April 29, as other seasons draw to a close, America's game begins...BASEBALL!

he season ahead was still foggy but hard work during the pre-season paid off in the end. The Toreadors ended the season with a respectable 18-13 record.

The conference title was again in sight, but a loss against Norwalk set it just out of reach. After winning the first game in Districts against Mason City, the season came to a close when an Ames player hit a three run dinger to finish the game. Assistant coach, Matt Farup summed it up by saying, "Danged little league field!"

"I felt we played solid defense consistently. We had good pitching when we needed it, but due to Nate Hilton's injury, we were one pitcher short of making it to the state tournament," Coach Rick Davis said.

Even with a shortness of pitchers, the team never quit. As the season went by, the players skills and team unity improved greatly, forming a very close knit group.

"Our hitting really improved throughout the season. I think we all got to be really good friends especially Josh Davis and Graig Taylor," 1996 senior Joby Clauson said.

After watching the Twins spank the Royals at the Metrodome in Minneapolis, the Toreadors took the field

to display their talents in an exhibition against Algona. Each player had to sell nine tickets in order to travel to the home of the Minnesota Twins. The parents and community supported the idea and followed the team to the Dome.

"I really enjoyed playing in the Dome. I think I had a pretty good game," 1996 junior Logan Runyan said.

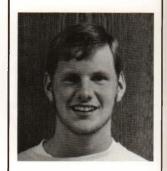

Four of the players made first team All-Conference. Those players were 1996 juniors Josh Davis and Bo Baker and 1996 seniors Graig Taylor and Chad Behn. Chad was also named to the First Team All-State. No less deserving of honor was **Kevin Kruck** who led the Toreadors in bean-balls to head.

"My highlight of the season would probably be leading the team in HBP's to the helmet," Kevin said.

AFTER a close play at home, '96 junior Bo Baker sits up slowly knowing he's just scored another run for the Toreadors. Close calls added all the excitement needed for the one-run ball games.

Overall, the year was great and we all had good laughs. In a J.V. game, asst. coach Matt Farup got upset and unleashed his power punch on a nearby hose. With his power he turned the hose on and got a nice splash in the face.

Nothing but a little bit of teamwork and determination was all that the softball team needed to have a successful season.

Ithink that this season was successful because we worked hard and Molly was great!" '96 sophomore Heather Meiborg said referring to the starting pitcher Molly Duncan. Molly was named to the All-Conference first team. For the second year in a row, the team had to get adjusted with two new coaches. To make the coahces feel welcomed, the girls thought that it would be nice to give them a little something special. They all gathered in the middle of the night at Sarah Aldrich's house dressed in black and ready to kill.

In the middle of the night, after having won the Districts, the group of girls made a trip over to Ames to T.P. Head Coach Stan Oppedahl and then on to "get" Assistant Coach Bret McDonald.

"It was really great! It was fun to T.P. Macdaddy's (Coach

McDonald) garden because he loves it so much," '96 freshman **Tami Gano** said.

Due to all of the stress of new coaches and a tough season ahead, the softball team had its work cut out for the group.

"It is really difficult getting used to new coaches. They all have their own style and technique of coaching which can add up to a lot of confusion!" '96 senior **Katie Bock** said.

Despite all of this, the team managed to beat three ranked teams to capture the title for the Boone Invitational. They did this for the second consecutive year. They accomplished a winning season, and a district championship title.

"Nobody realizes what we achieved. For us to win our District was more than anyone had expected," '96 Senior **Molly Duncan** said.

WELCOMING their coaches, Molly Duncan, Katie Bock, Heather Meiborg, Tiffany Grider, Kari Hull and Sarah Aldrich show their creativity with toilet paper. The team met at 12:00 a.m. to surprise their two new coaches, Stan Oppedahl and Bret McDonald.

MAKING an attempt to score a run, '96 sophomore Kelli Busch slides safely under the shoes of her opponent. Kelli had 6 in her first varsity season.

the shoes of her opponer Kelli had 6 in her first varsi season.

At the beginning of the season, I think we struggled playing together. But later we played as one team and even pulled off a District Championship.

Dors on the Run

by Kristin Stoner, Jeremy Rieck, Nikki Newbrough, Thu Nguyen, and Lorie Ahrens

Over the hills and through the woods to the finish line they GO! The spirit of the cross country runners always was evident.

he sweat poured off the runners as they drug their exhausted burning feet up the last hill. The PAIN! The constant stabbing in their sides was nearly unbearable but they made it! The finish line was hit ten times by each of the dedicated cross country members.

