## Annual May Crowning Of Blessed Virgin's Statue At Church of the Sacred Heart

In an impressive ceremony at the Church of the Sacred Heart Sunday evening, May 19th, at 7:30, the annual crowning of the statue of the Blessed Virgin was held. **BOONE — (Special) —** "High Schools are not in the entertainment business," Father Cecil Friedman, former Boone Sacred Heart athletic director, told an assembly of more than 150 members and friends of Sacred Heart Parish who attended the annual banquet honoring the basketball players Thursday evening, March 27th in the parish hall. Father Friedman, now teaching at Le Mars Gehlen High School, was the featured speaker for the evening.

Robert E. Mahoney, Boone attorney, served as toastmaster for the banquet program. At 6:30, dinner was served by a group of high school girls. The excellent dinner was prepared by Lee Fellingham, Boone restaurant owner, and member of Sacred Heart parish, and women of the Athletic Association.

The school colors of blue and white were featured in decorations throughout the hall, with a canopy of blue and white streamers and large white bells. The speakers' table was centered with a basketball scene consisting of players, basketball and miniature gymnasium fashioned of hand-painted plastic foam. Favors were programs containing statistics of the past season, names of players, cheerleaders, and a complete financial statement prepared by the treasurer, Howard I. (Chris) Cooper.

# Galetich Speaks to 125 at S. H. Banquet

Lou Galetich, the Madrid boy who made good in a great big way when he led St. Mary's of Clinton to the 1953 Iowa high school basketball title, spoke at the Sacred Heart high school athletic banquet here Thursday night.

The basketball and baseball coach at Kuemper high of Carroll was a substitute for Father Cecil Friedman, former athletic director at the Boone parochial school who was snowbound in LeMars where he is now associated with Gehlen high school.

Galetich told the some 125 persons attending the second annual banquet at the Sacred Heart school that lack of interest on the part of parents and ownership of automobiles by high school students were major contributors to juvenile delinquency and big obstacles which present day athletics had to overcome.

"Parents should take an interest in their children and encourage them to work harder in athletics," Galetich declared. "Nowadays many parents do not attend games and fail to encourage their sons to stick with athletics," he added.

The highly successful basketball coach who has a 93-33 record in five years as a head coach told the members of the Spartan team that they had to "fall in love with the sport in order to be a success."

Galetich advised, "Set your sights high but keep your feet on the ground."

Athletics was tabbed as "the

greatest character builder next to religion," by the Kuemper coach.

Qualities which Galetich looks for in an athlete are these: desire to participate, good students, strong determination, willingness to make sacrifices and those who are capable of self discipline.

The speaker lauded the Sacred Heart Athletic association and its board of directors Lawrence Loehrer, Russell Mullins, William Conway, Chris Cooper, Bob Mahoney and Dick Cook.

He paralleled the organization with the one at Clinton St. Mary's which helped immeasurably in boosting that school to the 1953 state title.

Loehrer, president of the association, praised the basketball team for its fine spirit. "You were always out-manned but never outfought." He urged everyone to make the basketball program a parish project. "It is not something that just a few of us should be pushing," he declared.

Loehrer thanked those responsible for the fine support given the program the past year and expressed the hope that it would continue for many, many years.

Captain Bill (Duke) Conway expressed the sentiments of the squad for the launching of the interscholastic athletic program and spoke highly of Coach Noel Jones and told of the respect the boys had for him.

Coach Jones presented letter awards to Conway, a senior, and Larry Ackerman and Dan Garvey, juniors; and Larry Conway and Jerry Cooper, sophomores. Team manager Peter Fleming also received a letter.

Cheerleaders who received letters were Eileen Ryan, Sue Caserly, Pat Donovan, Pat Brice and Sue Wilson.

Master of ceremonies was Father Richard Macke. When he cited the job done by Coach Jones and told of the tremendous influence he has had on the boys, members of the squad gave their coach a standing ovation.

Special guests were Ralph Patterson, Boone school board president; Tom Quinlan of KWBG; Brickly Johnstone, former Sacred Heart coach; and Wayne Shaw, News-Republican sports editor.

closing prayer was offered by Father Ryan. Father Richard Macke, assistant pastor and athletic director, also took an active part in the evening's plans.

Grade school football and basketball trophies were presented to the Sacred Heart championship squads by Carl Saubert. Special guests of the evening were Don F. Seaton, superintendent of the Boone public schools, and Ralph Patterson, president of the Boone school board. Since re-organization of basketball at Sacred Heart, the Boone public school board cooperated with the Sacred Heart Athletic Association for use of an elementary school gymnasium for practice periods and the Boone high school gym for home games on a rental basis. Also introduced was Wayne Shaw, News-Republican sports editor, who gave the Spartans good coverage during the past year.

