Mountains are created to be conquered; adversities are designed to be defeated; problems are sent to be solved. It is better to master one mountain than a thousand foothills.”

"Winning the conference meet by 4 points."

Boys Track had a very successful season and won five out of nine total meets. The team claimed the Raccoon River Conference title, the first one since joining the conference in 2009. The boys won the title by more than 40 points over rival school ADM. Along with winning conference, the boys finished runner-up to Ames at the Class 4A District Meet. At the District Meet, Boone qualified nine athletes for the State Meet, an impressive finish.

Sophomores Chandler Austin and Albert Meier both qualified for the 3200 meter run placing 12th and 18th. Chandler also took 7th in the 1600 meter. In the high jump, Junior Bret Kinne jumped his way to 13th. For the third year in a row, Senior Weston Riesselman made it to State in the long jump where he placed 13th. He also ran as a member of the 4x100 and 4x200 meter relays that placed 20th and 23rd. Other members of the 4x100 and 4x200

relays are Juniors Dylan McDowell, and Alex Davis, and Seniors Mitch Overland and Colin Green. Overland was also a member of the 4x110 shuttle hurdle relay along with Bryan Boesen, Sam Viau, and Taylor Pyle that took 21st. Taylor Pyle also placed 22nd in the 110m hurdles. Chris Kelly was a member of the 4X100, 4X200, and 4X110 shuttle hurdle relay, and he qualified individually in high jump. However, due to injuries, Kelly was unable to compete.

The Girls Track team had a strong showing this year for the 2012 season. With the addition of the freshmen class, the team was a power house taking second place in the Raccoon River Conference Meet. The 4X100 relay team even ran in the Drake Relays. Members of that team are Senior Bailey Camenisch and Freshmen Bailey Schminke, Linsey Schminke, and Breann Aspengren. At the District Meet several events qualified for the State Meet includ-

ing two in the shot-put, the open 800, the 4X100 relay team, and the 4X100 Shuttle Hurdle Relay Team. At State, Senior Lauren Weber placed 16th in the shot-put with a throw of 34 feet, 3 inches. Junior Jill Hansen took 14th with a throw of 34 feet, 7.25 inches. Elin Phipps came away with 14th place as well in the 800 meter run. The 4X100 team placed 19th, while the shuttle hurdle team took 22nd. Members of the shuttle hurdle team include Freshman

Sammy Clark, Juniors Hailey McDowell, Zinnel, and Sara Miller. With such a strong team, Coach Scott Kiesel was awarded Raccoon River's Girls Track Coach of the Year. The girls have had a record setting year, and are hungry for more next year. The Seniors will be missed for their strong leadership and dedication, along with the great personalities and jokes. The team has set the foundation for great years to come.

Team Bonding

"This year we had a great team. We are good friends, and we have a lot of fun."

With clear eyes and minds, and rackets ready to roll, the Boys Tennis team proved that they were a challenge to beat. Posting an almost perfect record, the boys were able to blow past most of their competitors with the help of returners Mitchell McPartland, John Ellis, Chad Moglestad, and Michael Solomon. Even the Junior Varsity Squad proved to be a difficult team to beat. They posted a record of eight wins, one loss, and one tie. After breezing through

Districts and Substate, the team qualified for State together. Nate Kriegel and John Ellis qualified individually for singles. Mitchell McPartland and Chad Moglestad qualified together for doubles. As a team, the Toreadors were able to bring home the third place trophy for the second year in a row. Ellis brought home first in singles and McPartland and Moglestad took the Doubles title. The Toreadors graduated four seniors this year: Ellis (131-26), McPartland

(100-18), Michael Solomon (56-32), and Mason O'Neill (43-24). "I will really miss the incredible talent and leadership of these four seniors," Wells said. "What they accomplished this year, and their entire careers, is unparalleled in my career." A tradition of success has been rooted in the Boone Tennis program for many years now. This year carried on that tradition and great things happened.