Thirteen boys and nine girls made up the hard-working teams. However, it didn't just happen. Every day the runners practiced for 45 minutes. They ran through the parks, on the highway and up and down the hills. They had to have the drive and determination it took to set and reach goals.

The goals were both big and small. "My goal was to get in shape," sophomore **Kristen Henderson** said.

"I wanted to make All-Conference but I pulled some muscles. I am going to work hard so I can run again next year," junior **Jon Haila** said.

At Conference, the girls showed their stuff by coming in second. The boys proved their efforts were worth it when they placed third. Both the boys' and the girls' teams strived to make it the best season possible.

"The girls may have placed better but according to potential, the boys ripped it up! senior **Mike Faust** said.

ON HIS FINAL stretch, senior Luke Craven appears to be tired after a challenging race. Luke's dedication and effort paid off when he consistently placed first for the Toreador team throughout the season.

HAVING FUN, seniors Emily Moffitt and Ann Jordan enjoy their tough fall practice. Practices usually consisted of a five minute warm-up and a four to five mile run.

BUZZ...was the sound of the airhorns as the varsity football team tackled their first victory of the season against the Nevada varsity

It was a rough season for the Toreadors, but throughout, high moral was maintained. Beginning the year with a grueling battle against Norwalk, the team fell short with a loss of 24-18. The fans were always supportive of the team, no matter what the scoreboard said.

"The district teams were even from top to bottom. Our record could've been 6-3, but this year was a run of bad luck and we didn't get our share of breaks. We had a good group of kids that put out good effort and I really appreciated it," **Coach Dale Tryon** said.

The team came through with their first win, stomping Nevada with a score of 32-3. The satisfaction of their victory recharged the team. Their next big victory came against Jefferson in a game ending up with the Toreadors winning 32-14.

"The team really worked hard and we stuck together the entire season. Our two wins were a big payoff for all our hard work and I enjoyed our traditional Godfather's Buffet every Friday before the game," junior **Nick Hall** said.

Even though the season didn't turn out as the team had planned, the Toreadors held their heads high.

LINING up on the field for the coin toss are seniors Scott Spurgeon, David Grasso, Brandon Korte, and Garrett Slagle. Unity was an important factor during the season.

LEAVING the field locker room, senior Scott Blaha, junior Eric Guenther, senior Scott Miller and Coach Rob Kloever get prepared for another tough half. Halftime talks pumped up the players as well as coaches.

Feisty Underclassmen

by Brooke Anderson, Emily Beckwith and Scott Spurgeon,

While the pressures of winning aggravated some people, it was safe to say that the underclassmen handled the idea of winning with complete ease.

he freshmen football team had a perfect season with a record of 9-0. This outstanding team continued its undefeated season since junior high. In fact, the team was scored on for the first time just this year. They worked hard on all aspects of the game to prepare for teams they hadn't played yet.

"We knew that a lot was going to be expected of us this year, but we came together as a team and it really paid off," freshman Brad Schlieman said.

The sophomores also had a successful season. A couple of freshmen were added to the sophomore roster while some sophomores saw varsity action as well.

"Adding and subtracting players from our team was a big adjustment to our game," sophomore Ryan Pervier said.

The junior varsity whipped up some surprises for themselves, coaches and their fans by pulling out a record of 3-2.

"Proving ourselves to everyone was a good feeling. Not many thought that we could play as well as we did last year, junior Taylor Wright said.

These three teams speak highly for the future of football. Experience, talent, and hard work from these teams leaves the door to glory wide open.

AS FRESHMAN, Dan Schaaf avoids the Norwalk defense, he heads for the end zone with determination. Another leading rusher on the freshman squad was Jamie Lynch with 874 yards on 85 attempts.

THE DEFENSE swarms to the Perry runningback as Nate Doerder does his best to escape. The defense kept

active throughout the year.

Up on the Net

by Darci Gau, Denie Anderson, Sarah Aldrich, Sarah Shepley

With a record a 8-14-4, the varsity volleyball team continued to improve as the season progressed.

Even though their record didn't show it, the team played hard and were proud of their achievements. They had high expectations and goals for the season.

From the beginning, the team knew that with only five letter winners, they had a tough season ahead of them. The coaches encouraged many of the underclassmen to practice hard and to try to achieve their personal goals. Their goal of a winning season was not achieved, but they were proud of their own accomplishments.

"I had set my goal for twelve kills and within the first couple of games I beat it," sophomore **Erin Baker** said.

