- Taught statistics at California State University in Hayward, 1972-74;
- Evaluated **Iowa’s** first alternative school in Des Moines, during summers in 1972 and 1973;
- Employed as statistician for Westinghouse Learning Corporation in Iowa City, 1974-75;
- Independent consultant and part-time instructor of statistics and applied math (Cal State Hayward and two community colleges) in the California Bay Area, 1975-80 and 1984-87; coordinated Statistical Computing Services, a consulting consortium in the Bay Area, 1985-87;
- Employed at Straw Hat Pizza in San Leandro, California as restaurant worker, supervisor, and assisting with scheduling, sales projections, and other management-level duties, 1980-84;
- Taught statistics, measurement, and research methods in the Graduate School of Education at Drake University, 1987-89;
- Independent statistical/research consultant and educator in Des Moines, working with the Iowa Department of Education, local agencies, businesses, students and professors on research, evaluation, surveys, and other projects, beginning in 1989; the work with the Iowa DE has involved the costs of dropping out of school, alternative education, evaluating programs for at-risk youth, HIV/AIDS education, and health surveys;
- Authored or co-authored nine articles in refereed journals, one book (with Corwin Press), and many reports, in statistics, education, health, and training/program evaluation, 1969 to present.

On the personal side, I enjoyed my years at Iowa State and made many friends, including fellow students and some wonderful professors. I recently attended a 75-year anniversary of the Statistical Laboratory at ISU and was reunited with many of these students and professors. I enjoyed my year of teaching in Laramie, Wyoming and have returned there several times for visits. I also enjoyed teaching, consulting, and restaurant work — as well as frisbee, running, camping (lived in campers for several years), Mexico, coffee shops, and rock concerts — during my 14 years in the California Bay Area. I made many friends in Laramie and the Bay Area and am still in touch with a few of them. Moving back to Des Moines in 1987 was the right move at the right time. I was able to be close to my mother during the last 20 years of her life, as well as getting back together with classmates and extended family in Boone and surrounding areas. I became more productive and successful in my consulting work. I moved to an apartment in Boone in the fall of 2007 and maintain a small office in Des Moines, which I use for my work and meeting with colleagues. I have never been married and have no children, but have enjoyed and benefitted from a few significant, fairly long-term relationships over the years. I have been blessed with good health and enjoy playing frisbee/disc golf. It is good to be back in Boone with family and friends (including many classmates)!

Email: janicerieks@yahoo.com

Upon graduation I attended a business school and worked for a while. I married in 1961 and was divorced in 1986. I have a son who is married and has two children.

In 1991 I remarried and gained 2 step-daughters and four step-grandchildren and just recently 2 great step grandchildren.

Since 1991 I have lived on a farm at Iowa Falls. My husband is retired and we spend our winters in California. We have a Park Model that sets by the Colorado River. We have been in the same park for 17 years and we have made a lot of friends from the States and Canada.

We both enjoy golfing and traveling. I also enjoy my flower garden.

One of the more challenging experiences that I had was hiking the Grand Canyon twice and I also rode the mule once. Scenery was breath taking

I can't believe it's been 50 years. Hope everyone has a great reunion.

Joan E Welch Perkins

Address: 24 Ciemny Lane - Bella Vista, Ar 72715-1609

Email: jnsperkins@cox.net

I'm a happy camper married for the second time to Shelly (Sheldon) Perkins. I think we danced quite beautifully through life. Between us we have 6 children, twenty grand children, and about 6 great grand children.

Shel and I love art and crafts. He specializes in photography and wood working, and I love making masks, and sculptural pieces.

We have lived in Arkansas for about nine years and love the area--very much like our previous home of twenty years in Oregon.

When we moved here our friends in Oregon, and our family, thought we were moving to the land of the mentally and socially retarded. Not so-- North West Arkansas is a delightful place to live, and very socially diverse.

Y'all are quite welcome to visit and check us out.

Not much more than to repeat, that I'm married, happy, still a bit crazy and peculiar. What else could I want? Other than a visit from any of my 1960 classmates.

Hugs to you all.