Other special guests included Mr. and Mrs. George E. Johnstone, who were introduced. Mr. Johnstone, better known as "Brickey," coached Sacred Heart teams for about fourteen years and was coach when Sacred Heart of Boone won the Diocesan Tournaments in 1930 and 1938. He also took Sacred Heart teams to state finals during his coaching years, and has continued his interest and support of Sacred Heart athletics through the years.

## Letters Are Presented

Coach Noel Jones presented awards and letters to the following: Dan Garvey, Larry Conway, Jerry Cooper — second for each — Ray Brown, Mike Fitzgerald, Ed. Dittmer, Pat Duffy and Earl Brice. A letter was also awarded Aaron Vest, student manager. The only seniors are Garvey and Brice. The former spoke for the squad in expressing the team's appreciation to the Association and Coach Jones.

Cheerleader awards went to Pat Lacey, Marcia Day, Mary Kay Keller, Kathy Wilson and Linda Hale.

Players on the Spartans of Sacred Heart, other than those mentioned receiving awards, are as follows: Joe Tornabane, Gary Mullins, Jim Matt, Tom Matt, Jerry Murphy, Ronnie Hopkins, Dick Hare, Tom Brown, Mike Lacey, Billy Ryan, Tom Conway, Dan Garvey, Kirby Flanagan and Aaron Vest.

Members of the Athletic Association expressed appreciation to all who have helped

## Fr. Friedman Was Speaker

After the awards and introductions, Father Friedman was introduced and given a welcome — he is a former assistant pastor at Sacred Heart and had a great deal to do with the re-organization work. He said, in part: "High schools are not in the entertainment business, their business is education. Sports contribute positively to the education of our youth and therefore they do have a definite place in both our public and Catholic educational institutions."

Father Friedman said every teacher and school administrator has a definite end or purpose in view in his work. In general, this end or purpose is to change the behavior of the students in the school. "We educate people by changing them as individuals and our objectives or goals represent the directions in which we try to change them."

## Sports Testing Ground

"The function of the school is to provide experience and means designed to produce the desired changes in students. Class room subjects go a long way in bringing about the changes, but a sports program can give a regular testing grounds to see if the changes are actually taking place.

"It may be stated that a sports program correctly used can produce the desired changes. Many in the field of education can attest to this. I have yet to meet a coach who is not interested in the personal and social development of each individual player.

"You here at Sacred Heart — players, parents and fans — should have in mind goals of personal and social development — goals that not only affect the boys on the squad, but all members of your high school student body. These goals should be thought of at the beginning of a season and, at the end of a year. Students and even parents should ask themselves the question: 'What have I (or my boys) learned from the experiences of this season?'"

## Sports Program's Goal

Father Friedman continued, "a sports program should not be evaluated in terms of games won or lost. It is to be graded in the light of how it contri-

# Elsberry Is Top Boone Q-Back Hope

(Third in series on Boone  
football team by positions.)

By WAYNE SHAW  
Sports Editor

Dale Elsberry, a rugged young man who spent the summer working at Mid-State Steel and on a railroad section gang, is the leading candidate for the crucial quarterback position in Boone's split-T offense this fall.

Elsberry is getting his stiffest competition from letterman Jack Langmade.

Both saw service last fall behind the departed Rod Von Krog, currently the No. 1 quarterback at Marshalltown high.

But Elsberry, rated the best passer in Toreador moleskins since Garry Barry in 1954, has had only limited experience. He completed four of 20 passes for 71 yards and a TD as a junior.

