

The punch bowl was a big hit - are we sure it was punch?

I could have danced all night.

Karen Mondt and Melanie Graham sang two songs...sounded like pros.

Mike McClurkin served as MC.....and did a fine job dancing, too.

NIGHT SCHOOL

The Night School Division offers a varied program of courses during both college semesters. The program includes courses carrying college credit, courses designed to establish and improve vocation and technical skills, and courses of a personal service nature. College credit courses meet weekly for the entire semester. Vocational and technical courses meet for ten weeks.

GAME SHOTS

Whatever the joke was.... Jack missed it - the ump called him out.

Looks like Jack Teagarden's got it made....

Besides being coach, Mr. Johnson teaches science.

Another run for BJC!

THE SNACK BAR

Maggie, our wonderful cook, waitress, and clean-up lady, said this work would drive her crazy and I guess it did.

Thank heavens for our snack bar! It sure helped to know we had a place to sit down or eat anytime we wanted. It may not have been the best looking place, but the food, service, and atmosphere were the best. A lot of the students will miss this part of BJC when we move into the new building because we sure appreciated it.

OUT WITH THE OLD.....

On September 12, 1966, a bond issue was passed to provide money for the construction of the new Boone Junior College. It should be ready for use in the Fall of 1968. The buildings are located on a beautiful 23-acre site on Hancock Drive in south Boone.
