custodians

13 Years

For 13 years the familiar figure of a man has been seen in our halls, and for 13 years this man has served Boone High faithfully and well. Arthur Kemmerer's retirement is a sad one for BHS. He loves kids and has two of his own.

He lives at 1604 Third street with his wife, Rosamond, who teaches school at Bryant elementary. Kemmerer, who was a custodian in the basement and gym, came to BHS in 1959.

He says he enjoyed his work and plans to move to his farm just outside of Boone and ride and raise horses. His other plans are to just plain relax.

We at BHS hope that he has lots of relaxation and pleasure in the years to come.