NANCY WESTFALL GURROLA

Address: Aristoles 320 Palanco - Mexico City, Mexico 11560
Email: nwgurrola@prodigy.net.mx

After graduating from Boone High in 1960 I enrolled in Iowa State University where I joined Kappa Kappa Gamma Sorority. I was perfectly happy at ISU so I was not pleased after my freshman year when my parents announced that my mother and I would be going to Mexico in order to "get to know more of the world." I told them that I didn't want to ride around on a burro and wear a sombrero all summer. But they insisted. So against my will my mother and I drove to Mexico City for a 6-week study program where I studied Mexican culture and mom studied painting. My dad and brother joined us after six weeks to travel to other parts of Mexico.

My parents had been right—I did need to see more of the world and I found our southern neighbors to be so intriguing and fascinating (I wasn't riding around on a burro or wearing a sombrero!) that I asked my parents permission to stay until December. But in Boone for Christmas I announced that I wanted to spend a whole year in Mexico and so returned to travel to Acapulco for New Year's with some girlfriends. It was on New Year's day 1962 in Acapulco that I met the man who is now my husband, Juan Ramon Gurrola, who was studying architecture. After that I didn't ever want to leave Mexico! We dated for four years and were married in December 1965.

I graduated from Mexico City College (now University of the Americas), went on to do a Master's Degree, and learned even more about Mexico while serving as Editor-in-chief of the student newspaper. Since graduating in Latin American History I have had the privilege to teach Mexican history and Mexican – U.S. Relations to over 3,000 students from the United States, Mexico, Canada, Europe and Asia, first at my alma mater, and since 1976, at the Universidad Iberoamericana. I have been a visiting lecturer at Tulane University in New Orleans five times since 1985 and in 1994 I spent my sabbatical leave at Tulane.

Through the Universidad Iberoamericana and the University of North Carolina's Center for International Understanding, I continue to coordinate an exciting and unique program designed to build networks of state and local educators and leaders in North Carolina and Mexico to address challenges raised by the rapid growth of immigration in that state. The highlight of my professional career was being chosen in 2002 as the recipient of "The Order of the Long Leaf Pine," the highest honor presented to an individual for service to the State of North Carolina.

Although I retired from my administrative position at the University in 1999 I still teach my courses and coordinate special programs. My husband doesn't seem inclined to close his architectural firm or retire from coordinating master's programs in architecture at several universities so full-time retirement doesn't seem to be in the picture for us yet.

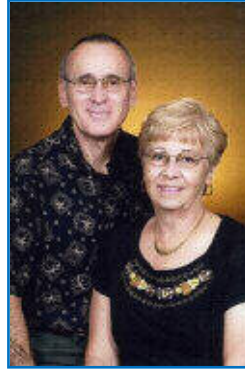

I am a member Alpha Delta Kappa, the international honorary sorority for women educators, and served as National President of ADK in Mexico from 2000 – 2002. In July 2001 I was invited to address the ADK International Convention in Boston on the topic of the Mexican Education System.

My life in Mexico has been exciting—living in a developing nation and in one of the world's largest cities is challenging but also very stimulating and rewarding. For example, I have had the privilege of meeting several Nobel Peace prize recipients (Mikhail Gorbachev, Norman Borlaug, and Rigoberta Manchu) when they visited Mexico. And our next door neighbor, Ricardo Zapata, is a Nobel Peace prize recipient as a member of the U.N.'s Intergovernmental Panel on Climate Change that shared the prize with Al Gore in 2007.

We have traveled to all 31 states of Mexico as well as to China, Central and South America, and the Caribbean including Cuba. My daughter and I visited Spain, France and Italy in 2007. My husband and I have two sons and a daughter and four grandchildren. Our eldest son, Juan, is employed by New York Life and is also a partner in a firm that coordinates conventions and special events. Our second son, William, is Manager of Commercial Development of LNG at Sempra Energy in San Diego, CA, where he lives with his wife and son and daughter. Our daughter, Nancy Liz, is an architect and her husband owns his own digital media company. They live in Mexico City and have two daughters. What we most enjoy now is spending time with our kids and grandkids! My father passed away last September but I am blessed to still have my mother who lives in Florida near my brother. Since most of my travel to the U.S. is to visit my mother and my kids in San Diego, I don't get to Boone so I'm very excited to be able to attend the 50th reunion to see all of you again!