The varisty team would always cheer on the junior varsity. The varsity players also listened to what the younger players would say about how their team was playing. They discussed with each other what to expect from the

team they were going to play that night. The five seniors knew what some of the other teams

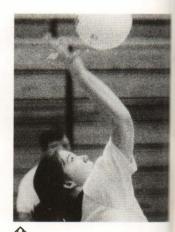

were like because of past experiences while playing them.

However, since the Little Hawkeye conference was new, they didn't know what to expect from the teams they hadn't played before.

Getting pumped before the game was important. Team members listened to music and talked about the game plan. The team would talk on the bus to the away games. This helped them get excited about the game. They also took time to eat on the bus so they wouldn't be hungry during the game. On the way home they would either sleep or gossip about things that happened that day at school.

ANTICIPATING the perfect set by senior Tiffany Grider, senior Kari Hull, sophomore Erin Baker and senior Jill Meyers wait patiently. Tiffany was the team's leading setter.

Tori Stanton concentrates on her serve. Getting the crucial points furing crunch time was important for a victory.

My side of the story...

We had a good season together as a team. All five of been together since

seventh grade. Some of the best times came during practices. We worked hard to prepare for games, but had fun at the same time. I will miss them all next year.

VARSITY VOLLEYBALL Row 1 left to right: Heather Meiborg, Staci Harper. Row 2 left to right: Tori Stanton, Tiffany Grider, Kari Hull, Jill Meyers, Sarah Shepley. Row3: Coach Donna Beste, Shonelle Kudrna, Emily Brooks, Erin Baker, Raelene Edmiston, Coach Don Lester.

Teamwork Pays

by Andy Carrel, Andy Haleen, Julie Shreve

Strong skills, outstanding abilities and year-round motivation all added up to good teamwork for younger squads.

ay by day, practices were more intense as the ninth grade and junior varsity volleyball teams prepared for upcoming games. The team get-togethers really pumped me up," freshman Amanda Byas said.

The ninth grade team impressed Coach Don Lester. They rolled past the most wins in the season. What more could the coach have asked for?

"We had a super year. We worked well as a team. The girls knew why they were there, that's why they kep improving. We had a lot of talented and dedicated players. I was lucky to get them at the time I did," Coach **Don Lester** said.

The junior varsity team also had its ups and downs. They took second place in a four team round robin tournament hosted by Nevada. Even though the squad started the first game with a loss, the players rebounded and won three straight matches. With experience on their side, the entire team seemed to be unstoppable.

"I liked winning more games than last years

ay by day, practices were more intense J.V. We worked hard to accomplish that, " as the ninth grade and junior varsity junior varsity player, Cindy Grundstad said.

Hard work and dedication were two main factors that helped the ninth and JV teams conquer their opponents.

CONCENTRATING hard freshmen Natalie Pearson and Marci Eller get in ready position for the new serve. Having knees bent and staying on their toes was an expectation for all of the players before plays.

TA TEN on the "excitometer" becomes a tradition throughout the year. Coach Lester believed that getting hands up created a great deal of excitement.

Almost "Parfect"

by Eric Nelson and Jon Wills

"I think the biggest difference between this year's team and last year's team has to do with our work ethic. The players making the biggest contributions are those who have been working hard in the summer," senior Lucas Bielfelt said.

ime spent practicing and playing in tournaments during the summer helped the golf team qualify for State. All the varsity players competed in summer tournaments. Some played in as many as twenty five tournaments. This helped the golf team play better under pressure situations.

The season started at the Bobcat-Cardinal Invitational at the Bos Landen golf course in Pella. Here Boone finished a disappointing twelfth place out of the twenty teams that were there. From that point in the season, the scores only got better.

Even though they were the smallest team in Class 4A, Boone only tallied defeats from Ames and Marshalltown. The team avenged these losses by beating Ames and Marshalltown when it counted...at Districts.

A very important victory for the golf team was at the Ames Invitational. Boone shot a 148 to tie Ames for first place honors. This was an important victory because Districts were only

three weeks away. Many teams, including defending state champions from Dowling competed in this tournament.

"This tournament showed us we could compete with any team in the state," coach **Keith Geiken** said.

Boone went on to shoot a 310 and finish one stroke behind Fort Dodge at the District Meet at the Fort Dodge Country Club. This was good enough to qualify for the state tournament at Willow Creek in Des Moines. Mason City also qualified from this district.

"This is the greatest thing that has happened to me," sophomore **Josh Smith** said after he realized the team was going to State.

Boone shot a disappointing 332 the first day at State. The second day they shot a 315 and placed 9th for the tournament.

