

Boys Soccer 2010

Boone soccer is a relatively new sport to BHS. It started only four years ago. But this sport is growing more and more popular with the student population. For the first two years it had a co-ed team, now there is enough kids going out for there to be a boys and girls team and they both have jv and varsity teams. thats more than triple the original amount. If soccer keeps on growing at Boone high school the program will get better and better every year.. "The team works harder every year and every year we get better. I hope to see the program get bigger and better." Kurt Burke '10

Girls Soccer

The soccer program is now approaching it fourth year into Boone High Schools sport history. Every year the soccer program gets bigger and better! Soccer was a nice addition to the BHS athletics because it gave students more choices and opportunities to do what they want or enjoy doing.

Invictus Unconquerable Spirit

And the weather report is.....

The Boone High boys tennis team had a great season. The Toreadors went 9-2 through the season. Even with one four year senior on the team the boys still did well. Sophomore John Ellis went 14-2 in singles and 18-4 in doubles. John Ellis and Chad Moglestad, the youngest doubles team at state, placed second losing to Waterloo Columbus.

Jaelynn Burkamper '13 and Samantha Troe '13 come out to support John Ellis '12, Chad Moglestad '13 and the whole tennis team.

Shane Kading '10 has played for four years on the Boone High School boys tennis team. His record at Boone High was 49-30. Shane says his favorite thing and what motivated him was "the traditions and the unity of the team." Shane also says that those things are what makes Boone tennis so special.

What was your favorite part about tennis?

"It's amazing! Practice and meets are lots of fun."
Chad Moglestad '13

"Tennis at sunrise surrounded by a sea of blue. We waded onto the courts as a team and prepared for battle. Invictus!"
- Assistant coach Scott Kelly

Girls Tennis

This season the girls tennis team was different. They not only had a new coach but they lost many seniors. That didn't stop the girls from having a good season. Although they didn't have anyone go to state this year, they still had a great time. Since they were in a different conference they didn't play the teams they have played in the past. They had new competition. Sarah Crim '10 said, "This season was especially fun for me because I built good friendships with both coaches and had a great time getting to know and looking after the younger girls." This season really was a new and great experience for the girls.

Years Played: 4 years
Honors: Team Captain senior year

Memory: My favorite memory is when Courtney and I would make funny comments to each other during matches, it always made it really hard not to laugh!

Emily Marie Boehm '10

"What was your favorite memory of BHS tennis?"

"My favorite thing about tennis is when I would kick other teams butt and also making the coach play against me just to make him work harder like I do."

~Autum Weaver '10

"I enjoyed the long bus rides home with Coach Holms and Coach Siedl and all the times Siedl would sing."

Sarah Crim '10

Doubles partners Emily Boehm '10 and Courtney Foster '12 have been playing together for the past two years. This season Emily was number one and Courtney played as number two on the ladder. They both had a great season as doubles partners.

After Prom 2010

For many prom goers after prom is where you can play casino games, chat with friends, win prizes, watch the hypnotists, and see who gets crowned King and Queen. Every year after prom is held at DMACC from midnight to five o'clock in the morning. It is put on by Ki-Hi-Kapper. Many people either walk in and eat the food that is put out or go to the game tables. Games range from blackjack to craps. After the games close there is time to win prizes and then everyone goes into the auditorium for crowning and the hypnotist.

The Boone Baseball team had a great season. They had 36 wins and 5 losses. In the Little Hawkeye Conference they went 23 - 0. Varsity Letter Winners were Seniors; Andrew Burge, Logan Busch, Ben Byriel, Mike Eckhart, Cris Ely, and Josh Frank. Juniors; Damon Moran, Blane Reutter, and Ryan Titman. "We took baseball seriously, but had fun while playing the season," Moran said. The boys worked hard as a team, and made it to play offs which lead them to state. Playing against Norwalk at principal park it came to the end with Norwalk winning 4 to 2. The lead was gone and so was the season. "It was an experience that no one will forget and the atmosphere was unexplainable," stated Reutter. "This season was the most fun being with the team and going to state," Titman said. The boys that are left for the 2010 year of baseball are excited for season to start.

"Well I'm going to miss playing with all my close friends that I have been playing with in the town of Boone. I'll miss the coaches greatly after playing for them for four years, but at the same time I'm excited to be starting a new chapter, and playing at the next level. I'm looking forward to all the new memories that will be made."

-Cris Ely

"When out on the mound, I try not to think about my record much at all. The way I pitched this year was incredible. I'm still practicing as much as I can, so I can get even better next season."