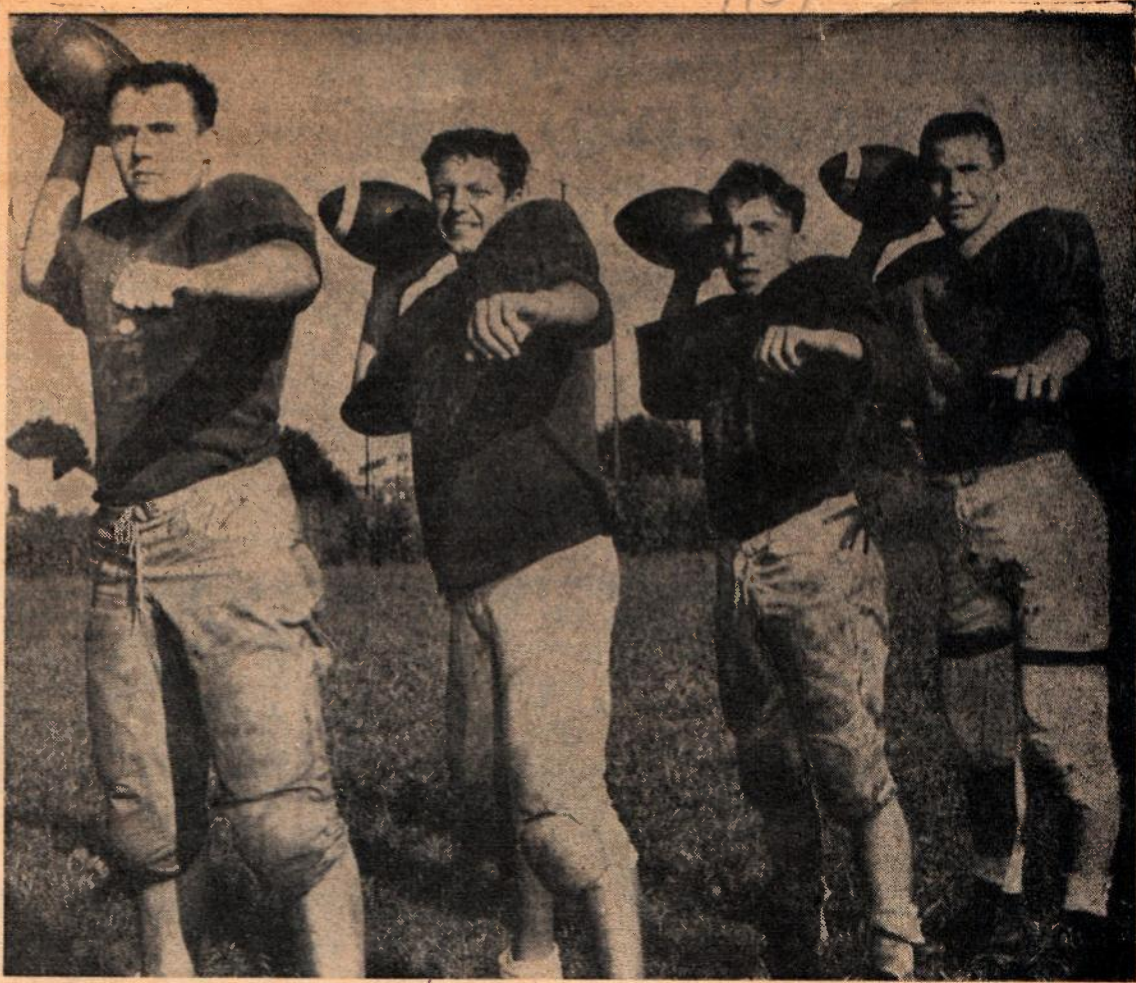

Langmade threaded the needle on four of his seven passing attempts and they were good for 88 yards and one score.

Combined the two passed for only 159 of Boone's 601 aerial yardage last fall.

Coaches say Elsberry, a 17-year-old 173 pounder, needs more confidence in himself. He lacks the necessary leadership ability. But they point out that he's the Jerry Reichow type of T-pilot—a hard runner who is tough to tackle.

He's a good faker and cool under fire.

The Perry Elsberrys, 1402 13th are his parents.

**ONE WILL BE QUARTERBACK**—Candidates for the key quarterback position on the Toreador eleven are shown above. Currently they rate as pictured from left to right with Dale Elsberry, 173, No. 1; Jack Langmade, 140, No. 2, Bill Monen, 130, No. 3 and Alan Munson, 143, No. 4.

# All Cheers Are For Sacred Heart

1957

BOONE — Sacred Heart's Spartans of Boone are inspired to play their best when the five attractive cheer leaders, elected by the Sacred Heart High School girls student body this autumn, cheer the team on to victory. The girls have perfected a number of clever routines and peppy cheers which create a great deal of enthusiasm and school spirit.

The cheer leaders hold regular practice periods and preceding each home game they lead the junior and senior high school student body in pep rallies. They have colorful new uniforms consisting of dark blue pleated skirts, white sweaters and blue and white letters, team members on all of their out-of-town game trips.

Shown in the picture are, left to right: The Misses Mary Kay Keller, junior, Pat Lacey, senior, Kathy Wilson, sophomore, Linda Hale, sophomore, and Marcia Day, junior. (Photo by R. P. Brown, a member of Sacred Heart Church)

Almost time for the banquet to begin, and entering the Sacred Heart Parish Hall are, left to right, Annette Carroll, Tom Payne, Patty Douroumis and Tom Brown.

Leading the grand march at the Sacred Heart prom Thursday evening, were Ms Beth Fangman, president of the junior class, and her escort, Larry Ackerman; Peter Fleming, resident of the senior class; Delores Headley and Aaron Vest, Pat Lacey and Dick Hare.