"The team's meet average score was the lowest it had been in many years. They felt good about this since we are one of the smallest schools in 4-A," **Coach Geiken** said.

AFTER lining up his put junior Pat Bacon tries to make a birdie. Pat played in national winter tournaments in Floridand Texas

PUNCHING out of the sand, senior Lucas Bielfelt puthis ball on the green. Ever though the Boone course didn't have much sand, the team was prepared for other courses.

Winning Attitudes

by Luke Wittrock and Julie Shreve

"This team has shown a commitment that we haven't had in several years. The team had many adjustments to make, but approached it with enthusiasm," senior **Aaron Martin** said.

Tith a brand new coach and three new conference teams the boys varsity basketball team knew this would be a tough season. Playing six rated teams on their schedule convinced the players they would have their work cut out for them.

After hard practices, extra running, and weight lifting sessions, Coach Jim Dose knew the boys would be in as good of shape as

anyone they played.

"This year was different because Coach Dose knew nothing about us. So everyday we had to go out there and prove ourselves to him," junior **Todd Westberg** said.

"I think the conference was harder this year because we had three new teams that we didn't know much about. The only thing we did know about them was that two of them were rated," senior **Pat Jones** said.

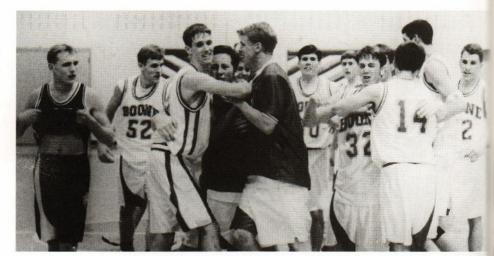

Even though the team struggled on the road, they played very well at home. "The highlight of the year was when we beat Grinnell and they were rated second. You could tell

before the game that the team really wanted to win," senior **Rusty Hicks** said.

Coach Dose was pleased with the season as a whole. He knew it would be just as difficult for the team to adjust to him, as it was for him to ajust to the team. He also believed that the hard work the guys put in during the off-season would pay off in the future.

DRIBBLING, junior J Vickers looks to the lane to find someone open. Vickers was an important player of the bench.

VARSITY boys celebrate after the big win. The guy were really pumped after knocking off #2 rated Grinnel.

Record Year

by Rusty Hicks and Nick Hall

"The girls' did an outstanding job and they improved everyday and turned out to be the best 5 on 5 team ever," coach John Bachman said.

at the helm, the varsity girls were guided to an 8 and 13 record. The Toreadors broke the record for most wins in 5 on 5 basketball with seven conference wins. Their season ended with a tough loss to the Denison Monarchs.

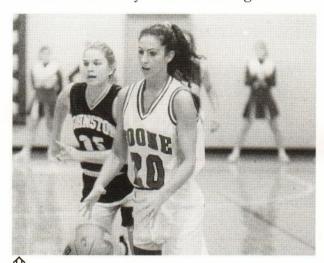

Seniors were a very big part of the team, but with help form the underclassmen it added up to a good team chemistry. "It was fun watching the team improve throughout the season," senior **Jenny Wetzeler** said.

Regardless of last years record, the girls tried really hard to make this team have its best year since joining 5 on 5 basketball. They did so by working hard in practices everyday. "The team really came together at the end of the season to finish with four straight wins," junior **Julie Shreve** said.

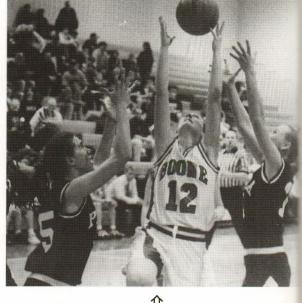

The girls greatest achievement was improving their record. "The last couple of years are record wasn't that great, but this year was more fun because we got more victories," senior **Kari Hull** said.

Overall, the season had many high points. The players set individual goals as well as team goals so they

could have a successful season. In the end the teams felt they reached their goals.

SENIOR Ann Jordan helps break the press against Johnston. Ann also led the team in steals for the second straight year.

POINT guard Tiffar Grider crashes the boards attempt to get an offensive re bound against Pella. Tiffar was also chosen as co-captar along with senior Sara Shepley.

I'm glad to be part of the best girl's basketball team in Boone's history. Our record reflected our hard work and dedication during practice. Not only did we feel that we were ready to make some changes this year, but we played like it.

Tankers Splash

by Jed Hammen and Nicole Swift

"It's hard to understand why the boys' swim team had the best record in winter sports, but we got the least support," junior **Paul Grabau** said.

