

*"If I have been of service,
if I have glimpsed more
of the nature and essence
of ultimate good, if I am
inspired to reach wider
horizons of thought and
action, if I am at peace
with myself, it has been a
successful day."*

EMSEMBLE

PROSE

RADIO NEWS

ORATORY

This year there were ninety students that participated in Speech Team. During the large group season, Boone had entries in thirteen categories. Two Improv teams, two Musical Theater performances, one ensemble acting team, and one mime team received I ratings and advanced to state. At state, all but two of these performances earned I's. Dan Malloy and Laura Martin went on to perform at the all-state festival and brought home a state "championship" in speech team. During the individual speech team season,

fifteen acts advanced to state. Every single entry received at least one top rating from a judge at the state competition. Eight of the eleven top rated performances were unanimous by all three judges. Senior Justin Niday and Junior Laura Martin received all-state recognition. The students were coached by Math teacher Mr. Wells, Spanish teacher Mrs. Anderson, and volunteer Ms. Thieben. The students attained high levels of success, gained confidence in front of an audience, and made many new friends and grew in camaraderie.

"Speech Team people are my favorite people. Everyone supports one another and everyone always is able to offer constructive criticism to help you perfect your performance."
-Raine Welterlen '14
(pictured with Lisa O'Neal '12)

"I got to do something of my choice, using my own voice and creativity. I wasn't completely alone, because you always get support from everyone around you, including both coaches."
-Jessica Jacobsen '13
(picutred with Holly Barton '13)

"Some of my favorite memories in high school came from speech team. It was a lot of fun."

SADD

SADD stands for Students Against Destructive Decisions. The group's president is Junior Robb Fowler and is supervised by Billy Dow. SADD has meetings and organizes activities to help raise awareness. This year's focus was on texting and driving. SADD brought a program to BHS to show the dangers of texting and driving and drinking and

driving. Each Sophomore had the option of taking the pledge to receive a thumb ring and the chance to win a brand new Kindle. Because of the enthusiastic participation of the entire sophomore class, the company even threw in an extra Kindle to be given away. Through this program, SADD helped students to realize the importance of safe driving habits.

Sophomores who took the pledge to not text and drive, received thumb rings to remind them of their promise.

NHS

Graduate Colin Weaver was selected by NHS members to speak at the induction ceremony. He encouraged the inductees to get and stay involved once they get to college.

National Honor Society is led by President Alisa Baker and officers Cole Anderson, Zack Elsner, Michael Solomon, Olivia Thiel, Dan Malloy and Scott Hansen. Miss Weaver is the leader of the group. Some of these activities include Bake Sales, the Festival of Hope, the Big Event, reading to elementary classes, Happy Bear, Teacher Appreciation

Sundae's, blood drives, planting flowers, and many more. "National Honor Society is a great club for leaders to connect and do service for their community," said President Baker. "My hope is that these activities will spark an interest in members to participate in service activities in their community as an adult," Miss Weaver added.

RED PRIDE

BEWARE OF THE STAMPEDE

Red Pride was a student group that formed to help boost pride and spirit in Boone High and all of its activities. Red Pride was led by a group of seniors that worked along with faculty members including Mr. Ridout, Mr. Kramer, Mr. Smith, Mr. Ashby, and Mr. McPartland. One task the group wanted to do was recognize the success of the fall sports and activities while promoting attendance at winter events. They also brought up that the school held no pep assemblies during the winter season, so they organized one to accomplish

those goals. At the Red Pride Assembly, students did cheers, dances, races, and a pie-throwing contest. Attendance at events went up for the month of December. The group lost a bit of momentum after Christmas break, but they did manage to draw in over three hundred members for their cause. The name for the group originated from the saying, "Boone High, Red Pride." The mascot of the group was the bull, which goes hand in hand with the school mascot of the Toreador. The Booster Club helped sponsor the Red Pride movement.

Senior Spencer Ouverson gets Ridout with whip cream pies.

ENGINEERING
MATHEMATICS
EDUCATION

One hundred and fifty thousand students nationwide aspire to become future engineers, scientists, and technologists through the Technology Student Association. The mission statement of the group is, "Learning to live in a technical world." Boone High has its own chapter of TSA that competes in annual conventions. This past year they even got to stay at the Adventureland Inn in Altoona for state conference. Students in TSA don't only create projects, they create bonds with other members of the association. Senior Alexis Tellinghuisen

called the TSA members her "family." She along with Freshman Payten Bailey earned second place for Problem Solving at a competition. Construction teacher Mr. Hehnke is the TSA advisor at Boone High. Being part of the group has many advantages and students who are involved in TSA have a 100 percent graduation rate from high school. The Technology Student Association had a great year with many new comers who were very dedicated to the program. They look to keep competing and learning in the years to come.