Discussing the evening's activities with Coach Noel Jones were Marilyn Fitzgerald and Duke Conway.

# Sacred Heart Prom Has Oriental Garden Set

1954  
"Oriental Gardens" was the theme of the 1957 annual banquet and prom at Sacred Heart Parish Hall Wednesday evening, May 1, when the members of the junior class entertained the seniors. Members of this year's graduating class from Sacred Heart High School are Peter Fleming, William (Duke) Conway, Tom Fitzgerald, Bob Garvey, Edward Brice, Jerry Manriquez, Misses Rosalie Day, Eileen Ryan and Marilyn Fitzgerald.

In the "Festival of Lanterns" a realistic Oriental tea garden was created with an abundance of fresh flowers and hundreds of artificial flowers which were made to create the effect of a floral paradise. Arches decorated with oriental designs and figures opened the door to the Oriental Gardens.

Center of interest, in the middle of the floor, was a bridge, with blue water flowing underneath, and dotted with African violets and other beautiful plants. On the walls were colorful oriental fans, chimes and paintings. The stage setting featured two large arches, joined with a gateway, with oriental scenes painted in the background.

In the corners of the hall were groups of small tables, where the dancers enjoyed refreshments during the evening. In front of the tables were tall arches and banks of flowers. Enhancing beauty of the setting were tall trees with branches blooming with artificial oriental flowers standing at intervals throughout the room. Adding atmosphere, the boys wore coolie hats and the girls had oriental hair styles.

In one corner of the hall was a Blessed Virgin's shrine, fashioned of foil, white crepe paper streamers and white flowers and blossoms.

The evening began with the banquet, for members of the junior and senior classes. Special guests at the banquet were Father J. J. Ryan, pastor, Father Richard Macke, assistant pastor and Coach Noel Jones and Mrs. Jones. All of the high school students and their guests joined the group later for the prom.

The U-shaped banquet table was centered with a large fan-shaped arrangement of white gladioli, snapdragons and pompons and the table was lighted with candles. Favors and place cards were in the Oriental design and special gifts for the seniors were small silver cases for

rosaries, a remembrance from the junior class.

Following the banquet, Miss Beth Fangman introduced the program numbers. She gave a toast to the seniors, with a lantern lighting ritual by Dick Hare, followed by the response from the seniors, given by the class president, Peter Fleming. Pat Donovan gave a "Toast to the Sisters", Patty Dittmer read the class prophecy in the tea leaves, and greetings were extended by the pastor and other special guests.

Continuing the program, Miss Fangman introduced Mike Stammer in a dance number, a quintet composed of Aaron Vest, Danny Garvey, Beth Fangman,

Sue Casserly and Colleen Bennett, sang the number, "Rose of Tralee," and Danny Garvey and Aaron Vest sang the duet, "Beautiful Dreamer." Delores Headley played all of the piano accompaniments.

# Gypsy Camp Theme For Colorful Sacred Heart Prom In This City

A picturesque Gypsy Camp was the setting for the 1958 Junior-Senior banquet and prom of Sacred Heart high school Wednesday evening, May 14, at the Parish Hall. The festivities began with a 6:30 banquet for the members of the junior and senior classes only, with the assistant pastor, Father Richard Macke, as a guest. The pastor, the Rt. Rev. Msgr. J. J. Ryan, was unable to attend as he was out of the city.

For the event, the Parish Hall was transformed into a colorful gypsy camp, with a red, white and gold color note predominating in the decorations. The gypsy theme was carried out in the menu, program and every detail of the evening. At intervals along the tables were old-fashioned kerosene lamps in red and gold and sprays of flowers extended down the length of the tables. Remembrance gifts for the girls were statues of the Blessed Virgin and gifts for the men were black leather rosary cases. The programs were designed with red gypsy dancing girls.

A three-course banquet was served, the girls in charge of serving being Misses Alice Kay Carver and Sue Cooper, eighth grade girls who were dressed in gay gypsy costumes. Following the serving, Larry Conway, president of the Junior class, was master of ceremonies, introducing the program of toasts, based on the gypsy theme, as follows: "Gypsy Gyps Are We," a welcome and introduction by Jerry Cooper, a junior; "Yippe for the Gippy Gyps," a thank you from the senior class given by their president, Miss Delores Headley; "A Pot o' Hot Gypsy Stew," class prophecy for the seniors given by a junior, Miss Marcia Day; "Story Telling Time," history of the gypsies, Miss Mary Kay Keller, a junior; songs, "Play Gypsy, Dance Gypsy" and "Roll on Silver Moon," Marcia Day, Elaine Collins, Sue Wilson, Mary Kay Keller, Ray Brown and Jim Matt, accompanied at the piano by Miss Kathy McDonald; "Yonder on the Open Road," a gypsy reflection on the freedoms and opportunities of living in America, Ronnie Hopkins, a junior; "Advice to the Romany Friends and Hostages," (the senior class), given by Father Macke in closing remarks.