We would love to see any and all of you in Mexico City so let us know if you are coming our way! Love and best wishes for health and happiness to the Class of 1960!

Kay Wiley McGrew

Summer Address: 1509 Laurel Drive – Decorah, IA 52101-9651

Winter Address: 901 Sonesta Avenue NE #203 - Palm Bay, FL 32905-6318

Email: jayandkay03@yahoo.com

Since being graduated from Iowa State, I have worked as a teacher, accountant, and tax preparer--but mostly a teacher. While teaching at Luther College in Decorah I also coached the college women's swim team (some of you will remember I was a pool rat).

We have lived in Decorah, IA since 1969. Jay taught and coached at Luther College.

In 1967 I married Jay McGrew. We have 3 children, Kelly, Brent, and Laura. We have 3 grandsons & one granddaughter, all age 5 and under. My family is definitely what has made me feel happy and fulfilled.

Jay and I are currently snow birds and spend our winters in Palm Bay, FL. We will continue that as long as our health allows us.

I'm excited to see many of you at our reunion.

Kay Wiley McGrew

Linda Wiley Blocklinger

4617 Sugar Pine Drive NE - Cedar Rapids, IA 52402-2223
Email: l.blocklinger@mchsi.com

After high school I enlisted in the Air Force. After my enlistment was up, I came back to Boone and worked at Fisher Shoe Store until I married Robert Blocklinger in December of 1964.

We moved to Cedar Rapids in 1970.

I have two girls; Kim age 43 living in Cedar Rapids, Iowa, and Shannon age 33 living in Des Moines, Iowa.

I also have two grandchildren Sean 10 and Shaileigh 6 years, which are the light of my life.

I retired at age 62 and got an Assistant Degree in Horse Science and have volunteered for Camp Fire USA.

Barbara Wilhelm Broderick

Address: 14234 Wildwood Dr. - Clive, Iowa 50325

Email: magga11@aol.com

After graduation, I entered nurse's training at Mercy Hospital in Des Moines. While there, I met my husband to be, Tom Broderick. After graduating in 1963, I stayed on at Mercy and worked as an RN. Tom and I were married in 1964 and continued to live in Des Moines.

We had three children and while they were still preschoolers, we both made a career change. We opened a card and gift shop and went into the retail business. Within 5 years, we had opened stores in two of the malls in Des Moines. I continued in the retail business until 1998, when the stores were sold and I retired. Tom continues in the retail world, only now as a wholesaler and sells product to retail gift stores.

We have 8 grandchildren, ages 4 to 15. Four of them live in Des Moines and four are a seven hour drive away in Minnesota.

I love spending time outdoors and tending to my plants and landscaping. We live on a big, wooded lot, so there is plenty to keep me busy. I volunteer a couple days a week at West Des Moines Human Services in the clothes closet and food pantry. We also have a cabin on a lake in Minnesota, where I spend most of the summer.

When I graduated from BHS, I had dreams of a wonderful life, as we all did. Mine came **true. I've had a full, sometimes challenging life** and have been blessed with three wonderful children and eight beautiful grandchildren and made some true, loyal friends.

Here it is 50 years later and **even though I'm retired, am still looking forward to an exciting future**, just as I did in 1960.

Sharon Lynn Williams Hoenicke

Address: 3797 160th Street - Bryant, IA 52727-9613
Email: bookie_1960@yahoo.com

After graduating, I married and had two beautiful boys, Jason and Jerrod. I worked for Case Power and Equipment for a number of years as a bookkeeper until moving to Clinton, IA., in 1974.

After moving to Clinton, I met and married Terry Hoenicke, who brought 1 daughter and 2 sons (Lori, Todd and Stacey) to the marriage. After a few years we were blessed with a son, Ryan.

I worked as a Business Manager for Northeast Schools in Goose Lake, IA for 18 years and then took a job with Clinton Schools as Business Office Manager until my retirement in April 2004. Since then I have worked as a consultant for various schools and also have substituted for different secretarial staff in the Clinton Schools. Love the students and staff and I am so glad I am still able to be active in the work force, but I do enjoy having some free time too.

Terry and I have our six children, 19 grandchildren and 12 great-grandchildren. They are all **“joys” and we enjoy them so much. I wish we could spend more time with them but they are** busy and so are we. They are always in our hearts.

