"On behalf of President Stanley L. Hahn, it is my pleasure to invite the Boone Senior High School Band to participate in the 74th Annual Tournament of Roses Parade on New Year's Day, 1963." This was the beginning of the band's MEMORABLE MOMENTS.

Preparations for the trip included, a special meeting of the school board, where the trip was approved, parents of band members met and expressed their opinions of the trip, a band parent executive committee was organized to take charge of phases of fund raising, Meredith Wilson also gave his permission for songs from "The Music Man" to be arranged for the band. The selections were—Iowa, Wells Fargo Wagon, 76 Trombones—Good Night My Someone, Till There Was You, and 76 Trombones. Under the direction of "Doc" (Mr. McLean) these numbers became a success for the Band. The band wishes to thank you, "Doc!"

"Remember, only one suitcase and make sure it is tagged." Hard decisions, about what clothes to take, were made, but finally there they were. A last inspection and all ready to start the trip.

"Guide right! Straighten those files!" That should sound familiar to all band members when they remember marching four hours every Saturday morning to get in shape for the Rose Parade.

Many Senior High students came to wish the band farewell at the send-off sponsored by the Student Council. After dancing and having refreshments, the band departed for the train at Perry.

Mrs. Schroeder proudly pins a rose on beaming Jo Ann Pestotnik and other band students as they prepare for the trip to California.

Cold, excited and anxious, everyone had waited weeks for this moment, and the last minutes before their train came thundering in were spent dancing and enjoying the refreshments at Perry.

Thursday at 1:30 a.m., December 27th, an enjoyable train trip started for the band from Boone and ended Friday at 12:30 p.m. in East Los Angeles. In the meantime they went from 14° below zero to 78° above, all in 35 hours.

Dr. Garver (left) and Dr. Ritchie, liaison officers for the parade, greeted Mr. McLean and the band. "Doc" received information concerning the parade. The Boone County Society of California also met the band at the station.

# Chaperons

All the way from Boone High  
Came a man on a choo-choo train  
Bringing with him 92 nuts,  
Most without a brain.  
We tried not to cause trouble.  
We even tried to be good  
'Cause, "Doc", you're such a good guy  
We knew we really should.

Dear Mrs. Downey, we'd like to say  
Thank you for coming all this way  
To fix our heads and stomachs and feet,  
Thanks again, Mrs. Downey, we think  
you're sweet.

Of course, we can't forget Mr. Moore  
He's been a friend, that's for shore.  
We've had lots of fun with you  
And want you to know, we think you're peachy too.

MRS. MOORE    MRS. HURTY    MRS. McLEAN

If we failed to mention the other ladies three  
A crime it certainly would be,  
For they did a lot to help us all  
So that we could have a ball.

There are just a few more to mention  
Like our tour director Mr. Henningsen,  
His help made this trip a success  
Instead of being a great big mess.

Rev. Hurty came along  
To keep us from doing wrong,  
Although it was a foolish thought  
We'd like to say, "Thanks a lot."

*Poems by Margaret Doran and associates.*

On Saturday the band was first of three bands participating in the Rose Parade to perform at Disneyland. Each member received free admission and one book of tickets for the performance. The band was part of the record-breaking crowd at Disneyland that day.

Who says dreams don't come true? Everybody has dreamed at least once of being at Marineland. On December 30, 1962, this dream came true for the band when they visited there.

## *The End Result*

In their bright uniforms our Toreador band left a striking impression on over 92 million spectators watching the Tournament of Roses Parade New Year's Day. Being the first high school band in Iowa to participate in the parade, and the only band that earned the money to go, certainly made them special. They were the highest rated band in the parade and were presented with a trophy May 20.

## *Tournament of Roses Parade*

This medallion was received by each band member as a souvenir of the parade.

A perfect climax to a perfect day. It was certainly a thrill to be one of 99,846 persons attending the Rose Bowl game New Year's Day. It was truly a "Memorable Moment."

These things went through the minds of the girls as they remembered the day before in California in contrast with what they saw out the train window at Perry.

The whole trip was truly an event the band will always remember. Boone shall never forget all the glory and honor of our band representing Iowa in the Tournament of Roses Parade.

You look as if you don't feel a thing, Steve.

All wait anxiously to board train for California and the Rose Bowl Parade.

No, I'm not from Mars I'm from Iowa.

## Orchestra

The highlight of orchestra activities this year was the appearance of the group before the Music Educators National Conference in Minneapolis on March 31. An unusual aspect of the concert was the appearance of four wind instrument soloists from the Edina, Minnesota, High School who played difficult compositions with our orchestra. In addition to the solos, the orchestra performed the "Messiah" overture by Mozart, "Pictures For Suzanne" by Pyle and "Cathedral" by its conductor, Mr. Scholl. This was the fourth appearance of a Boone orchestra before a national convention of music educators since 1950.

On March 27 a home concert was played which featured Hanson's Symphony No. 2, Concerto in A-Minor by Vivaldi, "Claire de Lune" by Debussy, Eneace's "Roumanian Rhapsody No. 1" and "Prairie Sketches" by a new Canadian composer, Robert McMullin. The orchestra also played on the Christmas program and for baccalaureate and commencement.
