

Cub 1972

CUB

72

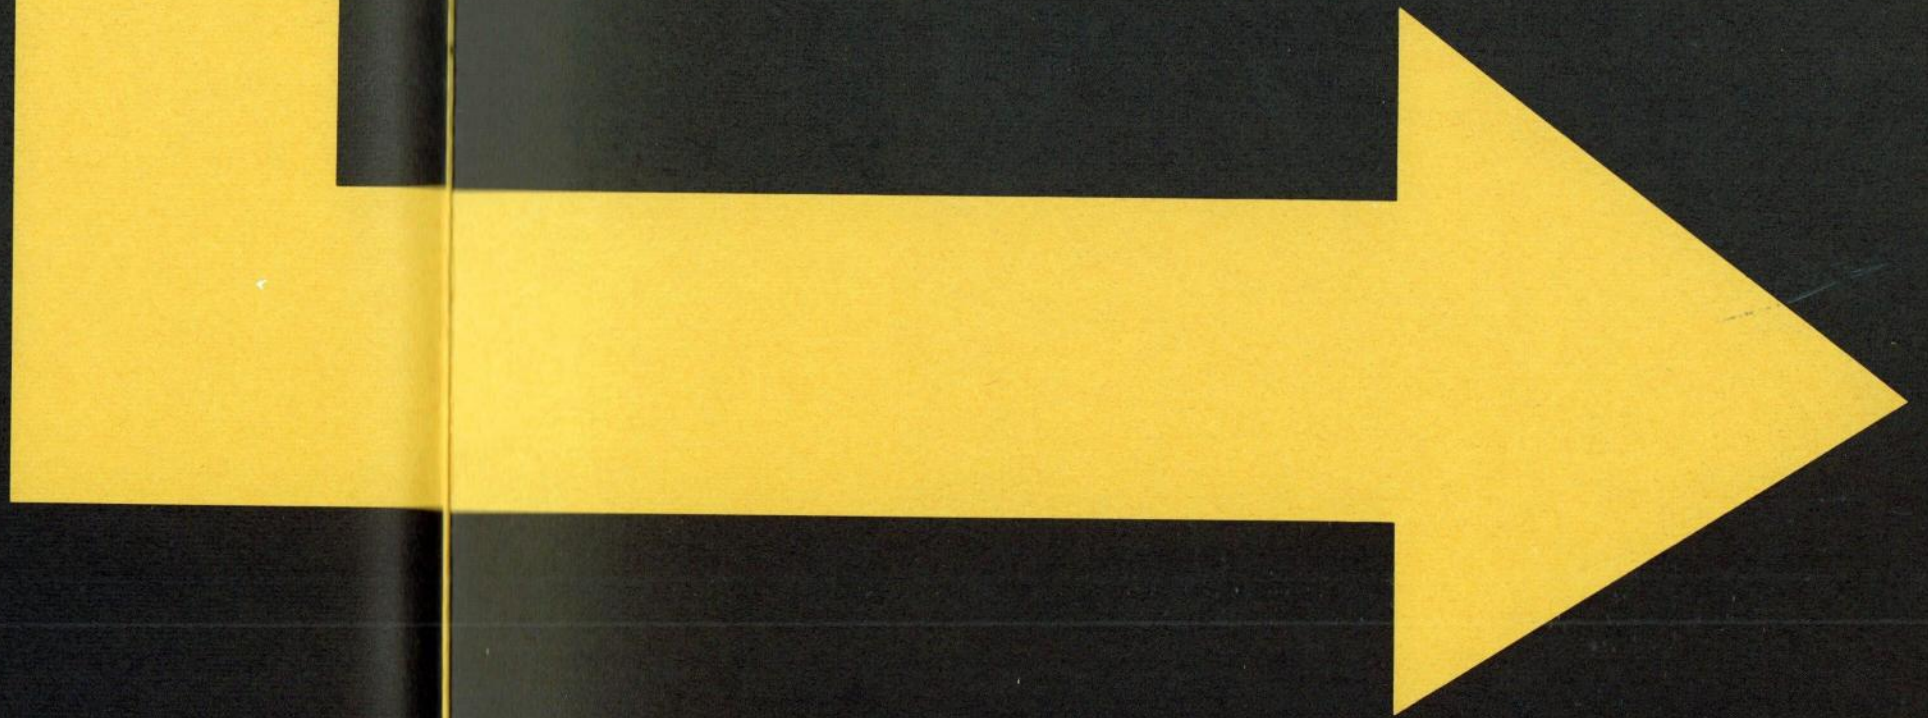

someday... a new day will dawn,
full of all the promises in Life,
and I will reach beyond today into
the immensity of a tomorrow...
and I will become what
you have given me: myself
and a beginning - to grasp
and cherish unto my soul
the opportunity awaiting my
outstretched fingertips...
and I will touch the sky
as I sail into being: myself.

PARA-PROFESSIONAL PROGRAMS

The Boone Campus of the Des Moines Area Community College will soon begin a two-year para-professional program in Recreational Leadership. Mrs. Johnson, Recreation Director, along with Mary McGlynn, Don Blaskovich, and Jerry Ebel lights the fire.

Another program for the students will involve a study of ecology. Dr. Fernandes assists the students in taking water samples to analyze the substances present. Marilee Vick, Carol Grabau, and Kim Brogden help in collecting samples.