We travel as much as we can, usually in antique cars – **what fun! Terry hasn’t retired but I know** as long as there is an antique car calling his name, he will be there. Restoring classic cars has opened many wonderful experiences for us so I have been able to enjoy his work, almost as much as he does.

We have taken cruises – it was hard getting Terry to take another mode of transportation but he has adjusted – and we just returned from a trip to England, France and Sweden. It was absolutely amazing and I know we will both be talking about it for a long time to come. There are so many magnificent things to see, both in the US and abroad, that it is hard to take it all in. We have been so fortunate to have been to so many places.

I am looking forward to the reunion and am excited to see many old friends. We always enjoy the summer get together and try to make it to Boone for them, but this year there will be many others who will join us. **SEE YOU ALL IN BOONE IN JUNE.**

Karen Lynn Bennett

Karen Bennett former Boone resident, died May 18, 1977, in the Mercy Hospital in Chicago. She was born May 30, 1942, in Boone the daughter of Leonard Bennett and Delia Case.

Karen was a 1960 graduate of Boone High School, Boone Junior College in 1962, and UNI in 1964. She was a school teacher in Clinton and Waterloo. She graduated from the University of Chicago and was employed as a financial analyst for Duff and Phelps Inc. of Chicago.

Survivors include her parents, Mr. and Mrs. Lenard Bennett of Boone; two brothers, Michael and Kevin, a sister-in-law, Kay, all of Boone; three nephews and several aunts and uncles.

Services will be held Monday at 1:30 P.M. at Schroeder Funeral Home with Rev. Richard Goins officiating.

Burial will be in Linwood Park Cemetery.

JERRY L. BERGLUND

Jerry LeRoy Berglund was born on October 3, 1939 at Boyden, Iowa. At the age of seven years, he was adopted by LeRoy and Lucille Littrell Berglund, who were living at Boone, Iowa.

Jerry was educated here and graduated from Boone High School in 1960. He then entered the Army National Guard. On October 16, 1964, he was united in marriage with Luella June Rozendaal at Pella, Iowa and they had one son, Ronald Lee.

Jerry resided in Pella the remainder of his lifetime. He was first employed with Van Weelden Construction and later worked at the Rolscreen Company in Pella. Then in March of 1966, he began working for the City of Pella. Jerry was employed there in the public works department for 23-1/2 years until his health necessitated an early retirement.

For the past six years he has been unable to work and passed away peacefully Tuesday, January 11, 1994 at his residence in Pella. He attained the age of 54 years, three months and eight days.

Jerry is survived by his wife, Lu; a son, Ron Berglund and his wife, Lisa; and three grandchildren: Justin Michael Spencer, age nine years; Jessica Diana-Lynn Spencer, age six years; and Ashton Marie-Elizabeth Berglund, age two years all of Pella.

Jerry was preceded in death by his parents: his mother, Lucille, who died in November 1983 and his father, LeRoy, who died in January of 1992.

Jerry enjoyed auto racing and attended the super-modified races at Knoxville, Iowa regularly. He spent as much time *as* he could at his cabin on the Des Moines River, where he thoroughly enjoyed fishing.

John E Capps

John Capps, 51, of Boone died of a heart attack at home Friday, July 23, 1993. Services will be at 11 a.m. Tuesday at Central Christian Church in Boone, of which he was a member. Burial will be at Linwood Park Cemetery there.

John was born February 21, 1942, Boone, Iowa.

A lifelong Boone-area resident, Mr. Capps was an agent for American Family Insurance and was a member of the Masonic Lodge and the Elks.

He is survived by his wife, Gwen; a son, Chris of Boone; three stepsons, James Casey of Boxholm, Edward Casey of Chicago and John Casey of Ponca City, Okla.; two stepdaughters, Jo Ellen Wells of Boone and Sandra Doox of Chicago; and nine grandchildren.

Friends may call after 9 a.m. today at Schroeder Memorial Chapel in Boone, where a Masonic service will be held at 7 p.m. The family will receive friends from 7 to 9 p.m. today at the funeral home. Memorial contributions may be made to his church.

Karen Lee Carlson Day

Karen Lee Day, 59, St. Leonard, MD., and formerly of Boone, died May 15, 2002, of cancer at her home.