Following the banquet program the tables were cleared and the prom began at 8:30 for all members of the Sacred Heart high school and their invited guests. Music for the dancing was provided by the Rhythm Kings, a popular combo from Marshalltown.

The dancing began with a grand march led by Larry Conway, junior class president and his guest, Miss Marcia Day, followed by the senior class president, Miss Delores Headley and her escort, Aaron Vest, and the rest of the students and guests.

The Parish Hall was converted into a gypsy woodland setting, with birch bark sprayed with vari-colored paint and gold lining the walls, intermingling with ceiling high tree branches entwined with foliage and flowers. The back of the stage was covered with a large modern mural in gaudy colors and the front was banked with potted ferns and flowers, around a campfire of birch logs.

Tall pillars of colored birch and a canopy formed the shrine for the Blessed Virgin's statue, surrounded by pedestal baskets of lilacs and tulips. In one corner was a covered wagon, with a base of red, a white cover, and gold wheels, and one wall was adorned with a large red and white etching of a gypsy boy and girl. Another corner featured Zanko's Tinker Shop, formed of a green tent displaying copper wares, and in another corner was a gypsy mystic den.

Adding gypsy atmosphere were iron kettles swinging over birch logs, wooden benches, giant playing cards and gypsy cut-outs on the walls and several life-like gray squirrels scampering about. The unique and artistic decorations were all enhanced with rays of color from numerous floodlights, blending with the many lights used by parents and friends taking moving pictures. Punch was served throughout the evening from a table draped with gold.

All of the arrangements for the banquet and prom were in

charge of the Junior class members. Dancing was enjoyed until 11:30, at which time special after-prom entertainment was inaugurated, sponsored by the parents of the high school students. The group was first invited to the Rialto Theatre for a special showing of the film, "Paris Holiday," after which the rest of the entertainment was staged in the Knights of Columbus club rooms, which were transformed into a night club setting with an abundance of spring flowers and lighting.

A large oriental fan was suspended from the center light, with red streamers forming a canopy, and a large mural adorned the wall. Several small tables were arranged cabaret fashion around the dance floor and the buffet table was centered with flowers and candles. The decorations of the hall were in charge of the freshmen and sophomore students, assisted by a committee of parents. Dancing was enjoyed to recorded music, during which Miss Patricia Lacey and Dick Hare, seniors, were crowned queen and king.

Concluding the after-prom party was the serving of a smorgasbord supper. Providing the later entertainment for the annual event was an innovation planned and financed by the parents of the high school students, with various committees taking charge of arrangements. It proved a happy solution to the justifiable feeling of the high school students at their annual prom—"We're all dressed up and 11:30 is too early to go home!" By the time the party was over, the "sleepy gypsies" WERE ready to wander on home and all took with them the memory of a wonderful party.

## Seek Clues In Missing Girl In St. Louis

ST. LOUIS, Mo., May 3—(UP) Extra police squads probed St. Louis tenements today for a six-year-old girl feared kidnaped and murdered because she was "too friendly."

Kathryn Hampton had not been seen since about 7 o'clock Wednesday night when she left her third-floor apartment to play.

"She is too friendly," the girl's distraught mother, Mrs. James Hampton, said.

"People just love to talk to her . . . and Kathy likes to talk to people, just anybody. Perhaps that's the trouble . . ."

Police C. W. Porter, one of the officers assigned to the search, said "there is nothing to indicate that we will find her alive."

Police said the blonde, blue-eyed girl, considered small for her age, was abducted by a man who called to her from a car.

Kathryn's father, James, said "She must have been carried off." He collapsed from exhaustion Friday after searching for 48 hours in tenement buildings and alleys for a sign of his daughter, one of five children.

FBI agents were reported working with St. Louis police in the painstaking search in a teeming commercial area where the girl lived.

Every St. Louis policeman was given a picture of Kathryn with the notation "she has two front teeth missing now" written on them by her mother.

## It Was A Night For

Despite the fact that the junior-senior prom for Boone high school was moved to new surroundings Friday night there was just as much enthusiasm among the 1958 graduates and their friends. For the girls it was beautiful new formals and for the boys it was white coats and black ties. Leading the grand march at Franklin school Friday night were Chuck McGriff, president of the junior class and Miss Gayle Ohlmann. Behind them in order were Bob Musser, president of the senior class and Miss Emily Grabau, and Denny Elliott and Miss Danielle Hartsell.

