The Cub

Boone Junior College

Boone, Iowa

1958

Franklin Hall

The Boone Junior College was organized in 1927 and for twenty-seven years occupied a wing in the High School Building. For the first time, in the autumn of 1955, classes convened in Franklin Hall, the new home of the College.

We, the Staff, wish, in consideration of their achievements, to dedicate the 1958 Cub to the men and women who have constituted the student body throughout the past thirty years.

Some are born great, some achieve greatness,
and some have greatness thrust upon them.