Funeral services will be 11 a.m. Tuesday at the Schroeder Memorial Chapel at Sixth and Marshall Streets. The Rev. Brian Danner will officiate.

Burial will be in the Bass Point Cemetery.

Mrs. Day, daughter of John and Mary (Shaeffer) Carlson, was born in Boone County on August 12, 1942. She graduated from Boone High School in 1960 and Boone Junior College in 1962.

On Oct. 6, 1962, she married Ronald Day at the Church of the Sacred Heart in Boone.

She later received her Bachelor of Arts degree in accounting. She worked as an accountant for the Weather Service, the Food and Safety Inspection Service, the Animal, Plant and Health Inspection Service and the Department of Agriculture-Forestry Service Division, where she retired early due to ill health.

Survivors include her husband; one daughter, Regina Day of Greenwich, N.Y.; two brothers and sisters-in-law, Jerry and Linda Carlson of Ogden and Richard and Deanna Carlson of Des Moines; one sister and brother-in-law, Jolene and John Swanson of Fort Dodge, and several nieces and nephews.

Visitation will be until 9 p.m. today at the Schroeder Memorial Chapel.

A vigil service will be at 7 p.m. Visitation will continue from 8 a.m. until the time of the service on Tuesday.

Vonace Elliott Stoneburner

Vonace Elliott, 64, Ogden, died Monday, April 24, 2006, at the Mary Greeley Medical Center in Ames. Funeral services will be held 10 a.m. Thursday April 27, 2006, at the Carson Funeral Home in Ogden with the Bruce Thomas officiating. Visitation will be from 6 to 9 on Wednesday April 26, 2006, at the Carson Funeral Home in Ogden.

Vonace was born on April 16, 1942, in Iowa City, the daughter of Jess and Esther (Striker) Stoneburner.

Vonace was preceded in death by her husband of 24 years, Charles Ray Elliott, father Jess Stoneburner, her mother Esther Stoneburner (Striker), three older brothers; Phil, Loren and Gerald.

Vonace is survived by her sons; William Mitchels and girlfriend Diane Watts of Ogden; Richard Mitchels and his wife Rochelle of Rippey; Larry Mitchels of Ogden; daughter Laura Myers and her husband Mike of Boone; three grandchildren, Tracy Mitchels of Ames; Tonya Mitchels of Ogden and Josephine Sharp of Boone; three brothers Dean Stoneburner of Boone; Verl and his wife Sharon Stoneburner of Boone, and Kenneth and his wife Sandy Stoneburner of Boone; one sister Kathleen Carlson and her husband Dennis of Atkins and many nieces and nephews.

Donald Franklin

Donald Franklin, 65, of Jamesport, Mo., passed away on Nov. 16, 2005, at the Kansas City Veterans Administration Hospital, in Kansas City, Mo.

Mr. Donald Franklin was born Oct. 7, 1940, in Boone, to Carl Kendall and Henrieta Iona Ferry Franklin.

On Dec. 30, 1981, he was married to Linda Dittman at Boone. Mr. Franklin graduated from Boone High School and the Des Moines Area Community College and worked as a tool and die maker for the Modine company in Trenton, Mo.

He served in the United States Army National Guard and was a member of the National American Legion. Mr. Franklin was also a Mason with the Jamesport Lodge and a member of the First Baptist Church of Boone.

Surviving relatives include his wife Linda of the home; his mother, Iona Franklin of Boone; three sons Rick Franklin and his wife Mickie, of Nevada, and twins Daniel of Columbia, Mo., and Douglas of Maryville, Mo.; a daughter Rebecca Deskins and her husband Bill Jr., of Cainsville, Mo.; a sister Diane Hovick and her companion Renald Hunter of Boone; four grandchildren, Marsadie Franklin, and Sabrina, Sierra and Sydney Deskins; an uncle, Clyde Ferry; aunts, Dorothy Baker and Betty Ferry; five nieces and nephews and eight great-nieces and nephews.

He was preceded in death by his father, Carl K. Franklin; his paternal and maternal grandparents; uncles Cecil Ferry and Eugene Baker; an aunt, Lillian Ferry; and a brother-in-law, Rodney Hovick.