## Dulles Flies To Europe For NATO

COPENHAGEN, May 3 (UP)  
— Secretary of State John Foster Dulles flew today to Denmark to talk with NATO foreign ministers about the West's next move toward an East-West summit conference.

Dulles left for Europe Friday night immediately after telling a New Hampshire audience that "great difficulties" stood in the way of agreements between the United States and Russia.

He was scheduled to arrive in Copenhagen about 6:25 p.m. (1:25 p.m., e.d.t.). He will attend a meeting of the NATO Foreign Ministers Council starting Monday that will consider the state of the 15-nation alliance, disarmament, European security and German unity as well as the summit issue.

Dulles said in his speech at Durham, N. H., Friday night he would be "reckless" to weaken the free world on the gamble that accession to Russia's demands would end the cold war.

### Face New Challenges

He said the NATO nations faced new challenges in preserving peace. Russia, he said, would agree to an international inspection zone in the Arctic if it were sincere about wanting peace.

Dulles spoke at the University of New Hampshire a few hours after the Soviet Union had vetoed the Arctic inspection plan proposed by the United States and endorsed by NATO Secretary General Dag Hjalmar Skjold.

Departing from his prepared text, Dulles said the Soviet veto meant the world would continue to live "on the edge of an awful

Boone was blanketed with a heavy fog Friday night which lasted until this Saturday morning following a welcome .26 of an inch of rain Friday.

The fog came on the heels of a muggy day Friday with the temperatures remaining at the highest levels in the night of the year. The mercury only dropped to a low of 55 degrees after a warm 68 degrees on Friday.

The fog started to come in shortly after 9 o'clock and continued until it was a real "pea souper" during the night. However, the sun was burning it out this Saturday morning.

## Price Index Down

WASHINGTON, May 3 (INS) —A drop in new unemployment insurance claims — the first in three weeks—gave rise today to a belief that the number of idle workers may remain fairly stable this month.

Spurred by a seasonal pickup in outdoor work and fewer layoffs in automobile and electrical machinery industries, both new claims and total benefit payments registered declines in the latter part of April.

Reporting this, the Labor department disclosed that for the week ending April 26, new applications for unemployment compensation dropped 23,300 to a total of 423,000, with 31 states recording reductions.

During the same period last year, initial claims were 224,300, a decrease of 25,000.

Government experts pointed out that this margin of about 200,000 has continued for the past two months and indicates the possibility that the same level may be maintained during May.

Thirty states reported de-

creases in jobless benefits, with California in the top spot, but "sizable increases" were noted in three states — Tennessee, Michigan and Ohio.

Elsewhere on the economic front, there were these developments:

—The Labor department disclosed that hiring and layoff rates were the lowest and highest, respectively, for any March in the postwar period.

—Paced by a dip in farm product prices, the department's wholesale price index edged down .1 per cent for the week ending April 29.

—The National Planning Association urged Congress to put the country "back on the track of expansion" with a four billion dollar increase in government spending and a tax cut of seven to eight billion dollars.

—In Cleveland, Senate GOP Leader William F. Knowland told Ohio Republicans that organized labor's "favored position and legal immunities" have created an "imbalance" in the nation's economy.

## Tornado Comes

LACOSTE, Tex., May 3 (UP) — A young teacher saved the lives of about 50 children Friday by herding them from classroom moments before a tornado ripped off the school roof and dumped bricks and steel girder on desks.

At least four tornadoes crashed through the San Antonio area including the one that struck the Lacoste Junior High School. Damage was estimated at \$250,000 in Lacoste. There were no injuries.

Mrs. Dorothy Marthis, 27, in her first year of teaching, laughed hysterically after her ordeal at the school.

She said she "sensed something would happen" when the sky turned black.

Mrs. Marthis and another teacher, Mrs. Rose Marie Wolverson, marched their classes out of the second-floor rooms into a girls' lounge which separated the two rooms.

Then the tornado hit, yanking the roof off and blasting debris through the second floor.

The children, estimated at about 50 by Superintendent of Schools C. F. Schwears, huddled in the small lounge.

"It was amazing," Schwears said. "The roof came off but none of the bricks fell in the lounge." The rooms were demolished. Parts of the walls were ripped away.

"I didn't know the roof was gone until I looked up through a hole and saw the sky," Mrs. Marthis said.

Rescuers had to dig through bricks and other debris piled around the door to free the children.

"It was a miracle," said Bexar County Deputy Sheriff Alex Cadenas.