The boys' swim team was under new direction for the first time in 17 years. Miss Frankie Hanson took over after the resignation of Coach Elizabeth Boesen. Coach Hanson came from the Kansas Jayhawks where she received All-American Honors in the 1650 freestyle event.

The new coach gave the team a whole new respect for the coming season. First, the team revamped the pre-season training. Practices included more than just swimming, but also endurance training such as mile runs. The incorporation of the freestyle swim was a major part of practice.

"This season has been different. Two practices a day helped me become a better athlete. I thought the team spirit was stronger this year," sophomore **Aaron Kelley** said.

Through their first home meet, the team could see how the new style of practice was paying off. The team finished second at the Boone Invitational, the highest placing ever.

Midway through the season, the power-rankings listed the team as 18th in the state.

At the District meet, the team placed 6th of the 11 teams attending. They qualified for State with the 200 medley relay and the 200 freestyle relay. The 200 freestyle relay also broke the school record with a time of 1:33.96.

PRACTICE included mothan just swimming laps befferson swimmer Dust Briggs. The 5 members of the team from Jefferson had travel to Boone every day the after school work out.

SMILING his way to the finish line, sophomore Aaron Kelly scores a first place for his team in the butterfly. Aaron's best time for the season was 1:03.00 which helped him qualify for the State meet.

Placing Success

by Eric Nelson and Jon Wills

With eight returning varsity wrestlers, hopes of a great season were the thoughts on the minds of the fans as well as the wrestlers. These hopes were not to be denied by the dedicated players on the team.

f the eight returning lettermen, six had been three-time varsity starters. With many experienced wrestlers possessing the drive and love to win, expectations were high for the team.

The season started with a a win against Marshalltown. This set the pace for the year.

For the third consecutive year, the team took first place at the Bondarant Farrar tournament. With this promising start, a great season seemed eminent.

The student turnout for the wrestling meets were much greater than in past years. It seemed as though the student body was really backing the team. Students sometimes even got a little rowdy especially when some of their personal friends were on the mat.

Throughout the season, the team had many hardships. At the beginning of the season, weight seemed to be a big problem. As many as 3 wrestlers were out of the line up due to being overwieght. Fortunately as the season progressed the team overcame this problem.

Many of the varsity wrestlers were also plagued with injury. Juniors Matt Wills and Tim Draper were two of the many wrestlers injured during the course of the year. Tim was out for more than a month with an injured back. Fortunately he was able to return for part fo the season. His back was later re-injured, however, three days before Districts. Mattinjured his back at the beginning of the season and was unable to return. This was a major disappointment to the

"I'm looking forward to next season. This season was very good but next season will be even better," junior **Tim Draper** said.

Even with the injured wrestlers, the team took first place at the Roosevelt duals and later qualified six wrestlers for the State Tournament.

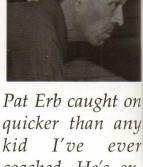

"This was a great accomplishment, but we need to work harder in the off-season to take our program to the next level," Coach Dave Christensen said.

HANGING on to his op nent, junior Chad Christe tries to get out from und neath. Chad had this move fected by the end of the year. FRESHMAN Asi Mentzer works on a thr quarter Nelson. Ashly was of the 8 freshmen to letter

Cheerin' on the 'Dors

by Katy Lange

Pumping up the crowds and leading the cheers was what the cheerleaders did to keep the games alive.

Sometimes keeping the crowd involved was very difficult, especially during a losing game. The cheerleaders' spirits were always high.

The cheerleaders had many new ideas and cheers after they went to a cheer camp during the summer. In the past years, cheerleaders went to camp at Iowa State. For something new, the squad hired Cheer LTD to come to Boone and hold a camp right on the school lawn. An associate from Ohio was in charge.

"The camp was worthwhile for everybody. Our teacher was energetic and knew alot about cheerleading," senior **Lorie Ahrens** said.

Pep assemblies were planned by the squads. Each assembly took a great deal of effort.

"Planning the assemblies was always fun to do since there were so few," junior **Kelli Busch** said.

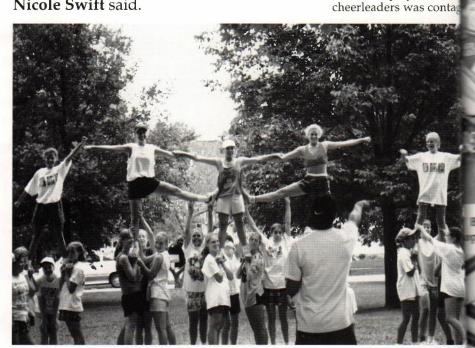

The cheerleaders also made posters for all the sporting events. The posters added encouraging "words of wisdom" for the teams that were competing during the week.