Lorraine Garner Stroman

COLORADO SPRINGS, Colo. —

Lorraine Joyce Stroman, a former Boone resident, died October 4, 1991, at St. Francis Hospice.

She was born Jan. 8, 1942, in Chicago, Ill., the daughter of Donald and Beatrice (Richards) Garner. She married C. Edward Stroman June 1, 1964, in Luverne, Minn.

Stroman attended Boone schools.

She was preceded in death by her father and an infant granddaughter.

Survivors include her husband, Edward of Colorado Springs; her mother and stepfather, Beatrice and Don Worthington, Mitchellville; three daughters and sons-in-law, Holly and Charles Boutillette, and Jennifer and Rob Darrow, all of Colorado Springs, and Julie and Brian Busse, Sioux Falls, S.D.; six grandchildren, Travis, Tashana and Shantel Boutillette and Justin Darrow, all of Colorado Springs, and Ryan and Joshua Busse of Sioux Falls, S.D.; three sisters, Connie Blake, Longmont, Colo., Beverly Worm, Alamosa, Colo., and Virleen Burke of Boone; a brother, Kenneth j Garner of Boone; nieces and nephews.

James Gilliam III - Obituary

William (Bill) James Gilliam III, 67, of Boone, went home to be with the Lord, Wednesday, November 25, 2009.

Bill was born on August 17, 1942 in Boone, Iowa, son of William James Jr. and Mary Ellen (Hickcox) Gilliam.

Bill graduated from Boone High School in 1960. He went on to become a masonry contractor specializing in brick laying. He was co-owner of Gilliam & Matthews Construction Company. He worked as the Building Inspector for the City of Boone. He finished his career working at Iowa State for the Department of Energy as a Construction Foreman.

He had 3 children, 2 sons and 1 daughter. He was married to Becky (Ahrens).

Bill faithfully read his Bible daily and attended church at The Church of God of Prophecy in Boone. He worked with his father-in-law Warren Ahrens on local and regional church building projects. He will be remembered by many through his attendance at Christian Men's Retreats (and the injuries received during the basketball games, which were really more like a cross between rugby and football!). He led many Bible studies and enjoyed worshipping the Lord.

On 1/10/1989 Bill underwent a kidney and pancreas transplant at the University of Iowa Hospital and Clinics, Iowa City, IA. He was 46 yrs old and the oldest in the nation to receive a double organ transplant and live thru it!

Bill's life was extended for 20 yrs. He experienced numerous complications and surgeries but never complained!!

Nov 2005 Bill went back on the National Kidney Transplant list and on dialysis three times weekly.

Bill again had a severe complication, which ended his life on Nov 25, 2009.

Bill was a hard worker but enjoyed playing as well. He had many hobbies including: Golf, Basketball, Fishing, and Camping. His love of Basketball lead to Iowa State putting a hoop in the shop where they played during their lunch breaks and the tradition continued long after he left there. He and Becky took their RV on many vacations throughout the states. His love of adventure took them on many fishing trips as well as other destinations. Bill enjoyed spending time with all of his family, backyard Bar-b-queues, cranking homemade ice cream, games, gardening, landscaping and of course, building things.

Bill left a legacy that anyone would be proud of!!!

Biography by his loving wife, Becky.

David Frank Graves

David Frank Graves, 61, formerly of Boone, died August 11, 2003, at Kona Community Hospital in Kealahou, Hawaii, of a heart attack.

Funeral Mass was held August 23, at St. Michael's Catholic Church in Kailua Kona. Burial was in St. Michael's Catholic Cemetery.

David was born June 13, 1942, in Ames, the son of Frank J. and Maxine (Sidney) Graves. He graduated from Boone High School in 1960 and served with the United States Navy during the Vietnam War. He was a graduate of Iowa State University.

He married Mary Chrs August 27, 1977, in Boone. He and his wife moved to Hawaii in 1978 and established a retail furniture business. He was a furniture retailer at the time of his death.

He was a member of the Honolulu Diocesan Pastoral Council and was a Eucharistic minister. His hobbies included gardening, traveling and being active in his church.