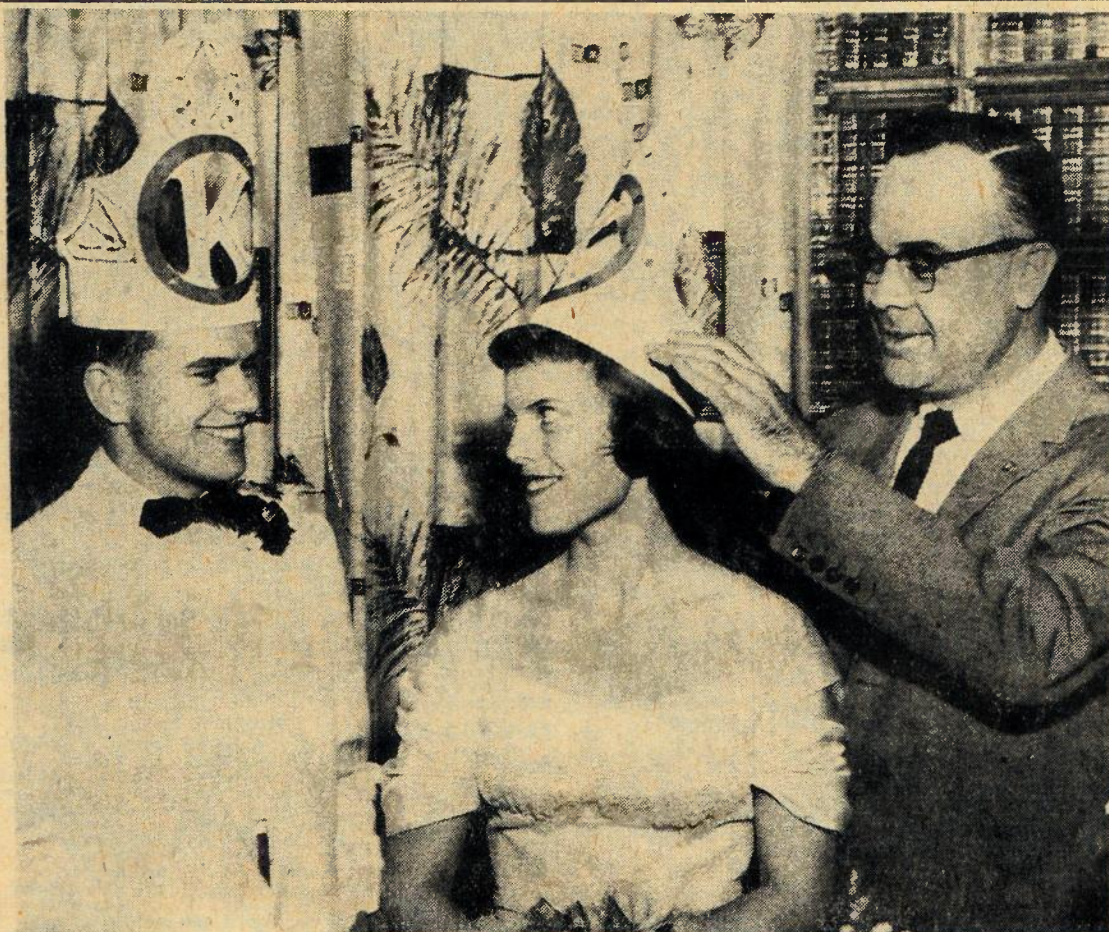

## Gowrie Man Killed In One-Car Crash

HARCOURT, May 3 (INS) — A 22-year-old Gowrie man was killed and his mother and two brothers injured today in a one-car accident on a county road between Harcourt and Lan-  
yon.

The victim of the mishap was Jimmy Johnson, returning with his widowed mother, Mrs. Florence Johnson, and two brothers from a visit to Minneapolis, Minn.

Mrs. Johnson and the brothers, 16-year-old Daniel and 14-year-old Barton Johnson, were hospitalized in Fort Dodge.

The family was within several miles of their home when the accident occurred early today.

The Ki-Hi-Kapper party was its usual wonderful success Friday night and early this Saturday morning. After the young people had attended a special theatre showing at the Rialto theatre, they moved to the Elks club for more dancing, entertainment and finally, a sleepy breakfast and then off to bed. High light of the Kapper party is the crowning of the king and queen. It was quite appropriate early this Saturday morning when Tom Wood, Lieutenant governor of Nebraska Iowa division of Kiwanis from Des Moines, crowned Paul King, "Kapper King" and Miss Mary Weimer, "Kapper Queen". Paul is the son of Mr. and Mrs. Ralph King, 1428 West First street and Mary is the daughter of Mr. and Mrs. E. E. Wiemer, 316 Cedar street. (All photos by Jim Anderson).

# Places to Schools

Boone voters are going to find it more convenient to vote in the coming June primaries and for future elections. And, in addition, it is going to cost less to run elections in the county too.