BHS SB 'DORS

Welcome to Our Battlefield!

This season the overall record for the Toreadors was 26-11. Although, their main pitcher, Corinne Frei ended her season early with an injury - the team knew they had to step up their game and their back up pitcher, Tamara Larson pulled through and helped the team keep pulling out their victories. The Boone softball team made it to their third round in tournament play but unfortunately lost to Carlisle in a 0-4 upset. The team knew what they were going up against and played to their full capabilities but couldn't pull out the win. The overall season was a great success for the girls' and the 2010 season should be just as successful.

Drill Team

Our Hips Don't Lie!

Our Boone High Drill team started out strong this year by placing third for Jazz, and fourth for Hip Hop at State competition. When asked on how they did junior, Kaitlyn Stotts replied "I felt we did very good this year and I'm proud to be apart of the team." When asked about her feelings on her last year of drill team, senior Erin Malloy had to say. "These past four years on drill team have created memories that will last a life time. The girls are great, and Mary always put a smile on our faces. I'll never forget the summer camps and clinics we did, and all our candlelit dinners our team shared."

B.H.S Pep Band

Band

Each year there are many students who join band because they love to play an instrument. In the fall the band students practice for marching band. During this class hour the students go out to the practice field and practice their formations with their instruments. After football season is done many students do jazz band or they stay in band and just play because its fun. Throughout the winter and spring time the band puts on concerts. Some of the band members go to state music competitions. The band has been doing a lot of fundraisers to save up for new uniforms. They should be recieving the uniforms in the next two years hopfully.

Another season of football means another season of marching band for the high school students. For some, it's a first time experience but for others it will be their last season after four years.

SADD & JEL

SADD and JEL are two groups at Boone High that keep students from doing drugs or other things. SADD stands for students against destructive decisions and JEL is just eliminate lies. These groups have many fun events during the year. One events is grim reaper day, where students who get touched by the reaper cannot talk for the day. Senior Ryan Titman said, "In SADD you teach other students about what is wrong with making bad decisions while also doing fun things with the group. Meetings were held at school and sometimes one of the members houses. Senior Trevn Lee said, "We had a lot of fun this year and really added another element to having safe fun."

Concert Choir Choral Harmony

Every year many students decide to be in a music class whether its band, orchestra, or choir. For many students they choose to be in choir. Freshmen have freshmen choir and upper classmen have concert choir and choral. Anyone can be in Concert choir, choral on the other hand you

Madrigal Dinner

The Madrigal Dinner is a medieval show that the Choral Choir does every two years. The dinner is a way for the music department to raise money for their choir trip, and other various activities such as the Swing Chorus Show. The Madrigal Dinner is something that every choir student looks forward to because it is such great, goofy fun! The play is based on the medieval time period, and there is a king, queen, royal court, joker, wizard, gypsy and of course the wenches. Our school principal David Kapher played the king this year and Spanish teacher Leshia Anderson played the queen. This year the show got switched from being in the high school gym to the lovely restaurant the "Giggling Goat". The event room was perfect. and with the restaurant provided the catering which took some stress off Mrs. Grundstad and choir parents. The food tasted amazing and while watching the show it wouldn't be uncommon to have a wench come and snatch some food from your plate. The gypsy also would like to come and tell your fortune it usually wasn't a good fortune. The night was filled with great food, singing, bad jokes, and dancing. "My favorite part about the Madrigal Dinner was just watching it unfold and knowing no matter what, the show must go on!" Maddie Stumbo '10.

KEY CLUB

Members of Key Club are volunteers who dedicate time to help their community and their school. Any student from freshmen to senior can be involved but they have to take their duties seriously. The members are required to attend a certain amount of meetings throughout the year and have a certain amount of volunteer hours for that year as well. The volunteer work varies between cleaning up trash in the community to spending time at the Humane Society.

Next year's Key Club President, Allie Lee said, "Key Club is a volunteering club that loves to do service projects to benefit the community." She listed the following as a few of the projects that the club does: Shop with a Cop and Stuff the Bus. Shop with a Cop takes place during the Christmas season and at this time members of Key Club take less-fortunate kids to buy Christmas presents for family members. Stuff the Bus occurs during the holiday season as well. During this project, members allow anyone in the community to bring canned foods to a school bus. The members watch the bus and try to "Stuff the Bus!"

Key Club volunteers enjoy their work because it allows them to get in touch with the community and also with each other. They need more and more volunteers every year and there are no requirements when it comes to academics so everyone is welcome.

Officer Sonja Kretzinger takes roll and speaks to member Allie Lee about further information

Below are the members of Key Club