Survivors include his wife; one daughter, Diana of Reno, Nev.; his mother of Boone; one brother and sister-in-law, Rodney and Tracy Graves of Boone; five sisters and four brothers-in-law, Kathy and Mark Anderson of Boone, Gloria and Al Little of Waterloo, Lorelee Myers of Jacksonville, Florida; Andrea and Tony Powers of Boone and Janna and Jim Peterson of Marion; one aunt; one uncle; and many nieces, nephews and friends.

He was preceded in death by his father.

Memorials may be directed to Ericson Public Library in Boone or to the David Graves Memorial Fund, St. Michael's Catholic Church, 75-5769 Alii Drive, Kailua Kona, Hawaii 96740. Condolences may be sent to the family at 73-4401 Paiaha Street, Kailua Kona, Hawaii 96740.

Dodo Mortuary of Kona was in charge of arrangements.

Sandra K Hartman Price

Sandra Kay Price, 63, died March 3, 2005, at University of Iowa Hospital, Iowa City, of complications associated with a stroke following successful cancer surgery.

Funeral Services have been set for 10:00 AM Tuesday, March 8, 2005 at First United Methodist Church, 703 Arden St, Boone, with the Reverends. Kenneth J. and Lorraine J. Hartman officiating. Burial will be in Linwood Park Cemetery of Boone.

Sandra Kay (Hartman) Price was born November 17, 1941 in Boone, the Daughter of Kenneth M., and Viola June (Doran) Hartman.

She graduated from Boone Junior/Senior High School in 1959, and was married Doyle L. Price on Nov. 24, 1960 in Boone.

Mrs. Price received her LPN, in 1972, her RN, in 1983, then she worked as Director of Nursing at Ledges Manor Nursing Home of Boone for one & half years, and then went on to get her Nursing Home Administrators Certification, in 1987: all from Des Moines Area Community College.

She was active in Sweet Adeline's, serving as an officer of the Boone/Ames Chapter and later as a member of the Doyle Price of Boone, her son and daughter in law, Bret and Angela Price of Boone, her daughter and son in law, Mindy and Les Mills of Boone; five grand children, Joshua Price, Heather Price, Bret Price Jr., and Matthew Mills, all of Boone, and Brandon Hand, of Galveston, Texas, her brother Kenneth J. Hartman Sr. and his wife Lorraine of Davenport, two sister-in-laws, Karen and her husband Marvin Bullius, of Tintah, Minn.; Toni and Bill Merdan of Fergus Falls, Minn.; two nephews: Dr. K. John Hartman Jr. and his wife Lori, of La Crosse Wis., and Gabriel E. Hartman, of Iowa City.

Visitation will be Monday from noon to 9 p.m. with the family present to greet friends Monday evening from 6:30 p.m. to 8:30 p.m. at the Schroeder-Walter Funeral Home at Fifth and Story streets Boone, then visitation will continue on Tuesday at the church from 8:30 a.m. to the time of service.

Memorials may be directed to the Sandra Kay Price Memorial Fund in care of the family.

Gary Johnson

Gary Johnson, 60, 1233 Sixth St., died July 10, 2003, at the Iowa Methodist Medical Center in Des Moines from complications of Lou Gehrig's disease.

Funeral services will be 11 a.m. Monday at Central Christian Church. The Rev. Dr. Ron Franklin and Rev. Walter Grimes will officiate. Burial will be in Boone Memorial Gardens.

Mr. Johnson, son of George and Mary (Carroll) Johnson, was born on Aug. 1, 1942, in Boone. He graduated from Boone High School in 1960.

On March 23, 1963, he married Diane Roberts in Boone. He was buildings and grounds supervisor for Des Moines Area Community College, Boone campus for the past nine years. He retired in February 2003 due to health reasons.

In earlier years, he also lived in Marshalltown and Des Moines. He was a member of the Iowa Hunter Safety Program and also was an instructor for hunter education.

He was preceded in death by an infant daughter. Survivors include his wife; one daughter, Lori Johnson of Boone; his mother, Mary Johnson of Forsythe, MO.; and one grandson, Jim Johnson of Boone.

Visitation will be from noon until 9 p.m. Sunday at Schroeder Memorial Chapel at Sixth and Marshall Streets. The family will be present from 3 to 5 p.m. and 7 to 8:30 p.m. Visitation will continue from 9:30 a.m. to the time of the service on Monday at the church.

Memorials may be given to the family to be used at its discretion.

