Roxanne, the First Homecoming Queen

WELCOME

The faculty and student body of Boone Junior College extend a sincere welcome to all new students.

We're proud of the friendly atmosphere at B. J. C. We consider you more than just 'new students.' We consider you 'new friends.' In succeeding issues of 'Bear Facts' we will introduce our 'new friends' to the students.

Thanks again for joining us at B. J. C.

Flappers, Arise!

February 26th is the day. Dig out your grandmother's six-foot strings of multi-colored beads to adorn your Charleston ensembles and come to college prepared to vamp the bushy-bearded boys.

The young ladies of this institution of higher learning are hereby notified that in celebration of B. J. C.'s thirtieth anniversary they are to wear costumes of the 'twenties' on February 26th.

"Twenty-three, skidoo! You're the cat's pajamas."

Coffee Time Follows Work Time

Registration for the second semester began Monday, January 20th, at the Boone Junior College and continued through Friday, January 24th. New students began Orientation Week Monday, January 27th. This consists of a series of entrance tests, lectures on how to study, and an assembly program in which representatives of the various student organizations will acquaint new students with the social life of the college.

Mr. Donald F. Seaton, Superintendent of the Boone Public Schools, talked to the new students on 'The Nature of the Boone Junior College.'

There was a coffee Friday morning, January 31st, in honor of the new students. The cheerleaders were hosts.

Liberal Arts Sponsor of Foreign Movies

In co-operation with the Adult Education Department of the Boone Junior College the Liberal Arts student association is presenting a series of outstanding motion pictures. These films are designed for those interested in mature, distinctive films for entertainment. These films are open to anyone 18 or over.

The schedule is as follows:

Monday, February 17th, 'Border Street.'

Monday, March 17th, 'The Children.'

Monday, April 14th, 'Paisan.'

Monday, May 12th, 'Peter the Great.'

Miss Roxanne Rose was crowned Boone Junior College Homecoming Queen of 1958 at the Homecoming assembly Friday, January 10th, by Jay Peterson and Rich Byerly, basketball co-captains. Miss Rose is a very attractive, blonde freshman. She is enrolled in the Elementary Education course. Miss Rose is very active in all the college activities; she is the assistant editor of the yearbook, college librarian, second vice-president of Delta Tau, and a member of mixed chorus.

The queen's attendants were Misses Koreen Ballard, Charlotte Sawyer, Elna Reedholm (all sophomores in Elementary Education), and Sandra Chance (a freshman in Liberal Arts).

Homecoming activities got on the way Friday afternoon at 1:00 with an assembly. Although it was rather short, everyone enjoyed himself and entered into the cheers very enthusiastically.

The program included cheers by the cheerleaders; introduction of the candidates by Mrs. Don Pritchard, College president; crowning the queen, Miss Roxanne Rose, by Jay Peterson and Rich Byerly; a talk by Coach Hokanson; singing the school song; plus a talk by Dean Heyen which was called for by the students.

The activities began again at the Homecoming game. Mr. Ralph Patterson presented the queen and her attendants before the game started. He presented Miss Rose with a beautiful bouquet of roses, and each attendant a corsage of white carnations.

Following the game a Homecoming dance was held in the college lounge. There was a large attendance which added to the success of the 1958 Homecoming.

GADZOOKS!

Those of us intellectuals who peruse our college catalog carefully as superior students should have discovered that there are only about 116 days until commencement. My, how time crawls.

Introducing Mrs. Barquist

Have you ever met Mrs. Barquist? We know there are many students here at B. J. C. who haven't. As all of you who know her will agree, Mrs. Barquist isn't just any ordinary instructor, she is special, for many reasons.

Through the years Mrs. Barquist has worked very hard to bring success into the lives of many people, children and adults alike. Her experiences are many and her education has never stopped!

Mrs. Barquist received her B. A. from Iowa State Teachers College and her Master's at Drake. She never loses 'tabs' on the new teaching techniques for she belongs to both the N. E. A. and I. S. E. A.

When Mrs. Barquist first started teaching, she taught in a small rural school. She believes that during this time she gained a lot of experience which helped her in the following years. Kindergarten and first grade were her specialties in the public schools. Mrs. Barquist has also taught in some remedial reading classes in the Drake Clinic at Des Moines.

December 1, 1957, Mrs. Barquist came to Boone from Fort Dodge where she had been the Elementary Supervisor for many years. She is now the head of the Department of Teacher Education here at the Boone Junior College. Teaching is Mrs. Barquist's life and profession.

Are You . . . ?

. . . That is the important question being asked every man in Franklin Hall who is caught with an unspeakably shaven face.

This year is our thirtieth year as a college and everyone is quite proud, so to prove it, all the MEN are growing sideburns, beards, or mustaches. "It reminds you of the Yukon Gold Rush," was the comment of one individual.

When this reporter asked a young lady how she liked her boy-friend's mustache, she just gave me a sudden glare, smiled, and then said, "It hurts!"

Except for a few shirkers, everyone is having a BUSH-el of fun.

BOONE FORT DODGE

Border Street'

The Warsaw ghetto uprising is the basis of this exciting picture directed by Alexander Ford. The music is by Roman Palester. It is a Polish picture filmed in 1949.

'Border Street' is a "superb motion picture drama filled with authentic detail, astonishingly realistic settings, excellent performances and photography"—*Cue.*

Strokes the tragic tale of the handful of Warsaw Jews, remnants of almost half a million co-religionists—herded into a ghetto by German occupation forces in 1943 prior to planned extermination—who decided to take up arms and die fighting. All of this is in this wonderful motion picture, 'Border Street.'

Award: Prize winner, Venice International Film Festival.

People in the News

A well known and well liked man about campus who comes to us from Farmingham, Massachusetts, is the Rev. Thomas Woodin, Pastor of the Pilot Mound and Mineral Ridge Methodist Churches.

Saxonville, a suburb of Farmingham, was the site of his elementary and junior high school days. At Farmingham High he was active in band and orchestra.

The Rev. Mr. Woodin received his preacher's license through a correspondence course and in January of 1957 he entered the ministry. The next two years Tom plans to spend at Simpson, but he is undecided as to where he will take his three years of seminary work.

The Rev. Mr. Woodin is married and the father of two boys, Thomas, Jr., and Stephen, ages four and two respectively. To protect his children he has the habit of collecting the license numbers of cars that speed past his home which is located in Pilot Mound.

Moving pictures are his hobby, but he also enjoys working on automobile engines.