"Varsity cheerleading was much more demanding. We had to provide leadership not

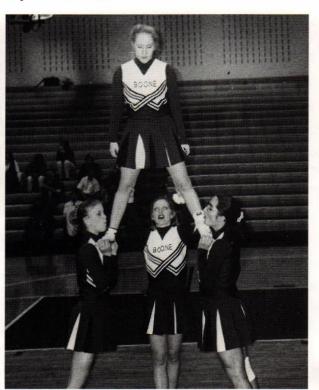

WARMING UP before a game, the varsity football cheerleaders go over some basic moves. Warming up was stressed by the coaches in order to avoid injuries.

⇒VARSITY CHEERLEADERS Denie Rae Anderson, Dana Leninger and Heather Yungclas use their strength to lift senior Ann Marie Ouverson at a home game. The basketball cheerleaders tried many challenging stunts throughout the year.

only to the crowd, but to the younger cheer-leaders as well. This sport requires a lot more than what everyone sees," junior **Nicole Swift** said.

CHEERLEADERS know how to have fun and learn cheers at the same time. All cheerleaders were able to attend cheerleading camp during the summer in order to improve their skills.

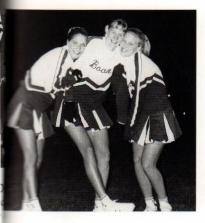

I've been involved in cheerleading all through school. can't imagine going to games without cheering.

•Emily Wiley, 12

111014

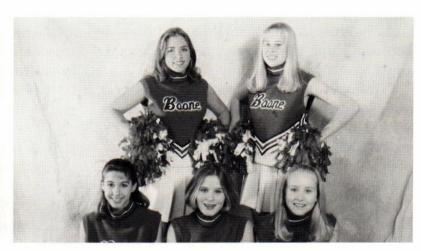

The best part of being on squads was getting to know girls who wanted to be in front of a crowd. We always tried to come up with different things to do for pep assemblies, but then they took them away from us...so no pep.

Keep in Stride

by Tori Stanton

"Now I know that I can't just think I'm a god, I have to run like a god," senior **R.J. Brogden** said.

he boys' varsity track team had many high expectation for the season. Goals were set for the team to reach the top. By accomplishing these goals, the team was defined as one of the best in years.

"I thought the beginning of the season went well, but the workouts made me realize that I wasn't in 'track' shape even though I also played basketball this year. Varsity track was also a lot more intense than in junior high," freshmen **Nick Getschman** said.

After the weather calmed down, the season finally began and the team was ready to get into some meets. The Drake Relays arrived and once again the school was well represented. The 4X100 meter relay team placed first in their heat. Also, senior Scott Spurgeon placed fifth in the discus competition.

The Drake Relays were extra special with Michael Johnson, the world's fastest sprinter competing.

Next came the Little Hawkeye Conference meet. Boone claimed the team championship by a slim margin of only 3 points. It was a heated battle until the end. The 4X400 meter relay tream crossed the finish line ahead of Pella. This sealed the victory.

"Winning conference was pretty 'phat' since this is the first time we have won it," junior Lucas Wirth said.

Not only did the team win the conference meet, but senior Logan Runyan set a conference record in the 800 meter run. He claimed first place with a time of 2:01.1.

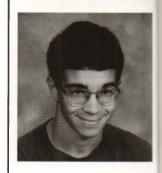

"The highlight of the regular season was by far winning the Little Hawkeye Conference championship in Grinnell. It was the first time in many, many years that the varsity boys' have won a conference title," Coach Gary Achenbach said.

As the season came to a close several competitors went on to compete at State.

ANCHORING the 4X4 senior R. J. Brogden comdown the straight away. R also anchored the 4X400 teathat gave the team the win fathe conference title.

Practice started great but my first meet was awful. I was visiting the University of Oklahoma and I didn't get home until 3:00 a.m. When Coach saw me at the meet, he said that I look like I had run a marathon already.

Born to Run Fast

by Nicole Swift, Jed Hammen, and Anna Morphew

"We worked great as a team this year. It really showed at the Boone Classic, when we won first place as a team," junior **Heather Cline** said.