Edward Leon Myers

Edward Leon Myers, age 63, of Clovis, New Mexico died Monday, November 14, 2005, at his home in Clovis.

He was born August 28, 1942 to Maynard and Mildred Harker Myers in Boone, Iowa. He married Paula Shaw September 10, 1960 in Boxholm, Iowa.

He was a High Voltage Electrician for Iowa Electric and then PNM.

He is survived by his wife, Paula Myers of the home; 2 sons, Scott Edward and wife Kayla Myers of Mount Pleasant, Iowa, and Dennis Gene and wife Cindy Myers of Alamogordo, New Mexico; daughter, Kimberly and husband Matt Matlock of Clovis, New Mexico; 4 brothers, Mike Myers of California, Don Myers of Boone, Iowa, Art Myers of Boone, Iowa, and Bill Myers of Jefferson, Iowa; and 4 grandchildren.

He is preceded in death by his parents, and brother, Johnny Myers.

Marilyn F Paris Klemme

Marilyn Klemme, 58, of 822 W. 5th St., died July 24, 2000, of heart failure at her home.

Funeral services will be held 2 p.m. Friday at Schroeder Memorial Chapel, Sixth and Marshall Streets. The Rev. LeAnn Stubbs will officiate.

Burial will be in the Pilot Mound Cemetery, Pilot Mound.

Mrs. Klemme was born June 22, 1942, to Leo "Bud" and Gladys (Majors) Paris in Boone. She was a 1960 graduate of Boone High School. On March 30, 1963, she married Wilbur Lee Klemme in Boone. She worked as an insurance clerk at the Boone County Hospital + for 18 years, retiring in 1995.

She was preceded in death by her father and her husband.

She is survived by one son, Jerry Klemme of Radcliffe; her mother; two brothers and sisters-in-law, Robert and Norma Paris and Donald and Lynda Paris all of Boone; two sisters and brother-in-law, Phyllis Martin of Des Moines and Bev and Darrell Fowles of Boone; two brothers-in-law and sisters-in-law, Eldon and Carol Klemme of Madrid and Shirley and John Morrison of Ogden.

Visitation will be from noon to 9 p.m. Thursday at Schroeder Memorial Chapel; with the family present from 7 to 9 p.m. Visitation will continue at the funeral chapel Friday from 8 a.m. to the time of service.

Karen Ann (Shafer) Henningsen

Karen Ann (Shafer) Henningsen, 53, died of cancer Feb. 21, 1995 in Raleigh, North Carolina.

Mrs. Henningsen was born Jan. 21, 1942, in Boone, Iowa, the daughter of Wayne and Clara (Crouse) Shafer. She graduated from Boone High School. She married Lee Henningsen in August 1963, in Des Moines, Iowa.

She was preceded in death by her father.

Survivors of Mrs. Henningsen include her mother, Clara Shafer of Boone; her husband, Lee; one daughter, Amy Heimel; and one son, Eric all of Raleigh, N.C.; a twin brother, Kenneth Shafer of Ames; and one sister, Elaine Nielsen of Des Moines, Iowa.

Memorials may be given to The American Cancer Society.

JUDY THACKER MATT

Judy Thacker married Jim Matt at Sacred Heart Church in Boone on May 6, 1961. Jim was in the Air Force stationed at Mountain Home, Idaho, and they made their first home there.

Following their Air Force days, they lived in California, Boone, Omaha and finally in Derby, Kansas.

Judy and Jim had six children: James Jr, Melanie, Mitchell, Eric, Cindy, and Nate and several grandchildren.

She was a wonderful seamstress. She made bridal gowns and attendants' dresses for the weddings as her children were married. She also did beautiful hand work, especially cross stitch and opened a small shop called "Judy's Lady Bug on the Wall" where she sold the pictures she had cross stitched and Jim did framing for them.

Judy and Jim also loved growing roses and the front yard of their home had a beautifully landscaped rose garden where they spent many hours. Judy had been president of the Wichita Rose Growers Association.

Early in 1990 Judy was diagnosed with cancer and died in Derby, Kansas in July 13, 1990.

She is buried in Sacred Heart cemetery in Boone. Judy was a loving, talented, fun-filled person and is greatly missed by her family and friends.
