PROM '56

When reading these lines,
Please keep in mind
I'm not a poet—
As you soon will find.
In a rhyming sort of way
A few thoughts I wish to convey:

Talents and traits of students in our mass
Really rate them high class.
May these thoughts remind you as years go by
Of all your friends at dear Boone High.

One that plays a very important role
Is Lyla Swain, editor of this Scroll.
The Bumble "B," our source of what goes on,
Is edited by none other than Sandra Atherton.

Fall brings football for our pleasure.
Morgan Tompkins, Dick Ray and Dave Dearing contribute to
this sport without measure.

In basketball reporting without failure,
Are Charlie Musser, Larry Meyers and Jim Taylor.

We also have our handsome lads
Larry Land and Larry Jackson with all their fads
Some of the fairer sex to be on hand:
Barb Jones, Betty McElyea, Joyce Clarke and Janet Land.

Versatility of talent and brains in our school
 We check with Darryl Trulin, Carolyn Kirk, Marilyn Pesek
 and Keith Josephson as a rule.
 Human nature thrives on humor and wit.
 What could we do without Denny Hora and Freddie Vitt?

'Tis said music hath charms to still the aching heart.
 Sandra Richmond and Ruth Josephson surely do their part.
 Some personality flirts that we can mention:
 Mike Newbold, Gloria Peterson and Judy Houston do their
 part to attract attention.

Do you suppose the following we can chide?
 Dot Reedholm, Jo Sparks, Lyla Swain and Shirley Hines as
 prospective June brides.
 Dave Nelson and Dave Bender swim for sport
 And believe me, we cannot cut them short.

Our Pep Club always goes all out.
 Dot Reedholm, president, and all members really shout.
 Those fleet footed lads out for track in the spring,
 Don Stevens, Jon Ewing and Mike Ferry have their fling.

We mustn't forget the Elsberry twins with whom we are
 blessed.
 With hot rod cars Don Smith and Dick Hicks outdo the rest.
 So many others I could name
 May some day reach a greater fame.

Now put your Scroll upon the shelf
 As years go by, take it down—enjoy yourself.
 You'll live some moments of the past
 And wonder how can time go so fast.
