## *Foreword*

To those who open this book:  
"Hi!" The staff of 1963 hopes as  
you turn the pages you get as much  
satisfaction as we did bringing the  
Scroll to you. The underclassmen  
who return to BHS in the fall will  
continue to keep up the high stand-  
ards of the school and strive for im-  
provement. Graduates will go their  
separate ways feeling they have ac-  
complished what they intended to  
do to make the Scroll a cherished  
memory.

## *Dedication . . .*

The year 1962-63 will bring back memories to many of us who attended Boone High. We studied—we had both sad and happy experiences. There was the excitement of defeating Ames and bringing the victory bell home; the Band attending the Rose Bowl Parade. These moments and many more like them make YOU, the students, eligible for our dedication.

Tony Barendsz, our AFS foreign student from Holland, made his home with Mr. and Mrs. Ted Pearson and their daughter Joyce during his stay in Boone.

As well as recording the events of his visit in America, Tony served as photographer for the Scroll and Bumble "B".

Tony enjoyed dancing and could always be seen at each of the school's special dances.

To close his memorable year at Boone High, Tony received his diploma along with the graduating class of 1963 at the annual commencement exercises.

## Goeppinger Awards

Through the generosity of Louis Goeppinger as provided in his will, awards of ten dollars or a gold medal are made annually to members of the Boone Junior High who have completed the ninth grade and their average semester grades fall in the upper ten per cent of their class.

The awards were first instituted in 1923-1924. Two girls and two boys out of the sophomore class received this award up until 1957, when, with the approval of the Goeppinger Estate, pin awards were given to each of the top ten per cent of girls and boys.

A committee consisting of the superintendent, high school principal, and one member of the junior high faculty, determine the students to whom awards are presented.

Eligibility is considered only for those who have attended Boone Junior High for at least four semesters. General attitude and conduct are important factors in addition to scholastic rank.
