A CENTURY OF LEARNING THROUGH THE SACRED HEART

God has touched the lives of thousands of students for 100 years through Sacred Heart's parish school. This book is dedicated to those who cooperated with God in making this 100 years a reality. To the parents, priests and sisters, lay teachers and staff, and parishioners, who have been God's loving generous hands during this history, we remember and say "Thanks."

Final dedication is made to the Sacred Heart of Jesus. It is because of His great love for children that our school community has the fond memories of a long and fruitful past. It is because of our confidence in this great love that the Sacred Heart School community eagerly anticipates a long and fruitful future.

THE HISTORY OF SACRED HEART SCHOOL

In recounting the history of Sacred Heart School, we have to look back 100 years to the year 1887. Fr. B. C. Lenihan was the pastor of Sacred Heart Church. He strongly believed in parochial education and founded Sacred Heart School to provide that opportunity for the children of the parish. Fr. Lenihan surrendered the parochial residence built circa 1883 so that it could serve as the school building. This two-story red brick structure would be enlarged in the future to accommodate growing enrollment. It was located on 12th Street, directly across the street from the present rectory.

In 1887 four sisters were sent to Boone from the Community of Sisters of Charity of the Blessed Virgin Mary. The sisters arrived from their Motherhouse in Mount Carmel, Dubuque, Iowa, under the direction of Sister Mary Borromeo Condon, the first Superior of Sacred Heart School.

The first graduating class of Sacred Heart School was in 1890 and numbered four students. The young women receiving diplomas were: Anna Fitzgerald, Mary Kenney, Mary Mahoney, and Agnes Rock.

The present Church of the Sacred Heart was built on the corner of 12th and Marshall Streets in 1892-1893, while the parish was under the guidance of Fr. Lenihan. It was constructed of stone in the Roman style of architecture for an approximate cost of \$30,000, and measured 108 x 48 feet.

This new structure replaced the frame church situated midway between 11th and 12th Streets on Marshall Street. This building became known as Sodality Hall and was used as a parish hall before eventually being moved to Madrid to be used as part of the Catholic church building there.

Many things were accomplished during the pastorate of Fr. James P. Barron. In 1912, a frame house was acquired to be used as a convent for the sisters. This convent was situated on the site of the present Ryan High School building. Previous to this the sisters had resided in the school building. The present brick rectory, located just west of the church, was erected in 1916 for an approximate cost of \$16,000.

The Sacred Heart School PTA was begun in 1922, being one of the first Catholic PTAs in the state. The present Home and School Association was formed in place of the PTA in 1962.

Sports have been a popular extracurricular activity and during the 1930s basketball was very exciting. The Sacred Heart basketball team held the honor of winning the Diocesan Championship in both 1930 and 1938. Two well-known coaches during that time were George (Bricky) Johnstone and his brother William (Bill) Johnstone. It was not possible to correctly ascertain all those individuals who coached at Sacred Heart School; however, the time and effort they spent with the students were greatly appreciated.

During Fr. J. J. Ryan's tenure, expanded enrollment necessitated plans to construct a new building. Bids were taken in February of 1951 with the building being completed and ready for occupancy in January, 1952, at an approximate cost of \$195,000. This building was built at the corner of 12th and Marshall Streets, across the street south of the church. The new Sacred Heart School, with a capacity of 300 students, was a two story light brick and stone building containing eight classrooms, library, and a full basement with kitchen and stage. Upon completion of this building, the original red brick structure was torn down.

Sacred Heart School has had many special events which were eagerly anticipated each year. Some of these events were: banquets and proms, dances, senior class days, May crownings, field days and carnivals.

In 1958, while Fr. Ryan was pastor, a beautiful brick convent was built for the sisters across the alley west of the rectory. The convent's features included: a chapel, community room, basement recreation room, 12 private rooms, kitchen, and laundry. The convent was dedicated by Bishop Joseph M. Mueller on May 6, 1958, the same date as Fr. Ryan's Golden Jubilee and elevation to Monsignor.

On November 23, 1958, a special program and open house were held in the Parish Hall in recognition of the 125th anniversary of the founding of the BVM order. The order had been founded in 1833 by Mother Mary Francis Clarke and the Very Rev. Terence J. Donaghoe. At the time of the 125th anniversary, the BVMs had taught in Boone for 71 years.

