# Student Congress

*Joe takes a serious interest in student affairs.*

*Student Congress 1970-71, first semester was headed by Joe Musilek as president; Danny Ward as vice-president, Jean Statton presided as secretary; and John Schoof as treasurer. Sergeant-at-arms was Todd Kennedy and Mrs. Myers and Mr. Lovin served as sponsors. Representatives are as follows:*

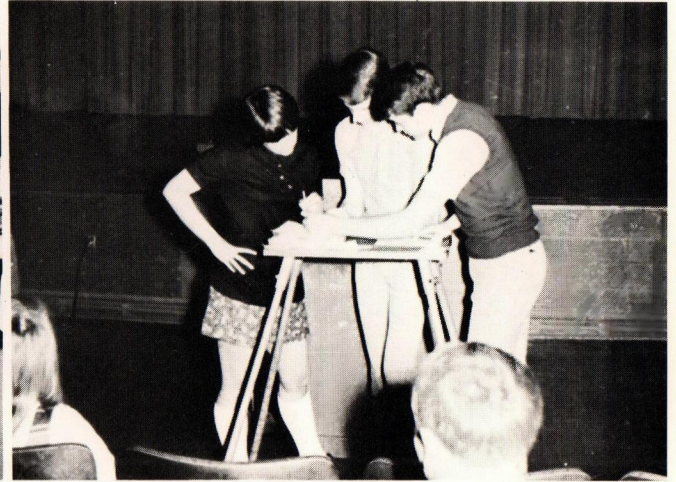

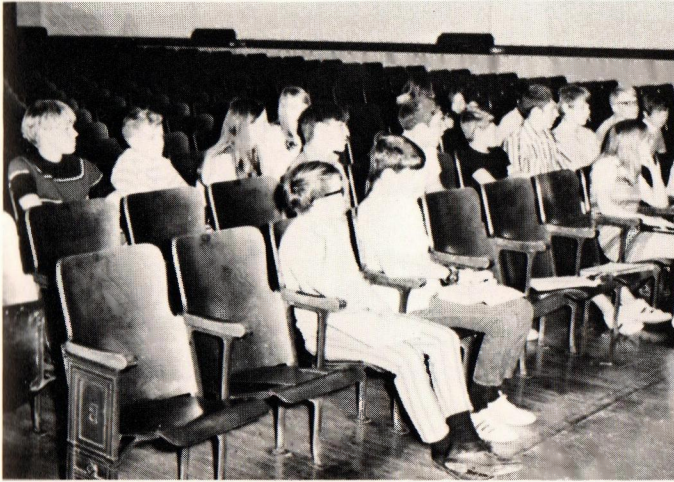

*7th grade: Rodney Beaman, Jim Casey, Jane Grady, Todd Kennedy, Lauri Lundberg, H. P. Sandburg, Bobbi Sundquist; and Jeff Wisecup. 8th grade: Christine Bass, Marlin Clemens, Gayla Godwin, Dave Huffman, James Long, Mike Hinneman, Debbie Steinke, and Lance Walker. 9th grade: Tina Ames, Sandra Casey, David Dimitt, Ross Hanson, Steve Jay, Dave Minnihan, Joe Redeker, John Schoof, and Danny Ward.*

*Todd listens patiently.*

# Second Semester Student Congress

**7th Grade Representatives**—Jim Anderson, Terri Criner, Brent Hall, Kim Koppenhaver, Karen Marshall, Rod Shafer, Ron Tesdahl, Dennis Wilcox.

**8th Grade Representatives**—Dave Briley, Don Duncan, Gayla Godwin, Mike Hill, Linda Mickle, Mike Ninneman, Karen Russell, Bob Tays.

**9th Grade Representatives**—Alan Baldus, Karen Carlson, Roger Davis, Dennis Grabau, Lynda Johnson, Dave Minnihan, Pam Pervier, Dave Shellenberger, Dan Ward.