Due to the lasting winter and spring rains, it was amazing the girls' track team had time to practice, none-theless, get a meet in. The team was continually faced with cancellations of meets. When the time came to run a scheduled meet, the weather was still against them due to the winds and the low temperatures.

Preparation for the upcoming season started in late February. Practices included indoor conditioning and weight lifting. Later the squad moved to the streets. Intense workouts had to be done sharing the track with other teams.

The season had many highlights. With fans on the edge of their seat during the Boone Classic, the team pulled away with a marginal win. At the district meet, individual members gave it their all to help the team. Hopes of qualifying for state with their times were in the air.

Senior Ann Jordan saw all of her hard work and endurance finally pay off. Her time earned

her a spot at State in two races: the 1500 meter and the fast heat of the 800 meter. The season ended with a

fifth place finish at Conference in late May.

"This was one of the most positive groups of kids I have had in a long time," Coach **Harry Robinson** said.

Even though the team consisted of only two seniors, they stuck together throughout the season, producing satisfying results and records. "Think positive and do your best! So say to yourself 'I can do it' and you'll do great," freshman **Katie Wittrock** said.

Under stressful conditions, the team sometimes used other methods of motivation. "In the first track meet, I was put in the 4 X 100. Amie Hull told me that I better do good or she would get me. She really scared me but the coaches would not take me out. I ran it, and thankfully, it ended up really well," junior **Amiee Miller** said.

GOING over the bar, junior Erin Baker pulls before her landing. Cold weather at the beginning of the season added to the tightenss of muscles, requireing additional stretching.

I thought the season went well but I was disappointed to scratch in the long jump at the district meet. It seems that you really work hard to condition and practice and in just a split second, you can blow everything! I did!

Picture Perfect

by Thu Nguyen, Katie Behm, and Clayton Chapman

"All of our goals have been accomplished: having an undefeated season, winning the conference meet, and going to substate and state," Coach Jeff Wells said.

If there were a word for the boy's tennis team this year, it would have to be "PER-

The boys won their third consecutive Little Hawkeye Conference tennis championship on Monday, May 12. This title was Boone's seventh in the past eight years. They also had won the last three Central Iowa Conference championships before the league was disbanded.

Boone also claimed four of five Little Hawkeve Conference titles. The team made a great effort to pull this off. The guys had much to live up to because they had won the title the last two years. This year's team scored a perfect 52 and a 14-point cushion against runnerup Pella-Christian. The team included Mike McMullen, Marty Palmer, Taylor Wright, Kelly Henderson, Bo Baker, and Kevin Kruck.

"When people ask me why we had such a great season I have to tell them it wasn't luck. It's because out of the top five winningest players in Boone boys' tennis history, three out

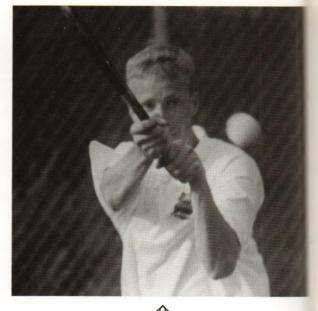

of the top five were graduates of this year," Coach Jeff Wells said. This included Ryan Grabau's record of 120

wins being broken by Mike McMullan with 133 wins and 20 losses.

Boone had a strong tennis tradition with 34 boys out for the chance to play varsity. "It's hard to give everyone the attention they deserve when you have record-breaking players, but it couldn't have been done without the help of everyone" Wells said.

By the time the team members took the courts at conference finals for their final match, they had already clinched the team championship. Their motivation was the perfect score. And they got it.

All in all this season was a dynasty like no other before it. Next year's team has much to live up to but they seem ready for the challenge. "This season really pumped me up for next year," said junior Gabe Bowers.

COMING at the ball, se nior Kelly Henderson prepares to attack the ball with his return. . Kelly was one the top players who lettered during the four years he played on the high school

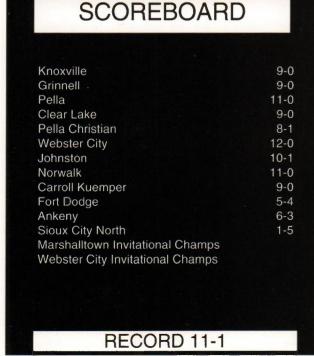

want to have fun and improve on my game. I think that it is neccesary to have as much fun as possible in your senior year. I think the reason that we can have fun is because we have a good grip on our competition.

