BOYS' TENNIS

The 1983 boys' tennis team, led by junior Bill Courter and senior Afshin Mikaili, had an exciting season.

Bill Courter, who had teamed with Eric Foster last season to win the state doubles championship, played number one for the Toreadors. Before the season started he had a 57-2 career record in two years.

Afshin Mikaili, a four-year letterman, played number two for Boone. He had played in the state meet last year and had a 33-15 career record before this season started.

In addition to Courter and Mikaili, seniors Doug Nauman, Troy Hansen, Daryl Tellinghuisen, and Don Nordstrom made up the top six tennis players that were entered in Conference and District tournament competition.

Other members of the team were Phil Ankers, Andy Blaess- seniors; Terry Hicks, Rick Millis, Steve Ripkey - juniors; Louie Baker, Jeff Walters, Curt Wright - sophomores; Mike Currier, Brett Drake, Scott Wilbur - freshmen.

THE ACTION

The Foreign Language club presents "Fernando El Feroz."

'The Sky's The Limit'

The performance of "The Sky's The Limit" was a delightful little comedy based on a "misdirected message" theme.

A well-ballanced cast gave a well-acted performance. There were no "soft-spots" in the performance. Everyone was "up" for it. Delivery was superior. It was definitely a team production

The bright, well-lighted set created a light mood for a polished performance, so well rehearsed that occasionally one felt an actor was not really listening to his own lines, but was actually anticipating the next cue. Yet they all re-acted and focused attention on each other, which is often difficult to maintain with young actors.

"The Sky's The Limit" was truly one of Boone High's better dramatic productions.

THE UNINVITED

This year's Spring play, "The Uninvited," was a huge success despite the fact that Mr. Peter Nelson, Production Manager, suffered a broken foot while constructing the set. The play, directed by Beth Erickson, was performed March 24 and 25 at the DMACC auditorium.

Please get your hand off my shoulder!

FOREIGN LANGUAGE CLUB

The 1982-83 school year was filled with many activities for the Boone High Foreign Language Club.

In November, 90 students enjoyed a dance lesson in the school cafeteria. The Mexican Hat dance and Cha-Cha were introduced to the students.

"Monsierer Jacque," the play presented by the French students at the Boone Elks' lodge in December was a success. The usual Christmas caroling in the hall followed by a Pinata break was held December 17.

January found some of the students purchasing T-shirts and attending the opera "Carmen."

Money was raised by delivering flyers. The group attended two plays at Drake University. One was in Spanish, another in French.

In the spring the Spanish students traveled to Garcia's Mexican restaurant in Des Moines and enjoyed yummy enchiladas and tacos. They also found time to present the play, "Fernando El Feroz," in the school cafeteria.

The last activity of the year was a trip to "Le Bistro," a French restaurant in Des Moines. The group dined on quiches, crepes and croissants.

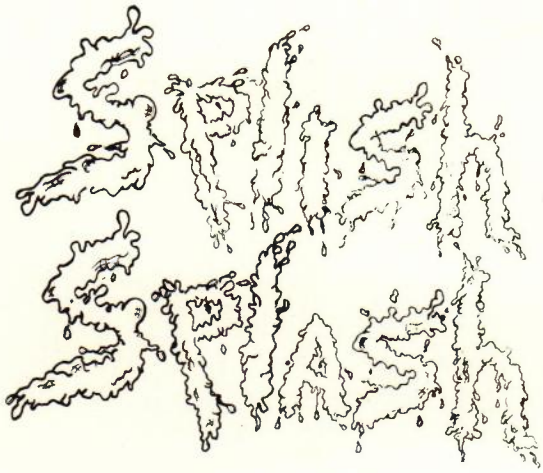
We have to get IN the water?!



The 1983 Dolphin Show was held April 7 and 9. This year's theme was "Splish Splash". The Dolphin members showed their talents by doing a number of different swimming stunts. The Dolphin Club is an elite group of swimmers who devote a large number of hours to practicing in the pool. When they finally get their chance to show their stuff, you can bet they do a good job of it! Congratulation to this years group!

Wake up Tegwin, wake up!!!

MOCK TRIAL TEAM

This year . for the first time, Drake Law School sponsored a statewide mock trial competition for high school students. Boone competed against Stratford in the first round and won. We lost the second round to Eagle Grove. It was a good learning experience for all involved.

"Well, Monica, I think she did it."

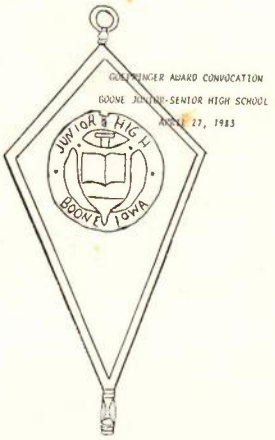
Award winners receive their certificates

GOEPPINGER AWARD WINNERS



The Louis Goeppinger Awards have been given annually since 1923. The awards are given to encourage scholarship and good conduct among students in the junior high.

When it started two awards were given each semester, one to a boy and one to a girl in the ninth grade. To qualify for the award they must have been in the top ten percent of their class and performed the most praiseworthy and outstanding service for the school or community.

A committee consisting of the superintendent, high school principal, and one member of the junior high faculty chose the student award winners.

In 1957, pin awards were given to each of the top ten percent of the girls and the top ten percent of the boys in the sophomore class.

At the present time to receive a Goeppinger Award the students must have a grade average of 3.5 or better at the end of the third quarter of their freshman year.
