Touchdown! Yea for us!

"Darling!" "Aw, get away from me!"

Go Danny! Don't let him stop you!

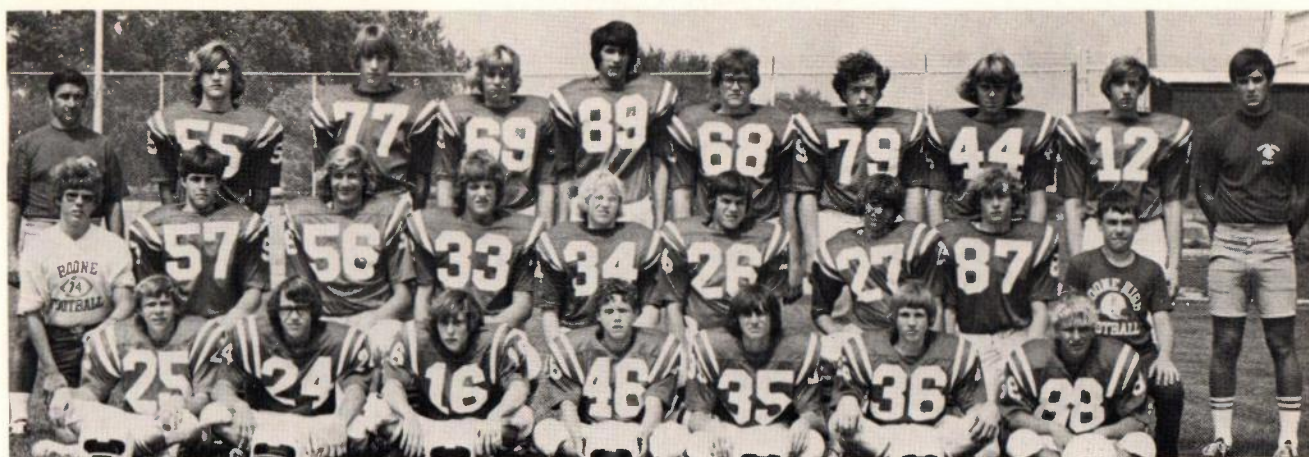

There they go!

The Boone Varsity Football Squad reached its goal this season. They had a winning season for the first time since 1968. Their first game was disappointing for they lost it to Webster City. The team thought it would be a close game but it wasn't. After that loss, the team came back and won three games in a row. They lost the three games following that but won the last two games, giving them a winning season of five wins to four losses. The highlight of the season was when Boone won over the huge Urbandale team in two overtimes. That was an important game because Urbandale was ranked ninth in the state and we weren't ranked at all. Coach Ringgenberg was very happy indeed. All in all, Boone Varsity Football Squad had a very good season.

Hey Coach, there's some dude out here taking pictures of us!

Pat Kluckman making a touchdown!

The 1973-'74 Boone sophomore football squad was very proud this season. They won five games, and lost two, which was the most won by a sophomore team in nine years. Also, the squad beat Ames and Fort Dodge in the same year. That doesn't happen very often. At the end of the sophomore season the squad had three players move up to the varsity squad. They were Pat Kluckman, Brian Lundberg, and Todd Kennedy.

Come on, everybody, PIGPILE!

Our great Varsity Boy's Basketball team had a winning season, even if they didn't win as many games as they wanted to. They won 15 games and lost 7. But, this team beat Ames for the first time in 11 years. Then they went on to the sub-state finals and beat Humboldt. But, as luck would have it, in the last sub-state game, Mason City beat us. The top scorer for the season was Tom Duffy with 394 points. The second highest was Ron Anderson with 271 points, and third was Joe Redeker with 226 points. There were nine seniors, six juniors, and two sophomores on the varsity team. All of these boys played in at least two varsity games. Thanks a lot, boys!