•Marcus Webb. 12

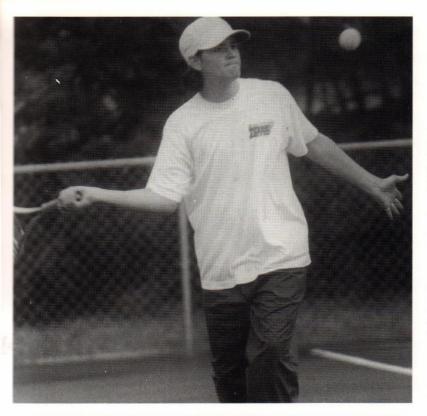

This year I just

- The last time the team lost a reqular season dual meet was May 7, 1992 at Denison
- While playing Carroll- Kuemper the team was filmed by KCCI Channel 8 for this season's winning streak
- Mike McMullan was featured as the Des Moines Register's Prep of the Week

SENIOR Mike McMullan takes a low swing to reach a ball. McMullan was one of the key elements to a remarkable season by climbing to first on the career win ladder chart.

← WEARING his lucky cap, junior Marty Palmer warms up before a home meet. Stress rarely let up even though the team had a successful season.

Overhead Shots

by Staff

"Even though it was my first year as head coach, we still had a lot of fun while we worked hard for a successful season," Coach Carole Martin said.

Tith only three returning letter win ners, two new coaches, and a young team, not much was expected from the girls' tennis team.

"I didn't have much experience going into the season but pratice was still fun," freshmen **Heather Behn** said.

New Little Hawkeye Conference rivals were made with the addition of Pella, Knoxville, and Grinnell.

"I've really gotten close to the top six players, we've had a lot of fun," **Jenny Wetzeler** said.

The forty member team found practice difficult all at once. Fortunatly the skilled coaching staff divided the times to give the team more personal attention.

Head coach Carole Martin did not make the practices easy. With a large emphasis on conditioning, jump ropes were no where to be found.

LHC was held in Johnston. Nicole Hill competed at flight one singles, finishing at fifth place. Jenny Wetzeler fought hard at flight two

singles and finished fourth. In flight two doubles, Amanda Byas and Marci Eller finished third. In flight one doubles,

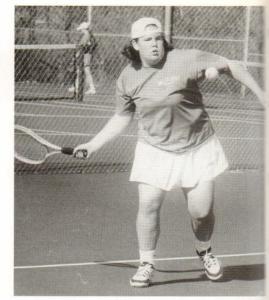

Sarah Aldrich and Brenda Brockman finished second. Overall the whole team finished third.

The district meet was at McHose park.

Junior Sarah Aldrich and senior Brenda Brockman came through as district champions in doubles, and advanced to the state meet.

The team competition made it to the regional final. At Regionals, the squad was defeated by a tough Camanche team.

⇒ THE TENNIS TEAM held its annual pizza eating contest in Fort Dodge. The Booster Club paid for the meal but extra money was needed to pay for all the pizza.

GOING for the win junior Sarah Aldrich rips one down the line. The team often wore hats or bandannas providing them with unique tan lines.

Hole - in - Fun

by Brooke Anderson, Kylie Barrett, and Jensie Lauritsen

Swinging right back into their normal rhythm, the girls' golf team went the distance with a fresh team and a fresh start.

The golf season got an unusual start due to the cold and snow. The first three meets were all postponed until the end of April. During the season, the squad participated in three invitational and four duals. Also in the year, they battled it out with Johnston, Norwalk, and Winterset a total of four times at each of the four schools' courses, respectively.

"I really liked golfing with the three schools so many times. It made it easier to relax when I already knew the girls,"freshman Tiffani Ellis said.

The years' roster was rarely ever consistent. The number one spot changed from meet to meet based on previous scores. Generally, the scores improved as the season progressed. Although the scores may not have been great, the team was learning and gained many new and valuable tips.

At the Little Hawkeye Tournament, the squad placed fifth overall, beating teams such as Norwalk, Pella Christian, and Knoxville. Freshman Isha Cox earned first-team all con-

ference honors at the meet with a final score of 106.

At regionals, the team traveled north to compete with teams from Mason City, Ankeny, Fort Dodge, and Ames. The girls finished 4th. Junior Staci Harper had the best finish with a round of 107.

"The girls showed tremendous improve-

ment during the course of the season. Even though we were a young team, that just pushed the girls to try harder," 0Keith Geiken said.

Though the team was young, the scores continued to lower. Everyone improved to make the whole season un-FORE-gettable.

of the team before competition starts. The team found it scored best on the home course.

GIVING each other valuable tips, sophomore Amanda Wiley and junior Brooke Anderson prepare for a home meet. They hosted only three home meets during the year.