This Saturday, County Auditor Russell Muench announced a change in voting places within the city of Boone following a trend in many other cities.

The voters of Boone will be voting at the grade school building in their wards instead of going to business firms to vote. In addition, the county has worked out an arrangement with the Boone board of education, whereby the voting machines can be stored in the various schools which will save transportation costs from polling places to previous storage.

"Many cities have found that by putting polling places in elementary school buildings voters are more apt to turn out. They aren't faced with a parking problem nor do they have to travel a long distance to get to the polling places," Muench said.

So the new polling places in Boone include:

First ward — Lowell school gymnasium.

Second ward—Bryant school gymnasium.

Third ward—Page school PTA room.

Fourth ward—Junior college (old Franklin building) basement recreation room.

Fifth ward will continue to vote in the courthouse because of its central location.

The new Franklin school

building will be utilized for voters from Des Moines township.

In addition Muench announced other polling places in the county as follows:

Amaqua — Amaqua Center township hall; Beaver town — Beaver town hall; Beaver township — McElroy school house; Cass township—township hall; Colfax — Napier school; Des Moines—new Franklin school in Boone; Dodge — Ridgeport school; Douglas—Madrid town hall; Fraser—Fraser town hall; Garden—Arnold Hermann rental house, one-half mile east of Garden Center school; Grant—Boxholm town hall; Harrison—Harrison township hall at Mackey; Hickory Grove—Hickory Grove school; Jackson—Jordan school; Luther—Luther town hall; Marcy—Finstead school (northwest corner of Sec. 30); Ogden—Ogden town hall; Peoples—Peoples township hall; Pilot Mound —Pilot Mound town hall; Union —Berkley school and Worth—KWBG radio station.

# Italian Mob

VENICE, Italy, May 3—(UP) More than 100 riot police today rescued six U. S. paratroopers from a hotel besieged through the night by a mob of Italians angered because the soldiers had burned a Communist election banner.

The six and a large group of other American paratroopers on leave were hustled out of the city by police and put aboard a train for Germany.

The paratroopers attacked the Communist banner Friday night after an evening out on the town. They took refuge in a hotel and remained there until escorted out by police early today.

It was the second election incident involving American troops in two days.

Friday a U. S. Army corporal was taken into custody in Naples after he tried to saw through the supports of a Communist election poster in the port city.

The incident here began Friday when six U. S. paratroopers spent a leave here.

# Discontinue Drive For Gas Service

DES MOINES, May 3 (INS)—The Iowa Commerce Commission today has discontinued its drive for early approval of extension of natural gas mains to 90 Iowa communities.

Requests for extension of the mains have been on file with the Federal Power Commission for some time but the Iowa communities have been grouped with other areas in Minnesota, South Dakota and Nebraska into which Northern Natural Gas company of Omaha hopes to extend service.

The Iowa Commerce Commission had intervened with the FPC seeking to have the Iowa areas set off from those in other states and considered separately. It was pointed out that most of the FPC's objections to Northern Natural's petitions was centered in states other than Iowa.

Immediately following the grand march at the junior-senior prom dancing got away in earnest with Pat Curran and Dick Long and Judy Malcom and Bill Herman enjoying the music of Keith Killinger and his band. Dancing continued at the prom until 11 o'clock when the young folks headed for the Ki-Hi-Kapper party sponsored by the Boone Kiwanis club for the rest of the night.

### Sacred Heart High School Students at Journalism Workshop at Clarke College

A group of Sacred Heart High School students were in Dubuque over the past week-end, where they attended a journalism workshop at Clarke College, sponsored by the journalism department of the college. Highlights of the workshop were the lecture by Vaughn Gayman, faculty member at Clarke College and Loras College, and round table discussions on different aspects of journalism.

Shown in the accompanying picture, left to right: Marcia Day, Mary Sue Rolfes, Patricia Douroumis, Ed. Dittmer, Linda Hale, Karen Fitzgerald, Mary Kay Keller and Janet Barger. (Staff photo by Jim Anderson).

Some of the girls went to Dubuque Saturday with Mr. and Mrs. George Rolfes, the girls staying overnight at the girls dormitory and Mr. and Mrs. Rolfes staying at the Julian Hotel. Others in the group drove down Sunday with Tom Judge, with Mrs. Rosella Hopkins as chaperone. They all returned to Boone Sunday night.

In addition to the business and class sessions of the workshop, the students also enjoyed a tour of Clarke College and they were entertained at brunch at noon in the dining room of the new building. The workshop closed with a social hour.

The music students of Sacred Heart School will be presented in a piano, organ and Glee Club recital Sunday evening, May 24, at 7 o'clock in the Parish Hall. The public is cordially invited to attend.