This year's Boys Soccer Team came a long way to overcome many injuries led by captains Gabe Summerhays, Kyle McKim, Scott Wailes, and Ben Dighton. Senior Goalie Kyle McKim suffered an ankle injury that ended his soccer career, leaving big shoes for Freshman Philip Commins to step into. The team consisted of Boone and Ogden boys all playing as Toreadors. Senior Gabe Summerhays fell just short of the fifty goal mark during his final season. The final

record is no indication of how much work the team put in during the off-season and how close they were to victory numerous times. The Toreadors took multiple teams to overtime and penalty kicks, losing after the clock had run out. It was the senior class that proved to be the most valuable though as their leadership, footskills, and teamwork led the team to victories and much improvement. "As a coach, it has been a great season to see everything

clicking," said Coach Andy Commins. Five players on the team were awarded with All-Conference honors: Nick Walker and Sam Clayton, Honorable Mention; Jared Dow and Scott Wailes, Second Team; Gabe Summerhays, First Team.

Although next year poses the challenge of replacing much of the starting line-up, the Toreadors are up for the challenge as this year has set a solid foundation for the years to come.

The Girls Soccer team had a great year and tied the best record in the program's history. The team was led by Senior Captains Kati Seeman, Annie Weaver, Amanda Widener, and Mia Wiese. After coming off of a 1-6 start, the Toreadors powered through the end of the season with a 5-5 record, including their victory over Newton to get them into the Regional Semi-Finals against Des Moines Hoover. Boone fell short against Hoover after a long, hard

fought eighty minutes. The improvement and success the team had this year was incredible. With a 3-5 conference record, the Toreadors were at the middle of the pack. Sophomore Ashton Summerhays was third in the conference with twelve assists. Senior Annie Weaver scored twenty-two goals on the season, tying for the number one spot in the conference. Weaver also earned second team honors in the Racoon River Conference, while Kati Seeman,

Ashton Summerhays, Amanda Widener, and Mia Wiese received Honorable Mention certificates. "There will always be someone who comes along and scores more goals and has more impressive stats but the one thing this team has is great character. That will be the hardest thing to replace," said Head Coach Rick Summerhays. This year was a great building block for future seasons, and with eight seniors leaving, there is room for more opportunity.

After Prom Fun!

Court Members this year included Bill Hitt, Allie Lee, Dan Malloy, Stacie Leeds, Raleigh Patrick, Joe Slight, Ashley Kew, Sam Viau, Michael Solomon, and Alisa Baker. But before the crowning of Bill Hitt as king and Allie Lee as queen, the night was filled with entertainment! An assortment of gambling games were available to win raffle tickets. After the drawings for prizes and the coronation, a hypnotist performed. This was the highlight of the evening for many--causing much laughter and providing many great photo opportunities. To the right, court members are introduced. Below is the result of some hypnotic activities!

Some sleepy students are a little confused during and after the hypnotist show. Participants did various things such as sleep on command, describe themselves as superheroes, drive invisible cars, watch a frightening movie, and flirt with their favorite movie star.

Raleigh Patrick, Joe Slight, Allie Lee, Bill Hitt, Michael Solomon, Alisa Baker, Dan Malloy, Stacie Leeds, Sam Viau, and Ashley Kew were all members of court.

CLASS DAY

This year's Class Day was filled with much laughter and only a few tears. The Class of 2012 walked in to their class song "Tattoos on this Town" by Jason Aldean. After some words from Senior Class President Mason Weigel, the Brown Award was given to students who had received a 4.0 GPA all four years of high school, and those who qualified

for the Academic Wall of Fame were awarded medals for their accomplishment. Scholastic Honor Society recipients were also recognized. Many other awards were given earlier in the day. The Senior Video was a hit as it was like MTV and featured many students and staff dancing all around the school or copying popular shows with a Boone High twist.

Class Day Speaker Mr. McPartland focused on pride during his very touching speech. He reminded students of how far they have already come and how much further they can go.