In the mid 1960s there were record enrollments of over 370 students per year. This increased enrollment precluded yet another school building project, that of a high school facility. Under the direction of Msgr. J. L. Bauer, pastor and superintendent, a large, modern high school facility was realized for a total cost of approximately \$445,000. It was built onto the south end of the existing structure, facing Marshall Street. This new building contains five classrooms, science laboratory, library, offices, kitchen, and gymnasium/auditorium. The gymnasium features a regulation-sized playing floor, telescoping bleachers to seat 700 and two large locker rooms. There is a stage built into the east wall of the gym. The large, convenient kitchen featuring the latest equipment made it possible for a hot lunch program to be started in the fall of 1967. The gymnasium and kitchen are used for many school and parish events and fund raisers.

This new building was named Ryan High School in honor of the late Msgr. J. J. Ryan, who had served Sacred Heart Parish for 33 years. Ryan High School was officially dedicated by Bishop Mueller on Sunday, October 15, 1967.

Baseball had begun in the fall of 1965 and the Ryan High Raiders of 1966 and 1968 were sectional champs. Track was also offered, in addition to basketball.

In addition to a full academic schedule, many other extracurricular activities besides athletics were offered. Some of these activities included: speech and drama, music, journalism, cheerleading, pep club, and Latin club.

In 1967 and 1968 the properties facing Story Street north from the Boone Hotel to 12th Street were acquired, and have since been utilized for additional parking and playground area.

Sacred Heart has been able to continue its elementary school, although economic conditions made it necessary to close Ryan High School in May of 1970, bringing to an end a period of 83 years of uninterrupted high school parochial education in Boone. (The 8th grade graduating classes from 1967-1970 are included on the list of graduates in an effort to compensate for those students who were in high school when Ryan High closed and thus did not have the opportunity to graduate from Ryan High School.)

In the fall of 1977 a kindergarten program was implemented under the direction of Raynette Weigel, the first kindergarten teacher. It has been a positive addition to the school. The Sacred Heart Preschool was begun in 1984 with Sandra Sawyer as the director and has been very successful also.

In recent years there have been fewer sisters available to teach in parochial schools. When the last sisters left Boone at the end of the 1977-1978 academic year, the BVM order had served Sacred Heart School for 91 years. Due to the fact that early records are incomplete, it's not known exactly how many sisters taught at Sacred Heart from 1887-1907, but from 1908-1978, at least 160 sisters served Boone. Since the fall of 1978, Sacred Heart School has been staffed entirely by lay teachers. The first lay teacher was Mrs. Grace Rinker in 1956.

In the fall of 1979 Sacred Heart merged its extracurricular basketball program with that of Trinity Lutheran School. The arrangement provides for Sacred Heart supplying the gymnasium and Trinity the coach. There are both boys and girls teams and their team name is the Crusaders.

The 150th anniversary of the founding of the BVM order was celebrated on August 12, 1984, with a Mass, open house and reception. Twenty-six sisters attended, several of whom were former Sacred Heart instructors or parishioners. The sisters also were guests at a luncheon.

Through the years at Sacred Heart School, many individuals have given their time and talent to serve as library and classroom aides, school board members, PTA and Home and School officers, playground supervisors, lunchroom helpers, room mothers, and various committee and event chairpersons. It is impossible to list everyone who has served in these areas, but their efforts have been essential for the success of a century of learning at Sacred Heart School.

In 1987, Sacred Heart School is celebrating its 100th birthday. Over the years 1129 students have graduated from Sacred Heart/Ryan High and countless more have attended. Of these 1129 graduates, 901 are living and 228 are deceased. There were 42 graduates that could not be located in this endeavor. Graduating classes have varied in size from zero in a few of the early years, to 34, the largest high school graduating class in 1968, and 35, the largest 8th grade graduating class, also in 1968.

Currently, 184 students from 112 families are enrolled in grades K - 8 and are taught by a qualified staff of 12 teachers and two aides. These students are growing spiritually while receiving an excellent education. They are today's example of our centennial slogan--A CENTURY OF LEARNING THROUGH THE SACRED HEART.

This Centennial Book would not have been possible without the cooperation, assistance, and expertise of many individuals. We would specifically like to express gratitude to Ensley Photography of Ogden for the excellent photography and reproduction work and Sunstrom-Miller Press of Boone for the first-class printing job.

Painstaking efforts have been taken in determining the accuracy of the information found in this book. However, in a project of this magnitude, there are certain to be some areas in which we stand to be corrected. If anyone has any corrections and/or additions, we ask that they be forwarded to Sacred Heart School, 1111 Marshall Street, Boone, IA 50036 so that our records can be updated.