ASL

Advisee Senior Leaders is a great way for incoming freshmen to meet upperclassmen and get acquainted with the halls of Boone High School. Seniors that were accepted into the program were grouped with an advisee class filled with freshmen. They gave tours and helped the students to have a smooth transition into high school. In advisee, the Seniors

talked about dealing with bullying, setting goals, and other skills that are necessary to survive. Aside from meeting with them once a month, ASL members were available to their freshmen whenever they would need advice or someone to talk to. ASL is a great way for students at BHS to meet new people that can help them out.

Ms. Weaver is the coordinator of the ASL program.

RIGHT:
"ASL is a great way for freshmen to get to know some of the upperclassmen and a way for them to learn things about high school that older students have gone through and can help guide them."
-Blake Baltimore '12

Swing Choir

The Swing Choir pulled off another show this year under the direction of Kelly Earll and the technical assistance of Dave Swenson. This year's theme was based off of the popular talent show *American Idol*. Songs performed this year were the following: "I Gotta Feeling," "Burning Love," "Need You Now," "When I'm Sixty-Four," "When You Believe," "The Longest

Time," and "Firework." The Boys' song was a crowd favorite as they jammed out to "Billionaire," while the girls sang "Say a Little Prayer." The seniors ended their senior career to "Fly Me to the Moon." "This was a fun group of kids that have a lot of energy, sometimes they knew how to use it, and sometimes they didn't!" said Mrs. Earll.

"Every year we stress out about our show, but we had lots of fun and the show was great!"
—Stacie Leeds

(BELOW) Scott Wailes lifts Olivia Thiel during "Burning Love."

(BELOW) Tamsin performs her special "Intervention" as a birthday surprise for her

"In the end, swing choir is the highlight of my year so the hardtimes pay off!"
—Kiera Good

"My first and only year of swing choir was a lot of fun!"
—Bryan Boesen

"I devoted so much time to the show this year with all the choregraphing and it definitely paid off!"
—Dan Malloy

COMPUTER

GAMES

Gamer's Club second year was a successful one that saw many students get involved. The main goal of Gamer's Club is to provide students who share an interest in gaming with a place to gather and play together. Students in Gamer's Club play competitive games, but also played a number of games that worked to develop cooperative and collaborative skills.

Students played a variety of games over the course of the year ranging from card games to X-Box and Computer games. Some of the more popular games were Starcraft 2 and Magic: The Gathering. Students even organized a Starcraft 2 tournament which was both competitive and entertaining.

HELPERERS

PEER HELPERS, GRIP MENTORS

After getting recommendations, training, and filling out long applications, many BHS students were able to help out their fellow classmates or younger students in the district. One group we have at BHS to help students is peer helpers. They are available to help with homework and to be a friend to someone in need. Every year, Peer Helpers puts on a basketball benefit to help raise money for local charities. This year there were two games--Juniors vs. Seniors, Staff vs. Police. There was also a bakesale, drill team performance, and swing

President
Bailey Camenisch

"I enjoyed all of the different stuff we did like going bowling and working at the blood drive and setting up for the dances."

Vice-President
Kiera Good

"My favorite part of student council was making decisions and being a leader for the whole school."

Treasurer
Scott Hansen

"It was fun learning how to put the excessively complex dance kits together with friends!"

Secretary
Elin Phipps

"My favorite part of student council was being an officer and being able to work with other officers and members."

It's great to work with kids who want to help others. They donate time and efforts to the community to make it a better place.
 -Billie Dow, Key Club Leader

Key Club

Key Club is an extra-curricular activity where students can do things for their school, for the community, and the people in it. This year, Key Club has done the Crush Pop sales, Festival of Hope, Stuff the Bus, Pork Dinner, Shop with a Cop, Trick or Treating with UNICEF, and Johnny Appleseed. The Crush Pop Sales done by Key Club are for Valentines Day, where students can buy a can of pop

for a dollar to be delivered to whomever they want. The sales from the Crush Pop went to Shop with Cop. Students helped to plant trees for the Johnny Appleseed project. Members of Key Club also got to help out with Shop with a Cop, being Shopping Elves or Wrapping Elves and giving back to students in their community. Key Club is a great way for students to get involved and to give back.
