

The background of the page is a complex abstract design. It features a large circle in the lower-left quadrant that is mostly white, with the word "SPORTS" centered inside it. To the right of this circle is another large circle filled with many concentric, slightly irregular lines, creating a ripple effect. The rest of the page is filled with a pattern of fine, parallel lines that curve and bend around the large circles, creating a sense of depth and movement. The lines are black on a light background.