The activities of the Student Congress are determined by the homeroom representatives and their elected officers. Joe Musilek and Ron Brown were first and second semester presidents and both did excellent jobs. This year the Congress was mainly a forum for the exchange of ideas and discussion of school problems.

A group of Congress members went to Denison to the West Central District meeting. Chris Bass was elected vice-president of the association at that meeting.

The Student Congress planned Courtesy Week, urged participation of students in the Make the Scene Green project, and assisted in planning pep assemblies and the eighth and ninth grade dance.

This summer our newly-elected president, Elise Sturtz, will attend a leadership workshop for student activities at the 4-H Camp near Luther.

We hope that our discussions this year have given us good ideas for next year.

# 9th Grade Football

The team started the year with an excellent record behind them in 8th grade. They were enthusiastic but probably not in as good of shape as they could have been. The first two games against Perry and Webster City gave the teams confidence and revealed some outstanding players. Mark Van Cannon, Joe Musilek, Mark Hudson and Danny Brogden led the offensive attack while Byron Plummer, Doug Hilton, Steve Jay and Dave Deaver made valuable contributions to the defense.

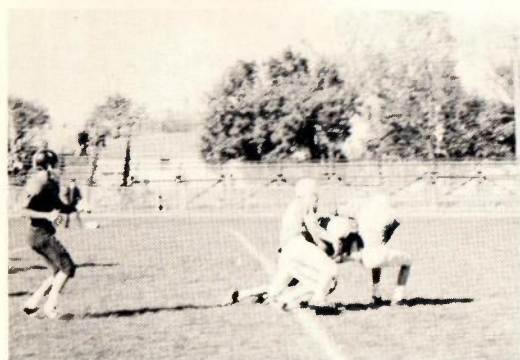

*Hold on to it!*

The team began to realize during the Urbandale game that it was not a few super stars that were going to win the game. They played a good, close game and then bounced back with the best game of the year against St. Edmond. Everyone showed a great deal of enthusiasm and played their positions very well. Joe Musilek had a tremendous game over 200 yards gained.

The teams seemed to lose enthusiasm when Mark Van Cannon our quarterback injured his right hand in the 1st quarter of the Valley game. Other injuries from these games included Mark Hudson, right, a running back, out with a separated right shoulder, Dave Deaver, left, with a broken ankle, Doug Hilton with a broken hand and our punter, Mike Linderblood with a knee injury.

*Come on get him down!*

*He's down!*

Nevada had game experience and was bigger and stronger. We didn't block or tackle well.

Prairie had little offense although their defense was as tough as ours. Our blocking and tackling was improved.

Jefferson was bigger and better prepared, but we played stingy defense. Good over-all team performance helped contain Madrid's single-wing offense. Ankeny had a lot bigger team and what can you do in a field of mud?

# 7th Grade

The seventh grade football team was composed of newcomers who worked on the fundamentals. It was basically a pretty good group of boys with several of them showing signs of real football talent.

In keeping with past years the squad was divided into two teams and played each other twice during the season under the lights and Goeppinger Field.

Both games were interesting as the green team won the first contest 8-0 and the red team rebounded to take the second 14-12.

# Intramurals

Junior High intramural is sponsored by Mr. Ranglos the P.E. teacher. Beside basketball there is also intramural dodgeball and volleyball that takes place later on in the year. The basketball games start at 8 in the morning and last for 10 minutes. The volleyball games start at 8 and last until one side has won.

What a way to rebound.

Guess WHO?

# Junior High Awards Assembly

The junior high awards assembly was held shortly after the football season had ended. The 7-9 grade boys received their letters for going out for the sport. Although the 7th graders just played among themselves they still received a certificate for going out. The others got green letters trimmed in red with a metal football in the center. Joe Musilek was master of ceremonies and Mr. Stutzman along with coaches talked to the students about what kind of season the boys had.

Coach Brandmeyer introduces the 9th grade squad.
